[Amended by 1963 c.284 §3]

**679.050 Nonresident demonstrators and instructors.** If a reputable and duly licensed practitioner in dentistry of another state is asked to appear and demonstrate or give instruction in the practice of dentistry before any qualified dental college or dental organization or dental study group recognized by the board, the secretary of the board shall issue on written request of an authorized officer of such college or dental organization or dental study group, without fee, a permit for such purpose. preceding, unless the applicant graduated from a dental college less than five years previously, in which case the affidavit shall cover the period since graduation.

[Amended by 1963 c.284 §5]

**679.070 Scope and conduct of examination; national board certificate in lieu of examination.** (1) The examination shall be elementary and practical in character but sufficiently thorough to test the fitness of the applicant to practice dentistry. It shall include, written in the English language, questions on any subjects pertaining to dental science. The written examination may be supplemented by oral examination. Demonstrations of the applicant's skill in operative and prosthetic dentistry also shall be required. The examination shall be conducted under oath or affirmation before the board, and any member of the board may administer the necessary oath or affirmation.

The board may waive the payment of the annual fee in the case of any licensee who furnishes satisfactory evidence that he has discontinued the actual practice of dentistry because of physical disability or retirement resulting from advanced age. Such payments shall be made prior to April 1 each year, and a receipt or certificate given therefor by the secretary. Every licensee shall display the certificate or receipt in some conspicuous place in his office.

[Amended by 1963 c.284 §7]

**679.130 Failure to make annual renewal payment.** In case of default in payment of the annual fee by any licensee, his license shall be revoked by the board upon 20 days' notice given to the licensee of the time and place of considering such revocation. A registered letter addressed to the last-known address of the licensee failing to comply with the requirement is sufficient notice. Any license so revoked may be reinstated within five years after the date of revocation upon payment to the board of all unpaid fees for each intervening year, plus a penalty of \$10. But no license shall be revoked for nonpayment if the licensee so notified pays, before or at the time of such consideration, the fee required and such penalty, not to exceed \$10, as may be imposed by the board, but the board may collect any such dues by law.

**679.140 Grounds for suspension and revocation of licenses.** (1) Any dentist may have his license revoked or suspended or a renewal thereof refused by the board for any of the following causes:

(a) Conviction of any offense for which the court could impose a punishment of imprisonment in the county jail or any penal institution other than for traffic offenses and other offenses which are unrelated to the ability of such dentist to practice dentistry in accordance with the provisions of this chapter. The record of conviction or a certified copy thereof, certified by the clerk of the court or by the judge in whose court

the conviction is entered, is conclusive evidence.

(b) Renting or loaning to any person his license or diploma to be used as a license or diploma of such person.

(3) The proceedings under this section and ORS 679.150 may be taken by the board from the matters within its knowledge, or may be taken upon the information of another, but if the informant is a member of the board, the other members of the board shall constitute the board for the purpose of finding judgment of the accused.

(4) In determining what constitutes "gross ignorance, incompetence or ineffi-

ciency in his profession" within the meaning of paragraph (c) of subsection (1) of this section, the board shall take into account all relevant factors and practices, including but not limited to the practices generally and currently followed and accepted by persons licensed to practice dentistry in this state, the current teachings at accredited dental schools, relevant technical reports published in recognized dental journals and the desirability of reasonable experimentation in the furtherance of the dental arts.

[Amended by 1955 c.560 §2; 1961 c.311 §1; 1963 c.284 §8]

**679.150 Hearing procedure; rights of accused and board; cancellation of license.**

(1) All accusations relating to the revocation or suspension of a license must be in writing, verified by some party familiar with the facts charged, and three copies thereof must be filed with the secretary of the board. Upon receiving the accusation the board shall, if it considers the accusation sufficient, set it for hearing. The secretary shall cause a copy of the accusation to be served upon the accused at least 20 days before the day appointed for the hearing by the notice issued under ORS chapter 183.

(2) The accused must appear at the time appointed in the order and answer the charges and make his defense, unless for sufficient cause the board assigns another day for that purpose. If he does not appear the board may proceed and determine the accusation in his absence. If the accused pleads guilty or refuses to answer the charges, or, upon the hearing, the board finds any of the charges true, it may proceed to a judgment of either revoking his license or suspending it.

(3) Upon the revocation or suspension of or refusal to renew any license the fact shall be noted upon the records of the board and any license revoked shall be marked as canceled upon the date of its revocation.

[Amended by 1961 c.311 §2; 1963 c.284 §9]

**679.160 Appeal from board decision.**

(1) In case of the revocation or suspension of a license by the board, the licentiate whose license has been revoked or suspended by the board may obtain judicial review of the decision in the manner prescribed by ORS chapter 183.

(2) Either party may appeal from the judgment of the circuit court to the Supreme Court in the manner prescribed by ORS chapter 183.

[Amended by 1961 c.311 §3]

**679.165 Automatic suspension of license in case of mental disease.** The entry of a decree by any court of competent jurisdiction establishing the mental disease of any person holding a license under this chapter operates as a suspension of such license. Such person may resume his practice only upon a finding by the Board of Dental Examiners that the licensee has been declared restored to mental competence by an order of a court of competent jurisdiction.

[1957 c.552 §3]

**679.170 Prohibited practices.** No person shall:

Appointments made by the Governor to the State Board of Dental Examiners may be selected by the Governor from a list of five names for each appointment suggested by the Oregon State Dental Association.

[Amended by 1963 c.284 §12]
