**312.010 When real property subject to tax foreclosure.** (1) Except as otherwise provided by law, real property within this state is subject to foreclosure for delinquent taxes whenever three years have elapsed from the earliest date of delinquency of taxes levied and charged thereon

(2) If two annual instalments of delinquent taxes of 1935 or of any prior year on any real property, each such instalment being one-quarter of the taxes of the earliest year of such delinquency, are not paid in accordance with ORS 311.760, or the taxes of any two years commencing with 1936 are not paid in full and three years have elapsed from the earliest date of delinquency of any taxes on such property, the tax collector shall include the property in the next tax foreclosure proceeding, as provided by law.

**312.020 Supervision by State Tax Commission.** The State Tax Commission shall have general supervision and control over tax foreclosure proceedings under ORS 312.010 to 312.240 to the end that such proceedings shall be conducted in a uniform and orderly manner in all counties of the state

**312.030 Annual foreclosure list; interest on taxes in list.** (1) Within four months after the day of delinquency of taxes of each year the tax collector shall prepare a list of all real properties then subject to foreclosure. The list shall be known as the foreclosure list and shall contain

(a) The names of the several persons appearing in the latest tax roll as the respective owners of tax-delinquent properties

(b) A description of each such property as it appears in the latest tax roll

(c) The year or years for which taxes are delinquent on each property

(d) The principal amount of the delinquent taxes of each year and the amount of accrued and accruing interest thereon to the day six months after the day of delinquency of taxes of the latest year

(2) Thereafter interest shall be charged and collected on each of the several amounts of taxes included in the foreclosure list at the rate of eight percent per year.

**312.040 Notice of proceeding.** (1) Notice of each foreclosure proceeding, except as otherwise provided in subsection (2) of this section, shall be given exclusively by four weekly publications of the foreclosure list in a newspaper of general circulation in

the county, to be designated by the county court or board of county commissioners. The price charged by the newspaper shall be at the legal rate as provided by law. The publication of the notice shall be sufficient service on each person interested in any of the properties, and it shall not be necessary to mail a copy of the notice to the owner or to any other person interested in any property. All persons owning or claiming to own, or having or claiming to have, any interest in any property included in the foreclosure list are required to take notice of such proceeding and of all steps thereunder

(2) If it is deemed expedient to do so, notice of the institution of the foreclosure proceeding may be given by personal service. Notice by personal service shall be in lieu of service by publication as to the defendant or defendants so served, and it shall not be necessary to include in the publication of the foreclosure list the names of such defendants or the descriptions or other matters relating to their respective properties

**312.050 Instituting foreclosure proceedings.** (1) On the day which is six months after the day of delinquency of taxes of the latest year, the tax collector, with the assistance of the district attorney, shall institute proceedings to foreclose the liens for all the delinquent taxes against each of the several properties included in the foreclosure list

(2) One general proceeding shall be brought on the part of the county to foreclose the tax liens against each of the properties included in the foreclosure list. The person whose name appears in the latest tax roll as the owner of any property therein described shall be considered and treated as the owner of the property. Each such proceeding shall be a proceeding in rem against the property itself. If in any tax roll it appears that the owner of any property is unknown, then such property shall be proceeded against as belonging to an unknown owner

**312.060 Application for judgment and decree foreclosing lien; effect and correction of irregularity, informality, omission or other error.** (1) Application for judgment and decree foreclosing any tax lien shall be in writing, verified as pleadings in civil actions and shall contain a succinct statement of the cause of suit. All amendments may be made which are permissible in any suit in equity. The application for judgment and decree, together with a certified copy of

the foreclosure list, shall be filed with the county clerk on the day of the first publication of the foreclosure list.

(2) No assessment of property or charge for taxes shall be considered invalid because of:

(a) An irregularity in an assessment roll.

(b) An assessment roll not having been made, completed or returned within the time prescribed by law

(c) The property having been listed or charged in an assessment or tax roll without any name, or with a name other than that of the owner

(3) No error or informality on the part of any officer in connection with assessment, equalization, levy or collection shall vitiate or affect the assessment of the property or the taxes thereon

(4) Any such irregularity, informality, omission or other error may, in the discretion of the court, be corrected to conform to law.

