(9) "Real property" includes all lands, including improvements and fixtures thereon, and property of any nature appurtenant thereto, or used in connection therewith, and every estate, interest and right, legal or equitable, therein, including terms for years and liens by way of judgment, mortgage or otherwise and the indebtedness secured by such liens.

(10) "Slum" means any area where dwellings predominate which, by reason of dilapidation, overcrowding, faulty arrangement or design, lack of ventilation, light or sanitary facilities, or any combination of these factors, are detrimental to safety, health or morals.

456.060 Definition of "area of operation." As used in the Housing Authorities Law, unless the context requires otherwise, "area of operation" includes:

(1) In the case of a housing authority of a city having a population of less than 10,000, such city and the area within five miles of the territorial boundaries thereof, excepting any area which lies within the territorial boundaries of some other city.

(2) In the case of a housing authority of a city having a population of 10,000 or more, such city and the area within 10 miles from the territorial boundaries thereof, excepting any area which lies within the territorial boundaries of some other city.

(3) In the case of a housing authority of a county, all of the county except that portion which lies within the territorial boundaries of any city. However, a county authority may operate in the area of any city within the county with the consent of the city governing body.

456.065 Definition of "housing project." As used in the Housing Authorities Law, unless the context requires otherwise, "housing project" means any work or undertaking:

(1) To demolish, clear or remove buildings from any slum area. Such work or undertaking may embrace the adaptation of such area to public purposes, including parks or other recreational or community purposes.

(2) To provide decent, safe and sanitary urban or rural dwellings, apartments or

other living accommodations for persons of low income. Such work or undertaking may include buildings, land, equipment, facilities and other real or personal property for necessary, convenient or desirable appurtenances, streets, sewers, water service, parks, site preparation, gardening, administrative, community, health, recreational, educational, welfare or other purposes.

(3) To accomplish a combination of the projects listed in subsections (1) and (2) of this section, but it may also be applied to the planning of the buildings and improvements, the acquisition of property, the demolition of existing structures, the construction, reconstruction, alteration and repair of the improvements and all other work in connection therewith.

456.070 Declaration of necessity for establishment of housing authorities. It hereby is declared:

(1) That there exist in the state insanitary or unsafe dwelling accommodations and that persons of low income are forced to reside in such insanitary or unsafe accommodations.

(2) That within the state there is a shortage of safe or sanitary dwelling accommodations available at rents which persons of low income can afford and that such persons are forced to occupy overcrowded and congested dwelling accommodations.

(3) That the conditions stated in subsections (1) and (2) of this section cause an increase in and spread of disease and crime and constitute a menace to the health, safety, morals and welfare of the residents of the state and impair economic values and that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety, fire and accident protection and other public services and facilities.

(4) That slum areas in the state cannot be cleared, nor can the shortage of safe and sanitary dwellings for persons of low income be relieved, through the operation of private enterprise, and that the construction of housing projects for persons of low income would therefore not be competitive with private enterprise.

(5) That the clearance, replanning and reconstruction of the areas in which insanitary or unsafe housing conditions exist and the providing of safe and sanitary dwelling accommodations for persons of low income are public uses and purposes for which pub-

lic money may be spent and private property acquired and are governmental functions of state concern.

(6) That it is in the public interest that work on projects for such purposes be commenced as soon as possible in order to relieve unemployment which now constitutes an emergency.

(7) As a matter of legislative determination, that there is a necessity in the public interest for the Housing Authorities Law.

456.075 Housing authorities created; declaration of need required before housing authority may function. In each city, as defined in ORS 456.055, and county there hereby is created a public body corporate and politic to be known as the "housing authority" of the city or county. However, the housing authority shall not transact any business or exercise its powers until or unless the governing body of the city or the county, by proper resolution, declares that there is need for an authority to function in such city or county.

456.080 Determination of need for housing authority to function. (1) The determination of whether there is a need for a housing authority to function in a city or county may be made by the governing body on its own motion or, if a petition is filed with the governing body stating that there is a need for a housing authority to function and if the petition bears the signatures of not less than two percent of the number of votes cast in that city or county for the candidate for the Supreme Court receiving the highest vote at the last general election, the governing body shall submit the question of whether there is a need for a housing authority to function in that city or county to the legal voters of such city or county at any general election, or at any special election called for that purpose.

