COMMON SCHOOL GRAZING LANDS

273.805 Definitions for and purpose of ORS 273.805 to 273.825. (1) As used in ORS 273.805 to 273.825, "common school grazing lands" means lands owned by the State of Oregon and under the control of the division that are chiefly suitable for the grazing of animals, as determined by the division, and which are within, but not limited to, the following land classifications:

(a) Lands defined by ORS 273.251 as indemnity lands, school lands or farm lands.

(b) Lands which have escheated to the state.

(2) Nothing in ORS 273.805 to 273.825 is intended to be an express or implied limitation upon the powers of the division to acquire, lease, manage, control or protect land pursuant to authority otherwise granted by law. ORS 273.805 to 273.825 and 327.430 are not the result of a legislative intent or belief that the division is without authority to acquire, lease, manage, protect or control common school grazing lands.

[1963 c.517 §§1, 5; 1967 c.421 §84]

273.810 [1963 c.517 §2; repealed by 1967 c.421 §206]

273.815 Division's powers. In order to accomplish the purpose of ORS 273.805 to 273.825, the division may, with respect to common school grazing lands:

(1) Protect the lands from fire, disease and insect pests, cooperate with others in such protection and enter into all agreements necessary or convenient therefor.

(2) Lease the lands subject to such terms and conditions as the division prescribes. Leases shall be of sufficient duration so as to encourage the rehabilitation and improvement of the lands by the lessee.

(3) Loan moneys belonging to the Common School Fund to lessees of the lands for the purpose of rehabilitating and improving the lands. The security for such loans shall

be as prescribed by the division but shall not be more than equal in value to the amount loaned.

(4) Reseed or reforest the lands, including the destruction of undesirable vegetation, and cooperate with others for such reseeding or reforestation, and make all agreements necessary or convenient thereto.

(5) Require such undertakings, including performance bonds, as it considers appropriate to secure performance of any agreement or loan authorized by ORS 273.805 to 273.825.

[1963 c.517 §3; 1967 c.421 §85]

273.820 Exchange of lands. The division may exchange common school grazing lands for land of approximately equal aggregate value, when such exchange is in furtherance of the purposes of ORS 273.805 to 273.825. No exchange shall be made until the title to the lands to be received has been validated by the Attorney General. All lands received in exchange shall have the same status and be subject to the same provisions of law as lands given in exchange therefor.

[1963 c.517 §4; 1967 c.421 §86]

273.825 Purchase of lands by lessee or other person. (1) The lessee of any common school grazing land, upon its classification for sale by the division, may purchase such land at a price and on terms prescribed under subsection (2) of this section if he is an individual person, a resident of this state and owns, in fee simple, land immediately adjacent to the common school grazing land for which he has applied. For purposes of this section, lands are considered to be adjacent if their boundaries are common or intersect at a common point.

(2) Application to purchase common school grazing land under subsection (1) of this section must be made in a manner prescribed by the rules of the division. Upon receiving an application, the division shall determine whether the applicant qualifies under subsection (1) of this section. If the applicant qualifies, the division shall cause an appraisal to be made of the land for which application has been made. The division then shall fix a price for such land. ORS 273.201 to 273.241 and 273.275 does not apply to the sale of land under this subsection. The applicant shall pay not less than 10 percent of the purchase price at the time of purchase, and shall pay the remainder in 10 equal instalments, at least one instalment to be paid

each year, over a period not to exceed 10 years from the time of purchase, with interest at the rate fixed by the division for purposes of ORS 327.425.

(3) If application to purchase common school grazing land is made by a person other than the lessee of such land, the division promptly shall notify the lessee by registered or certified mail. Not later than the 90th day after notice was mailed to the lessee, the lessee may make written application in a manner prescribed by the rules of the division to purchase such land. If the division determines that the lessee qualifies under subsection (1) of this section, the division shall proceed under subsection (2) of this section. If the division determines that the lessee does not so qualify, or if the lessee does not make timely application as required by this subsection, the division shall proceed to sell such land in accordance with applicable provisions of law other than this section.

[1967 c.147 §2]

SETTLEMENT OF TITLE TO CERTAIN LANDS IN CLATSOP COUNTY

273.850 State title to certain lands and improvements transferred to Clatsop County; lands not subject to board jurisdiction. (1) In the manner and under the conditions set out in ORS 273.850 to 273.890, and notwithstanding any other law, the State of Oregon shall remise, release and forever quitclaim to Clatsop County all rights, title and interest that may remain or be vested in the state with respect to lands described in subsection (2) of this section and any improvements thereon (excluding bridges, wharves, quays, docks, piers, marinas or similar structures protruding above the line of ordinary high water), that are located within the following described area: Those portions of sections 12 and 13 of township 8 north, range 10 west of the Willamette Meridian, and sections 2, 7, 8, 9, 10, 11, 16, 17 and 18, and the south one-half of section 3, of township 8 north, range 9 west of the Willamette Meridian, that are within the boundaries of the City of Astoria as such boundaries existed on June 13, 1969.