**312.070 Answer and defense to application by person interested.** Any person interested in any real property included in the foreclosure list may file an answer and defense to the application for judgment and decree within 30 days after the date of the first publication of the foreclosure list, exclusive of the day of the first publication. The answer and defense shall be in writing under oath and shall specify the particular cause of objection

**312.080 Summary hearing.** The court shall examine the application for judgment and decree. If answer and defense is filed by any defendant or other interested person, the matter shall be heard in a summary manner without other pleading

**312.090 Judgment and decree; lien; interest.** The court shall give judgment and decree for the delinquent taxes and interest appearing to be due on the several parcels of real property described in the application, and shall decree that the several liens of such taxes be foreclosed. The judgment shall be a several judgment against and a lien on each parcel of property included therein. The several judgment shall bear interest at the legal rate from the date of entry thereof.

**312.100 Order for sale of properties to county; certified copy of judgment and decree as certificate of sale.** The court shall

order that the several properties, against which the judgment and decree is entered, shall be sold directly to the county for the respective amounts of taxes and interest for which the properties severally are liable. The clerk shall deliver to the tax collector a certified copy of the judgment and decree, included in which shall be a list of the properties so ordered sold, with the several amounts due thereon. The certified copy shall constitute a certificate of sale to the county of the several properties described in the judgment and decree and no other certificate need be issued

**312.110 Removal of property from foreclosure proceedings.** At any time prior to judgment and decree any parcel of real property may be removed from the foreclosure proceeding by payments such as would have prevented inclusion of the property in the foreclosure list, plus any additional interest or penalty accrued; except that after the first publication of the foreclosure list any person seeking to remove any property from the foreclosure proceeding shall pay, in addition to the particular amounts of taxes and interest otherwise required, a penalty of two percent of the total amount of taxes and interest charged against the property. The penalty shall be in lieu of all publication costs and other charges in connection with the foreclosure proceeding. On receipt of the payments as to a particular property, prior to the filing of the application for judgment and decree, the tax collector shall make the proper entries in the tax roll and shall remove the property from the foreclosure list and proceeding. Subsequent to filing of the application for judgment and decree, no property may be removed from the foreclosure list and proceeding except on order entered by the court. The removal of any property from the foreclosure list and proceeding, as provided in this section, does not release the property from the lien of any unpaid tax thereon, but the unpaid taxes shall remain valid and subsisting liens as though the foreclosure proceeding had not been instituted

**312.120 Period during which property held by county; redemption; assessment during redemption period; redemption of part of property.** (1) All real properties sold to the county under ORS 312.100, shall be held by the county for the period of one year from and after the date of the judg-

ment and decree of foreclosure, unless sooner redeemed

(2) During the one year period any person having an interest in the property at the date of the judgment and decree of foreclosure, or any heir or devisee of such person, or any person holding a lien of record on the property, or any municipal corporation having a lien on the property, may redeem the property by payment of the full amount applicable to the property under the judgment and decree, with interest thereon as provided by law, plus a penalty of two percent of the total amount applicable to the property under the judgment and decree. The penalty of two percent shall be in lieu of all costs chargeable against the property in connection with the foreclosure proceeding.

(3) Property so redeemed shall be subject to assessment for taxation during the period of redemption, as though it had continued in private ownership.

(4) Any person holding a mortgage or other lien of record covering a part only of a particular parcel of real property included in the judgment and decree of foreclosure may redeem such part by payment of the proportionate amount applicable thereto under the judgment and decree

**312.130 Release of claims of county by redemption; entries by tax collector; certificate of redemption.** The receipt of redemption money by the tax collector shall operate to release all claims of the county, under the judgment and decree of foreclosure, to the property so redeemed. The tax collector, on receipt of the redemption money, immediately shall make the proper entries in the records of his office showing that the delinquent taxes, interest and penalty have been paid and that the property has been redeemed from the sale to the county, and he shall deliver to the person redeeming the property a certificate of redemption. The certificate shall contain a description of the property so redeemed, the total amount of taxes, interest and penalty paid, and the date of entry of the judgment and decree of foreclosure. The certificate shall be signed by the tax collector or his deputy and shall be filed by the redemptioner with the county clerk who, on payment of the recording fee, shall enter the certificate in the proper records of his office. The clerk then shall file the certificate of redemption as part of the judgment roll in the foreclosure proceeding.

No fee shall be charged for the issuance of a certificate of redemption.