(2) If the majority vote at any such election is in favor of the functioning of the housing authority, the governing body shall declare that there is need for such housing authority to function.

(3) The question of need shall not again be submitted at any special election within one year immediately following the election at which voted upon.

456.085 Adopting resolution declaring need for authority. (1) The governing body shall adopt a resolution declaring that there

is need for a housing authority in the city or county, if it finds:

(a) That insanitary or unsafe inhabited dwelling accommodations exist in such city or county.

(b) That there is a shortage of safe or sanitary dwelling accommodations in such city or county available to persons of low income at rentals they can afford.

(2) In determining whether dwelling accommodations are unsafe or insanitary, the governing body may take into consideration the degree of overcrowding, the percentage of land coverage, the light, air, space and access available to the inhabitants of such dwelling accommodations, the size and arrangement of the rooms, the sanitary facilities and the extent to which conditions exist in such buildings which endanger life or property by fire or other causes.

456.090 Sufficiency of resolution; copy as evidence. (1) In any suit, action or proceeding involving the validity or enforcement of or relating to any contract of authority, the authority is conclusively deemed to have become established and authorized to transact business and exercise its powers upon proof of the adoption of a resolution by the governing body declaring the need for the authority. The resolution is deemed sufficient if it declares that there is a need for an authority and finds that either or both of the conditions enumerated in subsection (1) of ORS 456.085 exist in the city or county, in substantially the terms used in that subsection, no further detail being necessary.

(2) A copy of such resolution duly certified by the clerk shall be admissible in evidence in any suit, action or proceeding.

456.095 Appointment and qualification of commissioners of housing authorities. (1) When the governing body of a city adopts a resolution pursuant to ORS 456.085, it shall promptly notify the mayor of such adoption. Upon receiving the notice, the mayor shall appoint as commissioners of the authority in the city concerned:

(a) Five persons in a city having a population of less than 100,000.

(b) Seven persons in a city having a population of 100,000 or more.

(2) When the governing body of a county adopts a resolution pursuant to ORS 456.085, it shall appoint five persons as commissioners of the authority created for the county concerned.

(3) No commissioner of an authority may be an officer or employe of the city or county for which the authority is created.

(4) A certificate of appointment or re-appointment of any commissioners shall be filed with the clerk. Such certificate shall be conclusive evidence of the due and proper appointment of a commissioner.

456.100 Terms and compensation of commissioners. (1) The commissioners of a five-member authority who are first appointed shall serve for terms of one, two, three, four and five years, respectively, from the date of their appointment.

(2) The commissioners of a seven-member authority who are first appointed shall serve for terms of two for one year, two for two years, one for three years, one for four years and one for five years from the date of appointment.

(3) Thereafter, commissioners shall be appointed for a term of office of five years except that all vacancies shall be filled for the unexpired term. A commissioner shall hold office until his successor has been appointed and qualified.

(4) A commissioner shall receive no compensation for his services, but he shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his duties.

456.105 Organization; officers; quorum; employees; legal services. (1) Three commissioners of a five-member authority and four of a seven-member authority shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes.

(2) Except as otherwise provided in the Housing Authorities Law, action may be taken by the authority upon a vote of a majority of the commissioners present unless the bylaws of the authority require a larger number.

(3) The mayor or, in the case of an authority for a county, its governing body, shall designate which of the commissioners appointed shall be the first chairman. Thereafter when the office of the chairman of the authority becomes vacant, the authority shall select a chairman from among its commissioners.

(4) An authority shall select from among its commissioners a vice-chairman.

(5) An authority may employ a secretary (who shall be executive director), technical experts and such other officers, agents

and employes, permanent and temporary, as it requires. It shall determine their qualifications, duties and compensation.

(6) For such legal services as it requires, an authority may call upon the chief law officer of the city or the county or may employ its own counsel and legal staff.