(2) Subsection (1) of this section applies to lands created before May 28, 1963, by artificial fill or deposit on lands formerly submersible or submerged, if such lands were possessed under color of title by a person or governmental entity, or predecessors in interest of such person or governmental entity, throughout the period beginning when such

lands were created and ending on January 1, 1970.

(3) Nothing in ORS 273.850 to 273.890 applies with respect to land that remained submerged or submersible on May 28, 1963.

(4) For purposes of section 5, Article VIII, Oregon Constitution, lands described in subsections (1) and (2) of this section are not under the jurisdiction of the State Land Board on or after January 1, 1970.

[1969 c.495 §§1, 4]

273.855 Clatsop County to transfer title to lands and improvements to certain possessors; fee on execution of deed. (1) Subsections (1) and (2) of ORS 273.850 apply with respect to any lands described therein only when the Board of County Commissioners of Clatsop County executes and delivers a deed remising, releasing and forever quitclaiming all rights, title and interest that may remain or be vested in such county with respect to such lands, to a person or governmental entity that has been found under subsections (3), (4) and (5) of this section and ORS 273.860 to 273.880 to have such possession of the lands as of the time of application for a deed under ORS 273.850 to 273.890 as would bar an action or suit for recovery of the lands by a private person under no disability holding legal title thereto. However, in the case of lands heretofore or hereafter acquired by Clatsop County through foreclosure for delinquent ad valorem taxes or otherwise, subsections (1) and (2) of ORS 273.850 apply with respect to any lands described therein when it has been found under subsections (3), (4) and (5) of this section and ORS 273.860 to 273.880 that Clatsop County or its predecessor in interest with respect to such lands has such possession of the lands as would bar an action or suit for recovery of the lands by a private person under no disability holding legal title thereto.

(2) A deed executed under this section is intended only to evidence the action of the State of Oregon and Clatsop County in remising, releasing and quitclaiming their rights, title and interest, and does not confer any rights, title or interest on the recipient of the deed or indicate any judgment of the State of Oregon or Clatsop County with respect to any other rights, title or interest that remain or be vested in the recipient of the deed.

(3) Except as provided in subsection (2) of ORS 273.870 the Board of County Commissioners of Clatsop County shall not execute any deed under subsections (1) and (2)

of this section, until the expiration of the time for appeal from the decision of the board or of the circuit court, as the case may be.

(4) Before any deed to such land is executed under subsections (1) and (2) of this section, the applicant shall pay to the county treasurer a sum equal to \$10 per acre or any portion thereof.

(5) The county treasurer shall remit all of such moneys received under subsection (4) of this section to the State Treasurer, who shall deposit it in the Common School Fund to be credited to the Distributable Income Account.

[1969 c.495 §§5, 11, 12, 14]

273.860 Filing fee; use of fees; additional fee to cover costs of investigation. Each applicant under subsection (1) of ORS 273.865 shall pay, at the time of filing an application, a fee of \$25. Moneys received under this section shall be deposited with the county treasurer and be available for payment of the expenses of the Board of County Commissioners of Clatsop County in carrying out subsections (3), (4) and (5) of ORS 273.855 and ORS 273.860 to 273.880. In addition to such fee, if the county board determines that an investigation under subsection (2) of ORS 273.865 is necessary, it may require the applicant, prior to execution of any deed under subsection (1) of ORS 273.855, to pay an additional fee sufficient to pay the costs incurred by the county board in excess of \$25 in carrying out its duties with respect to that application under subsections (3), (4) and (5) of ORS 273.855 and ORS 273.860 to 273.880.

[1969 c.495 §7]

273.865 Application for deed; investigation; deadline on application. (1) Application for a deed under subsection (1) of ORS 273.855 shall be made to the Board of County Commissioners of Clatsop County in a manner and form prescribed by the county board. The application shall include:

(a) A legal description of the lands applied for, and, as nearly as practicable, the time the land was filled or deposited;

(b) The names and addresses of persons other than the applicant who are in occupancy or, to the knowledge of the applicant, may have any claim to or interest in the lands described in the application;

(c) Evidence that the applicant, if other than a governmental entity, has paid all ad valorem taxes that were assessed with respect

to the lands during the period he asserts to have possessed the lands.

(d) Evidence establishing that the applicant or his predecessors in interest have had such possession of the lands as of the time of application for a deed under ORS 273.850 to 273.890 as would bar an action or suit for recovery of the lands by a private person under no disability holding legal title thereto.

(2) The Board of County Commissioners of Clatsop County may cause an investigation to be made to determine whether the facts alleged in an application are correct.

(3) The Board of County Commissioners of Clatsop County shall not accept any applications under ORS 273.850 to 273.890 after December 31, 1971. However, this does not affect proceedings with respect to applications filed not later than December 31, 1971. [1969 c.495 §§6, 9, 15]

273.870 Notice of deed application; protest; hearing; dual applications. (1) The Board of County Commissioners of Clatsop County shall give public notice of each application received by it under subsection (1) of ORS 273.865, prior to its consideration thereof, by advertisement not less than once each week for four successive weeks in a newspaper of general circulation in Clatsop County. Such notice need not describe the lands applied for in legal terms, but by the use of common descriptions or maps shall be designed to identify the lands in a manner intelligible to the layman. Each notice shall indicate that a protest against the execution of the deed applied for may be filed, in a manner prescribed by the county board, with the county board not later than the 60th day after the fourth publication of the notice, or within such further time as the county board authorizes on a showing of good cause. Not later than the fifth day after the first publication of the notice, the county board shall send written notice of the application to the Division of State Lands.

