## RECIPROCAL OR INTERINSURANCE EXCHANGES

**749.010 Exchange of reciprocal or interinsurance contracts authorized; "subscriber" and "attorney" defined.** (1) Individuals, partnerships and corporations of this state, hereby designated as subscribers, hereby are authorized to exchange reciprocal or interinsurance contracts with each other, or with individuals, partnerships and corporations of other states and countries, providing indemnity among themselves from any loss which may be insured against under other provisions of our laws, except life insurance. Such contracts may be executed by an attorney, agent or other representative, hereby designated as attorney, duly authorized and acting for such subscribers. The attorney may be an individual, firm or corporation organized under the laws of this state or any other state or territory and having his principal office at the place designated by the subscribers in the power of attorney.

(2) Any corporation now or hereafter organized under the laws of the state shall, in addition to the rights, powers and franchises specified in its articles of incorporation, have full power and authority to exchange insurance contracts of the kind and character mentioned in ORS 749.010 to 749.150. The right to exchange such contracts hereby is declared to be incidental to the purpose for which such corporations are organized and as much granted as the rights and powers expressly conferred.

**749.020 Reciprocal or interinsurance contracts and exchanges governed exclusively by ORS 749.010 to 749.150, exceptions.** Reciprocal or interinsurance or indemnity contracts and the exchange thereof, and subscribers, their attorney or representative, shall be regulated by ORS 749.010 to 749.150 and by no other law relating to insurance unless such law is referred to in ORS 749.010 to 749.150, and no law enacted after March 11, 1931, shall apply to them unless they are expressly designated therein.

**749.030 Reciprocal exchange may not do insurance business without a certificate of authority.** (1) No exchange shall be permitted to do any form of insurance business in this state without a certificate of authority from the State Insurance Commissioner.

(2) No certificate of authority to trans-

act any kind of insurance in this state shall be issued to any foreign exchange until such exchange, through its attorney, files with the insurance commissioner an application therefor verified by the oath of such attorney and setting forth the information required under ORS 749.040 and complies with the provisions of ORS 749.010 to 749.150.

## **749.040 Declaration, or application for certificate of authority, to be filed; contents.**

(1) Subscribers contracting among themselves as authorized by ORS 749.010 shall, through their attorney, file with the State Insurance Commissioner a declaration, verified by the oath of such attorney, setting forth:

(a) The name or title of the exchange, which name or title shall not be so similar to any other name or title previously adopted by a similar organization, or by any insurance corporation or association, as, in the opinion of the commissioner, is likely to result in confusion or deception.

(b) The location of the principal office of the exchange.

(c) The kind or kinds of insurance to be effected or exchanged.

(d) A copy of the form of power of attorney or instrument under which such insurance is to be effected or exchanged.

(e) A copy of the policy, contract or agreement under or by which such contracts of insurance are effected or exchanged among the subscribers.

(f) That applications have been made for insurance upon at least 200 risks aggregating not less than \$3,000,000 represented by bona fide applications, or, in case of employers' liability or workmen's compensation, for insurance covering a total payroll of not less than \$3,000,000, and, in case of automobile insurance, that applications have been made upon at least 2,500 automobiles covering any or all classes of automobile insurance, such applications to be concurrently effective when the reciprocal exchange is authorized to commence business by the commissioner.

(g) That there has been deposited and shall be maintained at all times with the State Treasurer or other proper official of the state in which the exchange is domiciled \$50,000 in cash or securities, as a general deposit for the benefit of subscribers wherever located. In the case of an exchange writing employers' liability or workmen's compensation insurance, such deposit shall

be not less than \$100,000. Where the laws of the home state do not provide for the acceptance of such a deposit, the same may be made with a bank or trust company in escrow subject to the control of the insurance commissioner of the home state, and such deposit shall be released only upon the written order of such insurance commissioner. A certification from the insurance commissioner or other proper state official of the state in which the exchange is domiciled shall be attached to the application for the certificate of authority. Exchanges other than those writing employers' liability or workmen's compensation insurance may file an indemnifying bond or certified copy thereof in the penal sum of \$50,000 in lieu of such deposit. Such bond may be a personal bond with two or more individual sureties or a bond of a surety company authorized to do business in the state where the principal office of the exchange is situated. It shall be for the use and benefit of all subscribers wherever located and shall be filed with and approved by the commissioner of insurance of the state where the principal office of the exchange is located.

**749.050 Financial statement and instrument authorizing actions and service of process must be filed with declaration.** (1) The application for a certificate of authority shall be accompanied by a sworn statement showing the financial condition of the exchange as of December 31 immediately preceding. The commissioner may require a supplemental statement to be furnished as of a later date.

(2) Concurrently with the filing of the declaration provided for by the terms of ORS 749.040, the attorney shall file with the commissioner an instrument in writing executed for said subscribers conditioned that upon the issuance of certificate of authority provided for in ORS 749.110, action may be brought in the county in which the property insured thereunder is situated or where the injured person resides, and service of process may be had upon the commissioner in all suits in this state arising out of such policies, contracts or agreements, which service shall be valid and binding upon all subscribers exchanging at any time reciprocally

cal or interinsurance contracts through such attorney. Three copies of such process shall be served and the commissioner shall file one copy, forward one copy to the attorney and return one copy with his admission of service. Actions at law or suits in equity may be brought against or defended in the name of the exchange adopted by the subscribers.