456.110 Removal of commissioner. For inefficiency or neglect of duty or misconduct in office, a commissioner of an authority may be removed by the mayor or, in the case of an authority for a county, by the governing body of the county, after he has been given a copy of the charges at least 10 days prior to the hearing thereon and had an opportunity to be heard in person or by counsel. In the event of the removal of any commissioner, a record of the proceedings, together with the charges and findings thereon, shall be filed in the office of the clerk.

456.115 Commissioners and employes may not have interest in project; disclosure of interest. (1) No commissioner or employe of an authority shall acquire any interest in any housing project or in any property included or planned to be included in any project, nor shall he have any interest in any contract or proposed contract for materials or services to be furnished or used in connection with any housing project.

(2) If any commissioner or employe of an authority owns or controls an interest in any property included or planned to be included in any housing project, he immediately shall disclose the same in writing to the authority. Such disclosure shall be entered upon the minutes of the authority. Failure so to disclose such interest shall constitute misconduct in office.

456.120 Powers of authority as public corporation. An authority shall constitute a public body corporate and politic, exercising public and essential governmental functions, and having all the powers necessary or convenient to carry out and effectuate the purposes of the Housing Authorities Law. These powers shall be vested in the commissioners of the authority and shall include the following in addition to others granted in the Housing Authorities Law:

- (1) To sue and be sued.
- (2) To have a seal and to alter the same at pleasure.
- (3) To have perpetual succession.

(7) Notwithstanding any laws to the contrary, to include in any contract let in connection with a project, stipulations requiring that the contractor and any subcontractors comply with requirements as to minimum wages and maximum hours of labor, and comply with any conditions which the Federal Government attaches to its financial aid of the project.

(8) To lease or rent any dwellings, houses, accommodations, lands, buildings, structures or facilities embraced in any housing project and, subject to the limitations of the Housing Authorities Law, to establish and revise the rents or charges therefor.

(9) To own, hold and improve real or personal property.

(10) To purchase, lease, obtain options upon, acquire by gift, grant, bequest, devise or otherwise any real or personal property or any interest therein.

(16) To exercise all or any part or com-

bination of powers granted in the Housing Authorities Law.

456.125 Research, planning, construction and operation of housing projects. Within its area of operation, a housing authority may:

(1) Investigate into living, dwelling and housing conditions and into the means and methods of improving such conditions.

(2) Determine where slum areas exist or where there is a shortage of decent, safe and sanitary dwelling accommodations for persons of low income.

(3) Make studies and recommendations relating to the problem of clearing, replanning and reconstructing of slum areas and the problem of providing dwelling accommodations for persons of low income. An authority may cooperate with the city, county or state or any of their political subdivisions in action taken in connection with such problems.

(4) Engage in research, studies and experimentation on the subject of housing.

(5) Prepare, carry out, acquire, lease and operate housing projects.

(6) Provide for the construction, reconstruction, improvement, alteration or repair of any housing project or any part thereof.

456.130 Investigations, hearings and recommendations of authority. Any authority, acting through one or more commissioners or other persons designated by the authority, may:

(1) Conduct examinations and investigations and hear testimony and take proof under oath at private or public hearings on any matter material for its information.

(2) Administer oaths, issue subpoenas requiring the attendance of witnesses or the production of books and papers and issue commissions for the examination of witnesses who are outside the state or unable to attend before the authority or excused from attendance.

(3) Make available to appropriate agencies, including those charged with the duty of abating or requiring the correction of nuisances or like conditions, or of demolishing unsafe or insanitary structures within

the area of operation, its findings and recommendations with regard to any buildings or property where conditions exist which are dangerous to the public health, morals, safety or welfare.

456.135 Delegation of powers or duties. An authority may delegate to one or more of its agents or employees such powers or duties as it deems proper.

456.140 Joinder or cooperation of authorities. Any two or more authorities may join or cooperate with one another in the exercise of any or all of the powers conferred by the Housing Authorities Law for the purpose of financing, planning, undertaking, constructing or operating a housing project or projects located within the area of operation of one or more of the authorities.

