Four commissioners shall constitute a quorum. The commissioners shall elect a chairman from among their number. The Superintendent of Public Instruction shall designate a staff member of the Department of Education to act as secretary.

[Amended by 1953 c.526 §2; 1955 c.406 §1; 1965 c.100 §252]

**337.050 Adoption of books and instructional materials.** (1) The State Textbook Commission shall adopt, for a six-year period, a multiple choice list of textbooks for each grade and subject field in the standard curriculum for which, in its judgment, textbooks are required. The commission may also adopt other instructional material which it considers appropriate for grade and subject fields.

(2) Subsequent to any November biennial adoption the commissioners may approve the request of a publisher to substitute a more recent edition of any officially adopted textbook or item of instructional material in lieu of the edition or item officially adopted.

commission to be unreasonable or the textbook is considered to be unsuitable, the commission may reject the textbook. At the same or subsequent sessions, the commission may receive new proposals for a textbook previously rejected and adopt the textbook in the same manner as other textbooks are required to be adopted. No proposal shall be considered unless the publisher has delivered without charge one copy of each textbook contained in the proposal to each commissioner at least 60 days before the meeting. (2) The State Board of Education shall take from each publisher entering into a contract a good and sufficient bond in such sum as stipulated damages as the board may determine, payable to the State of Oregon for the benefit of the Common School Fund, executed by the publisher as obligor together with a surety company authorized to do business in this state as surety and approved by the State Board of Education, for the full and faithful performance of the contract.

(3) If any publisher fails to carry out the provisions of the contract on his part, or, with intent to evade the provisions of the contract, sells any of the textbooks in this state at prices higher than specified in his contract, the State Board of Education may, on behalf of the state, rescind the contract and notify the publisher thereof, or bring the appropriate action or suit to enforce the provisions of the publisher's bond. [Amended by 1965 c.100 §257]

[Amended by 1965 c.100 §258]

**337.110 Adoption of substitute or additional textbooks.** If at any time during the period for which a textbook is adopted, it becomes necessary to adopt any textbook instead of or in addition to those regularly adopted, the chairman of the State Textbook Commission or the Superintendent of Public Instruction may call a special session of the commission. It may, upon convening, adopt such textbook in the same manner as other textbooks are required to be adopted. The Superintendent of Public Instruction shall in such case cause circulars described in ORS 337.030 to be sent to publishers. [Amended by 1965 c.100 §259]

## CURRICULUM IMPROVEMENT

**337.510 Purposes of law.** The purposes of ORS 337.510 to 337.560 are to encourage programs of curriculum improvement by school districts and to increase the scope of curriculum services to the public schools by the Department of Education.

[1957 c.642 §1; 1963 c.570 §12; 1965 c.100 §266]

**337.520 Definitions for ORS 337.510 to 337.560.** As used in ORS 337.510 to 337.560:

(1) "Curriculum" means the planned educational experiences provided for children under the direction of teachers by a school district or by personnel of the Department of Education.

(2) "Curriculum improvement plan" means a written proposal for the study, development or reorganization of the design for educational experiences for children by a school district or by the Department of Education.

(3) "County school superintendent" means county district superintendent of schools or superintendent appointed by the intermediate education district board.

[1957 c.642 §2; 1963 c.544 §44; 1965 c.100 §267]

**337.530 Duties of Superintendent of Public Instruction.** The Superintendent of Public Instruction shall review all claims for reimbursement submitted under the provisions of ORS 337.510 to 337.560. On approval of any claim, he shall order the same paid from moneys specifically appropriated for the program under ORS 337.510 to 337.560.

[1957 c.642 §3; 1963 c.570 §13; 1965 c.100 §268]

**337.540 Apportionments for curriculum improvement.** (1) Upon the presentation of proper evidence to the Superintendent of Public Instruction that a curriculum improvement plan has been satisfactorily carried on as submitted to and approved by the Superintendent of Public Instruction for that fiscal year, a school district shall be entitled to an apportionment from the moneys specifically appropriated for the program under ORS 337.510 to 337.560.

(2) The amount of reimbursement for which a school district may become eligible for carrying on a curriculum improvement plan under ORS 337.510 to 337.560 shall not exceed an amount which is the product of 50 cents and the average daily membership of pupils enrolled in the district schools for the

school year ending June 30 prior to submission of the plan. The amount of reimbursement shall not exceed the amount of the actual expenditures of the district incurred in carrying out the approved curriculum improvement plan which are in excess of its ordinary expenditures for such purpose.

(3) In the event that the funds available for reimbursement under ORS 337.510 to 337.560 are insufficient to meet all approved claims in any one year, the funds shall be prorated according to the ratio that the total amount of funds available bears to the total amount that would be required to pay all claims under ORS 337.510 to 337.560 for the fiscal year.

[1957 c.642 §§5, 6, 7; 1963 c.544 §45; 1963 c.570 §14; 1965 c.100 §269]

**337.550 State-wide curriculum improvement plan.** As part of a program to increase the scope of curriculum services to the public schools, the Superintendent of Public Instruction may approve a state-wide curriculum improvement plan to be carried on under direction of the Department of Education.  
[1957 c.642 §10; 1963 c.570 §15]

**337.560 Joint plans.** (1) Two or more school districts may submit a joint curriculum improvement plan to the intermediate education district board of the county in which they are organized, and if the board approves the plan, the board shall submit it to the Superintendent of Public Instruction for approval. Claims for reimbursement under such an approved plan shall be submitted by the school districts through the office of the intermediate education district board, and such claims shall bear its approval. The Superintendent of Public Instruction shall then authorize payments to the claimant school districts in the amounts they are en-

titled to under the provisions of ORS 337.510 to 337.560.

(2) The intermediate education district board may, with the consent of the school districts concerned, organize a joint curriculum improvement plan and submit it to the Superintendent of Public Instruction for approval. Reimbursements for such an approved plan shall be made as provided in subsection (1) of this section.

(3) Under the provisions of ORS 337.510 to 337.560, intermediate education district boards may organize, administer and pay the operating expenses of joint curriculum improvement programs as authorized in this section, in which component school districts voluntarily participate. When such joint plan has been approved by the Superintendent of Public Instruction, he may order payments to which the participating school districts are entitled under ORS 337.510 to 337.560 to be made to the office of the intermediate education district board which has administered the program as reimbursement to that office for authorized expenditures under the plan. Such payments shall be charged against the amount to which each individual school district is entitled under ORS 337.510 to 337.560 in proportion to its share in the total expenditures under the approved plan based upon the ratio that the amount to which it would be entitled under ORS 337.510 to 337.560 bears to the total amount which all the districts involved in the joint plan would be entitled.

[1957 c.642 §§8, 9 (1), (2); 1963 c.544 §46; 1963 c.570 §16; 1965 c.100 §270]

**337.990** [Repealed by 1965 c.100 §456]
