(2) At least 30 days prior to recommending the approval of proposed articles of incorporation and bylaws, the supervisor shall have published on three different dates in a newspaper of general circulation in the community in which the principal place of business of the savings and loan association is to be established, a notice stating he has received the proposed articles of incorporation and bylaws. A similar notice shall also be mailed by the supervisor to all savings and loan association offices within a 50-mile area

of said place. Persons interested in protesting the application may contact the supervisor in person or by writing prior to a date which shall be given in said notice.

(3) The supervisor shall proceed to ascertain from the best sources at his command and by such investigation as he deems necessary, whether the character, responsibility and general fitness of the persons named in the articles of incorporation are such as to command confidence and warrant belief that the business of the proposed association will be honestly and efficiently conducted in accordance with the intent and purpose of this chapter, whether the public convenience and advantage will be promoted by allowing such proposed association to be incorporated and engage in business and whether the population in the neighborhood of such place and in the surrounding country affords a reasonable promise of adequate support for the proposed association. The expense of such investigation shall be paid by the incorporators of the association.

(4) If the supervisor is satisfied concerning the several matters specified in this section, he shall recommend to the commissioner the approval of the proposed articles and bylaws. The commissioner, if satisfied, shall issue under his official seal a certificate reciting in substance the filing in his office of the articles of incorporation and bylaws, that such articles and bylaws conform to all requirements of the law and that they have been approved. Thereupon the persons named in the articles, their associates and successors shall become a body corporate for the period for which they are organized and shall exercise such powers as are granted in this chapter and such other powers as are necessary to enable the association to carry out the purpose of its organization, not inconsistent with the provisions of this chapter. The association shall not do business until the commissioner has issued to it a certificate of authorization as provided in ORS 722.065.

(5) The certificate approving of the articles of incorporation shall be made in duplicate and one attached to each copy of the articles of incorporation, one copy of which shall be returned to the incorporators and shall be retained by the association.

[Amended by 1961 c.398 §7]

**722.060 Rejection of application; appeal.** If the supervisor is not satisfied after the examination that it is expedient and desir-

able to permit the applicants to engage in the proposed savings and loan association business, he shall make a written report of his examination to the commissioner with his recommendation that the application be denied. The commissioner, if he approves the report and recommendation, shall indorse upon each copy of the proposed articles of incorporation the word "refused" and the date of such indorsement, together with the reason for such refusal. He shall forthwith return one copy of the proposed articles to the incorporators from whom the articles were received. The refusal shall be conclusive unless the incorporators within 30 days of the issuance of such notice of refusal apply to the Circuit Court of Marion County, Oregon, which court shall have jurisdiction of the case, for a writ of mandamus to compel the filing and approval of the proposed articles of incorporation. An appeal shall lie from the decree or final order of the court in the same manner as appeals in other mandamus cases are allowable and taken in this state.

**722.065 Certificate of authority to do business; issuance, refusal and revocation; effect of failure to commence business within six months.** (1) When the commissioner has approved the articles of incorporation and the bylaws and has issued the certificate of approval and filing, and after the stockholders have paid into the treasury of the association the amount required by ORS 722.030 or 722.040, he shall then issue to the association a certificate of authority to do business and the association may thereupon proceed to do business during that fiscal year. Issuance of a new certificate of authority is necessary each fiscal year to the transaction of business in this state by any savings and loan association, and is contingent upon its payment of the annual license fee and a compliance with the terms of ORS 163.450, 165.040, 165.255, ORS chapter 721, 722.005 to 722.145, 722.150 to 722.190, 722.205 to 722.250, 722.305 to 722.370, 722.405 to 722.420, 722.425 to 722.470, 722.480, 722.490, 722.510 to 722.545 and 722.705 to 722.990, for a violation of which terms the certificate of authority may be revoked by the commissioner.

(2) An association to which the commissioner has refused to issue a certificate of authority or whose certificate of authority has been revoked, may within 30 days apply to the Circuit Court of Marion County for

a writ of mandamus to compel the issuance or the renewal of such certificate. An appeal shall lie from the decree or final order of the court in the same manner as appeals in other mandamus cases are allowable and taken in this state. Failure to so apply shall constitute an acceptance of such refusal or revocation.

(3) When any savings and loan association fails to commence business within six months from the date of the issuance of the certificate of authority, such association shall forthwith be dissolved and its certificate of incorporation shall be considered void without further executive or judicial action.

**722.070 Amendment of bylaws and articles.** (1) Any mutual savings and loan association incorporated under the laws of this state may, at any time after securing the written approval of the commissioner, amend its articles of incorporation by a vote of at least three-fourths of the sum of the votes of its members represented at the annual meeting or at a special meeting called for that purpose, or after securing the written approval of the commissioner, amend its bylaws by a vote of at least a majority of the sum of the votes of its members represented at the annual meeting or at a special meeting called for that purpose or by a vote of at least three-fourths of the directors present at a regular meeting of the directors or at a special meeting of the directors called for that purpose.

(2) Any reserve fund savings and loan association incorporated under the laws of this state may, at any time after securing the written approval of the commissioner, amend its articles of incorporation by a vote of at least three-fourths of the sum of the votes of its members represented at the annual meeting or at a special meeting called for that purpose, or after securing the written approval of the commissioner, amend its bylaws by a vote of at least a majority of the sum of the votes of its members represented at the annual meeting or at a special meeting called for that purpose or by a vote of at least three-fourths of the directors present at a regular meeting of the directors or at a special meeting of the directors called for that purpose.

(3) Whenever any savings and loan association amends its articles of incorporation or its bylaws, it shall certify a copy of the resolutions authorizing such amendment,

duly verified by the oaths of the president or vice president and secretary or assistant secretary of such association, and shall file the same, accompanied by a filing fee of \$5, in the office of the commissioner.

[Amended by 1959 c.227 §6; 1961 c.398 §8; 1963 c.288 §18]

(b) To permit members and investors to withdraw part or all of such funds, and to prescribe the terms and conditions of such withdrawal.

(f) Such other powers as may specifically be set forth under ORS chapter 721, 722.005 to 722.145, 722.150 to 722.190, 722.205 to 722.250, 722.305 to 722.370, 722.405 to 722.420, 722.425 to 722.470, 722.480, 722.490, 722.510 to 722.545 and 722.705 to 722.990 or under their charters or certificates of incorporation.

(2) No savings and loan association shall, at any time, have or carry on its books, for any person any commercial or checking account or any credit to be withdrawn upon the presentation of any negotiable check or draft.

[Amended by 1959 c.227 §7; 1961 c.398 §9]

**722.110 Advertising by associations.**

Nothing in the statutes of this state to the contrary notwithstanding, shall preclude any savings and loan association in any of its advertising from setting forth any of the purposes mentioned in subsection (6) of ORS 722.030.

**722.115 Establishing branch offices.**

No savings and loan association doing business in this state shall establish a branch office in its own or in any other community in this state, without first securing a permit therefor

from the commissioner. Any application for such a permit, if received by the commissioner, shall be immediately transmitted by him to the supervisor for his investigation, report and recommendation. The supervisor shall give the application the same consideration and investigation as is required of him by ORS 722.055 in the case of an application for a permit for a new association. In addition thereto and at least 30 days prior to approving an application for the establishment of a branch, the supervisor shall have published on three different dates in a newspaper of general circulation in the community in which the office is to be established, a notice stating he has received an application for a branch office to be established in the vicinity of a given specific location. A similar notice shall also be mailed by the supervisor to all savings and loan association offices within a 50-mile area of such location. Persons interested in protesting the application may contact the supervisor in person or by writing prior to a date which shall be given in said notice. If the commissioner, after receiving the report and recommendation of the supervisor, grants the application, he shall issue to the association his certificate to that effect, and if the commissioner is unwilling to grant permission, he shall notify the association in writing of his refusal. The applicant shall have the same right of review and appeal from the decision of the commissioner as is described in ORS 722.060. It is not a violation of this section for an association to employ loan agents, sales agents or collection agents without securing the permit called for in this section, provided such agents do not establish or maintain a regular office in the name of the association represented.

[Amended by 1953 c.401 §11; 1959 c.227 §8; 1963 c.288 §2]

Any savings and loan association incorporated under the laws of this state may become a member of the Federal Home Loan Bank, the Federal Savings and Loan Insurance Corporation and any other

similar federal or state agency. The member association may subscribe for, purchase, hold and surrender, from time to time, such amounts of the capital stock of the bank, such corporation or other similar federal or state agency, either separately or in combination, as the association may deem advisable, and may do such other things as may be required under the Federal Home Loan Bank Act or other Acts establishing the particular agency or under any amendment thereto, in order to obtain and continue such membership. The savings and loan association may assume all the duties, obligations, responsibilities and liabilities and become entitled to all the benefits provided in any of those Acts. [Amended by 1959 c.227 §9; 1961 c.398 §10]

**722.130 Indebtedness of associations; limitations, exceptions and preferences.** (1) A savings and loan association may borrow money for any of its corporate purposes, when authorized by proper resolution of its board of directors, such loans not to exceed 35 percent of its assets. However, it may borrow from the Federal Home Loan Bank or other similar federal or state agency, or both, up to 70 percent of its assets.

(2) No loan shall be obtained for a longer period than five years, except loans from the Federal Home Loan Bank or other similar federal or state agency. No association shall have the authority to issue bonds or other obligations against a specific portion of its assets, except to secure juvenile certificates or obligations, or loans negotiated from the Federal Home Loan Bank or other similar federal or state agency.

(3) Such associations may borrow from and lend to other savings and loan associations, upon the approval of the board of directors of both the borrowing and lending associations, together with the approval of the supervisor.

(4) Whenever the supervisor deems any indebtedness of an association incurred under this section to be detrimental to the interests of its members or creditors, he shall require the association to change or reduce its indebtedness to such an extent as he considers reasonable, giving the association a reasonable time in which to effect such reduction of indebtedness.

(5) Any savings and loan association may assign or pledge any property of the association, or repledge any shares of the stock pledged to the association, as collateral security for loans obtained for any of its

corporate purposes.

(6) Any pledgee or other lawful holder of any note or other evidence of indebtedness due to an association, shall have the right to enforce, in his own name or in the name of the association, all appropriate remedies to enforce collection, whether or not the stock described in connection with the note is held by such pledgee or holder.