456.145 Eminent domain. (1) An authority may acquire, by the exercise of the power of eminent domain, any real property which it deems necessary for its purposes after adoption by it of a resolution declaring that the acquisition of the real property described therein is necessary for such purposes. An authority may exercise the power of eminent domain in the manner provided for in the laws of this state for the condemnation of lands or rights of way by public or quasi public corporations for public use or for corporate purposes; or in the manner provided by law for the appropriation of real property, or rights therein or thereto, by private corporations; or in the manner provided by any other applicable statutory provisions for the exercise of the power of eminent domain.

(2) Property already devoted to a public use may be acquired in like manner, but no real property belonging to the city, the county, the state or any political subdivision thereof may be acquired without its consent.

456.150 Housing projects subject to local laws; consideration of other programs.

(1) All housing projects of an authority shall be subject to the planning, zoning, sanitary and building laws, ordinances and regulations applicable to the locality in which the housing project is situated.

(2) In the planning and location of any housing project, an authority shall take into consideration the relationship of the project to any larger plan or long-range program for the development of the area in which the housing authority functions.

456.155 Profit from projects prohibited; computing maximum rentals. (1) It hereby is declared to be the policy of this state that:

(a) Each housing authority shall manage and operate its housing projects in an efficient manner so as to enable it to fix the rentals for dwelling accommodations at the lowest possible rates consistent with its providing decent, safe and sanitary dwelling accommodations.

(b) No housing authority shall construct or operate any such project for profit, or as a source of revenue to the city or the county.

(2) To the end stated in subsection (1) of this section, an authority shall fix the rentals for dwellings in its projects at no higher rates than it finds to be necessary in order to produce revenues which, together with all other available moneys, revenues, income and receipts of the authority from whatever sources derived, will be sufficient:

(a) To pay, as they become due, the principal and interest on the bonds of the authority.

(b) To meet the cost of, and to provide for, the maintenance and operation of the projects, including the cost of any insurance, and the administrative expenses of the authority.

tenant in any housing project if the person or persons who would occupy the dwelling accommodations have an annual net income in excess of five times the annual rental of the quarters to be furnished such person or persons, except that in the case of families with three or more minor dependents, such ratio shall not exceed six to one. In computing the rental for this purpose of selecting tenants, there shall be included in the rental the average annual cost, as determined by the authority, to the occupants, of heat, water, electricity, gas, cooking range and other necessary services or facilities, whether or not the charge for such services and facilities is in fact included in the rental.

456.165 Vested rights of creditors not affected by restrictions of ORS 456.155 and 456.160. ORS 456.155 and 456.160 do not limit the power of an authority to vest in an obligee the right, in the event of a default by the authority, to take possession of a housing project or cause the appointment of a receiver thereof or acquire title thereto through foreclosure proceedings, free from all the restrictions imposed by those sections.

456.170 Reports and recommendations by authority. At least once a year, an authority shall file with the clerk a report of its activities for the preceding year, and shall make recommendations with reference to such additional legislation or other action as it deems necessary in order to carry out the purposes of the Housing Authorities Law.

456.175 Issuance of bonds; means for payment. (1) An authority may issue bonds from time to time in its discretion for any of its corporate purposes. An authority may also issue refunding bonds for the purpose of paying or retiring bonds previously issued by it.

(2) The bonds and other obligations of an authority shall not be a debt of the city, the county, the state or any political subdivision thereof, and the bonds and obligations shall so state on their face. Neither the city, the county, nor the state or any political subdivision thereof shall be liable thereon. Nor, in any event, shall such bonds or obligations be payable out of any funds or properties other than those of the authority.

(3) The bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

456.185 Procedure for issuance of bonds; type and form; sale of bonds. (1) Bonds of an authority shall be authorized by its resolution adopted by a vote of a majority of the commissioners, and may be issued in one or more series.

(2) The bonds shall bear such dates, mature at such times, bear interest at such rates, not exceeding six percentum per annum, be in such denominations, be in such form, either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payments, at such places, and be subject to such terms of redemption, with or without premium, as such resolution, its trust indenture or mortgage may provide.

