The determination shall be final and after the expiration of a period of six

months from the date of publication of the notice, the exempt status shall cease to apply to such narcotic drug.

[1961 c.572 §3]

474.080 Drugs usable without prescription. (1) Except as otherwise in this chapter specifically provided, this chapter shall not apply to the administering, dispensing or selling at retail of any medicinal preparation that contains in one fluid ounce, or if a solid or semisolid preparation, in one avoirdupois ounce, not more than one grain of codeine, one-half grain of dihydrocodeine, one-sixth grain of dihydrocodeinone, two grains of Noscapine (also known as Narcotine), or two grains of Papaverine, or of any of their salts. The exemptions authorized by this section shall be subject to the following conditions:

(a) The medicinal preparation administered, dispensed or sold shall contain, in addition to the narcotic drug in it, some drug or drugs conferring upon it medicinal qualities other than those possessed by the narcotic drug alone.

(b) Such preparation shall be administered, dispensed and sold in good faith as a medicine, and not for the purpose of evading the provisions of this chapter.

(2) Nothing in this section shall be construed to limit the quantity of codeine, dihydrocodeinone, dihydrocodeine, Noscapine (also known as Narcotine), Papaverine, or of any of their salts that may be prescribed, administered, dispensed or sold to any person or for the use of any person or animal, when it is prescribed, administered, dispensed or sold in compliance with the general provisions of this chapter.

[Amended by 1957 c.587 §3]

474.090 Records required by persons manufacturing or selling drugs. (1) Every physician, dentist, veterinarian or other

person who is authorized to administer or professionally use narcotic drugs shall keep a record of such drugs received by him, and a record of all such drugs administered, dispensed or professionally used by him otherwise than by prescription. It shall, however, be deemed a sufficient compliance with this subsection if any such person using small quantities of solutions or other preparations of such drugs for local application, shall keep a record of the quantity, character and potency of such solutions or other preparations purchased or made up by him, and of the dates when purchased or made up, without keeping a record of the amount of such solution or other preparation applied by him to individual patients; provided, that no record need be kept of narcotic drugs administered, dispensed or professionally used in the treatment of any one patient when the amount administered, dispensed or professionally used for that purpose does not exceed in any 48 consecutive hours (a) four grains of opium, or (b) one-half of a grain of morphine or of any of its salts, or (c) two grains of codeine or of any of its salts, or (d) one-fourth of a grain of heroin or of any of its salts, or (e) a quantity of any other narcotic drug or any combination of narcotic drugs that does not exceed in pharmacologic potency any one of the drugs named above in the quantity stated.

(2) Manufacturers and wholesalers shall keep records of all narcotic drugs compounded, mixed, cultivated, grown, or by any other process produced or prepared, and of all narcotic drugs received and disposed of by them, in accordance with the provisions of subsection (5) of this section.

(5) The form of records shall be prescribed by the Board of Pharmacy. The record of narcotic drugs received shall in every case show the date of receipt, the name and address of the person from whom received and the kind and quantity of drugs received; the kind and quantity of narcotic drugs produced or removed from process of

manufacture and the date of such production or removal from process of manufacture; and the record shall in every case show the proportion of morphine, cocaine or ecgonine contained in or producible from crude opium or coca leaves received or produced, and the proportion of resin contained in or producible from the plant *Cannabis Sativa L.*, received or produced. The record of all narcotic drugs sold, administered, dispensed or otherwise disposed of shall show the date of selling, administering or dispensing, the name and address of the person to whom, or for whose use, or the owner and species of animal for which the drugs were sold, administered or dispensed, and the kind and quantity of drugs. Every such record shall be kept for a period of two years from the date of the transaction recorded. The keeping of a record required by or under the federal narcotic laws, containing substantially the same information as is specified above, shall constitute compliance with this section, except that every such record shall contain a detailed list of narcotic drugs lost, destroyed or stolen, if any, the kind and quantity of such drugs, and the date of the discovery of such loss, destruction or theft.

474.100 Labels affixed to containers of drugs. (1) Whenever a manufacturer sells or dispenses a narcotic drug, and whenever a wholesaler sells or dispenses a narcotic drug in a package prepared by him, he shall affix securely to each package in which that drug is contained a label showing in legible English the name and address of the vendor and the quantity, kind and form of narcotic drug contained therein. No person shall

alter, deface or remove any label so affixed so long as any of the original contents remain.

474.110 Possession of drug lawful only in container. A person to whom or for whose use any narcotic drug has been prescribed, sold or dispensed by a physician, dentist, apothecary or other person authorized under the provisions of ORS 474.050, and the owner of any animal for which any such drug has been prescribed, sold or dispensed by a veterinarian may lawfully possess it only in the container in which it was delivered to him by the person selling or dispensing the same.

474.120 Applicability of chapter to carriers, warehousemen and public officers. The provisions of this chapter restricting the possession and having control of narcotic drugs shall not apply to common carriers or to warehousemen while engaged in lawfully transporting or storing such drugs, or to any employe of the same acting within the scope of his employment; or to public officers or their employes in the performance of their official duties requiring possession or control of narcotic drugs; or to temporary incidental possession by employes or agents of persons lawfully entitled to possession, or by persons whose possession is for the purpose of aiding public officers in performing their official duties.

A record of the place where said drugs were seized, of the kinds and quantities of drugs so destroyed, and of the time, place and manner of destruction, shall be kept, and a return under oath, reporting said destruction, shall be made to the court or magistrate and to the United States Commissioner of Narcotics, by the officer who destroys them.

(2) Upon written application by the Board of Pharmacy, the court or magistrate by whom the forfeiture of narcotic drugs has been decreed may order the delivery of any of them, except heroin and its salts and derivatives, to said Board of Pharmacy for distribution or destruction, as hereinafter provided.

(3) Upon application by any hospital within this state, not operated for private gain, the Board of Pharmacy may in its discretion deliver any narcotic drugs that have come into its custody by authority of this section to the applicant for medicinal use. The Board of Pharmacy may from time to time deliver excess stocks of such narcotic drugs to the United States Commissioner of Narcotics, or may destroy the same.

in the same way as they apply to transactions under all other sections.

474.180 Defendant must prove exemption from drug laws. In any complaint, information or indictment, and in any action or proceeding brought for the enforcement of any provision of this chapter, it shall not be necessary to negative any exception, excuse, proviso or exemption contained in this chapter, and the burden of proof of any such exception, excuse, proviso or exemption shall be upon the defendant.