(7) Any obligation incurred by, or loan made to, an association shall constitute a preferred claim against its corporate assets, and shall be payable in advance of, and by preference over, all claims or rights of the members in any of the assets of the association, and shall be prior to and outrank any demand or application for the withdrawal or cancellation of any certificates or reserve fund stock, if any, issued by the association.

[Amended by 1959 c.227 §11]

**722.147 Expense fund of mutual association.** (1) In the case of a mutual association the expenses of organizing and operating the association shall be paid from the expense fund until such time as its earnings are sufficient to pay its operating expenses and any payments required to be made into the contingent fund described in ORS 722.150, in addition to such dividends or interest as may be declared or credited to the shareholders or investors from its earnings.

(2) The amounts paid in to the expense fund by the incorporators shall not constitute a liability of the association.

(3) Contributions made by the incorporators to the expense fund may be repaid pro rata to the incorporators from the contingent fund described in ORS 722.150 when such payments will not reduce the contingent fund below five percent of the paid-in capital up to \$20 million and two and one-half percent of all paid-in capital in excess thereof. The expense fund shall be reduced on the books of the association by the amount

of such contributions repaid out of the contingent fund. In case of the liquidation of the association before the contributions to the expense fund have been repaid, any contributions to the expense fund remaining unexpended after the payment of the expenses of liquidation and the payment to investors and shareholders in full may be repaid to the incorporators pro rata.

[1959 c.227 §2]

**722.148 Minimum cash, bonds or other obligations to be on hand at all times.** (1) Every association shall have on hand at all times cash and balances due from solvent banks or checks in transit for collection from solvent banks, or funds deposited on time or demand with the Federal Home Loan Bank of which the association is a stockholder, certificates of deposit or time deposits in a bank, or savings accounts in other insured savings and loan associations or banks, or bonds or obligations authorized by ORS 722.425, which cash, bonds or other obligations shall not be pledged or otherwise held as security for the payment of any obligations of the association, and shall not be less than the percentage of its savings obligation determined pursuant to subsection (2) of this section.

(2) The supervisor shall recommend to the commissioner the percentage referred to in subsection (1) of this section which he deems necessary for the prudent conduct of the affairs of associations subject to this chapter. The percentage recommended shall not exceed 10 percent of savings obligations of such an association. The recommendation shall be made only upon hearing after not less than 30 days' written notice to all such associations, at which hearing the associations shall be entitled to be heard, either in person or in writing. The commissioner, if he approves the recommendation, shall notify all such associations in writing of his determination.

(3) An association shall have 90 days from the date of notification by the commissioner within which to conform to the requirements of this section.

(4) Any association aggrieved by the determination of the commissioner made under subsection (2) of this section is entitled to have the determination reviewed in accordance with ORS chapter 183.

(b) Two and one-half percent of the savings liabilities in excess of \$20 million after deducting cash and the value of United States Government obligations on hand.

(5) Whenever the contingent fund shall be below the percentage of savings liabilities established in subsection (4) of this section, an association shall not pay any dividend or other distribution on shares of a reserve fund association or make any distribution of undivided profits of a mutual association.

(6) When the contingent fund equals the amount specified in this section, an association shall pay into the contingent fund an amount equal to five percent of its net income each year.

(7) The contingent fund, as provided for in this section, shall be charged with all losses, as they are determined, not charged to other reserve accounts, until the contingent fund is exhausted, after which any remaining losses not charged to other reserve accounts shall be charged, as determined, to earned surplus and then, in the case of reserve fund associations, to reserve fund capital.

(8) A savings and loan association may establish such reserve accounts as its directors authorize, in addition to the contingent fund, and make transfers to and charge such reserve accounts.

(9) A state-chartered savings and loan association insured by the Federal Savings and Loan Insurance Corporation may establish a federal insurance reserve for the sole purpose of absorbing losses, which reserve may be included for the purpose of computing the amount of the contingent fund herein provided.

(10) Notwithstanding anything in this chapter to the contrary, the reserve fund stock of a savings and loan association shall be included for the purpose of computing the total amount of the reserves for losses of such association, whether such stock is credited to the contingent fund or other reserve accounts. [Amended by 1953 c.401 §11; 1959 c.227 §12; 1961 c.398 §12; 1965 c.306 §3; 1967 c.234 §4]

(b) Its definite fixed obligations; and

(c) The contingent fund required by ORS 722.150.

(2) Nothing contained in this section or ORS 722.150 shall prohibit an association from paying different rates of dividends or interest upon different classes of shares or obligations. No association shall advertise a greater interest than actually has been earned.

(3) No interest accrued and unpaid for a period of more than three months can be considered as an earning of the association for the purpose of paying dividends or interest.

[Amended by 1953 c.401 §11; 1959 c.227 §13; 1961 c.398 §13; 1965 c.306 §9; 1967 c.234 §2]

**722.160 Holding of earned surplus.** A mutual savings and loan association may, in addition to the contingent fund, hold as earned surplus such sum as the board of directors may, from time to time, deem necessary or wise.

[Amended by 1959 c.227 §14]

**722.165 Semiannual statements; additional statements.** (1) Every savings and loan association doing business within this state shall, on January 1 and July 1 of each year, or within 30 days thereafter, file with the commissioner a full detailed statement of its financial condition on the last day of the preceding month and of the

The statement shall set forth the amount and the character of its assets and liabilities and shall contain such other information, be in such form as the supervisor may prescribe and shall be sworn to by the president or vice president and the secretary or assistant secretary. Any association refusing or neglecting to file any statement required in this section within the time specified, shall forfeit \$25 per day for each and every day the statement is withheld, and the commissioner may maintain an action in the name of the state to recover such forfeiture, which, upon its collection, shall be paid into the General Fund. Within 30 days after any refusal or neglect to file any statement provided for in this section, the commissioner shall cause the affairs of the association to be investigated at the expense of the association, and, if it is found in an unsafe condition, take charge of its affairs, as provided in ORS 722.725.

(2) The supervisor may require additional statements from any or all associations, as of the close of business at any date, allowing 10 days in which to prepare and file them.

[Amended by 1953 c.401 §11; 1961 c.280 §9]

**722.170 Publication of financial statements.** On January 1 and July 1 of each year, or within 15 days after such dates, every savings and loan association doing business in this state shall publish, in at least one newspaper published in the place where its principal office may be located, or, if no newspaper is published in such place, then in the newspaper published nearest such place, a financial statement showing the condition of the association, at the close of business on the previous December 31 and June 30, respectively. The statement shall be verified by the oaths of the president or vice president and secretary or assistant secretary of the association before being printed. One copy of the newspaper containing the financial statement shall be furnished to the supervisor within five days after publication and one copy shall be recorded in the minute book of the board of directors of the association. The form for publication of the financial statements shall be prescribed by the supervisor, which forms may be amended by him. They shall be the only form used by any savings and loan association at any time for the purpose

of advertising or publishing a statement of its financial condition, except that the oath may be dispensed with on other occasions of publication than those specified in this section.

**722.175 Civil liability for false or defamatory statements concerning association financial condition.** Any savings and loan association and any individual injured by a violation of ORS 163.450 has the right to sue for recovery of such damages as it or he may have suffered thereby.

**722.180 Membership fees and fines regulated.** (1) No savings and loan association may charge or collect any membership fee for the issuing of any certificate or other obligation of such association. No fines may be assessed for any reason on any certificates or obligations sold in this state by any savings and loan association until the owner of the certificates or obligations has been delinquent for 24 or more consecutive months and until 60 days after a clearly-worded advance written notice of pending liability for such fine has been sent by registered mail to the registered owner at his last known address. Such fines when imposed shall not exceed 10 cents per \$100 certificate or obligation per month, commencing with the date of the notice, and as collected shall be credited to the contingent fund of the association.

(2) Nothing in this section shall prevent the sale of certificates or obligations on which the earnings shall increase in percentage at stated periods or upon certain scheduled payments, nor shall this section preclude a reasonable charge being made against borrowers for the purpose of defraying the expense of making or carrying the loan, or both.

[Amended by 1961 c.398 §14]

**722.185 Closing on Saturdays.** Any savings and loan association doing business in this state may remain closed on Saturdays with respect to all or any of its functions. Any act authorized, required or permitted to be performed at, by or with respect to any savings and loan association on a Saturday, may be performed on the next succeeding business day, and no liability or loss of rights of any kind shall result from such closing.

**722.190 Annual license fees.** (1) Every savings and loan association doing business in this state shall pay in lieu of all other

corporation or license fees, excepting the filing fees provided in ORS 722.050, an annual fee as follows:

(2) The annual license fee required by this section shall be paid in advance for the fiscal year beginning July 1 of each year and in case of new associations formed or entering the state during the fiscal year, the first year's fee shall be proportionate to such fraction of a year and shall be paid when the application is filed.

[Amended by 1959 c.169 §2]

**722.195 Acting as trustee or custodian under self-employed individual's retirement plan; security required.** A savings and loan association shall have the power to act as trustee within the contemplation of subsection (d) (1) of Section 2 of the Federal Self-Employed Individuals Tax Retirement Act of 1962 and as custodian within the contemplation of subsection (f) (1) of the same section. Associations exercising the trustee and custodian powers authorized by this section shall segregate all funds held in such fiduciary capacities from the general assets of the association and shall keep a separate set of books and records, showing in proper detail all transactions engaged in under the authority of this section. Provided individual records are kept for each self-employed individual's retirement plan, all funds held in such trust or custodial capacity by the association may be commingled for appropriate purposes of investment. Except as prohibited by the terms of the trust or custodial plan, an association acting in such fiduciary capacity shall have the power to invest funds held in such capacity in investments and property permitted by ORS 128.020, including savings accounts of the association. Before the association shall act in such a fiduciary capacity, it shall deposit with the commissioner, as security and as a pledge for the faithful performance of its duties as

such fiduciary, cash or interest-bearing securities, which securities shall have a ready market value, in the amounts and classes, and subject to the same liabilities, as in the case of deposits of banks or trust companies, set forth in subsections (1) and (2) of ORS 709.030 and ORS 709.040 to 709.070, and the commissioner may make such charges and assessments for the expenses incurred, including insurance, and services rendered in connection with deposits of securities as he deems just and reasonable.

[1963 c.288 §17]

**722.200 Association's authority over reserve fund stock.** (1) A savings and loan association shall have the right to purchase, take, receive or otherwise acquire, hold, own, pledge, transfer or otherwise dispose of its reserve fund stock, but purchases of such stock, whether direct or indirect, shall be made only to the extent of unreserved and unrestricted earned surplus available therefor, and, if the articles of incorporation so permit, or with the affirmative vote of at least two-thirds of the sum of the votes of its members represented at the annual meeting or at a special meeting called for that purpose, to the extent of unreserved and unrestricted paid-in surplus available therefor.