**312.140 Notice of foreclosure list to lienholder.** (1) A mortgagee or other holder of a recorded lien on real property may file with the tax collector a request that notice of any foreclosure list including such real property be given to such mortgagee or other lienholder. The request shall contain the name and address of the person filing it, the description of the property and the name of the owner or reputed owner thereof, and the date of expiration of the mortgage or lien. Notice need not be given after expiration of the mortgage or lien, unless a further request therefor is filed. If the mortgagee or lienholder furnishes a duplicate form of request for the notice, the tax collector shall certify thereon to the filing and return the duplicate to the person making the request. All requests for notices of certificates of delinquency filed pursuant to previously existing laws have the force and effect of requests filed under this section.

(2) Whenever any property described in the request for notice is included in a foreclosure list or in a certificate of delinquency issued to any irrigation or drainage district the tax collector shall send by registered mail written notice thereof to the mortgagee or other lienholder. At the time of mailing the notice the tax collector shall note that fact in ink in the latest tax roll opposite the description of the property. The notation in the tax roll is prima facie evidence that the notice was mailed. Where the same mortgagee or lienholder has filed requests for notices on two or more properties included in a foreclosure list, one general notice may be issued covering all such properties.

**312.150 Effect of failure to give notice to lienholder when requested.** If a tax collector, after receiving a request for notice of tax foreclosure as provided in ORS 312.140, fails to give the notice, the failure shall not invalidate the foreclosure, but the mortgagee's or lienholder's right to redeem the property shall not terminate until the expiration of 30 days after the mailing of the notice.

**312.160 Lienholder paying taxes or redeeming gets additional lien for amount paid.** Where any property included in a foreclosure list or proceeding is removed therefrom by payment of taxes or by redemption on the part of a mortgagee or other lien-

holder of record, the official receipt for payment of such taxes or redemption money shall constitute an additional lien on the property to the amount specified in the receipt. The amount so paid, with interest and other lawful charges thereon, shall be collectible with and in the same manner as the amount secured by the original mortgage or lien.

**312.170 Municipal or other public corporation removing property from foreclosure list or proceeding or redeeming; additional lien.** (1) The governing body of any municipal or other public corporation, having a lien on any real property included in a foreclosure list or proceeding, may use its funds to remove the property from the list or proceeding, or to redeem the property after judgment and decree of foreclosure. Such corporation shall have the same right of redemption as the owner of the property.

(2) Where any municipal or other public corporation so removes or redeems any real property on which it claims a lien, or pays any taxes thereon, the corporation may add to its lien the amount so disbursed and cause that amount to be noted on its lien docket. The amount so disbursed shall be recoverable as part of the lien of the municipal or other public corporation. In case of foreclosure of the original lien claimed by such corporation, the amount so disbursed may be added to the original lien and recovered as part thereof.

**312.180 Possession during redemption period; forfeiture for waste.** The sale of property to the county on foreclosure for delinquent taxes does not affect the former owner's right to possession of the property during the period of redemption. However, any waste of the property, committed by the former owner or by anyone acting under his permission or control, shall work a forfeiture to the county of the right to such possession and, in addition, shall be punished as provided in ORS 312.990.

**312.190 Notice of expiration of redemption period.** Not more than 20 days nor less than five days prior to the expiration of the period of redemption of any real property ordered sold to the county under a judgment and decree under ORS 312.100, the tax collector shall publish a general notice relative to the expiration of the period of redemption. The notice shall contain the date of the judgment and decree, the date of expiration

of the period of redemption, and warning to the effect that all the properties ordered sold under the judgment and decree, unless sooner redeemed, will be deeded to the county immediately on expiration of the period of redemption and that every right or interest of any person in the properties will be forfeited forever to the county. The notice shall be published in two weekly issues of a duly designated newspaper of general circulation in the county within the period of 15 days as specified in this section. Proof of publication shall be attached to and made a part of the deed issued to the county. The published notice may be a general notice and it shall not be necessary to include therein descriptions of the several properties or the names of the respective owners.

**312.200 Deed to county.** The properties not redeemed within the one year period prescribed by ORS 312.120 shall be deeded to the county by the tax collector. All rights of redemption, with respect to the real properties therein described, shall terminate on the execution of the deed to the county. No return or confirmation of the sale or deed to the county is required or necessary.

**312.210 Appeal.** Appeal from any judgment and decree under ORS 312.010 to 312.240, or from any final order in the proceeding, may be taken to the Supreme Court by giving notice thereof orally in open court at the time of the judgment and decree or final order, or by giving written notice thereof at any time within 30 days after the date of the judgment and decree or final order. The manner of perfecting appeals to the Supreme Court and the proceedings thereon, and the determination and disposition thereof, shall be governed by the statutes on appeals in equitable cases.

