Note: Pursuant to section 1, Article IV of the Oregon Constitution, chapter 772, Oregon Laws 1971, has been referred to a vote of the people at the regular general election to be held throughout this state on November 7, 1972. Because chapter 772, Oregon Laws 1971, is subject to the approval or rejection of the people, its provisions have not been compiled. However, for the user's convenience the provisions of chapter 772, Oregon Laws 1971, are set forth as follows:

Sec. 1. As used in sections 1 to 13 of this 1971 Act, unless the context requires otherwise:

(1) "Division" means the Motor Vehicles Division of the Department of Transportation.

(2) "City" means an incorporated city.

(3) "Vehicle" means those vehicles subject to registration or license fees under ORS chapter 481, but does not include:

(a) A camper, travel trailer or mobile home.

(b) A government-owned vehicle registered under ORS 481.125.

(c) A vehicle registered under ORS 481.620 to 481.730.

(d) A trailer requiring an annual license fee under ORS chapter 481 of \$10 or less.

(e) A vehicle which is not registered or licensed for use on highways.

(4) A vehicle is "located within the county" if the residence or business address of the owner of the vehicle appearing on the application for registration filed under ORS 481.105 is within the county. As used in this subsection, "owner" has the meaning given that term by ORS 481.040.

(5) "Registration" does not include the second registration of a vehicle if the second registration is made because the division initially registered the vehicle for less than a 12-month period pursuant to subsection (2) of ORS 481.145.

Sec. 2. The governing body of a county may levy a tax of \$10 on the registration or renewal of registration under ORS chapter 481 of each vehicle located in the county. This tax is in addition to and not in lieu of the registration and license fees under ORS chapter 481.

Sec. 3. (1) Notwithstanding any other provision of law, the governing body of a county may levy the tax described by section 2 of this 1971 Act by transmitting a certified copy of its resolution making the levy to the division.

(2) Thirty days after the receipt of the resolution making the levy the division shall collect the tax at the time of the registration or renewal of registration of each vehicle located in the county.

Sec. 4. By October 20, January 20, April 20 and July 20, the division shall distribute the amount of taxes collected under section 3 of this 1971 Act during the three-month period ending 20 days prior to the date of distribution as follows:

(1) 50 percent of the amount of taxes collected under section 3 of this 1971 Act shall be distributed to the county treasurer of the county levying the tax, and

(2) The remaining 50 percent of the amount collected shall be distributed among the cities within the county levying the tax, each city's share being computed according to the proportion its population bears to the population of all cities within the county.

Sec. 5. The governing body of a county levying the tax authorized by section 2 of this 1971 Act may elect to have all or a portion of the moneys it would receive under subsection (1) of section 4 of this 1971 Act distributed to cities at the same time and in accordance with the distribution formula provided in subsection (2) of section 4 of this 1971 Act. The county governing body shall notify the division by certified copy of its resolution of its election to have

moneys to which it would be entitled distributed to cities within the county.

Sec. 6. In lieu of the tax authorized by section 2 of this 1971 Act, the governing body of a county may levy a tax of \$5 on the registration or renewal of registration under ORS chapter 481 of each vehicle located in the county. This tax is in addition to and not in lieu of the registration and license fees under ORS chapter 481 and the tax authorized by section 9 of this 1971 Act.

Sec. 7. (1) Notwithstanding any other provision of law, the governing body of a county may levy the tax described by section 6 of this 1971 Act by transmitting a certified copy of its resolution making the levy to the division.

(2) Thirty days after the receipt of the resolution making the levy the division shall collect the tax at the time of the registration or renewal of registration of each vehicle located in the county.

Sec. 10. (1) Notwithstanding any other provision of law, the governing body of a county may levy the tax described by section 9 of this 1971 Act by transmitting a certified copy of its resolution making the levy to the division.

Sec. 12. A county governing body shall proceed to levy the tax authorized in section 9 of this 1971 Act if it receives ordinances requesting the county governing body to levy the tax enacted by a city or cities within the county that represent 60 percent of the population of all cities within the county. If the county governing body refuses to submit a resolution to the division levying the tax on behalf of the cities of the county, any city affected by the action may bring suit in mandamus to compel the county governing body to act.

Sec. 13. Upon request of the division, the owner shall make such records available to the division at its office for audit as to accuracy of mileage,

number of vehicles, weights, computations and payment of fees or shall pay the reasonable costs of an audit at the home office of the owner by a duly appointed representative of the division.

(5) If the division determines that the applicant under this section should have prorated more vehicles in this state under the provisions of this chapter, the division may deny him the right of any further benefits by reason of any reciprocal agreement or declaration until the fees for such additional vehicle or vehicles, which have been prorated, have been paid.

(6) The division may make arrangements with agencies of this state or other jurisdictions administering motor vehicle registration laws for joint audits of any owner having vehicles registered under this section, or for the exchange of audit information on such owners.

The division shall provide copies for public distribution upon request.

[1969 c.294 §13]

481.665 Registration of fleets of vehicles authorized; application. (1) Any owner engaged in operating one or more fleets may, in lieu of registration of vehicles under other sections of this chapter, register and license each fleet for operation in this state by filing an application with the division which shall contain the following information, and such other information pertinent to vehicle registration as the division may require:

(c) A description and identification of each vehicle of such fleet which is to be operated in this state during the registration year for which proportional fleet registration is requested.