(2) To the extent that earned surplus or paid-in surplus is used as the measure of the association's right to purchase its own reserve fund stock, such surplus shall be restricted so long as such shares of stock are held as treasury shares, and, upon the disposition or cancellation of any such stock, the restriction shall be moved pro tanto.

(3) Notwithstanding the foregoing limitation, an association may purchase or otherwise acquire its own reserve fund stock for the purpose of:

- (a) Eliminating fractional shares.
- (b) Collecting or compromising indebtedness of the association.
- (c) Paying dissenting shareholders entitled to payment of their reserve fund stock under the provisions of this chapter.

(4) No purchase of or payment for its own reserve fund stock shall be made at a time when the association is insolvent or when such purchase or payment would make it insolvent.

## DIRECTORS, OFFICERS AND AGENTS

**722.205 Directors and officers; powers; qualifications; removals; appeals from re-**

**moval.** (1) The corporate powers of every savings and loan association which may be incorporated under the laws of this state shall be exercised by a board of directors of not less than five stockholders, who shall elect the officers of the association. At least two-thirds of the directors shall be residents of the State of Oregon. The president and at least two other officers shall be elected from the directors. The directors shall be held responsible for the business policies of the association and for the enforcement of their policies by the executive officers.

(2) The bylaws of every savings and loan association may prescribe other qualifications for directors, but no person shall be eligible as a director unless he is the owner in good faith and in his own right on the books of the association of certificates upon which at least \$2,500 in cash has been paid. Such amount shall not be reduced by withdrawal or pledge for a loan with the association, or in any other manner so long as he remains a director of the association; and, if the association is of the reserve fund type, at least a majority of the directors shall hold reserve fund stock, rather than certificates, under the same conditions in this subsection pertaining to certificates. Every director who after his election ceases to be the owner in his own right of the necessary qualifying certificates or reserve fund stock, or who pledges or hypothecates the certificates or reserve fund stock necessary to qualify him as such director, thereupon shall vacate his office and shall not be eligible for reelection for the period of one year from the date of the next succeeding annual meeting.

(3) The supervisor may, by and with the approval of the commissioner, remove any officer or director of any savings and loan association for just cause specified by him and after 30 days' notice in writing to such person and to the board of directors. Any officer or director so notified of the intention of the supervisor and feeling himself aggrieved by such removal shall have a right to apply to the Circuit Court of Marion County, Oregon, for a writ of injunction to restrain the removal, as in ordinary injunction cases.

(4) The 1965 amendment to this section shall not be applicable to any director serving a term as director on May 4, 1965, for the balance of the term for which such director was elected.

No director or officer shall engage or participate, directly or indirectly, in any business or transaction conducted on behalf of or involving the association, which would result in a conflict of his own personal interests with those of the association which he serves, unless such business or transactions are conducted in good faith and are honest, fair and reasonable to the association; a full disclosure of such business or transactions and the nature of the director's or officer's interest is made to the board of directors; such business or transactions are approved in good faith by the board of directors, any interested director abstaining, and such approval is recorded in the minutes; any profits inuring to the officer or director are not at the expense of the association and do not prejudice the best interests of the association in any way; and such business or transactions do not represent a breach of the officer's or director's fiduciary duty and are not fraudulent, illegal or ultra vires. Without limitation by any of the specific provisions of any of the subsections of this section, the supervisor may require the disclosure by directors, officers, and employes of their personal interest, directly or indirectly, in any business or transaction on behalf of or involving the association and of their control of or active participation in enterprises having activities related to the business of the association. The following restrictions governing the conduct of directors and officers expressly are specified, but such specification is not to be construed in any manner as excusing such persons from the observance of any other aspect of the general fiduciary duty owed by them to the association which they serve:

(1) No officer or director of an association shall hold office or status as a director or officer of another federal or state savings and loan association, the principal office of which is located in the association's primary lending area.

(2) No director shall receive remuneration as director except reasonable fees for service as a director or for service as a member of a committee of directors, except that

(3) No director or officer shall have any interest, directly or indirectly, in the proceeds of a loan or investment or of a purchase or sale made by the association, unless such loan, investment, purchase or sale is authorized expressly by resolution of the board of directors, and unless such resolution is approved by vote of at least two-thirds of the directors authorized of the association, any interested director taking no part in such vote.

(4) No director or officer shall have any interest, direct or indirect, in the purchase at less than its face value of any evidence of a savings account, deposit or other indebtedness issued by the association.

(5) No director, association, or officer thereof shall require, as a condition to the granting of any loan or the extension of any other service by the association, that the borrower or any other person undertake a contract of insurance or any other agreement, or understanding with respect to the furnishing of any other goods or services, with any specific company, agency or individual.

(6) No officer or director acting as proxy for a member of an association shall exercise, transfer or delegate such vote or votes in any consideration of a private benefit or advantage, direct or indirect, accruing to himself, nor shall he surrender control or pass his office to any other for any consideration of a private benefit or advantage, direct or indirect. [1967 c.234 §7 (enacted in lieu of 722.210)]

**722.215 Bonds of directors and officers.** Every officer, director, employe and agent

handling or having custody or charge of funds, securities, books or records belonging to the association shall, before entering upon the discharge of his duties, give a good and sufficient bond in such sum as may be fixed by the board of directors of the association, conditioned for such pecuniary loss as the association may sustain for money or other valuable securities embezzled, wrongfully abstracted or wilfully misapplied by the officer, director, agent or employe in the course of his employment as such or in the course of his employment in any other position in the association, whether he is assigned, appointed, elected, re-elected or temporarily assigned to the position. The bond shall be made by a surety corporation authorized to do business as such in this state. The amount of the bond as to each person and the solvency of the surety corporation shall be subject to the approval of the supervisor and the bond shall be made upon a form approved by the supervisor. In lieu of individual bonds, a blanket bond covering all active officers, directors, agents and employes of the association may be executed, subject to the same provisions as to approval by the supervisor of the surety, and the amount and form of the bond specified in this section. The board of directors may require any other bond or bonds in addition to those required in this section. Officers of associations who are inactive and who do not handle the associations' funds or securities or draw a salary shall not be required to give bond. Every bond shall be in force until 10 days after notice to the supervisor that it is to be canceled.

**722.220 Effect of neglect to elect officers.** No savings and loan association under this chapter shall cease or expire from neglect on the part of the corporation to elect directors or officers at the time mentioned in their bylaws. Each director and officer elected by the corporation shall hold office until his successor is duly elected and qualified.

**722.225 Misleading or dishonest practices by officers or employes.** If the commissioner, in any manner, finds that one or more of the executive officers or employes of a savings and loan association have directly or indirectly wilfully misrepresented the association, its types of service, its contracts, membership to prospective members, investors or borrowers, or engaged in

wilfully dishonest practices in the conduct of the association's business, he shall immediately so inform the board of directors of the association and demand the suspension or discharge of the offending officer or employe, and the board of directors shall suspend or discharge that person.

If the commissioner is satisfied that the applicant is a fit and proper person to engage in the sale of shares, certificates or obligations of the association, he shall issue the license. The commissioner shall revoke the license of any agent for misrepresentation or when convicted in any court for violation of any criminal statute, or when satisfied that the agent is not a fit and proper person to be engaged in the business of selling savings and loan association shares, certificates or obligations of any kind.

(3) Each agent granted a license under this section shall pay a license fee to the commissioner of \$5. The license shall be issued to expire by limitation on June 13 next succeeding but may be renewed upon payment to the commissioner of the \$5 fee.

(4) The supervisor shall keep an alphabetical list of all persons to whom such licenses are issued, date of issue, date of renewal and the name of the association being represented by the agent. The license

does not empower a licensee to sell for any other similar association without the approval of the commissioner. All such licenses shall be issued under the rules and regulations to be prescribed by the commissioner, who shall hold each association responsible for the act of any of its agents within the scope of his employment.

(5) The supervision of the sale of shares, certificates and obligations of savings and loan associations and the licensing of agents of such savings and loan associations, by the office of the commissioner as provided for in this chapter shall be exclusive.

(a) By first mortgages or deeds of trust upon improved real estate (other than leaseholds), in an amount not to exceed 80 percent of its conservatively appraised value on installment loans and in an amount not to exceed 66 $\frac{2}{3}$  percent of such appraised value on straight loans.

(b) By first liens upon a leasehold of improved real estate if the leasehold has a period of not less than 20 years to run from the date of the loan, inclusive of the term which may be provided by an enforceable option of renewal, the loan does not exceed 80 percent of the fair market value of the leasehold together with any improvements located thereon which are subject to the lien, the terms of the loan provide for amortization payments to be made by the borrower on the principal thereof at least once in each year in amounts sufficient to completely amortize the loan within a period of four-fifths of the term of the leasehold, and the association is entitled to be subrogated to all rights of the lessee under the leasehold.

(2) Nothing in this chapter shall prohibit a savings and loan association from renewing or extending a proper loan secured by a first lien upon real property or a leasehold interest therein made pursuant to this section for the original or a lesser amount even though such amount results in a greater percentage of the current fair market value of the real property or leasehold than would otherwise be permitted under said sections.

(3) (a) No mortgage loan shall be made except upon the report, in writing, of an appraiser or a committee of appraisers appointed by the association, which report shall state the conservative value of the property to be mortgaged. The mortgage when made shall not be subject to any other prior liens or encumbrances against the property unless the aggregate amount of such mortgage, liens and encumbrances does not exceed the prescribed percentage limits of the appraised value of the premises.

(b) Except as hereinafter provided in this subsection, no such loans may be made to an officer or director of the association; nor shall any association directly or indirectly make any loan to or for the benefit or use of any individual, partnership, association or corporation or any subsidiary thereof, if or when 25 percent or more of the stock of the borrower is held or controlled, by option or otherwise, by the lender or by any of its officers or directors, or if or when any officer or director of the lender is the proprietor of or a partner in borrower, or if or when the lender or any officer or director thereof has, or represents to the public to have, any contract or right to control or manage the borrower. Nothing in this subsection shall prevent a savings and loan association from making loans on the security of a first lien on the home or combination of home and business property owned and occupied by an officer or director of the association.