**312.220 Judgment and decree as evidence and estoppel.** Any judgment and decree for the sale of real property to the county, on foreclosure for delinquent taxes, is conclusive evidence of its regularity and validity in all collateral proceedings, except where the taxes have been paid or the property was not liable to assessment and taxation. The judgment and decree is prima facie evidence that the taxes have not been paid and that the property was subject to taxation at the time it was assessed. The judgment and decree shall estop all persons raising objections thereto, or to the title

based thereon, which existed at or before the date of the judgment and decree and could have been presented as an objection or defense to the application for the judgment and decree.

**312.230 Limitations on proceedings affecting foreclosure sale.** Every action, suit or proceeding, commenced for the purpose of determining the validity of a sale of real property on foreclosure for delinquent taxes, or to quiet title against such sale, or to remove the cloud thereof, or to recover possession of the property, shall be commenced within two years from the date of the judgment and decree of foreclosure and sale to the county, and not otherwise. In every such action, suit or proceeding any person claiming to be the owner of the property, as against the county, or any person holding title from the county, shall pay into court with the first pleading the amount charged against the property in the judgment and decree of foreclosure, together with interest thereon at the rate of six percent per year from the date of the judgment and decree to the date of filing the pleading.

**312.240 Vacation of judgment; determining value of improvements by purchaser and rendering judgment therefor.** Whenever the court vacates or sets aside a judgment and decree of foreclosure with respect to any particular property, the court shall determine the value of any improvements placed on the property by the county or by any purchaser from the county, and shall give judgment therefor and collect the same from the claimant before putting him in possession.

**312.250 Certain rights of municipal corporations not affected by ORS 312.010 to 312.240.** No provision of ORS 312.010 to 312.240 shall impair or annul a right conferred upon municipal corporations by ORS 311.520 or ORS 312 270 to 312 300.

**312.260 Lands acquired by county by tax foreclosure where title fraudulently concealed from owner.** (1) If the title to lands acquired by any county by tax foreclosure was fraudulently concealed from the rightful owner, devisee, beneficiary, heir, creditor or other person having an interest therein, or was unlawfully obtained, held or controlled by or through fraudulent conveyance or other fraud, without knowledge on the part of such person, such person shall be entitled to a conveyance of the lands by pur-

chase from the county for cash or by agreement provided in ORS 275.190 at a price equivalent to the delinquent taxes thereon, with interest and without personal property taxes charged against the land, including lands of which the wrongdoer is owner of record or assignee of owners of record impressed with a trust for the benefit of such person or deeded or assigned to such person by the wrongdoer pursuant to any suit, action, proceeding or settlement respecting the fraudulent concealment or unlawful holding or control.

(2) Such person may cause to be filed with the county clerk of the county at any time while the title to any such lands is held by the county, written notice of intention to purchase the lands or any part thereof under this section, describing the lands. The notice shall be acknowledged and recorded in the deed records and a copy thereof served upon the district attorney of the county. The purchase of the land shall be completed by cash or execution of the agreement within one year from the filing of the notice or the final determination of the suit, action, or proceeding.

(3) This section shall not apply to or affect the title to any such lands dedicated to public use or conveyed by the county prior to the filing of the notice, but shall apply to lands sold by the county to an innocent purchaser under contract, in which case such person succeeds to the interest of the county in the contract subject to the rights of the innocent contract purchaser.

**312.270 Title of county purchasing property; title of purchaser on resale.** (1) When a county acquires real property by foreclosure for delinquent taxes, the conveyance vests in the county title to the property, free from all liens and encumbrances except assessments levied by a municipal corporation for local improvements to the property.

(2) Subject to ORS 312 280, a private purchaser at resale of such property by the county acquires title free and clear of all assessments for local improvements levied by any municipal corporation.

**312.280 Sale of property against which municipal corporation has lien.** (1) Before any real property acquired by the county on foreclosure for delinquent taxes is sold to a private purchaser, any municipal corporation which has filed a claim of lien on the property for local improvements in accord-

ance with ORS 275 130 shall be given the notice required by ORS 275 170.

(2) Thereupon, the municipal corporation shall have the exclusive right for a period of 20 days from and after the date of the notice to purchase the property from the county for a sum equal to the total amount of the unpaid taxes and costs against the property to the date of its conveyance to the county, exclusive of any portion thereof levied by the municipal corporation, without interest or penalties, but in no case shall the municipal corporation be required to pay a price greater in amount than that at which the property may have been offered to any third party. However, if the county has quieted its title to the property, the municipal corporation also shall pay the proportionate share applicable to the property, as determined by the county court or board of county commissioners, of the costs and expenses of the suit or other proceeding to quiet title. Where a municipal corporation so purchases property without paying the amount of its own tax levies thereon, the municipal corporation shall not participate in the distribution of the proceeds of the sale of the property, as otherwise provided by law.

