To the same end, quarters for the agencies named in ORS 276.418 shall, wherever feasible, be rented or leased in the same building in which another state agency not so named has office quarters, or in a building in close proximity thereto. Such sums and rental values shall be determined by the Department of General Services. The money so deducted shall be placed in the General Fund in the State Treasury to the credit of an account to be known as the Agency Rental Account and such moneys are appropriated for the payment of the rental of such office quarters.

For such use, notwithstanding ORS 276.004 the director

may fix and collect a rental sufficient to defray the cost of janitor services and other expenses properly chargeable thereto. The moneys so collected shall be deposited in the State Capital Construction Sinking Fund and are appropriated for the purposes of that fund.

276.716 Publication of notice. The court or board shall make an order for the publication of the notice described in ORS 276.714 in a newspaper printed and of general circulation in the county. The date of the first publication shall be not less than 70 days before the date of the proposed tax levy and the notice shall be published weekly four consecutive times thereafter. If no newspaper is published within the county, the court or board shall cause the notice to be posted in not less than six conspicuous places in the county.

276.718 Fixing date for public hearing. At the time of making the order for the publication of the notice, as required by ORS 276.716, the court or board shall make an order fixing the date of a meeting at which a public hearing shall be held to consider the matter. The date of this meeting shall not be less than 30 days before the date of the meeting when the proposed levy is to be made, nor less than 30 days after the date of the first publication, or posting, of the notice.

276.720 Presentation of petitions for election and for submission of other sites. (1) At the meeting of the court or board at which the public hearing required by ORS 276.718 is held, petitions may be presented:

(a) Asking that the question of making a levy, or otherwise providing funds, for the construction of a county courthouse as proposed by the court or board, or the question of the location of the proposed site, or both, be submitted to a vote of the people of the county.

(b) Proposing the selection of another site or sites for the location of the proposed county courthouse and asking that the question of selecting the site or sites be submitted to a vote of the people of the county.

(2) Each petition shall be signed by not less than two percent of the qualified electors of the county as shown by the vote for Governor within the county at the last general election. The signers shall also be taxpayers as of record upon the assessment rolls of the county for the previous year.

(3) Any petition presented in accordance with the provisions of this section shall specify clearly the matters therein proposed to be submitted to a vote of the people and shall set forth the form of the proposed ballot in accordance with ORS 276.722.

276.722 Submitting issue to voters. (1) If a petition is presented pursuant to ORS 276.720 so requesting, the question of building the county courthouse, as proposed, and the question of locating the courthouse on the site proposed by the court or board, or on the site or sites proposed by petition, shall be submitted to a vote of the people of the county. The court or board, at the time of the presentation of the petitions, or within 10 days thereafter, shall make an order submitting the questions as outlined in the petitions, in accordance with the provisions of subsection (3) of ORS 276.720, to the people at the next regular election to be held within the county; or the court or board, in its discretion, may make an order calling a special election for such purpose.

(2) On the ballot for the election shall be stated, separately and in definite manner, the questions to be submitted. The ballot shall be in the usual form for submitting questions to the voters at regular or special elections. The election shall be held and conducted and the votes cast therein shall be canvassed in accordance with the general laws governing elections in this state.

(3) At any regular or special election where the question of levying a tax for the purpose of constructing a courthouse is submitted, the legal voters of the county may authorize or direct the tax to be levied in one year or to be apportioned and levied in stated amounts in each of two or more years and they may authorize and direct that the tax, or any part thereof, shall be levied in excess of the limitation otherwise imposed by section 11, Article XI, Oregon Constitution.

276.724 Procedure for authorizing construction on another site. (1) If, after the election held pursuant to ORS 276.722, the court or board considers it advisable to construct the courthouse in the same city or

town but on a site other than that specifically described in the published notice, the court or board may make such change by first giving notice of its intention to do so, for at least 30 days prior to the public hearing provided for in subsection (5) of this section. The order for giving notice shall be made at a regular meeting of the court or board and shall be entered in the journal by the clerk at the time and date of such order.