(c) No association shall lend more than five percent of its total assets on the security of one property or to one person or corporation, except that an association with assets under \$100,000 may lend up to a maximum of \$5,000 in loans on one property or to one individual or corporation.

(d) Members shall have the preferred right to secure loans from available funds.

(4) Nothing in this chapter shall be interpreted to prevent an association from holding two mortgages on the same property, if both mortgages are prior to any other existing mortgage at the time of recording and if the junior of the two mortgages is required to be paid before the senior mortgage is due or payable. However, the total of the two mortgages, plus all other existing liens and encumbrances, shall not exceed the percentage limit of loan on one property as provided in this section. Further, the association shall not sell the senior mortgage until the junior mortgage has been paid in full or sold.

(5) For purposes of this section, the following shall not be deemed prior liens or encumbrances on real property or leasehold interests therein:

(a) Where the loan or note is secured by a mortgage or lien upon real property, a lease under which rents or profits are reserved to the owner.

(b) Where the loan or note is secured by a mortgage or lien upon a leasehold, a sublease under which rents or profits are reserved to the lessor in such sublease.

The builder or other person interested in builder's pool loans shall be required to make a contract with the association providing for such collateral pool. The contract shall provide for the assignment of the securities and the cash referred to in this section with power of attorney to the association to secure the association against any loss upon any of the loans in the collateral pool resulting from any foreclosure or voluntary liquidation of any of such loans, which voluntary liquidation shall be made in the sole discretion of the association, until all loans in such collateral pool are paid down to an unpaid balance not in excess of 80 percent of the original appraisal of the property securing such loans. In addition to the collateral provided for in this section to secure builder's pool loans, any association may require the builder personally to guarantee that such loans will be paid down to 80 percent or less of the appraised value of the property securing the loan.

No real estate taken by an association in satisfaction of debts previously contracted in the course of its business or purchased at sales under judgment, decrees foreclosing mortgages held by it, or received by it in exchange, shall be entered or carried on its books at a value in excess of the amount due the association, including principal, advances of taxes and insurance, attorney's fees and court costs, to the date of sheriff's sale, or other acquisition of the real property, less the withdrawal value of the certificates, if any, pledged as security for such debts, unless permanent improvements have been made thereon by the association.

[Amended by 1961 c.398 §41]

**722.550 Conversion into mutual savings bank.** Any going savings and loan association organized or governed by the laws of this state may, if its accumulated contingent fund exclusive of any reserve fund stock amounts to either not less than \$50,000 or five percent of its deposits and if it has approved assets of not less than \$1 million, be converted into a mutual savings bank in the manner prescribed in ORS 722.555 to 722.570.

(2) Within 10 days after so filing the resolution, the board of directors shall apply to the Superintendent of Banks for leave to submit to the members of the association the question whether the association shall be con-

If he determines that it is expedient and desirable, the Superintendent of Banks shall within 60 days after the filing of the application, agree with the board of directors of the association as to the plan of conversion.

(5) In case of refusal the board of directors or a majority of the members thereof may, within 30 days after receiving the notice of such refusal, appeal to the State Banking Board in the same manner and under the same procedure as that prescribed by law for an appeal to such board from the Superintendent of Banks' refusal to permit the original organization of a mutual savings bank.

The vote on that question shall be by ballot. Any member may vote by proxy or may transmit his ballot by mail if the bylaws provide a method for so doing. If two-thirds or more of the sum of the votes of the members cast on the question are affirmative then the board of directors shall have power and it shall be its duty to proceed to convert the association into a mutual savings bank.

[Amended by 1961 c.398 §43]

(3) The name, occupation, residence and postoffice address of each signer of the certificate.

(4) The term of its existence, which may be perpetual.

deemed to be a depositor of the bank in a sum equal to the book value of his investment as of the day on which the conversion was consummated. Any person who was a member, except a reserve fund stockholder, is entitled at any time within 60 days after the conversion was consummated to demand and secure the withdrawal value of his investment as of such date.

[Amended by 1961 c.398 §45]

Every such bank shall, as soon as practicable and within such time and by such methods as the Superintendent of Banks may direct, cause its organization, its securities and investments, and character of its business and its method of transacting the same to conform to the laws applicable to mutual savings banks.

**722.585 Retention of charter; payment of fees.** Any savings and loan association which converts into a mutual savings bank under ORS 722.550 may retain its charter by paying to the commissioner or to the official designated by statute to receive the annual license fee of savings and loan associations, an annual license fee of \$10, payable at the time provided in ORS 57.767. However, no business shall be transacted during the time the license fee of \$10 per year only is paid. If any such association desires to transact business under its charter it shall then be obliged to pay the regular license fee as provided by ORS 57.767.

**722.590 Conversion into federal association.** Any savings and loan association organized under the laws of this state may convert itself into a federal savings and loan association, as authorized by the Act of Congress known as the Home Owners' Loan Act of 1933 and its amendments, supplements or substitute laws, and pursuant to any rules and regulations prescribed by virtue of or in accordance with those Acts, if at a special meeting of the members called for

that purpose such conversion is authorized, in the case of a mutual association, by a majority of the sum of the votes of its members represented at such meeting, or, in the case of a reserve fund association, by a majority of the sum of the votes of its members, except reserve fund stockholders, represented at such meeting, and by a majority of the sum of the votes of the reserve fund stockholders represented at such meeting.

[Amended by 1961 c.398 §46]

**722.595 Special meeting of members.** A special meeting of the members may be called for the purpose referred to in ORS 722.590 by direction of the president or of the board of directors to be held after 10 days' written notice to each member, delivered to him personally or by mail with postage prepaid, directed to him at his last known postoffice address. The notice shall state the time, place and purpose of the meeting. Proof of the giving of such notice shall be by affidavit of the secretary.

[Amended by 1961 c.398 §47]

**722.600 Filing conversion resolution.** If conversion under ORS 722.590 is authorized, a copy of the resolutions adopted with respect thereto at such meeting, verified by the affidavit of the president or a vice president and the secretary or assistant secretary of the association, shall within 10 days after the holding of the meeting be filed in the office of the commissioner.

**722.605 Completion of conversion to federal association.** If conversion under ORS 722.590 is authorized by the members, the officers and directors of the applicant association shall within one year from the date of the adoption of the resolutions by the members take the steps necessary to effect a conversion of the applicant institution into a federal savings and loan association, and upon such terms as may then be agreed upon between the board of directors of the applicant institution and the Home Loan Bank Board or other proper federal authority. Upon filing in the office of the commissioner of a certified copy of the charter or authorization issued to such savings and loan association by the Home Loan Bank Board or other proper federal authority, or of a certificate showing the organization of the applicant association as a federal savings and loan association, certified to by the Home Loan Bank Board or its authorized representative, the state association shall

cease to be a savings and loan association, and shall be deemed converted into a federal savings and loan association; except that the corporate existence of the state association shall continue for a period of five years for the purpose of prosecuting or defending suits by or against it, and enabling it to close its affairs.

[Amended by 1961 c.398 §48]

**722.610 Instruments of transfer; creditors' rights; dissenting members.** (1) In consummation of the conversion, the state association may execute, acknowledge and deliver to the successor federal savings and loan association such instruments of transfer, conveyance and assignment as they or either of them may be advised are necessary or desirable to accomplish a transfer, conveyance and assignment to the successor federal savings and loan association of such property, tangible or intangible, and all right, title and interest therein, as may have been agreed between the board of directors of the applicant institution and the Home Loan Bank Board or other proper federal authority.

(2) No creditor of the state association shall by reason of such conversion alone be deprived of or prejudiced with respect to any claim which he may have against the state association.

(3) The rights of any member of the state association who does not consent to such conversion shall be determined in the manner provided in ORS 57.730.

[Amended by 1961 c.398 §49]

**Note:** ORS 57.730, referred to in subsection (3) of ORS 722.610, was repealed by 1953 c.549 §138. For the convenience of the user, ORS 57.730 is reproduced here since it does not appear in ORS chapter 57.

**57.730 Transfer of corporate assets as whole; consent of and payment to stockholders.** A sale, lease, assignment, transfer or conveyance of the business, franchise and property as a whole, of any corporation formed in this state may be made with the consent of its stockholders holding of record as much as two-thirds of the issued capital stock, if such consent is expressed at a regular or special meeting of the stockholders called for that purpose and if such sale, lease, assignment, transfer or conveyance is in consideration of lawful money of the United States, or such other consideration as is expressed in the consent of the stockholders. Where the consideration is not wholly lawful money of the United States, any stockholder who does not consent to the sale, lease, assignment, transfer or conveyance shall be paid in cash the fair value of his stock based upon its pro rata share of the reasonable and fair value of the net assets of the corporation as of the time of the stockholders' meeting, to be fixed in case of disagreement as to the value thereof or failure to consent, by a court of equity at the suit of the corporation. Any such suit is to be commenced within

60 days from the date of the meeting; and the award made to any such stockholder shall be paid within 60 days from the final determination of such suit. The sale, lease, assignment, transfer or conveyance shall not be delayed by reason of the failure of a stockholder to give such consent or by any such suit if the corporation files in the suit a bond in the sum fixed by the court, with surety approved by the court, conditioned upon the payment to the nonconsenting stockholder of the fair value of his stock as finally determined in the suit. The rights of all nonconsenting stockholders may be fixed in one suit, and service of summons may be had by publication thereof as to all persons not found within the state in the same manner as provided for publication of summons in other suits in equity. In the event the sale, lease, assignment, transfer or conveyance is not consummated on or before 60 days from the final determination of the suit, then, unless the award has been paid to the stockholder or into court for his use within the 60 days, all proceedings in the suit and the award made therein shall be of no effect. Upon payment to the stockholder of the amount awarded to him he shall surrender his stock certificate, duly indorsed, to the corporation. Nothing in this section shall limit the existing power of the stockholders or directors of the corporation to make sales, leases, assignments, or conveyances of corporate property other than as set forth in this section.

**722.615 Recording charter or authorization.** A certified copy of the charter or authorization issued to the federal savings and loan association may be recorded in the deed records of the county in which the state association had its principal office and place of business and any other county in the state. The recorded charter, authorization or certificate, or a certified copy thereof, shall be prima facie evidence of the facts therein stated.

**722.620 Conversion of federal association into state association.** Whenever any savings and loan association organized and existing under the laws of the United States and whose principal place of business is located within the State of Oregon is authorized by the laws of the United States to convert itself into a savings and loan association under the laws of this state, it may do so in the manner, and with the result as stated in ORS 722.625 to 722.650.