**749.060 Statement of maximum indemnity on each risk must be filed.** The attorney shall file with the State Insurance Commissioner his sworn statement showing the maximum amount of indemnity upon any single fire risk and shall, whenever and as often as the same is required, file with the commissioner a statement verified by his oath giving such information.

**749.070 Surplus requirements; contingent assessment liability of subscribers.** (1) No exchange shall be licensed nor its license renewed by the State Insurance Commissioner unless it has and maintains at all times a surplus above reserves and all other liabilities in an amount of \$50,000, and any exchange which exchanges contracts of insurance covering employers' liability or workmen's compensation insurance shall maintain such a surplus of \$100,000.

(2) Any exchange which does not maintain a surplus over liabilities, as required by subsection (1) of this section, shall be notified by the commissioner of such deficiency, which deficiency shall be made good within 30 days by the subscribers or by the attorney in fact for them. No advancement made by the subscribers or the attorney shall be withdrawn or returned except out of the surplus at the exchange in excess of the requirements, and then only upon the written consent or approval of the commissioner. The contingent assessment liability of subscribers shall not be limited to an amount less than one additional annual premium or deposit; however, an exchange having a surplus of not less than \$300,000 may, while maintaining such surplus, issue nonassessable policies if such exchange deposits with the commissioner approved securities or a corporate surety bond in the amount and form provided in ORS 736.215 for companies, other than reciprocal exchanges, doing a casualty or fire insurance business.

**749.080 Reserve requirements and fund regulations.** (1) There shall at all times be maintained the same unearned premium reserve, loss reserve and any other reserves

required of stock and mutual insurance companies.

(2) The funds of any local exchange shall be in cash or invested in such securities as the funds of stock and mutual insurance companies are required to be invested in under the laws of this state. The funds of any exchange with the principal office located in another state shall be in cash or invested in securities of the character required by the laws of such state for stock and mutual insurance companies.

**749.090 Annual report of financial condition; examination of exchanges.** (1) The attorney shall make a report to the State Insurance Commissioner for each calendar year, on March 1, showing the financial condition of the exchange, and shall furnish such additional information and reports as may be required.

(2) The business affairs, records and assets of such organization shall be subject to examination by the commissioner. Each such organization examined shall pay the just and legitimate expenses thereof, including railroad fare and traveling expenses of any examiner on any examination so conducted by the commissioner.

**749.100 Gross premium tax for foreign exchanges, including tax for fire marshal's department; annual license fee for attorneys.** (1) The attorney for every exchange not organized under the laws of this state shall pay to the State Insurance Commissioner a premium tax based on a percentage of the gross premiums or deposits for the preceding calendar year as provided in subsection (3) of ORS 736.225, deducting return premiums and all amounts distributed to subscribers or credited to their accounts as provided in subsection (2) of ORS 736.225.

(2) In addition to the premium tax payable under subsection (1) of this section, such attorney for every exchange writing fire and automobile fire and theft insurance shall pay to the State Insurance Commissioner, for the purpose of maintaining the department of the State Fire Marshal, a premium tax of one-half of one percent of the gross premiums or deposits for the preceding calendar year, deducting return premiums and all amounts distributed to subscribers or credited to their accounts.

(3) The premium taxes referred to in subsections (1) and (2) of this section are to be in lieu of all other taxes to be paid in

this state by the exchange or by its attorney in its capacity as such acting in compliance with ORS 749.010 to 749.150 (for taxable years beginning after December 31, 1954), except taxes on real and personal property located in this state, and except taxes upon or measured by net income from which the exchange or attorney is not otherwise specifically exempted.

(4) Such attorney, with the filing of each annual report, shall pay an annual license fee therefor of \$50. [Amended by 1955 c.728 §2]

**749.110 Attorney to secure license; issuance and revocation thereof.** (1) Each attorney, by or through whom are issued any policies of or contracts for indemnity of the character referred to in ORS 749.010 to 749.150, shall procure from the State Insurance Commissioner annually, in the name or title adopted, a certificate of authority stating that all requirements of ORS 749.010 to 749.150 have been complied with.

(2) Upon such compliance and the payment of the fees and taxes required by ORS 749.010 to 749.150, the commissioner shall issue such certificate.

(3) In case of a breach of any of the conditions imposed by the provisions of ORS 749.010 to 749.150, the commissioner may revoke the certificate of authority issued thereunder.

**749.120 Soliciting without a license prohibited.** No attorney or representative of said attorney shall, except for the purpose of applying for certificate of authority, exchange any contracts of indemnity of the kind and character specified in ORS 749.010 to 749.150, or directly or indirectly solicit or negotiate any applications for same without first complying with the provisions of ORS 749.010 to 749.150.

(2) Any reciprocal or interinsurance exchange exchanging contracts of indemnity between its subscribers and providing coverage for loss by fire, lightning or windstorm and which maintains its own rates and schedule of rates shall not be required to join or become a member of a fire insurance rating organization but may, in lieu of joining such organization, file with the State Insurance Commissioner its schedule of rates and classifications. No exchange which confines its business principally to sprinklered risks shall be subject to the rating organization law, except as may therein be provided.

(3) A reciprocal or interinsurance exchange may insert in any form of policy prescribed by the law of this state any provisions or conditions required by its plan of insurance which are not inconsistent or in conflict with the law of this state. Such policy, in lieu of conforming to the language and form prescribed by such law, shall be held to conform thereto in substance if such policy includes a provision or indorsement reciting that the policy shall be construed as if in the language and form prescribed by such law.
