When money or other property is found upon the body or in the possession of any deceased person referred to in ORS 146.230, the coroner shall make the inventory provided for herein in the presence of two or more witnesses, who shall attest the inventory thereof, and the coroner may pay the expenses of burying and of transporting the body to an amount not exceeding \$125 and deduct such expenses from the amount or value of the property, taking a receipt from the undertaker or other person transporting or burying the body.

(2) When a legally qualified executor, administrator, surviving spouse or next of kin claims the body or property of the deceased, if the county has incurred no expenses in connection therewith, the coroner may deliver the money and property of the deceased person to such legally qualified person.