(2) If no protest is received within the time provided for in subsection (1) of this section, and if the county board thereafter determines that the application conforms to the requirements of subsection (1) of ORS 273.865, the county board shall execute and deliver to the applicant a deed in accordance with subsection (1) of ORS 273.855.

(3) If protest is received within the time provided for in subsection (1) of this section, the county board shall cause a hearing to be held with respect to the protest, in a manner

prescribed by its rules, prior to the making of its findings with respect to an application.

(4) If two or more applications are filed with respect to the same lands, the county board shall cause a hearing to be held at which all such applicants may appear or be represented.

[1969 c.495 §8]

273.875 Findings of board; notice; rehearing procedure. The findings of the Board of County Commissioners of Clatsop County with respect to an application shall be set out concisely in writing, and a copy served on the applicant not later than the 10th day after they are rendered. Not later than the 30th day after receipt of a copy of such findings or within such further time as the county board authorizes on a showing of good cause, an applicant may request a rehearing if the applicant was denied on grounds that there was insufficient evidence under paragraph (d) of subsection (1) of ORS 273.865. If the county board grants a rehearing, it shall give notice thereof as provided in ORS 273.870. The findings of the county board after a rehearing, or after the time for requesting a rehearing has elapsed, are final, subject only to judicial review as provided in ORS 273.880. [1969 c.495 §10]

273.880 Judicial review procedure. (1) Jurisdiction for judicial review of actions of the Board of County Commissioners of Clatsop County under subsections (3), (4) and (5) of ORS 273.855 and ORS 273.860 to 273.880 is conferred on the circuit court for the county in which the land applied for is located. Proceedings for review shall be instituted by filing a petition not later than the 60th day after the date on which the findings of the county board became final. The petition shall state the nature of the petitioner's interest, the facts showing how the petitioner is aggrieved by the county board's decision, and the grounds on which the petitioner contends that the decision should be reversed or set aside. True copies of the petition shall be served by registered or certified mail on the county board and all other parties of record in the proceeding. No responsive pleading is required of the county board. In its discretion the court may permit other interested persons to intervene.

(2) Not later than the 30th day after service of the petition, or within such further time as the court may allow, the county board shall transmit to the court the original or a

certified copy of the entire record of the proceeding under review; however, by stipulation of all parties to the review proceeding, the record may be shortened. Any party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional costs. The court may require or permit subsequent corrections or additions to the record when deemed desirable.

(3) If, before the date set for hearing, application is made to the court for leave to present additional evidence to the issues in the case, and it is shown to the satisfaction of the court that the additional evidence is material and that there were good and substantial reasons for failure to present it in the proceeding before the county board, the court may order that the additional evidence be taken before the county board on such conditions as the court deems proper. The county board may modify its findings and decision by reason of the additional evidence and, within a time to be fixed by the court, shall file with the reviewing court, to become a part of the record, the additional evidence, together with any modifications or new findings or decision, or its certificate that it elects to stand on its original findings and decision, as the case may be.

(4) The review shall be conducted by the court without a jury as a suit in equity and shall be confined to the record, except that, in cases of alleged irregularities in procedure before the county board, not shown in the record, testimony thereon may be taken in the court. The court, on request, shall hear oral argument and receive written briefs.

(5) The court may adopt the county board's findings of fact and affirm the decision of the county board; or it may reverse and set aside the county board's decision, or reverse and remand for further proceedings, after review of all the facts disclosed by the record, and any additional facts established under subsection (4) of this section. The court thereupon shall enter its decree. In the case of reversal the court shall make special findings of fact based on evidence in the record and conclusions of law indicating clearly all respects in which the county board's decision is erroneous.

(6) Any party to the proceedings before the circuit court may appeal from the decree of that court to the Supreme Court. Such appeal shall be taken in the manner provided by law for appeals from the circuit courts in suits in equity.

[1969 c.495 §13]

273.885 State prohibited from questioning certain titles. The State of Oregon shall not call into question the title of any person possessing lands described in subsections (1) to (3) of ORS 273.850 before January 1, 1973. The State of Oregon shall not call into question the title of any person possessing lands described in subsection (1) of ORS 273.850, if an application with respect to such lands has been filed under ORS 273.850 to 273.880 and is pending before the Board of County Commissioners of Clatsop County, or with respect to which judicial review under ORS 273.880 remains available or has not been finally rendered.

[1969 c.495 §17]

273.890 Application of ORS 273.850 to 273.890 to certain lands; tax refunds prohibited. (2) No ad valorem taxes paid or owing with respect to lands described in subsection (1) of ORS 273.850 shall be refunded or canceled on the ground that the State of Oregon may have been the legal owner of such lands before January 1, 1970.