(2) The notice shall state clearly the intention of the court or board in the matter and shall definitely describe the new site upon which it is proposed to build the new courthouse and the date, time and place of the public hearing provided for in subsection (5) of this section.

(3) The court or board shall make an order for the publication of the notice in a newspaper printed and of general circulation in the county, the date of first publication to be not less than 30 days before the date of the public meeting. The notice shall be published weekly for four successive weeks.

(4) The court or board in its order shall set a date, time and place for a public hearing at a time and place to be fixed. The date of this meeting shall not be less than 30 days from the date of the first publication of the notice.

(5) At the time of the public hearing, petitions may be presented asking that the question of changing the site of the courthouse be submitted to a vote of the electors of the county. If such petitions, containing the signatures of 10 percent of the qualified voters of the county are presented at the public hearing to the court or board, the court or board shall then, or within 10 days thereafter, make an order submitting the question of the change of site for a new courthouse to the people at the next regular election to be held within the county; or the court or board, at its discretion, may make an order calling a special election for such purpose. The election shall be held and conducted and votes cast therein shall be canvassed in accordance with the general laws governing elections in this state and the question of the change of site thereby shall be determined.

(6) If such petitions are not presented, the court or board shall hear the views of those appearing at such hearing with reference to such change of site. Thereafter the court or board may, in its discretion, change the site.

276.726 Procedure for donation of courthouse site by city to which county seat has been removed. If the county seat of any county was changed by the vote of the people of such county before March 6, 1931, and a site has not been provided for the location of the county courthouse in the city to which the county seat was transferred, such city, when authorized by a vote of the legal electors thereof at a special election called for such purpose, may acquire, donate and convey to the county in which the city is so situated the real property necessary or advisable for the purpose of providing a site for the county courthouse. For that purpose such city, when authorized by such vote, may provide funds by the issuance of bonds or otherwise, and shall use the funds so provided for the acquisition of the site and for no other purpose. The funds so provided shall be placed in a special fund to be used only for the acquisition of the site and for the retirement of any bonds so issued and the payment of the interest thereon. When all indebtedness contracted for the purchase of such site is fully paid, satisfied and retired, the remaining surplus shall be transferred to the general fund of the city. Acts and things lawfully done for the purpose of carrying out the provisions of this section shall be deemed to have been done for municipal purposes.

276.728 Acceptance of federal funds. Any county court or board of county commissioners may:

(b) Additions to county courthouses, such as jails, vaults, additional offices, etc.

(2) ORS 276.710 to 276.730 do not modify the law as to the change or removal

of county seats nor do those sections authorize the construction of a courthouse on a site outside the boundaries of the county seat, as established by law.

276.732 Community houses in cities; constructing; financing; use. Any incorporated city may purchase a necessary site within its boundaries and erect and maintain thereon a community house for the benefit of the soldiers, sailors and marines of the Army and Navy of the United States, or persons who have been inducted into the service of such army or navy. For that purpose the city may levy taxes or issue and sell bonds of such city when empowered so to do by the legal voters of such city as provided in ORS 276.734. Such city may, by ordinance, prescribe rules and regulations and conditions upon which such community house may be used, occupied and governed.

276.734 Submission of issues to voters. The council or other governing body of any city desiring to construct and maintain a community house under ORS 276.732 may submit the issues to the legal voters of the city at any regular or special election held within such city. At the election the legal voters of the city shall designate the maximum amount of money to be expended for the community house and shall specify the manner by which funds shall be secured for that purpose, whether by taxation or the sale of the bonds of the municipality.

276.736 Levy of tax; sale of bonds; construction and maintenance of houses. The council or other governing body of the city, when authorized by vote of the majority of the electors thereof, shall:

[Amended by 1967 c.450 §4; 1969 c.199 §47]

Note: Sections 6 to 6c and section 13 of chapter 706, Oregon Laws 1969, do not become operative unless the amendment proposed by Senate Joint Resolution 22 (1969 regular session) is approved by the people. For the user's convenience these sections are set forth.

