(2) The county clerk, immediately upon the filing of the resolution of the county court, shall give written notice thereof to those persons entitled to participate in the appointment of a member of the committee.

(3) Upon the filing with the county clerk of a petition requesting the appointment of a committee, the county clerk shall verify the signatures in the manner provided in ORS 254.040 and certify to the county court his findings as to the sufficiency of such petition. If the petition is found to be sufficient, the county clerk immediately shall

give written notice thereof to those persons entitled to participate in the appointment of a member of the committee.

[1959 c.527 §§3, 4]

203.740 Charter committee and members; appointment, qualifications, vacancies, terms, organization, meetings. (1) Within 60 days after the county clerk finds that a petition for the appointment of a committee is sufficient, or within 60 days after the county court has filed with the county clerk its resolution requesting that a committee be appointed, a committee shall be appointed as provided in this section. Only one committee is to be in existence at any given period of time.

(2) (a) In all counties in which representative subdistricts do not exist, (i) a majority of the county court is entitled to appoint four members of the committee; (ii) a majority of the State Senators and State Representatives then representing the county is entitled to appoint four additional members; and (iii) a majority, consisting of at least five, of those persons appointed under (i) and (ii) of this paragraph is entitled to appoint one additional member.

(b) In all counties in which representative subdistricts exist, (i) a majority of the county court is entitled to appoint four members of the committee; (ii) a majority of the State Representatives then representing each representative subdistrict is entitled to appoint an additional member; and (iii) a majority of the State Senators then representing the county is entitled to appoint two additional members.

(c) If, within 45 days after the terms of committee members begin to run as provided in subsection (4) of this section, an appointing authority has not made the appointment or appointments it is entitled to make, the county clerk shall call a meeting of those persons constituting the appointing authority by giving written notice to each of them, specifying the purpose of the meeting and the time and place thereof. The time of the meeting shall be set within 15 days of the expiration of the 45-day period.

(3) All members of the committee must be legal voters of the county; and no member shall be engaged, directly or indirectly, in any business with the county which is inconsistent with the conscientious performance of his duties as a member of the committee. An initial appointment, or an appointment to fill a vacancy, is made by deliv-

ering to the county clerk written notice of the name and address of the person appointed, signed by the person duly authorized to act for the appointing authority. No member of an appointive authority may serve as a member of such committee. If an appointing authority fails to make such an initial appointment within 60 days after the terms of committee members begin to run as provided in subsection (4) of this section, the county court shall make the appointment within 10 days after the expiration of the 60-day period.

(4) The terms of committee members run either from the date the county court receives the certification from the county clerk that the petition requesting the appointment of the committee is sufficient or from the date the county court files its resolution requesting appointment of the committee, as the case may be. The terms expire on the day of the election at which the committee's proposed charter is voted upon or within two years from the date the terms began, whichever is the sooner, unless, in the case where a proposed charter is not submitted at an election held within such two-year period, the county court by resolution filed with the county clerk before the expiration of the terms extends them until the day of the election on the proposed charter or for another two years, whichever is the sooner. Any vacancy occurring on the committee, in a position for which an initial appointment has been made, shall be filled by appointment for the unexpired term by the appointing authority which was entitled to make the initial appointment of the member whose position is vacant or, if such appointing authority fails to make the appointment within 10 days after the vacancy occurs, by the county court.

(5) Not later than 80 days after the terms of committee members begin to run as provided in subsection (4) of this section, the members of the committee shall meet and organize. A majority of the committee constitutes a quorum for the transaction of business. The committee may adopt such rules as it deems necessary for its operation. However, the committee may not prohibit the public from attending any of its meetings.

[1959 c.527 §5]

203.750 County funds for charter committee; committee staff; county officials to cooperate. (1) Notwithstanding ORS

294.305 to 294.415, if the county court is notified of the sufficiency of a petition requesting the appointment of a committee, or if it files its resolution requesting the appointment of a committee, the county, acting through the county court, shall cause to be made available from funds of the county an amount equal at least to one cent per registered elector of the county or \$500, whichever amount is greater, for the purpose of paying the expenses of the committee in the preparation of the charter. Members of the committee shall serve without pay. The committee, within the limit of funds available to it, may employ such persons, or contract for their services, as it may deem necessary to aid it in the performance of its functions. Persons employed by the committee are exempt from civil service. The county, acting through the county court, shall cause to be furnished free of charge to the committee adequate office space and, notwithstanding ORS 294.305 to 294.415, may cause money, in addition to the required minimum amount, to be appropriated for the committee. The committee shall submit to the county court a budget covering estimates of its expenditures. With respect to expenditures in excess of the minimum amount of money required to be made available, the budget as approved or revised and approved by the county court shall represent the authorized limits of the committee's expenditures. Any balance remaining unexpended shall be transferred to the general fund of the county unless other provisions were made at the time of the appropriation to the committee. The county treasurer is authorized to disburse funds of the committee on its order.