**722.625 Authorizing resolution.** Conversion shall be authorized by resolution adopted by at least a majority of the sum of the votes of its members represented at the annual meeting or at a special meeting of the members duly called and held for that purpose, or upon such vote of the directors or members as may be authorized by the laws of the United States or the rules and regulations of the Home Loan Bank Board.

[Amended by 1961 c.398 §50]

**722.630 Filing minutes of meeting.**

Within 20 days after adoption of the resolution for conversion, a copy of the minutes of the adopting meeting of the members and directors, verified by the affidavit of the president or vice president, and the secretary or assistant secretary, shall be filed in the office of the Home Loan Bank Board at Washington, D. C., and in the office of the Corporation Commissioner. These minutes when so filed shall be presumptive evidence of the due holding of this meeting and of the action taken by the meeting.

[Amended by 1961 c.398 §51]

**722.635 Conversion procedure. (1)**

Within one year after the holding of the adoption meeting, the directors of the federal savings and loan association shall execute in duplicate and offer to the commissioner for filing proposed articles of incorporation, and proposed bylaws in conformity with this chapter. The commissioner shall thereupon transmit them to the supervisor for his investigation, report and recommendation.

(2) At least 30 days prior to recommending the approval of proposed articles of incorporation and bylaws, the supervisor shall have published on three different dates in a newspaper of general circulation in the community in which the principal place of business of the savings and loan association is to be established, a notice stating he has received the proposed articles of incorporation and bylaws. A similar notice shall also be mailed by the supervisor to all savings and loan association offices within a 50-mile area of said place. Persons interested in protesting the application may contact the supervisor in person or by writing prior to a date which shall be given in said notice.

(3) The supervisor shall examine the books of account, all records and transactions of the association, and ascertain from the best sources at his command and by such investigation as he may deem necessary, whether the association is in satisfactory financial condition and whether the character, responsibility and general fitness of the persons named in the articles of incorporation are such as to command confidence and warrant the belief that the business of the proposed association will be honestly and efficiently conducted in accordance with the intent and purpose of this chapter. In the same manner, he shall ascertain whether the public convenience and advantage will

be promoted by allowing such federal association to be incorporated under state law and to engage in business, and whether the population in the neighborhood of the principal place of business of the proposed association and the surrounding territory affords a reasonable promise of adequate support for the association. The expense of all such examinations and investigations shall be paid by the incorporators of the association.

(4) If the supervisor is satisfied concerning the several matters specified in this section, he shall recommend to the commissioner the approval of such proposed articles and bylaws. The commissioner, if satisfied, shall issue under his official seal a certificate reciting in substance the filing in his office of the articles of incorporation and bylaws, that such articles and bylaws conform to all requirements of the law and that they have been approved. Thereupon the persons named in the articles, their associates and successors, shall become a body corporate for the period for which they are organized and shall exercise such powers as therein granted, and such other powers as are necessary to enable the association to carry out the purpose of its organization, not inconsistent with ORS 163.450, 165.040, 165.255 and ORS chapters 721 and 722. However, the association shall not proceed to do business until the commissioner has issued to it a certificate of authorization as provided by ORS 722.065.

(5) The certificate approving the articles of incorporation shall be made in duplicate and one attached to each copy of the articles of incorporation. One copy of the articles shall be returned to the incorporators, and shall be retained by the association.

[Amended by 1961 c.398 §52]

**722.640 Completion of conversion; federal certificate required.** When the commissioner has issued to it the certificate of authorization and the federal association has complied with all the laws of the United States and the rules and regulations of the Home Loan Bank Board, the association shall thereafter be deemed to be a state chartered savings and loan association subject in all respects thereafter to all the provisions of ORS 163.450, 165.040, 165.255 and ORS chapters 721 and 722 applicable to domestic savings and loan associations. However, the conversion shall be effective only

upon the filing in the office of the commissioner of a certificate executed by the Federal Savings and Loan Insurance Corporation to the effect either that the federal association was, at the time of conversion, not insured by it, or, that being so insured, the conversion and the basis upon which it is being carried out is acceptable to the Federal Savings and Loan Insurance Corporation.

**722.645 Transfer of assets, liabilities and responsibilities.** When the conversion becomes effective, the supervision of the association shall thereupon be undertaken by the commissioner pursuant to ORS chapters 721 and 722. All assets of the federal association, including its right, title and interest in and to all property of every kind and nature shall immediately, and by operation of law, and without any further act or deed, continue to be vested in the association under its new name and style as a domestic savings and loan association, and as such it shall have, hold and enjoy those assets in its own right as fully and to the same extent as they were possessed, held or enjoyed by it as a federal savings and loan association. The state chartered institution shall continue to be responsible for all the obligations of the federal savings and loan association to the same extent as the association was responsible therefor as a federal association. The state chartered corporation or association shall to all intents and purposes be a continuation of the federal savings and loan association under a new name but subject to state law, and such revision of its corporate structure may be undertaken and accomplished only so far as may be considered necessary for its operation as a state chartered savings and loan association. Every person who was a member of the federal savings and loan association at the time of conversion shall automatically become and be a member in the state association in like amount, without any further action on his part.

[Amended by 1961 c.398 §53]

**722.650 Refusal of application; hearing.** If the supervisor is not satisfied after the examination that it is expedient and desirable to permit the applicants to engage in the proposed savings and loan association business, he shall make a written report of his examination to the commissioner with

his recommendation that the application be denied. The commissioner, if he approves the report and recommendation, shall indorse upon each copy of the proposed articles of incorporation the word "refused," with the date of such endorsement, together with the reason for such refusal, and shall forthwith return one copy of the proposed articles of incorporation to the incorporators from whom they were received. The refusal shall be conclusive unless the incorporators within 30 days of the issuance of such notice of refusal apply to the commissioner for a hearing. The commissioner shall determine finally, after hearing all evidence presented for and in behalf of the applicants and any further evidence which may be presented by the supervisor, whether the application for a state charter is to be granted or denied. He shall enter an order accordingly, setting forth his findings with respect thereto.

**ACQUISITIONS**

**722.670 Definitions for ORS 722.670 to 722.685.** For purposes of ORS 722.670 to 722.685, unless the context requires otherwise:

(1) A "domestic savings and loan association" means a savings and loan association incorporated under the laws of the State of Oregon and includes both a "mutual association" and a "reserve fund association."

(2) A "foreign savings and loan association" means a savings and loan association incorporated under the laws of a state of the United States other than the State of Oregon or under the laws of the United States of America or the District of Columbia. It includes both a mutual-type association and a capital stock association.

[1965 c.226 §2]

**722.675 Definitions of "acquisition" and "acquire."** Unless otherwise expressly defined, limited, provided or required by context, "acquisition" or "acquire" shall mean and include any one of the following for purposes of ORS 722.670 to 722.685:

(1) Merger of two or more savings and loan associations.

(2) Consolidation of two or more savings and loan associations.

(3) Purchase by a savings and loan association (for cash, stock or other property) of all or substantially all of the assets of another savings and loan association, with a correlative assumption of liabilities.

(4) Procurement by an exchange of stock, issued for that purpose, by a reserve fund association of a controlling interest (more than 50 percent) of the stock of another operating savings and loan association.

(5) Any other organization arrangement (other than outright purchase by an association of the outstanding stock from stockholders of another association), the effect of which is to bring together under common ownership, control or responsibility all or substantially all of the assets, reserves, surplus and capital of two or more savings and loan associations.

[1965 c.226 §1]

**722.680 Procedure for acquisition.** A domestic savings and loan association may be a party to an acquisition with or involving one or more other domestic or foreign savings and loan associations, stock or mutual, upon compliance with the following:

(1) The savings and loan associations or associations involved shall prepare and execute a written plan setting forth all essential terms and provisions of the acquisition. The plan shall first be approved by the board of directors of each association involved. The plan, together with certified copies of the authorizing resolution of each board of directors showing adoption and approval, shall then be filed with the supervisor. The parties to the plan may, if they so desire, include with the filing a written request for a hearing, or the supervisor may, if he deems it necessary or advisable to do so, direct that such a hearing be held. Any such hearing shall be held within 30 days after the filing of the plan at such time and place and upon such reasonable notice as the supervisor may designate, at which time all savings and loan associations involved in the acquisition, all interested members and stockholders thereof, and other persons who may be adversely affected thereby, shall have an opportunity to be heard. If requested by a savings and loan association involved, or if directed by the supervisor, the portions of ORS 183.420 to 183.450, pertaining to evidence, testimony, subpoenas and preparation of a record shall, to the extent applicable, govern the proceedings at the hearing.

(2) The supervisor shall approve the plan within 30 days after such filing, or within 30 days after a hearing if one is called and held, unless he finds such plan:

(a) Is contrary to law.

(b) Is inequitable to the members or

stockholders of any savings and loan association involved.

(c) Would substantially reduce the security of and service to be rendered to members of any domestic savings and loan association involved, in this state or elsewhere.

(d) Provides for a foreign savings and loan association to be the acquiring, surviving or resulting association and he further finds that such association cannot satisfy the requirements of this state for transacting savings and loan business in this state.

(e) Is subject to other material and reasonable objections.

If the supervisor does not approve such plan, he shall so notify the savings and loan associations involved in writing, specifying the bases, factors and reasons therefor and giving the companies involved an opportunity to amend the plan, if possible, to obviate his objections. Any savings and loan association involved may, within 60 days after receipt of a notice of disapproval, petition the Circuit Court for Marion County, or the circuit court for the county in which it has its principal place of business in this state, for judicial review of the commissioner's action. The provisions of ORS 183.480 to 183.500 shall, to the extent applicable, govern such judicial review and any appeal therefrom to the Supreme Court. For purpose of judicial review, the specifications required to be set forth in the written notice from the supervisor shall be deemed the findings of fact and conclusions of law of the agency.

