in writing on the holder of the permit or license, attaching thereto a copy of any charge or charges against him and appoint a day of hearing, at which time the licensee, or any witness in his behalf, may appear and give testimony in refutation of such charge. If the board, after the hearing, still desires to revoke or suspend the permit or license of the holder, the decision, specifically stating the ground upon which the permit or license was revoked or suspended, must be reduced to writing and a copy thereof delivered to the holder of the permit or license upon the demand of any such holder. The hearing must take place within 20 days after service of the copy of the charge upon the holder of a revoked or suspended permit or license, and the decision of the board must not be later than 10 days after the hearing.

686.150 Board may refuse to issue or renew license. The board, with the concurrence of four members thereof, may refuse to issue or renew a permit or license for unprofessional or dishonorable conduct.

(2) If a license has been suspended and time of suspension has elapsed, permission to practice shall be given only upon the payment of the regular annual renewal fee.

686.170 Appointment of committee to investigate alleged violations of chapter. The board is authorized to appoint a committee of not less than three licensed, practicing veterinarians to investigate any charge made accusing any person of violating any of the provisions of this chapter, and to report to the board any facts concerning the charge, together with any recommendations the committee sees fit to make. No member of the committee shall reside in the same territory served by the accused person. The expenses of the committee shall be paid out of the Oregon State Veterinary Medical Fund.

686.180 to 686.200 [Reserved for expansion]

686.210 Oregon State Veterinary Medical Examining Board; appointment, qualifications and terms of members. There hereby is created the Oregon State Veterinary Medical Examining Board which shall carry out

the purposes and enforce the provisions of this chapter. The board shall consist of five members appointed by the Governor for a term of four years. All members shall have resided in the state at least five years immediately previous to appointment to the board, and shall be licensed to practice veterinary medicine, surgery and dentistry in this state. Not more than three members appointed to serve on the board shall be from the same veterinary college or veterinary department of a university or college. Any appointments to fill vacancies by reason of death, resignation or removal shall be made by the Governor for the residue of the term of the retiring member. [Amended by 1953 c.624 §9]

686.230 Compensation and expenses of members. The members of the board shall each receive as full compensation \$10 per diem for attendance and performance of duties at any regularly called meeting of the board, inclusive of the necessary time engaged in travel to and from place of meeting, together with their actual and necessary expenses incurred during these meetings, and in traveling from their respective places of residence to the place of meeting and return. However, such compensation and expenses shall not exceed the income of fees accruing under this chapter, the same to be paid out of a fund and in a manner provided in ORS 686.280.

686.240 Employment of special counsel, investigator and other employes. For the purpose of carrying out and enforcing the provisions of this chapter, the board has authority to employ special counsel to represent it in any court, or to advise it on any matter connected with it, or to assist in the prosecution of any criminal case for the violation of this chapter. When it is con-

If after such investigation the board has reason to believe that any person is subject to prosecution criminally for the violation of this chapter, it shall lay the facts before the proper district attorney.

686.270 Injunction against violations. If at any time the board concludes that any person is violating the Oregon veterinary medical laws the board may, in its own name, bring a suit in equity to enjoin that person from continuing such practice. The suit shall be commenced and prosecuted in the same manner as other suits in equity. If, after trial, the court finds that the defendant has been or is violating, or is threatening to violate, the Oregon veterinary medical laws it shall enter a permanent injunction restraining the defendant from so doing. In any such suit it shall not be necessary to show that any person is especially injured by the acts complained of. The violation of any such temporary or permanent injunction may be punished by contempt as in other cases. Neither the bringing of such suit nor any injunction entered therein, nor the punishment for contempt for violating any order or decree entered in such suit, shall prevent or prejudice the prosecution of any criminal action for any violation of this chapter.

686.280 Disposition of fees and fines. (1) Fees collected under ORS 686.080 shall be used for the defraying of the expenses of

the board. Any excess shall be paid over to the State Treasurer and placed in a fund known as the Oregon State Veterinary Medical Fund, to be paid out by him on warrants, or orders drawn upon him and signed by the president and secretary of the board, in case of a deficit.
