(2) Nothing in this chapter applies to a regularly licensed physician and surgeon in Oregon and nothing in this chapter shall be so construed as to affect the practice of medicine or dentistry, prevent students of a dental college from practicing dental hygiene under the supervision of their instructors or prevent persons from practicing dental hygiene in a dental study group recognized by the board under ORS 679.050.

[Amended by 1963 c.266 §3]

680.040 Qualifications of applicants for licenses. No person shall be issued a license to engage in the practice of dental hygiene or practice as a dental hygienist in Oregon unless he:

[Amended by 1963 c.266 §4]

680.050 Filing of applications. Every application for a license to practice dental hygiene or as a dental hygienist shall be filed with the board on or before the 30th day prior to the date of the next succeeding examination given by the board, or if no examination is to be given, prior to a date to be established by the board by rule or regulation, and accompanied by the payment of the examination fee provided for in ORS 680.070 which shall not be refunded if the applicant is permitted to take the examination given by the board.

Upon satisfactory evidence that an applicant for examination as a dental hygienist possesses the qualifications named in ORS 680.040, or is entitled to waiver under ORS 670.010, the board shall give the applicant a thorough examination consisting of practical demonstrations and written tests on such subjects as the board may prescribe, or in lieu of such examination given by it, the board may accept a certificate verifying results of any examination given by any accrediting agency or agencies as may be recognized by it.

[Amended by 1963 c.266 §6]

680.070 Fees; subsequent examinations.

(1) The fee for the examination or acceptance of certificate in lieu thereof is \$15, which shall be paid in advance before the examination is taken.

(2) Any person failing to pass the first examination successfully may demand a second and third examination at subsequent meetings of the board, and a fee of \$5 shall be charged for each such examination. (2) In case of default in the payment of the annual fee by any licensee, his license shall be revoked by the board upon 20 days' notice given to the licensee of the time and place of considering such revocation. A registered letter addressed to the last-known address of the licensee failing to comply with the requirement is sufficient notice. Any license so revoked may be reinstated within five years after the date of revocation upon payment to the board of all unpaid fees for each intervening year, plus a penalty of \$10. But no license shall be revoked for nonpayment if the licensee so notified pays, before or at the time of such consideration, the fee required and such reinstatement fee, not to exceed \$10, as may be imposed by the board, but the board may collect any such dues by law.