(3) Forthwith after the purchase by a municipal corporation the county judge and commissioners, or the commissioners in counties having commissioners only, shall give a deed to the municipal corporation for the property so sold to it, without charges other than the price paid. The deed shall vest in the municipal corporation title in fee to the property, and such title shall be superior to any lien, claim or charge against the property

(4) All such sales heretofore or hereafter made by counties to municipal corporations are declared legal and valid and shall pass good titles to the properties conveyed.

**312.290 Sale of property on which there are unpaid assessments applicable to defaulted bonds of a city or town.** If a city or town has defaulted in payment of its outstanding bonds or interest thereon, or has refunded any such defaulted bonds, and real property on which there are unpaid special assessments applicable to the defaulted or refunded bonds, has been acquired by the county through foreclosure for delinquent taxes, the county court or board of county commissioners may sell such property, without notice of any kind, to the city or town on pay-

ment in cash of the total amount of all taxes levied by the state and applying to the property at the time of its conveyance to the county on foreclosure for delinquent taxes. Each such sale to a city or town shall be within the discretionary authority of the county court or board of county commissioners and shall be in addition to all other provisions of law for the resale of property acquired by a county on foreclosure for delinquent taxes. In making any such sale to a city or town, the county court or board of county commissioners shall have full authority to act for all municipal corporations, taxing districts or political subdivisions of the county interested in such taxes.

**312.300 Effect of irregularities and omissions on sales made pursuant to ORS 312.270 or 312.290.** No proceedings subsequent to a judgment or decree foreclosing a tax lien or liens upon property purchased under ORS 312 270 or 312 290, whether by a private purchaser or by a municipal corporation, shall be invalidated and no deed shall be declared void or set aside for irregularities, omissions or defects, unless the record owner of the property sold actually has been misled by the irregularities, omissions or defects to his injury.

**312.310 Accepting deed where timber fire reduces value of property; sale of timber or property acquired.** The county court or board of county commissioners may accept deeds to any property in process of foreclosure for tax delinquencies, the chief value of which, when assessed for taxation, was in green standing timber, whenever it appears to the satisfaction of the court or board that, subsequent to any assessment of the property on which taxes are delinquent, its value has been reduced materially due to damage by fire and that it is necessary to expedite the harvesting of the fire damaged timber. The court or board may sell the timber from lands so acquired, in the manner and for the price the court or board deems for the best interest of the county, but if any lands so acquired are sold by the county, whether before or after sale of the timber thereon, the lands shall be sold in the manner provided by law for sale by a county of real property acquired through foreclosure of liens for delinquent taxes. This section applies only where the damage resulted from one fire and the area involved is in excess of 10,000 acres

**312.320 Certificates of delinquency governed by former statutes.** Any certificate of delinquency issued or assigned to an individual before June 14, 1939, and any certificate of delinquency heretofore or hereafter issued or assigned to an irrigation or drainage district, and all proceedings in connection therewith, shall be subject to and governed by the statutes in effect prior to the taking effect of chapter 485, Oregon Laws 1939. All such statutes shall continue in full force and effect for such purposes.

**312.330 Certificate holder to elect to pay local assessments or take title subject thereto.** The holder of any certificate of delinquency for taxes, except a county, shall, before commencing any action to foreclose the lien of the certificate, pay in full all assessments or instalments thereon levied by any municipal corporation for local improvements and outstanding against the whole or any portion of the property included in the certificate of delinquency, or he may elect to proceed to acquire title to the property subject to certain or all local assessment liens thereon, in which case the complaint or application, decree of foreclosure, order of sale and deed shall so state. If the holder pays the local assessments he is entitled to 12 percent per year on the amount of the delinquent assessments or instalments thereon so paid from date of payment and the assessments so paid with interest thereon shall be included in the decree.

**312.340 Service of copy of complaint in foreclosure action by holder of certificate of delinquency.** In any action by a holder of a certificate of delinquency, except a county, to foreclose any lien for taxes upon any property, a copy of the complaint or application shall be served on the treasurer or recorder of the town or city within which the property is situated.