(3) The bonds may be sold at not less than par at public sale held after notice published once at least five days prior to such sale in a newspaper having a general circulation in the city or the county and in a financial newspaper published in San Francisco, California, or in New York City, New York; provided, that the bonds may be sold at not less than par to the Federal Government at private sale without any public advertisement.

456.190 Signatures validated; presumption of validity of bond. (1) In case any of the commissioners or officers of the authority whose signatures appear on any bonds or coupons cease to be commissioners or

officers before the delivery of such bonds, the signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if the commissioners or officers had remained in office until delivery. Any law to the contrary notwithstanding, bonds issued pursuant to the Housing Authorities Law are fully negotiable.

(2) In any suit, action or proceedings involving the validity or enforceability of any bond of an authority or the security therefor, any such bond reciting in substance that it has been issued by the authority to aid in financing a housing project to provide dwelling accommodation for persons of low income is conclusively deemed to have been issued for a housing project of such character and said project is conclusively deemed to have been planned, located and constructed in accordance with the Housing Authorities Law.

456.195 Attorney General's certificate of validity. (1) An authority may submit to the Attorney General any bonds to be issued under the Housing Authorities Law after all proceedings for the issuance of such bonds have been taken. Upon the submission of such proceedings to the Attorney General, he shall examine into and pass upon the validity of such bonds and the regularity of all proceedings in connection therewith.

(2) If such proceedings conform to the Housing Authorities Law and are otherwise regular in form and if such bonds, when delivered and paid for, will constitute binding and legal obligations of the authority, enforceable according to the terms thereof, the Attorney General shall certify in substance upon the back of each bond that it is issued in accordance with the Constitution and laws of the State of Oregon.

456.200 Powers of authority in securing payment of bonds or lease obligations. In connection with the issuance of bonds or the incurring of obligations under leases and in order to secure the payment of such bonds or obligations, an authority may:

(4) "Administration" means all undertakings necessary for management, operation or maintenance, in connection with any project, and includes the leasing of any project, in whole or in part, from the Federal Government.

(5) The development of a project shall be deemed to be "initiated" if a housing authority has issued any bonds, notes or other obligations with respect to financing the development of such project of the housing authority, or has contracted with the Federal Government with respect to the exercise of powers under ORS 456.405 to 456.455 in the development of such project of the Federal Government for which an allocation of funds has been made prior to December 31, 1947.

456.410 Declaration of necessity; purpose; powers additional. (1) It hereby is found and declared:

(a) That the national defense program involves large increases in the military forces and personnel in this state, a great increase in the number of workers in already established manufacturing centers and the bringing of a large number of workers and their families to new centers of defense industries in the state.

(b) That there is an acute shortage of safe and sanitary dwellings available to such persons and their families in this state which impedes the national defense program.

(c) That it is imperative that action be taken immediately to assure the availability of safe and sanitary dwellings for such persons to enable the rapid expansion of national defense activities in this state and to avoid a large labor turnover in defense industries which would seriously hamper their production.

(d) That ORS 456.405 to 456.455 are necessary to assure the availability of safe and sanitary dwellings for persons engaged in national defense activities which otherwise would not be provided at this time and that such provisions are for the public use and purpose of facilitating the national defense program in this state.

(e) That it is the purpose of ORS 456.405 to 456.455 to authorize housing authorities to do all things necessary or desirable to secure the financial aid of the Federal Government, or to cooperate with or act as agent of the Federal Government, in the expeditious development and the administration of projects to assure the availability when needed of safe and sanitary dwellings for persons engaged in national defense activities.

(2) The powers conferred by ORS 456.405 to 456.455 are in addition and supplemental to the powers conferred by any other law, and nothing contained in ORS 456.405 to 456.455 shall be construed as limiting any other powers of a housing authority.

456.415 Development and administration of projects; rights and immunities of housing authority. (1) Any housing authority may undertake the development and administration of projects to assure the availability of safe and sanitary dwellings for persons engaged in national defense activities whom the housing authority determines

would not otherwise be able to secure safe and sanitary dwellings within the vicinity thereof. However, no housing authority shall initiate the development of any such project pursuant to ORS 456.405 to 456.455 after December 31, 1947.

