(1) In the event of repeal of a statute or a part thereof which granted or conferred power to any state officer, board, commission, corporation, institution, department, agency or other state organization to collect, receive and expend money for or on behalf of the state or for any purpose authorized by law, such repeal shall not affect or impair any act done, or right accruing, accrued or acquired, or liability, or obligation to pay the state a license or other fee, or payment exacted or required by law to be made or authorized by said repealed statute and the rules, regulations and orders, if any, promulgated thereunder and in effect at the time of such repeal, unless otherwise specifically provided by law. In the event of such repeal of a statute, the Secretary of State shall have the authority to determine, collect and disburse any moneys due the state, or payable by or through the state, representing such license or other fee, or payment exacted or required by law in accordance with the provisions of such repealed statute and such rules, regulations and orders promulgated thereunder, and as otherwise provided by law, in order to secure the full force, effect and operation of such statute up to the time of its repeal, but not thereafter.

(2) Upon repeal of a statute or a part thereof as described in subsection (1) of this section, there hereby is appropriated for the payment of all expenses incurred by the Secretary of State in winding up and concluding administration of such repealed statute, as authorized in subsection (1) of this section, so much as may be necessary, and no more, of the balance in the General Fund theretofore appropriated for the use, opera-

tion and function of such state officer, board, commission, corporation, institution, department or other state organization or agency. Should the balance of such unexpended appropriation be insufficient to cover said costs and expenses of the Secretary of State in administering and concluding the operation of such repealed statute, then, in addition thereto, such amount as may be necessary, and no more, hereby is appropriated out of any funds, accounts and receipts belonging to the state in the custody or control of such state officer, board, commission, corporation, institution, department or other state organization, to cover in full the costs of winding up and concluding the administration of such statute.
