It is the purpose and intent of the Legislative Assembly in enacting this section, ORS 171.122 and 171.125 that, subject to the conditions set forth in such sections, any member of the Legislative Assembly whose employment is interrupted by reason of attendance upon regular or special sessions of the Legislative Assembly or the performance of official duties as a member of the Legislative Assembly, shall be restored to such employment in such a manner as to give him the status in such employment that he would have enjoyed if he had

continued in such employment continuously during any such attendance or performance of duties.

[1957 c.549 §1]

171.122 Rights and benefits of legislators in relation to their regular employment.

(1) Any member of the Legislative Assembly who leaves his regular employment in order to attend upon any regular or special session of the Legislative Assembly or to perform official duties as a member of the Legislative Assembly, shall be deemed to be on leave of absence from such regular employment position for such period of time as is reasonably necessary to permit such attendance or performance of duties.

(2) The regular employment position of a member on leave of absence under this section shall only be deemed vacant for the period of such leave of absence, and the member shall not be subject to removal or discharge from such position as a consequence of such leave of absence.

(3) Upon the termination of his leave of absence under this section, a member shall be restored to the regular employment position he held immediately prior to the first day of the leave of absence if such position still exists, or, if such position does not still exist, to as similar a position as possible, without loss of seniority, the right to participate in insurance or any other employment benefits, other than wages for services rendered, as a consequence of his leave of absence. Such seniority, right to participate in insurance or other employment benefits shall continue to accumulate during the leave of absence as though the member had continued in employment continuously in the regular employment position he held immediately prior to the first day of his leave of absence.

(4) This section is not applicable if:

(a) The member was employed by the employer for a period of less than 90 days immediately prior to the first day of the leave of absence.

(b) The circumstances of the employer have so changed during the leave of absence of the member as to make restoration of the member to employment impossible or unreasonable.

(c) The member fails to apply for restoration to employment within 15 days after the termination of his leave of absence.

(d) The regular employment position of the member immediately prior to the first day of the leave of absence or the character, terms, conditions or activities of such position are incompatible under the Constitution and laws of this state with the office of member of the Legislative Assembly.

(f) The employer employs less than 10 persons immediately prior to the first day of the leave of absence.

[1957 c.549 §2]

In establishing this fee, the Legislative Administration Committee may consider the costs of reproducing and distributing the copies.