(3) Following approval by the supervisor or pursuant to court order or decree as provided in subsection (2) of this section, the plan shall be submitted to and approved by the members of each mutual association and the members and stockholders of each reserve fund association involved. Unless the articles or bylaws of an association provide otherwise, the plan shall be approved by at least two-thirds of the persons voting, in person or by proxy, thereon at a duly called regular or special meeting. The notice of such meeting of members or stockholders, the procedure to be followed at such meeting and the persons entitled to vote at such meeting shall be governed by the provisions applicable to regular or special meetings of members or stockholders in the savings and loan laws, articles of incorporation and bylaws of the association. If so approved, each savings and loan association involved shall

take such action and prepare, execute and file such documents as may be necessary to consummate the acquisition. In addition, there shall be filed with the commissioner (and with the appropriate authorities of any other state if so required) in duplicate a certificate, executed by the president or a vice president and by the secretary or an assistant secretary of each association involved, and verified by one of the officers of each association signing the certificate, setting forth that the plan heretofore submitted has been duly adopted by the members or stockholders of each savings and loan association involved in the acquisition and declaring the effective date of the acquisition if not otherwise provided in the plan or agreement. The certificate shall set forth by class the number of persons present and the number of votes for and against the plan. The commissioner shall indorse on each such duplicate certificate the word "filed", and the month, day and year of the filing thereof, shall cause one such duplicate to be permanently filed, and shall return the other to the acquiring, surviving or resulting association.

(4) If the plan will result in the acquisition by a reserve fund association of all or substantially all of the assets of a mutual association, the plan must provide for payment to each member of the mutual association entitled thereto (as hereinafter provided in this section) of his equity, if any, in the association to be so acquired as determined under a fair formula approved by the supervisor. For this purpose, the mutual association shall make a reasonable classification of its assets, liabilities and reserves to determine the value or basis of each member's equitable share. The formula shall take into consideration all of the financial data normally required to be reported annually to the supervisor. The expenses of the acquisition which is the subject of this subsection shall be shared equitably by the associations involved. Payment for the mutual member's equity shall be made in cash except that the acquiring savings and loan association may offer an option to the member to take cash or stock in the acquiring association for his equitable interest. To qualify for any distribution in excess of the amount due the member because of funds paid into an account plus the interest or earnings credited thereto, a person must have been a member of the mutual association for at least one year at

the time such plan was approved and adopted by the members.

(5) If a stockholder of a domestic reserve fund association which is a party to an acquisition shall file with the association, prior to or at the meeting of members and stockholders at which the plan of acquisition is considered and submitted to vote, a written objection to such plan and shall not vote in favor thereof, and within 10 days after the date on which the vote was taken said stockholder shall make written demand to the surviving, resulting or parent association (in this subsection referred to as the "acquiring association") for payment of the fair value of his interest, as of the day prior to the date on which said vote was taken approving said acquisition, then, if the acquisition is effected, the acquiring association shall pay to such dissenting stockholder, upon surrender of his shares, the fair value thereof. Any such stockholder failing to make demand within the 10-day period shall be bound by the terms of the plan. Within 10 days after the acquisition is effected, the acquiring association shall give notice thereof to each dissenting stockholder who has complied with the foregoing. Within 30 days after such notice the parties shall agree upon the fair value of said interest. If they cannot so agree, the value shall be fixed by three appraisers selected as follows: One to be selected by the vote of the majority of the dissenting shares at a meeting called for that purpose by the supervisor on 10 days' notice, one by the acquiring association, and the third by the two so chosen. The valuation agreed upon by any two appraisers shall govern. If any necessary appraiser is not appointed within 60 days after the effective date of the acquisition, or if the appraisal is not completed within 90 days after the acquisition becomes effective, the supervisor shall cause the appraisal to be made. The expenses of appraisal shall be paid by the acquiring company.

(6) The provisions of ORS 57.480 shall, to the extent not inconsistent with ORS 722.670 to 722.685, apply to an acquisition of the type described in subsection (1) or (2) of ORS 722.675.

(7) The action taken by any foreign savings and loan association which is a party to an acquisition must be authorized by the laws under which it is incorporated or organized and such association must satisfy and comply with any applicable laws thereof

and with the provisions of its articles of incorporation and bylaws. If the foreign savings and loan association is to be the acquiring, surviving or resulting company, it must qualify and be licensed to engage in the savings and loan business in this state.

[1965 c.226 §3]

**722.685 Fees to persons acting on behalf of association party to acquisition prohibited.** No director, officer, agent or employe of any savings and loan association a party to an acquisition shall receive any fee, commission, compensation or other valuable consideration whatsoever for in any manner aiding, promoting or assisting therein, except as set forth in the plan. Excluded from the foregoing is compensation in the form of regular salaries paid in the ordinary course of business to employes, including officers, of an association involved in an acquisition.

[1965 c.226 §4]

### **SEIZURE; REDUCTION OF CAPITAL; LIQUIDATION**

**722.705** [Amended by 1961 c.398 §54; repealed by 1967 c.234 §13]

**722.710 Possession and control of associations by commissioner.** (1) The directors of a savings and loan association may at any time call upon the commissioner to take possession of and operate the properties and business of the association in the interests of its investors, creditors and members and the commissioner shall forthwith comply with such request by assigning the supervisor or bonded deputy from his department to such task.

(2) Whenever the commissioner takes possession of any savings and loan association, whether by its request or in the exercise of his discretion and powers granted to him by this chapter, he shall post in a conspicuous place in the principal office of such association a notice that he is taking possession thereof and this shall operate as a bar to and as a dissolution of any attachment or other court proceeding then pending against that association.

(3) (a) If such possession of the property and business of an association has been taken by the commissioner without the request or written consent of its directors, the directors may, within 10 days after the posting of the notice, apply to the circuit court of the county in which the principal office

of the association is located for an order requiring the commissioner to appear and show cause why he should not be enjoined from continuing in such possession. Failure to file such application within 10 days shall be construed as a consent to such possession and be a bar to a later filing of such application. The court may, after hearing and upon good cause shown, direct the commissioner to refrain from continuing in possession. The commissioner shall in all such cases upon restoring possession to the directors of the association be allowed and paid from the funds of the association his reasonable expenses incurred during such possession, including not to exceed \$10 per business day, as compensation for the time the supervisor or bonded deputy has been in charge of the association.

(b) If no application is made to the court as and within the time provided for in this section to restrain the commissioner, or if the court denies the application after hearing, the commissioner shall continue in possession and control of the properties and business of the association until the association, its properties and business are sold, liquidated or restored to the directors by the commissioner. During such possession and control by the commissioner no receiver for the association shall be appointed by any court, nor shall any instrument of assignment for the benefit of creditors of the association be filed in any court within this state, without notice to and consent of the commissioner.

[Amended by 1961 c.398 §55]

**722.715 Reduction of liabilities of mutual associations.** Whenever the losses of any mutual savings and loan association resulting from the depreciation in value of its securities or otherwise, exceed its contingent reserve fund, undivided profits, surplus and current earnings, so that the estimated value of its assets is less than the total amount due its creditors and members, the commissioner, upon petition of such savings and loan association, approved by a two-thirds vote of its members at a meeting regularly called and held for that purpose, may order a reduction of its liability to its members, except upon juvenile certificates, in such manner as to distribute the loss equitably among its members. If, thereafter, the association realizes from such assets a greater amount than was fixed in the order of reduction, the excess shall be divided among members

whose credits were so reduced, but to the extent of such reduction only.

[Amended by 1961 c.398 §56]

**722.720 Reduction of liabilities of reserve fund associations.** Whenever the losses of any reserve fund association resulting from the depreciation in value of its securities or otherwise, equal or exceed the amount paid in upon the reserve fund stock, its contingent and surplus fund and any other reserves set up for such losses, the commissioner shall direct a notice to the association and to each reserve fund stockholder at the address as shown on the records of the association, stating his findings in regard to such losses and requiring such reserve fund stockholders to pay into the treasury of the association sufficient funds to meet the provisions of ORS 722.145, 722.150 and 722.155. In case of their failure to do so within 30 days after the date of such notice, the commissioner may by an order, a copy of which shall be entered upon the records of such association, charge all such losses against the existing reserve fund stock of the association and terminate all further rights and liabilities of such reserve fund stockholders as such. Thereafter the association shall assume the status of a mutual savings and loan association and be subject to all the provisions of this chapter relating to such associations.

**722.725 Procedure when association in unsafe financial condition.** (1) Whenever it appears to the commissioner that the capital of a savings and loan association is in an impaired condition, or that its affairs are in an unsafe condition or that it is conducting its business in an unsafe or unlawful manner, he may direct the supervisor to take possession of all books, records and assets of every description of the association and hold and retain the possession of them pending the further proceedings specified in this section.

(2) Should the board of directors, secretary or person in charge of the association refuse to permit the supervisor to take possession, the commissioner shall communicate that fact to the Attorney General, who shall at once institute proceedings necessary to place the supervisor in immediate possession of the association's property.

(3) Upon taking possession, the supervisor shall prepare a full and true statement of the affairs and condition of the association, including an itemized statement of its assets and liabilities, and shall receive and

collect all debts, dues, payments and claims belonging to it and pay the immediate and reasonable expenses of his trust.

(4) The supervisor or deputy in charge shall be required to execute to the commissioner a good and sufficient bond in a sum required by the commissioner conditioned upon the faithful discharge of his duties as custodian of the association, which bond shall be approved by the commissioner and the expenses of which shall be borne by the association under examination.

(5) When the condition of the association has been fully ascertained and it appears to the commissioner that the affairs of the association are in fact in an unsafe condition, he shall at once notify in writing the board of directors of such association of his decision, giving it 20 days in which to restore the affairs of the association to a safe condition. Meanwhile, the supervisor shall remain in charge of the books, records and assets of every description of the association, attend or be represented at all directors' and members' meetings held, and suggest such steps as he may deem necessary to restore the association to a safe condition; and if not done within the 20 days allowed he shall report the facts to the commissioner. The commissioner shall then take full possession of the properties and business of the association and may, if he deems advisable, proceed to liquidate as provided in ORS 722.745 to 722.795; subject, however, to the right of the directors to apply to the circuit court of the county where the principal office of the association is located, as provided in ORS 722.710 to restrain the commissioner from such procedure.

(6) If, upon final hearing in the court the acts of the commissioner are disapproved by the court, the commissioner shall restore the property and assets of the association to the possession of the proper officers of the association less reasonable operating expenses incurred during his occupancy or possession.

[Amended by 1961 c.398 §57; 1967 c.234 §3]

**722.730 Schedule of property to be filed by association officers.** Upon taking possession of the properties and business of a savings and loan association, the commissioner shall require the president and secretary of the association to, and such officers shall, make a schedule of all its property and make oath that the schedule set forth all property which the association owns or to which it is

entitled, and deliver the schedule and the possession of all such property as may not have been so previously delivered, to the commissioner, who may at any time examine the president, secretary or other officers under oath to determine whether or not all property which the association owns or to which it is entitled has been transferred and delivered into his possession.