(2) The committee may conduct interviews and make investigations which to it seem necessary in order to draft a charter; and, to the fullest extent practicable, county officials and employes shall cooperate with the committee and provide it with information, advice and assistance.

[1959 c.527 §6]

203.760 Submission of proposed charter, after public hearing, to voters; approval of conflicting charters. (1) The committee shall submit its proposed charter to the county clerk not less than 90 days prior to the election at which the proposed charter is to be voted upon. Before the proposed charter is submitted to the county clerk, the committee shall conduct at least one public hearing thereon. After the proposed charter

is so submitted to the county clerk, those persons required by ORS 203.780 to act in the exercise of the referendum powers relative to the adoption of a county charter shall act in the same manner with respect to the charter proposed by the committee unless such action is not required in cases where they or others are acting under ORS 203.790. The charter proposed by the committee shall take effect on the day fixed therein if approved by majority vote of the legal voters of the county voting thereon.

(2) If two or more conflicting county charters are approved at the same election, the one receiving the greatest number of affirmative votes shall be adopted.

[1959 c.527 §7]

203.770 Copies of charters and amendments, revisions and repeals thereof; location and judicial notice of. (1) Duplicate certificates shall be made, setting forth the county charter adopted and a statement of its ratification, signed by the officers or members of the body canvassing election returns. One of such certified copies shall be deposited in the office of the Secretary of State, the other shall be kept as a permanent record of the county. All courts shall take judicial notice of either copy.

(2) This section shall also apply to any amendment, revision or repeal of the county charter.

[1959 c.527 §8]

203.780 Initiative and referendum powers with respect to county charter and legislation. (1) This section, pursuant to section 10, Article VI, Oregon Constitution, describes the manner by which the initiative and referendum powers reserved to the legal voters of every county relative to the adoption, amendment, revision or repeal of a county charter and to legislation passed by counties which have adopted such a charter may be exercised. For the purposes of this section "county legislation" means the adoption, amendment, revision or repeal of a county charter and legislation passed by counties which have adopted such a charter.

(2) In all counties which do not provide by county legislation for the manner of exercising the initiative and referendum powers reserved by the Oregon Constitution to the people, as to their county legislation, the duties required of the Secretary of State by ORS 254.030 to 254.100, 254.110 to 254.170 and 255.410 to 255.450, as to state legislation, shall be performed as to such county

legislation by the county clerk. The duties required of the Governor shall be performed by the county judge or chairman of the board of county commissioners as to such county legislation. The duties required by ORS 254.030 to 254.170 and 255.410 to 255.450 of the Attorney General shall be performed by the district attorney as to such county legislation. ORS 254.030 to 254.100, 254.110 to 254.170 and 255.410 to 255.450 shall apply in every county in all matters concerning the operation of the initiative and referendum in its county legislation, on which the county has not made or does not make conflicting provisions.

(3) The printing and binding of measures and arguments in county legislation shall be paid for by the county in like manner as payment is provided for by the state as to state legislation by ORS 255.410 to 255.450. The printing shall be done in the same manner that other county printing is done. Not less than eight days before the election at which the measures are to be voted upon, the county clerk shall cause copies of the voters' pamphlets containing such measures to be distributed in such a manner that a copy is available to each registered elector in the county.

(4) Arguments supporting county legislation shall be filed with the county clerk not less than 30 days before the election at which they are to be voted upon. Opposing arguments shall be filed not less than 30 days before the election.

(5) It is intended to make the procedure in county legislation, as nearly as practicable, the same as the initiative and referendum procedure for measures relating to the people of the state at large; and, to this end, for the purpose of computing the required number of signatures on petitions to initiate or refer county legislation, the provisions of section 1, Article IV, Oregon Constitution, as to percentages of the legal voters of the state, shall be the percentages as to the legal voters of a county, with the county charter being considered the same as the state Constitution.

[1959 c.527 §9]

203.790 Publication of proposed charters in voters' pamphlets. (1) Subject to and in accordance with any applicable election law, the Secretary of State may provide for, and may promulgate such rules and regulations as he considers necessary to provide for the publication, and payment therefor, of proposed county charters, including arguments for and against, in the voters' pamphlets distributed to the county as provided by ORS 255.061 or 255.241.

(2) Publication, under this section, of a proposed county charter and any arguments is an alternative to the publication thereof required by ORS 203.760 or 203.780.

(a) The justice courts, district court, if any, and circuit court for a county having a charter adopted pursuant to ORS 203.710 to 203.790 have jurisdiction of county offenses to the same extent as such courts have jurisdiction of similar crimes or offenses defined or made punishable by state law.

(b) The district attorney for a county having a charter adopted pursuant to ORS 203.710 to 203.790 shall prosecute county offenses in the same manner as similar crimes or offenses defined or made punishable by state law.
