STATUTORY WAYS OF NECESSITY

376.105 Petition to establish way; appointing viewers; notifying owners. Whenever it appears to any county court by the sworn petition of any person that the farm or residence of such person is not reached conveniently by any public road provided by law, and that it is necessary that the public and such person have ingress to and egress from the farm or residence of such person, the county court shall:

(1) Appoint a board of county viewers.

(2) Cause an order to be issued directing the viewers to meet at a time therein specified, not less than 10 days from the making of the order.

(3) Make an order notifying the person owning the land across which the roadway or gateway is to be established, notifying him of the time and place of the meeting, if he is a resident of the county. If such person is not a resident of the county then the meeting shall be appointed at a later date and four weeks' notice shall be given him by publication in some newspaper published in the county.

376.110 Locating way and assessing damages. The board of county road viewers shall:

(1) Meet upon the day mentioned in the order of the county court.

(3) Assess the damages sustained.

(4) Make a report to the county court at its next regular session of the public road

(2) The issues formed shall be tried by the county court.

(3) If the county court is satisfied that the report of the viewers is just, it shall, after payment within 20 days by the petitioner of the costs of the viewers and the damages assessed, order the report to be confirmed and recorded as such, and declare the road or gateway to be a public road or a perpetual right of way.

(2) Upon filing in the office of the county clerk satisfactory proof by affidavit of the mailing of such copies, the county court has jurisdiction over such lands to the same extent as land in private ownership.

(3) The roadway, gateway or both may be established on or over the state-owned land by the procedure and to the extent prescribed by ORS 376.105 to 376.135, except that a copy of the report of the viewers shall be served upon the state agency having use or control of such land, or its attorney appearing in the proceeding, not less than 10 days prior to final determination by the county court, and an opportunity shall be given to be heard thereon.

(1) A statement showing the approximate route of any proposed road or railway and a general description of the tract which the road or railway may travel.

(2) At the time of filing the statement, a bond in such sum as may be fixed by order of the county court, conditioned upon the payment to the owners of the lands required for the road or railway of any and all damage which the owners may sustain by reason of entry upon the land for the survey or location of the road or way.

When the bond has been filed, such person, firm or corporation shall have the right to enter upon the tract for the purpose of examining, locating or surveying the line of the road or logging railroad.

376.510 Right to acquire and condemn land for logging road. Any such person, firm or corporation has the right to acquire and own all lands reasonably necessary for the logging road or way to promote the transportation of logs or the raw products of the forests. If such person, firm or corporation is unable to agree with the owners of the land over which the logging railroad is necessary, as to the amount of compensation to be paid therefor, such person, firm or corporation has the right to condemn so much of the land necessary for the logging railroad, road or ways as may be necessary for the use thereof, and may maintain the suit for condemnation in the circuit court of the county wherein the lands are located. No

land shall be taken until compensation has been assessed and tendered.

376.515 Property subject to appropriation. No more lands shall be appropriated under ORS 376.505 to 376.540 than are reasonably necessary for the purposes specified therein. No building nor the land upon which it is situated, which is exempt from execution as a homestead under the laws of the state, nor any land belonging to the homestead owner within 100 feet of the building, shall be so appropriated.

376.520 Condemnation procedure. Procedure for condemnation under ORS 376.505 to 376.540 shall be as set forth in ORS chapter 35.

[Amended by 1971 c.741 §23]

376.525 Assessment of damages. In assessing damages under ORS 376.510, full compensation shall be allowed for the value of the land appropriated and all other injury and damage which the owner may suffer by reason of the appropriation of the land.

376.530 Fencing appropriated land. The person, firm or corporation appropriating land under ORS 376.505 to 376.540, and his successors and assigns, shall fence with a good and suitable fence both sides of the lands appropriated, in the event the lands are used for agricultural purposes, and shall take such other means and precautions reasonably necessary to protect the adjoining lands not appropriated from damage or injury by reason of the use of the lands appropriated.

376.535 Use of appropriated property; reversion on disuse. (1) Any property acquired under ORS 376.505 to 376.540 shall be used exclusively for the purposes set forth therein or such incidental purposes as may be necessary to the continued carrying out of such purposes.