Sec. 6. The net proceeds from the sales of bonds issued under the authority of Article XI-H, Oregon Constitution, shall be credited to the State Capital Construction Account and are appropriated continuously for the purposes set out in subsection (1) of ORS 276.005. Moneys credited to the account under this section may be expended for the purposes set out in subsection (1) of ORS 276.005 before indebtedness incurred to finance the cost of buildings, structures and other projects for state government, incurred before the effective date of Article XI-H, Oregon Constitution, has been repaid.

Sec. 6a. (1) The Attorney General, under the direction of the Director of the Department of General Services, shall prepare a form of direct, general obligation, interest-bearing bond of the State of Oregon to be sold in order to provide funds for carrying out the purposes of Article XI-H, Oregon Constitution. The bonds shall be numbered consecutively beginning with the number one, and shall be payable upon dates fixed by the director at issue date; but none of the bonds shall mature sooner than six months nor later than 20 years from issue date. The bonds shall bear interest payable semiannually at such rates, not exceeding seven percent per annum, as the director, with the approval of the State Treasurer, considers advisable. In the discretion of the director, the bonds may be issued, as provided by ORS 286.040, subject to the right of optional redemption for retirement or refunding by the state prior to their final maturity dates.

(2) Refunding bonds may be issued to redeem or refund the bonds at their maturity dates. In the redemption or refund prior to maturity date, of bonds subject to redemption before such date, the director is not required to redeem or refund bonds in the order

in which they were originally issued. Refunding bonds may be sold in the same manner as other bonds are sold under section 6c of this Act. The issuance of refunding bonds, their maturity dates and other details, the rights of their holders and the duties of the Governor, Secretary of State, State Treasurer, and of the director with respect thereto shall be governed by the other provisions of section 6 to 6c of this Act in so far as such provisions are applicable. Refunding bonds may be issued to refund bonds originally issued or to refund bonds previously issued for refunding purposes.

Sec. 6b. (1) All bonds issued under authority of section 6a of this Act, including refunding bonds, and the coupons appurtenant thereto, shall be direct general obligations of the State of Oregon in negotiable form, and shall embody an absolute promise to pay the amounts thereof in any coin or currency which, at the time of payment, is legal tender for the payment of public and private debts within the United States. The bonds shall be executed with the facsimile signatures of the Governor and the Secretary of State, and the manual signature of the State Treasurer. The bonds shall bear coupons evidencing the interest to become due for each instalment thereof, upon which shall be printed the facsimile signatures of all those officers.

(2) Not less than 20 days before the payment of the principal or interest falls due on any of the bonds, the Director of the Department of General Services shall prepare and submit to the State Treasurer, for verification, a claim duly approved by the director for the amount necessary to meet the payment thereof. Upon such verification, the director shall present the claim to the Executive Department for audit in like manner as other claims against the state are audited. The Executive Department shall pay the claim by warrant as provided by law, out of moneys provided by law for its payment.

(3) The principal of and the interest upon all bonds issued under authority of Article XI-H, Oregon Constitution, when due, shall be paid at the office of the State Treasurer; but, with the approval of the State Treasurer, the director may designate the fiscal agency of the State of Oregon in the City and State of New York as the place of payment of the bonds and of the interest thereon. If so designated, the charges imposed by such agency for its services shall be paid, upon approval by the State Treasurer, from the State Capital Construction Sinking Fund.

Sec. 6c. The Director of the Department of General Services, with the approval of the State Treasurer, shall provide such method as he deems necessary for the advertisement of each issue of the bonds mentioned in Article XI-H, Oregon Constitution, before they are sold; and also shall require such deposit with bids as he deems advisable and generally shall conduct the sale and issuance of the bonds under such rules not inconsistent with sections 6 to 6c of this 1969 Act as he may adopt.

Sec. 13. In addition to the purposes set out in subsection (1) of ORS 276.007, the State Capital Construction Sinking Fund is appropriated continuously to repay indebtedness, and the interest thereon, incurred under the authority of Article XI-H, Oregon Constitution.