(2) In the ownership, development or administration of housing projects, a housing authority shall have all the rights, powers, privileges and immunities that it has under any law relating to the ownership, development or administration of slum clearance and housing projects for persons of low income, in the same manner as though all laws applicable to slum clearance and housing projects for persons of low income were applicable to projects developed or administered to assure the availability of safe and sanitary dwellings for persons engaged in national defense activities under ORS 456.405 to 456.455.

(3) Housing projects developed or administered under ORS 456.405 to 456.455 constitute "housing projects" under the Housing Authorities Law, as that term is used therein.

456.420 Determination of "national defense period." Reference in ORS 456.405 to 456.455 to the term "national defense period" means that period during which a housing authority finds that, within its area of operation as defined in ORS 456.060, there is an acute shortage of safe and sanitary dwellings which impedes the national defense program in this state, and that the necessary safe and sanitary dwellings would not be provided when needed for persons engaged in national defense activities, except under ORS 456.405 to 456.455. The finding of the housing authority shall be conclusive in any suit, action or proceeding.

456.425 Defense projects exempt from Housing Authorities Law during national defense period. During the national defense period, any project developed or administered by the housing authority for which the national defense period exists or by any housing authority cooperating with it in the area of operation pursuant to ORS 456.405 to 456.455, with the financial aid of the Federal Government or as agent for the Federal Government as provided in ORS 456.440, shall not be subject to the limitations of ORS 456.160 and subsection (2) of ORS 456.155.

456.430 Payments for services and facilities. During the national defense period,

a housing authority may make payments in such amounts as it finds necessary or desirable for any services, facilities, works, privileges or improvements furnished for or in connection with such project.

456.435 Administration after national defense period. After the national defense period, any projects owned and administered by a housing authority under ORS 456.405 to 456.455 shall be administered for the purposes and in accordance with the Housing Authorities Law.

(2) In order to assure the availability of safe and sanitary housing for persons engaged in national defense activities, a housing authority may sell, in whole or in part, to the Federal Government any housing project developed for persons of low income but not yet occupied by such persons. This sale shall be at such price and upon such terms as the housing authority prescribes and shall include provision for the satisfaction of all debts and liabilities of the housing authority relating to such project.

456.445 Scope of authorization for development and administration of defense housing projects. (1) ORS 456.405 to 456.455 constitute an independent authorization for a housing authority to undertake the development or administration of projects to assure the availability of safe and sanitary dwellings for persons engaged in national defense activities and for a housing authority to cooperate with, or act as agent for, the Federal Government in the development or administration of similar projects by the Federal Government.

(2) In acting under this authorization, a housing authority shall not be subject to any limitations, restrictions or requirements of other laws, except those relating to land acquisition, prescribing the procedure or action to be taken in the development or administration of any public works, including

slum clearance and housing projects for persons of low income or undertakings or projects of municipal or public corporations or political subdivisions or agencies of the state.

(3) A housing authority may do any and all things necessary or desirable to cooperate with, or act as agent for, the Federal Government, or to secure financial aid in the expeditious development or in the administration of projects to assure the availability of safe and sanitary dwellings for persons engaged in national defense activities and to effectuate the purposes in ORS 456.410.

456.450 Cooperation of state public body with state and federal agencies. Any state public body, as defined in ORS 456.305, shall have the same rights and powers to cooperate with housing authorities, or with the Federal Government, with respect to the development or administration of projects to assure the availability of safe and sanitary dwellings for persons engaged in national defense activities that such state public body has pursuant to ORS 456.305 to 456.325.

456.455 Bonds or other obligations of housing authority. Bonds or other obligations issued by a housing authority for a project developed or administered pursuant to ORS 456.405 to 456.455 shall be security for public deposits and legal investments to the same extent and for the same persons, institutions, associations, corporations, bodies and officers as bonds or other obligations issued pursuant to the Housing Authorities Law.

456.460 to 456.500 [Reserved for expansion]
