550.005 Definition of "taxpayer." For the purposes of ORS 550.020 to 550.140, "taxpayer" means any person who has paid ad valorem property taxes, as shown by the latest county tax roll then in process of collection. [Formerly part of 550.010]

550.010 Island school district authorized to borrow money and issue bonds; voters' approval; injury from flood; preventive measures. (1) When, in the judgment of the freeholders who are legal voters of a school district that is composed entirely of an island in a navigable river, it is necessary to construct and maintain any levee, riprap, plantings of shrubs, brush or trees, or do any other thing necessary for the purpose of preventing flood waters from inundating, eroding, washing away any land or cutting channels through land on the island, which flood control construction or methods will be beneficial to the taxpayers of the island and the district, the district may borrow money and issue bonds to provide funds for flood control, in the manner provided in ORS 550.020 to 550.140.

(2) For the purposes of ORS 550.020 to 550.140, any such school district shall constitute a flood control district. [Amended by 1957 c.636 §1; part renumbered 550.005]

550.020 Directors of district; petition for election of. Whenever, after June 7, 1937, a petition therefor, signed by not less than 10 percent of the freeholders who are legal voters of the flood control district, is filed with the county clerk of the county, the county court shall, subject to the provisions of ORS 550.005 to 550.140, order an election for the purpose of electing three directors of the board of directors of the flood control district.

550.030 Election procedure; annual elections. (1) The petition mentioned in ORS 550.020, after being filed with the county clerk, shall be presented to the county court at or before the next regular session of the court. The county court shall examine the petition as soon as it is presented and, if satisfied that the petition substantially conforms to the requirements of ORS 550.005 to 550.140 and contains the names and post-office addresses, places of residence, and precincts of the required number of freeholders who are legal voters, the court shall then make an order directing that an election be called and held in the flood control district, for the purpose of electing the board

of directors, at a time and place fixed by the court, which shall not be less than 30 nor more than 40 days after the date of making the order.

(2) Notice of the election shall be given by the county clerk by causing a notice to be posted in three public places in the flood control district and one at the courthouse in the county at least 10 days prior to the election, and by publishing one notice at least three weeks in two weekly newspapers, if there are two, of general circulation in the county. The notice shall give the time and place and purpose of the meeting. Proof of posting notice shall be made by affidavit of the person posting the same and submitted to the county clerk, who shall make the same a public record in his office, with proof of publication of the notice. The county clerk shall designate three persons to be the judges and inspectors of the election.

(3) Annually thereafter there shall be held an election for the purpose of electing such members of the board as may be required, or for filling vacancies on the board. The notice of the annual election shall be given in the form and manner that notices of other elections in the district are given. The board may designate the time and place of such annual elections, give the notice, be the judge and inspectors of the election, count the ballots, and certify the results as other elections are certified. If any controversy arises with reference to the legality of any election herein provided, the general election laws not in conflict herewith shall govern.

550.040 Directors; terms of office; chairman; powers and duties. (1) At the election, there shall be elected three directors of the flood control district, one for a term of one year, one for a term of two years and one for a term of three years. The director having the shortest period of time to serve shall be chairman of the board. If, for any reason, two or more members of the board have a like short term of service, the senior in residence on the island shall be the chairman of the board. To be eligible to the office of director, a person must be a citizen of the United States, and a resident taxpayer and legal voter of the district. The board of directors is created a body corporate, and for the purpose of flood control within the district the board shall protect the real and personal property of the district against flood erosion, cuts and property dam-

ages caused by floods, and the acts of any property holder whose conduct in or handling of his property endangers the property of others of the flood control district.

(2) The board may:

(a) Call meetings upon its own motion or upon the petition of three taxpayers of the district.

(b) Purchase, acquire, lease and hold real and personal property.

(c) Exercise the right of eminent domain for the purpose of acquiring real property upon which to construct flood control works, or to plant trees, shrubs or brush or other vegetation for the purpose of flood control, or to withdraw from use and cultivation lands for that purpose.

(k) Make recommendations to taxpayers of the district as to the dangers of damage by floods or the danger resulting from the action of any person in the use of his own property or the property of another and as to the advisability of acquiring by the board any real property by deed, demise, in trust or otherwise.

(L) Establish and recommend a policy of flood control, subject to the approval of the taxpayers. [Amended by 1957 c.636 §2]

550.050 Petition for election to determine issuance of bonds and levying of tax; order by county court. Whenever a petition, signed by not less than 10 percent of the taxpayers who are legal voters of the flood control district, is filed with the county clerk of the county in which the flood control district is located, the court shall, sub-

ject to the provisions of ORS 550.060, order an election to determine whether or not the county court shall issue bonds for the construction and maintenance of the flood control plans or devices and levy a special tax for the payment of such bonds upon the property of the flood control district. [Amended by 1957 c.636 §3]

550.060 Filing of petition and presentation to court; order directing election; notice; meeting; certification of vote; order of county court; conclusiveness of order as to regularity of proceedings; record of proceedings. (1) The petition mentioned in ORS 550.050, after being filed with the county clerk, shall be presented to the county court at or before its next regular session. The county court shall examine the petition as soon as it is presented and, if satisfied that the petition substantially conforms to the requirements of ORS 550.070 and contains the names and postoffice addresses, places of residence and precincts of the required number of taxpayers as required by ORS 550.050, the court then shall make an order directing that a special election be called and held in the flood control district, for the purposes specified in the petition, at a time and place fixed by the court, which shall be not less than 30 nor more than 40 days after the date of making the order.

(2) Notice of the election shall be given by the county clerk by causing notices to be posted in three public places in the flood control district and at the courthouse in the county at least 10 days prior to the meeting, and by publishing one notice at least three weeks in one weekly newspaper of general circulation in the county. The notice shall give the time, place and object of the meeting. Proof of posting notice shall be made by affidavit of the person posting it, submitted to the meeting, together with proof of publication of such notice.

(3) At the time of the meeting, it shall be organized by the election of a chairman and secretary. If a majority of the taxpayers in attendance vote to issue bonds, the chairman and secretary shall certify the same to the county clerk, within 10 days thereafter, and the county court shall then enter an order in its journal declaring that fact and that the order shall be absolutely conclusive as to the regularity of all proceedings in reference to the matter. The secretary of the meeting shall keep a record of

all proceedings and due proof of posting and publishing the notice, and shall inclose with his certificate above mentioned to the county court certified copies of all proceedings, including such proof of posting and publication. [Amended by 1957 c.636 §4]