**722.735 Noncompliance with commissioner's orders.** (1) Whenever it becomes necessary for the commissioner to take action against any association because of unsafe practices and of conditions unsafe and hazardous to the public and to those having funds in its custody, as provided in ORS 722.710, the refusal of any officer or director of such association to comply with this written demand for possession of the property and assets is punishable as provided in subsection (7) of ORS 722.990.

(2) If demand is not complied with within 24 hours after service thereof upon the officer or directors, the commissioner may call to his assistance the sheriff of the county in which the principal place of business of such association is located, by written demand under his hand and official seal, whereupon the sheriff shall enforce the demands of the commissioner.

**722.740 Voluntary liquidation.** (1) At the annual meeting or at any meeting called for that purpose, any savings and loan association of this state may, by vote of two-thirds of the sum of the votes of its members, resolve to liquidate and dissolve the association. Before such resolution shall take effect, a copy thereof, certified to by the president or vice president and the secretary or assistant secretary of such association, together with an itemized statement of its assets and liabilities, sworn to by a majority of its board of directors, shall be filed with the commissioner.

(2) When the commissioner has approved the resolution and given written notice thereof to the association, it thereafter shall be unlawful for such association to issue obligations or certificates, or make any loans, but all its income and receipts in excess of actual expense of management shall be applied to the discharge of its liabilities. The officers of the association, under the direction of its board of directors, thereupon shall proceed to liquidate the affairs of the association and reduce the assets thereof to cash and distribute them, first among its

creditors, second among its investing members, and third among its reserve fund stockholders, if any, in proportion to the value of the holdings of each stockholder at the time of the passage of the resolution to dissolve.

(3) The association shall give due notice by publication, once a week for four successive weeks, in some newspaper published at or near the principal place of business of the association, requiring all persons having claims against it as members, shareholders, creditors or investors to present them and make legal proof thereof, at a place designated in the notice and within 30 days after the date of the last publication thereof.

(4) Claims not presented within the time specified shall be barred, unless, for good cause shown, the directors grant further time.

(5) Upon completion of the liquidation, the board of directors or a majority thereof, shall prepare a final accounting thereof, in triplicate and under oath, and file one of such accountings with the commissioner, one with the Director of the State Lands Division and one with the State Treasurer, within six months after the date on which the final liquidating dividend is declared and its distribution is begun. With the final accounting delivered to the State Treasurer, the board of directors or a majority thereof, shall deposit with the State Treasurer all unclaimed funds remaining in their hands, and file the treasurer's receipt therefor with the commissioner.

(6) Until the liquidation has been completed, the commissioner shall make the same examinations of and have the same supervision over the savings and loan association as though the association had not voted to dissolve and liquidate its business. He may take over and conduct the liquidation himself in the manner as provided in ORS 722.745 to 722.795 whenever he deems it to be in the interest of the creditors, members, shareholders or investors of such association.

[Amended by 1957 c.670 §34; 1961 c.398 §58]

**Note:** See notes for ORS 98.302 and 98.991.

**722.745 Involuntary liquidation; exemption from further liens and statement of assets.** During the possession of and pending the process of liquidation of a savings and loan association by the commissioner as provided in ORS 722.745 to 722.795, no attachment or execution shall be levied or lien

created upon any of the property of such association. In so liquidating a savings and loan association, the commissioner shall first prepare a complete statement of the assets of the association.

**722.750 Notice to creditors; presentation and rejection of claims.** (1) After complying with ORS 722.745, the commissioner shall cause due notice to be given by publication for four successive weeks in some newspaper published at or near the principal place of business of such association, requesting all persons having claims against it as creditors, shareholders, members or investors, to present their claims and make legal proof thereof, at a place and within a time to be designated in the notice. He shall cause a copy of the notice to be mailed to all persons whose names appear of record, upon its books as creditors, shareholders, members or investors.

(2) Upon expiration of the time fixed for presentation of claims, the commissioner shall prepare or cause to be prepared a full and complete schedule of all claims presented, specifying by classes those that have been approved and those that have been disapproved, and file it in the offices of the Corporation Commissioner. Claims that are rejected shall be so marked with the date of rejection and, within 10 days thereafter, notice thereof shall be mailed to all claimants whose claims have been rejected. Action to enforce payment of any rejected claim must be filed in a court having jurisdiction thereof in the county in which the principal office of the association is located, within 30 days from the date of such notice, otherwise all such actions shall forever be barred.

**722.755 Employment of assistants; payment of expenses, claims and liquidating dividends.** (1) The commissioner may, under his hand and official seal, appoint one or more examiners to assist in the duties of liquidation and distribution, under his direction, and also may employ such counsel and clerical assistance as may be needful and requisite subject to applicable provisions of ORS 180.220, 180.230 and the State Civil Service Law, and fix reasonable salaries and compensation to be allowed and paid to each.

(2) All such salaries, together with such other reasonable and necessary expenses as may be incurred in the liquidation, shall be paid by him from the funds of the association in his hands. From the net realization of

assets, in excess of such salaries and expenses, the commissioner shall first pay all approved claims of creditors, and thereafter he shall distribute and pay such funds, in liquidation, to the members other than reserve fund stockholders, as soon as funds are available, and so continue until all the assets have been realized upon and a final distribution in liquidation is declared and paid.

[Amended by 1961 c.398 §59]

**722.760 Filing of final report and account; filing objections.** Upon the payment of a final distribution in liquidation, the commissioner shall prepare and file in his office a full and final statement of the liquidation, including a summary of the receipts and disbursements. The directors, members or any interested party thereupon shall have 30 days in which to file with the circuit court of the county in which the principal office of the association is located, any objections to the final report and account. Any objections not so filed shall be barred forever. After all filed objections have been finally disposed of by the court, the liquidation shall be deemed closed, except for an accounting to the reserve fund stockholders.

[Amended by 1961 c.398 §60]

**722.765 Disposition of unclaimed funds.** The commissioner may deposit with the Division of State Lands such unclaimed dividends and funds of any savings and loan association, the assets of which have been liquidated, remaining in his hands at any time after six months following the order for final distribution. Those funds shall thereupon escheat to and become the property of the State of Oregon and shall be paid into and become a part of the Common School Fund. The owner, his heirs or personal representatives, may reclaim any funds so deposited within the time and in the manner as provided for estates which have escheated to the state. The interest earned on any such dividend accounts while they remain in the possession of the commissioner may be applied to defray the expenses of payment and distribution of such dividends and the owner, his heirs or personal representative, shall have no claim thereto.

**722.770 Destruction of obsolete records.** Where any files, records, documents, books of account or other papers have been taken over and are in possession of the commissioner in connection with the receivership

of any savings and loan association under the laws of this state, the commissioner may at any time after the expiration of two years from the declaration of the final dividend, or from the date when such receivership has by order of the court been declared closed, destroy any of the files, records, documents, books of account or other papers which may appear to the commissioner to be obsolete or unnecessary for future reference as part of the files of his office.

**722.775 Application to court in certain matters; disaffirmance of contracts.** Upon taking possession of the property and business of any savings and loan association for operation or liquidation, the commissioner:

(1) Shall apply to the circuit court in the judicial district in which the principal office of the savings and loan association is located, and, in case of a foreign association, in the judicial district where that association maintains its principal office in this state, for an order confirming any action theretofore taken by him or authorizing him to do any act or execute any instrument, not expressly authorized by this chapter or ORS chapter 721, which order shall be made and entered only after a hearing and upon such notice as the court shall prescribe.

(2) Shall apply to said circuit court for instructions or directions relating to the claims of creditors and rights of members and to such other matters affecting the interests of the association, its members and creditors. For such purpose the circuit court shall have original jurisdiction in equity of all proceedings growing out of the operation or liquidation by the commissioner of the associations, pursuant to the provisions of this chapter, with power in the court on petition of the commissioner and notice to all persons affected thereby, to declare the rights, status and other legal relations of all persons interested as debtor, creditor or member of such association.

(3) Shall disaffirm, within 60 days after taking such possession, any executory contracts, including leases, to which such association shall be a party, and may disaffirm any partially executed contracts, including leases, to the extent that they shall remain executory.

**722.780 Commissioner's general powers in operation or liquidation.** Upon taking possession of the properties and business of any savings and loan association for operation or

liquidation, the commissioner may do and perform such acts as may be deemed necessary to preserve and protect its assets and business. Upon the order of the circuit court in the judicial district in which the principal office of such association was located, as mentioned in subsection (1) of ORS 722.775, he may sell, settle, compromise or compound any bad or doubtful debts, claims or obligations owing to or by the association, and, on like order, may sell, exchange or otherwise dispose of any of the real estate or other property of such association, or may transfer, sell or otherwise dispose in whole or in part, its assets, engagements, funds and property on such terms as the court shall direct; and upon the terms of sale, exchange, compromise or settlement directed by the court, he shall execute and deliver such deeds or other instruments in writing as shall be deemed necessary to evidence the passing of the title. Upon payment in full of any mortgage owing to the association, the commissioner may, without order of court, execute and deliver such instruments in writing as may be deemed necessary to satisfy and discharge them of record. Any instrument executed pursuant to the authority given in this section shall be valid and effectual for all purposes, as though it had been executed by the officers of such association by authority of its board of directors. If any real estate of the association so sold, exchanged or otherwise disposed of is situated outside the county in which the principal office of the association was located, a certified copy of the order of court authorizing the sale, exchange or disposition thereof shall be filed in the office of the county clerk or recorder of conveyances of the county in which such real property is situated.

**722.785 Acquiring possession of contents of safety deposit vaults, safes and boxes.** The commissioner may, after he has taken possession of the property and business of a domestic or foreign savings and loan association, apply to the circuit court of the county in which the receivership proceedings are pending, for an order directing him to cause any safe, safety vault or safety deposit box held anywhere by such association to be thereafter opened in his presence or in the presence of an examiner and in the presence of a notary public not an officer of or in the employ of such savings and loan

association or of the Corporation Division and an officer of the association, if available, and the contents listed. One signed copy of the list shall be delivered to the commissioner, a second signed copy shall be retained by the notary public, and a third signed copy to go to said officer of the corporation. The contents shall be enclosed in a container distinctly marked by the notary public and delivered to the commissioner. The container shall be kept by the commissioner in his custody and control for use in the administration of the affairs of the savings and loan association, as provided by law. The contents shall be held subject to the payment of any rent that may be unpaid for the use of such safe, vault or box, also any expenses incurred in opening thereof, and also reasonable compensation for the safe-keeping of the contents after their removal from the safe, vault or box.

