**Class A. Hairdresser.** Any person who engages for compensation in any one or any combination of the following practices shall be construed to be practicing the occupation of a hairdresser: Arranging, dressing, curling, temporary waving, permanent waving, cleansing, cutting, singeing, bleaching, coloring, or similar work, upon the hair of any person, by any means.

**Class B. **Class C. **Class D. Manicurist.** Any person who engages for compensation in the profession of cutting, trimming, polishing, coloring, tinting, cleansing or manicuring the nails of any person or massaging, cleansing, treating or beautifying the hands of any person, shall be construed to be practicing the occupation of a manicurist.

(e) Has satisfactorily passed an examination conducted by the board to determine the fitness of the applicant to receive a certificate of registration.

(2) The board in registering an applicant for training in one of the classifications defined in ORS 691.020 shall allow proper credit to an applicant who holds a license in another classification.

#### **691.060 Registration of nonresidents.**

An applicant for registration in this state to any of the classifications defined in ORS 691.020 who is 18 years of age or more, and who is licensed under and has complied with the requirements of the cosmetic therapy laws of another state or similar political entity, and who has been licensed to practice and who has been actively engaged in the practice of the profession of cosmetic therapy for a period of at least two years in another state, may be granted a certificate of registration upon examination of history of cosmetology, shop management, professional ethics, sanitation and practical demonstration, unless the board, in its discretion, sees fit to waive an examination, upon the production of satisfactory evidence and upon payment of the required fee. [Amended by 1953 c.231 §4]

(1) Applications for examinations shall be in writing on forms prescribed and supplied by the board, shall contain satisfactory evidence of the qualifications required of an applicant, and shall be certified by the applicant under oath, and shall be filed with the secretary of the board and accompanied by the examination fee listed in ORS 691.180. If the board finds the application satisfactory, it shall admit the applicant to examination or to registration under the proper classification.

Examinations shall include practical demonstrations, written and oral tests. Examinations shall cover all the subjects

taught in approved schools of cosmetic therapy, but shall not be confined to any specific system or methods.

**691.080 Issuance and display of certificate of registration.** (1) When an applicant has complied with the requirements of this chapter and has furnished a certificate from a physician licensed and registered by the State Board of Medical Examiners that he is free from contagious and infectious disease, the board shall issue to the applicant a certificate to that effect according to the classifications defined in ORS 691.020, in the name of the board, signed by the president and the secretary and attested by the seal of the board. Such certificate shall be evidence that the person to whom it is issued is entitled to the rights granted a person registered under this chapter.

(2) No person shall practice for compensation any of the arts or classifications described in this chapter unless his certificate is displayed in plain, open and unobstructed view in a conspicuous place in his place of business or employment.

**691.090 Certificates of identification.** Any person practicing any of the arts or classifications mentioned in this chapter outside of or away from a place of business shall carry with him a certificate of identification which must be shown to a person upon whom cosmetic therapy work is being performed. When an applicant for a demonstrator's certificate has furnished the board with a certificate from a physician licensed and registered by the State Board of Medical Examiners that he is free from contagious and infectious disease, the board shall issue the cer-

The board may promulgate such rules and regulations as it may deem proper, if any, further governing the issuance and retention of such certificates. Each demonstrator's certificate shall be in force for a period of one year from the date of its issuance unless revoked by the board for cause. shall contain the name of the manager of the place of business, who shall be responsible for the proper conduct of the place of business in the same manner as though he were the owner.

(3) All shop license permits shall be displayed in the same manner as certificates of practitioners in this chapter. No person shall practice any of the arts or classifications described in this chapter unless he is the proprietor of or employed by a place of business authorized to display and which does display a shop license permit to practice cosmetic therapy.

**691.120 Period for which certificates and licenses are valid.** All certificates, licenses and shop license permits shall expire on July 31 next after the date of issue, unless theretofore renewed for the following year by the payment of the required renewal fee. A certificate or license expired for more than one year may be restored upon payment of all lapsed renewal fees and upon satisfactory proof of qualification to resume practice or teaching. [Amended by 1953 c.231 §4; 1955 c.155 §3]

The secretary, within 10 days after the service of notice of appeal and the filing and approval of the bond, shall transmit to the clerk of the circuit court to which the appeal is taken, a certified copy, under the seal of the board, of accusations on which the revocation or the refusal to grant the license was based, the grounds so assigned for appeal, together with the notice and undertaking on appeal. The clerk of the court thereupon shall docket the appealed cause and it shall be tried in all respects as an ordinary civil suit and like proceedings shall be had thereon. Upon appeal the cause shall be tried de novo. Either party may appeal from the decree of the circuit court to the Supreme Court in the same manner as civil suits may be appealed thereto.