**312.350 Purchaser's title subject to assessment liens; certificate of payment of assessment liens or statement in deed required.** (1) Every purchaser of any tract of land, excepting a county, at a tax sale or foreclosure of any certificate of tax delinquency, shall acquire the property so purchased subject to all liens and claims arising out of any assessment for a local improvement levied against the property, or any part thereof, by any municipal corporation and existing in favor of any municipal corporation or in

favor of any person holding an unredeemed certificate of sale issued by any municipal corporation or any of its officers.

(2) Before issuing a deed or deeds for any such tract of land the sheriff shall require a certificate that all such assessment liens and claims have been paid in full, or he shall insert in the deed the following clause: "This deed is subject to all liens and claims arising out of any assessment for a local improvement levied against the property, or any part thereof, by any municipal corporation and existing in favor of any municipal corporation or in favor of any person holding an unredeemed certificate of sale issued by any municipal corporation or any of its officers."

**312.360 Tax sales to counties or other public corporations validated; effect of omissions or defects.** (1) All sales of land for taxes made to counties or other public corporations are declared legal and valid and shall pass good title to the lands assessed.

(2) No proceedings subsequent to a judgment or decree foreclosing a tax lien or liens shall be invalidated and no tax deed declared void or set aside for irregularities, omissions or defects unless the record owner of the land sold has been actually misled by the irregularities, omissions or defects to his injury.

**312.370 Certain tax sales validated.** All sales of real property for delinquent taxes made before May 22, 1903, by the sheriff of any county where the notice of the sale as published or posted omitted to mention the place where the sale was to be made, shall have the same force and effect as though the notice had mentioned the place of sale.

**312.380 Effect of failure to issue certificate of sale prior to 1939.** The failure to issue a certificate of sale, as such, in any tax foreclosure proceeding before June 14, 1939, shall not in any manner affect such proceeding.

**312.390 Request by lienholder for notice of proposed sale for delinquent city assessments or liens.** Any mortgagee or other holder of a recorded lien upon real property may file with the city treasurer of the city or town in which the property is situated a request that notice of a proposed sale of the property for delinquent city assessments or liens thereon be given to such mortgagee or other lienholder. The request shall con-

tain the name and address of the person, firm or corporation filing it, the name of the owner or reputed owner of the property, the description of the property, and the date of the expiration of the mortgage or lien. Notice need not be given after the date of the expiration of the mortgage or lien unless a further request therefor is filed. If the mortgagee or lienholder furnishes a duplicate form of request for that purpose, the city treasurer shall certify thereon to the filing of the request and deliver or mail the duplicate to the party filing it

**312.400 Giving notice to lienholder.** (1) Whenever the city treasurer posts or publishes notice of sale of any property described in the request made under ORS 312.390 for any delinquent city assessment or lien thereon, he shall give notice of the proposed sale to the mortgagee or other lienholder who filed the request by registered mail addressed to the mortgagee or other lienholder at the address given in the request

(2) At the time the notice is mailed, the city treasurer shall note the fact of the mailing in ink on the record of such assessment or lien in his possession and shall make a certificate of the mailing and keep it on file in his office. The certificate so filed is conclusive evidence that the notice was mailed

(3) The notice shall be mailed not less than 21 days prior to the date fixed for the sale and shall be addressed to the mortgagee

or other lienholder specified in the request.

(4) The notice shall contain:

(a) The name of the owner or reputed owner of the property

(b) The description of the property.

(c) The date fixed for the sale.

(d) A description of the city assessment or lien and the amount unpaid thereon.

(e) The amount necessary to be paid to prevent the sale of the property

**312.410 Effect of failure to give notice when requested.** If the city treasurer, after having received a request for notice as provided in ORS 312.390, fails to give the notice in the manner provided in ORS 312.400, such failure shall render void any deed of the property until the city treasurer gives the notice by registered mail, addressed to the mortgagee or lienholder requesting the notice, and for 30 days thereafter, during which period the mortgagee or lienholder may redeem the property.

**312.420 Application of ORS 312.390 to 312.410 to other than treasurer of city.** If an officer other than the treasurer is designated by the charter or ordinances of any city to collect delinquent city assessments or liens, or both, and make sales of the property upon which the assessments or liens, or both, are delinquent, then the provisions of ORS 312.390 to 312.410 apply to such other officer

**312.990 Penalties.** The commission of waste on property described in ORS 312.180 by the former owner or anyone acting under his permission or control is punishable, upon conviction, by a fine of not less than twice the value so wasted.