Note: See note for ORS 56.005.

**722.790 Suits and actions while association in receivership.** Any suits or actions by or against or on behalf of any association in the possession of the commissioner shall, if by the association, be instituted by the commissioner in his official capacity as statutory receiver of the association, and if against the association, shall be against the commissioner as statutory receiver thereof. Any pending suits or actions by or against or on behalf of the association shall be continued only by and in the name of or against the commissioner in his official capacity.

**722.795 Validity of commissioner's acts on behalf of associations.** Wherever the commissioner has heretofore taken possession of any savings and loan association for operation or liquidation, in the exercise of his authority under the savings and loan laws of this state, all deeds, bills of sale, satisfactions of mortgages, assignments, conveyances, transfers or other instruments, which have heretofore been or which shall hereafter be executed, acknowledged and delivered in good faith and for a valuable consideration, by the commissioner, supervisor or any duly appointed deputy of the commissioner on behalf of such association, hereby are validated, ratified, confirmed and declared to be legal and entitled to record. They shall have the same binding force and effect upon all parties affected thereby, and upon all rights affected thereunder, as though the

instruments had been executed by the officers of the association by authority of its board of directors.

### FOREIGN SAVINGS AND LOAN ASSOCIATIONS

**722.805 Foreign savings and loan associations defined.** (1) "Foreign savings and loan association" means any person, partnership, corporation or association which transacts the business of a savings and loan association and which is organized and existing under the laws of another state, or is a resident of, or has its principal or home office in another state.

(2) Any savings and loan association organized and existing under the laws of the United States shall not be deemed a foreign savings and loan association for the purposes of ORS 722.805 to 722.860.

[Amended by 1961 c.398 §61; 1963 c.288 §12]

**722.810 Necessity for certificate of authority.** Each foreign savings and loan association shall obtain from the commissioner a permit or certificate of authority before doing any business in this state directly or indirectly.

**722.815 Foreign associations to be insured and to comply with statutes.** (1) No foreign savings and loan association shall be permitted to do business in this state unless its accounts are and continue to be insured by the Federal Savings and Loan Insurance Corporation, and unless and until all the provisions of ORS 163.450, 165.040, 165.255, ORS chapter 721, 722.005 to 722.145, 722.150 to 722.190, 722.205 to 722.250, 722.305 to 722.370, 722.405 to 722.420, 722.425 to 722.470, 722.480, 722.490, 722.510 to 722.545 and 722.705 to 722.990 are fully complied with. All the rules and regulations, and all the terms and conditions contained in those statutes, applicable to the operation of domestic associations, hereby are expressly made applicable to foreign associations under this section.

(2) No such association shall violate, or fail to comply with, any of the provisions of the statutes listed in subsection (1) of this section.

[Amended by 1961 c.398 §62; 1963 c.288 §13]

**722.820 Associations of this state operating in another state; retaliation.** When by the laws of any other state, territory or nation, any taxes, fines, penalties, licenses,

fees, deposits of money or securities, or other obligations or prohibitions are imposed on savings and loan associations of this state, doing business in such other state, territory or nation, or upon other agents therein, so long as such laws continue in force, the same obligations and prohibitions of whatever kind may be imposed upon all savings and loan associations of such state, territory or nation, doing business in this state, and upon their agents here.

**722.825 Solicitation of foreign association stock subscriptions limited.** No person shall in this state wilfully and knowingly solicit subscriptions to the certificates, obligations or stock of a foreign savings and loan association, or shall wilfully and knowingly in this state sell or issue, or wilfully and knowingly cause to be sold or issued to a resident of this state any certificates, obligations or stock of such association while such association does not have the certificate of the commissioner authorizing it to do business in this state, or has not deposited as required by ORS 722.830, securities of the value, and at the time prescribed in ORS 722.830, or before the association has complied with all the provisions of the statutes listed in ORS 722.815.

[Amended by 1961 c.398 §63]

**722.830 Procedure to obtain certificate of authority.** No certificate of authority shall be issued to a foreign savings and loan association by the commissioner until he is satisfied that the requirements set out in ORS 722.815 have been fully met by the association. Before the certificate of authority shall be issued, the foreign savings and loan association shall comply with the following provisions:

(1) It shall file with the commissioner a certified copy of its articles of incorporation, a copy of its bylaws and rules governing it, and of its certificates and all advertising matter issued by it, together with a statement of financial condition such as is required semiannually from all savings and loan associations organized under the laws of this state.

(2) It shall file with the commissioner a written instrument, properly executed, agreeing irrevocably that any summons or process which any court in this state may issue against it from any county in this state, when served upon the commissioner, shall be accepted as a valid service upon such

foreign association. However, the commissioner shall mail a copy of the legal process served upon him to the home office of the foreign association, and the commissioner shall, within six days, certify to the court from which the summons or process issued the fact of such mailing. The plaintiff shall for each process so served pay to the commissioner at the time of service a fee of \$2, which shall be recovered by the plaintiff as a part of the taxable costs if he prevails in the suit.

(3) It shall deposit with the commissioner \$100,000 in cash or bonds of the United States, bonds of any state of the United States, bonds of any county or municipal corporation in the State of Oregon or mortgages on improved Oregon real estate of a character acceptable for investment by an association governed by this chapter, all of which securities shall be approved in advance by the commissioner. The commissioner may require the association to deposit additional securities in an amount not to exceed one and one-half times, and not less than the amount of its liability to members in the State of Oregon, and to order a change in all the securities so deposited, at any time. The deposit shall be held as security until all claims of residents of this state have been fully redeemed and paid off and its contracts and obligations to residents of this state have been fully performed and discharged. However, when a foreign corporation desires to withdraw from business in Oregon and has filed with the commissioner certified copies of its corporate proceedings and evidence satisfactory to the commissioner that its obligations to creditors and members resident in Oregon have been reduced to less than \$100,000 in amount, the commissioner on the application of such foreign corporation may permit the association to reduce its deposit of cash or securities to an amount not less than double the amount of its obligations in this state. The foreign association may collect and use the interest on any securities so deposited, so long as it fulfills its obligations and complies with the statutes listed in ORS 722.815. It may also exchange them for other securities of equal value, if satisfactory to the commissioner. This subsection shall not apply to any association having its accounts insured by the Federal Savings and Loan Insurance Corporation.

(4) It shall also comply with such provisions of ORS 60.010 to 60.030, 60.060,

60.110 to 60.170 and 60.210 to 60.230 dealing with foreign corporations as are not included in and are not inconsistent with the statutes listed in ORS 722.815.

(5) It shall file with the Corporation Commissioner satisfactory evidence that the association is an insured institution.

[Amended by 1961 c.398 §64; 1963 c.288 §14]

Note: The provisions of ORS chapter 60, referred to in subsection (4) of ORS 722.830, were repealed by 1953 c.549 §138. For substance of the repealed sections see chapter 3, title 77, O.C.L.A. Also see ORS 57.655 to 57.745, which were derived from 1953 c.549.

**722.835 Issuance of certificate to foreign associations after examination.** (1) Whenever a foreign association has complied with the provisions of ORS 722.810 and has furnished a full and complete statement of its financial affairs duly sworn to by its president and secretary, and the financial status of the association has been verified by an examination of its assets and its records for the purpose of ascertaining whether they meet the requirements of this chapter, the commissioner, if he is satisfied that the association is in sound financial condition, and that it is conducting and will conduct its business in accordance with the laws of this state, and if he regards the association as safe, reliable and entitled to public confidence, shall issue a certificate of authority to such association to conduct a savings and loan business in this state, upon the payment of fees as provided in this chapter. The certificate shall be for the period of one year and must be renewed each year.

(2) The examination of assets and records shall be made by the supervisor or his duly authorized representative, for which examination the foreign association shall pay in the same manner as specified by law for regular domestic examinations.

**722.840 Laws and insurance requirements applicable to conduct of business.** Every foreign savings and loan association doing business in this state shall conduct its business in accordance with the laws of this state governing domestic savings and loan associations and shall continue to maintain its accounts as insured by the Federal Savings and Loan Insurance Corporation, and conduct its business in strict compliance with all the statutes listed in ORS 722.815.

[Amended by 1963 c.288 §15]

**722.845 Law applicable to contracts.** Any contract made by a foreign savings and loan association, doing business in this

state, with any citizen of this state, shall be deemed and considered an Oregon contract, and shall be so construed by all the courts of this state, according to the laws thereof.

**722.850 Procedure when judgment returned unsatisfied against foreign association.** If at any time any member or creditor of a foreign association residing in this state recovers judgment against the foreign association or within any court of this state, and which judgment after 60 days from the entry thereof is not satisfied and no appeal taken therefrom, or if an appeal has been taken, then after 30 days from entry of final judgment on appeal, the commissioner shall proceed to sell at current market value, sufficient of the bonds, or collect sufficient of the mortgage securities deposited with him to satisfy the amount of the judgment, together with five percent for his services and expenses. However, before disposing of the securities the commissioner shall be served with an affidavit by the plaintiff or his attorney, setting forth the recovery of judgment, that it has remained unpaid for more than 60 days and that no proceedings are pending for appeal or reversal of the judgment, or if appeal has been taken, judgment thereon has been entered for more than 30 days. The foreign association, after notice of the service of such affidavits, shall not transact any new business in this state until any deficiency of securities caused by the necessity of satisfying the judgment has been made good by further deposit of similar securities with the commissioner. [Amended by 1961 c.398 §65]

**722.855 Examinations.** Every foreign savings and loan association doing business in this state shall be subject to the same examinations as are savings and loan associations organized under the laws of this state. All the actual and necessary expenses of such examinations of foreign associations shall be paid by the association examined, upon bill approved by the supervisor.

**722.860 Revocation of certificates of authority.** Should the commissioner find upon examination that the foreign association does not conduct its business in accordance with law or that the affairs of the association are in an unsafe condition, or if the foreign association refuses to permit examination to be made, the commissioner

may revoke the association's certificate of authority to do business in this state. Upon revocation of the certificate, the commissioner shall mail a notice thereof to the home office of the foreign association and cause a similar notice to be published in at least one newspaper published in Salem, Oregon. After so notifying the home office and after the publication of the notice, it shall be unlawful for any agent of such foreign association to receive any further payments from members or investors residing in this state, except payments on certificates or obligations on which a loan has been made.

[Amended by 1961 c.398 §66]