(2) The application for each fleet shall be accompanied by a fee payment computed as follows:

(a) Divide in-state miles by total fleet miles.

(b) Determine the total amount necessary to register each and every vehicle in the fleet for which registration is requested, based on the regular annual registration fees prescribed by ORS 481.620 to 481.730.

[1969 c.294 §15]

481.670 Fleet registration procedure; identification devices; fee. (1) The division shall register the vehicles so described and identified and shall issue a license plate or plates, or a distinctive sticker, or other suitable identification device, for each vehicle described in the application upon payment of the appropriate fees for such application and for the stickers or devices issued. A fee of \$2 shall be paid for each license plate, sticker or device issued for each proportionally registered vehicle. A registration card shall be issued for each proportionally registered vehicle. Such registration card shall, in addition to other information required by this chapter, bear upon its face the number of the license, sticker or other device issued for such proportionally registered vehicle and shall be carried in such vehicle at all times or, in the case of a combination, in the vehicle supplying the motive power.

(2) Fleet vehicles so registered and identified shall be deemed to be fully licensed and registered in this state for any type of movement or operation, except that in those instances in which a grant of authority is required for intrastate movement or operation, no such vehicle shall be operated in intrastate commerce in this state unless the owner thereof has been granted intrastate authority or rights by the Public Utility Commissioner, and unless said vehicle is being operated in conformity with such authority or rights.

[1969 c.294 §16]

[1969 c.294 §17]

481.680 Additional information required in application for fleet registration. The initial application for proportional registration of a fleet shall state the mileage data with respect to such fleet for the preceding year in this and other jurisdictions. If no operations were conducted with such fleet during the preceding year, the application shall contain a full

statement of the proposed method of operation and estimates of annual mileage in this state and other jurisdictions. The division shall determine the in-state and total fleet miles to be used in computing the fee payment for the fleet. The division may evaluate and adjust the estimate in the application if it is not satisfied as to the correctness thereof.

[1969 c.294 §20]

481.685 Adding to vehicles under fleet registration. Vehicles acquired by the owner after the commencement of the registration year and subsequently added to a proportionally registered fleet shall be proportionally registered by applying the mileage percentage used in the original application for such fleet for such registration period to the regular registration fees due with respect to such vehicle for the remainder of the registration year.

[1969 c.294 §18]

481.690 Withdrawal of vehicles under fleet registration. If any vehicle is withdrawn from a proportionally registered fleet during the period for which it is registered under the provisions of ORS 481.620 to 481.730, the owner of such fleet shall so notify the division on appropriate forms to be prescribed by the division. The division may require the owner to surrender proportional registration cards and such other identification devices which have been issued with respect to such vehicle as the division may deem advisable. If a vehicle is permanently withdrawn from a proportionally registered fleet because it has been destroyed, sold or otherwise completely removed from the service of the registrant, the unused portion of the fees paid with respect to such vehicle, which shall be a sum equal to the amount paid with respect to such vehicle when it was first proportionally registered in such registration year, reduced by one-twelfth of the total annual proportional registration responsibility of such vehicle for each calendar month and fraction thereof elapsing between the first day of the month of the current year in which the vehicle was registered and the date the notice of withdrawal is received by the division, shall be credited to the proportional registration account of such owner. Such credit shall be applied against liability for subsequent additions to be prorated during such registration year or for additional fees due upon audit under ORS 481.705. If any such credit is less than \$5, no credit shall be made or entered. In no event shall such amount be credited against fees

other than those for such registration year, nor shall any such amount be subject to refund.

[1969 c.294 §19]

481.695 Refusal of proportional registration for lack of reciprocal treatment. The Reciprocity Officer may refuse to accept proportional registration applications for the registration of vehicles based in, or owned by residents of, another jurisdiction if the Reciprocity Officer shall find that such other jurisdiction does not grant similar registration privileges to fleet vehicles based in or owned by residents of this state.

[1969 c.294 §21]

481.705 Owner's duty to preserve records; availability for audit; paying cost of audits. Any owner whose application for proportional registration has been accepted shall preserve the records on which the application is based for a period of four years following the year or period upon which said application is based. Upon request of the division, the owner shall make such records available to the division at its office for audit as to accuracy of computations and payments, or pay the reasonable costs of an audit at the home office of the owner, by a duly appointed representative of the division. [1969 c.294 §8]

481.715 Reciprocity applies if no agreement in effect. After August 22, 1969, if no agreement, arrangement or declaration is in effect with respect to another jurisdiction as authorized by this section, any vehicle properly registered or licensed in such other jurisdiction, and for which evidence of compliance is supplied, shall receive, when operated in this state, the same exemptions, benefits and privileges granted by such other jurisdictions to vehicles properly registered in this state. Reciprocity extended under this section shall apply to commercial vehicles only when engaged exclusively in interstate commerce.

[1969 c.294 §10]

481.720 Proportional registration of fleet vehicles not required. [1969 c.294 §11]

481.725 Prior agreements continued in effect. (2) ORS 481.620 to 481.730 shall be construed as a part of and supplemental to the motor vehicle registration laws of this state. Nothing in ORS 481.620 to 481.730 is intended to repeal ORS 481.155 or 481.158.