(2) Whenever the use of property as contemplated in ORS 376.505 to 376.540 ceases for a period of two years, it shall revert to the original owner, his heirs or assigns, but in assessing damages the amount allowed shall not be in any manner lessened or decreased by reason of the possibility that the lands may so revert to their original owner.

(3) The limitations set out in this section shall not apply to or run against any interest acquired by the state.

376.540 Logging roads. Any logging road which is necessary for the transportation of a single tract of timber is within ORS 376.505 to 376.540, whether it is a common carrier or otherwise. [Amended by 1971 c.741 §26]

376.610 Grant of right to construct and maintain flume way. The county court of any county may, in its discretion, upon the petition of any person, company or corporation engaged in the operation of a sawmill, grant such person, company or corporation the right to construct and maintain in and upon any county road in the county a flume way, suitable for floating and transporting by water in the flume way the products of the sawmill, including cord wood. The flume way shall be placed on such portion of the county road as is designated by the county court. The county court shall provide the manner in which the flume way shall be constructed and the length of time it may be maintained in and upon the county road.

376.615 Bridge or culvert over ditch, flume or pipeline across highway; construction and maintenance. (1) Any person, company, corporation, irrigation or drainage district owning or constructing any ditch, canal, flume or pipeline across any public highway or public traveled road shall put a good, substantial bridge or culvert, of such width and material as the county court of the county in which the bridge or culvert may be situated, if the crossing is on a county highway,

and the Department of Transportation, if the crossing is over a state highway, shall order over the ditch, canal, flume or pipeline where it crosses the highway or road.

(2) Travel shall not be suspended by the construction of the ditch, canal, flume or pipeline.

(3) The bridge or culvert shall be completed within three days from the time the highway or road is intersected.

(4) If the bridge or culvert is not so constructed or completed the county roadmaster shall construct the bridge or culvert and bring an action in his own name, as county roadmaster, for the use and benefit of the county, in any court of competent jurisdiction, to recover the expenses of constructing the bridge or culvert. In such action, in addition to the costs and disbursements provided by statute, the county roadmaster shall recover such sum as the court or justice, if the action is brought in a justice's court, adjudges to be reasonable as attorney's fees in the action. Appeals may be taken in such cases as in other actions.

(5) After the bridge or culvert has been built in accordance with orders of the county court or the Department of Transportation, the same, if over a county highway, shall be maintained by the county, and if over a state highway the maintenance is under the jurisdiction and control of the Department of Transportation. All bridges or culverts constructed prior to 1922 and now in place are deemed to have been constructed in accordance with the orders of the county court or the Department of Transportation.

376.620 Skyline, logging line, ferry skyline or cable footbridge; authorization and regulation by land board. (1) When authorized by the Division of State Lands, it is lawful for any person, firm or corporation to construct, maintain and operate a skyline, high lead logging line, ferry skyline or cable footbridge across any navigable river, bay, inlet or other navigable waters within the state, not inconsistent with any Act of Congress regulating the construction of bridges across navigable waters. The structures shall be so constructed as not to interfere unnecessarily with the navigation of such navigable waters.

(2) The Division of State Lands may make and enforce such regulations and restrictions as it deems necessary to carry out the purposes of this section and may make

reasonable charges for any services rendered in connection therewith.

[1961 c.666 §7]

376.735 Contents of resolution when landowners to be paid for damages by assessments on benefited property. In such resolution the legislative body may propose to pay the whole or any part of damages based on claims filed pursuant to subsection (2) of ORS 376.755, if any, allowed or awarded to any property owner by reason

of the establishment of the pedestrian mall from the proceeds of assessments levied upon lands benefited by the establishment of the pedestrian mall. In such cases the resolution shall also contain:

[1961 c.666 §9]

376.745 Resolution to be published and posted. (1) The resolution of intention shall be published in a newspaper of general circulation published within the county, city or city and county, as the case may be. The first publication shall be not less than 60 days prior to the date fixed therein for hearing. In a city where no such newspaper is

published, the resolution shall instead be so published in a newspaper of general circulation published in the county in which the city is located.

(2) Copies of the resolution headed "Notice of Intention to Establish a Pedestrian Mall" in letters at least one-half inch in height shall be posted not more than 300 feet apart as follows:

(a) On all city streets, or portions thereof, proposed to be established as a pedestrian mall.

(b) On all intersecting streets.

(c) If assessments are to be levied as contemplated by ORS 376.735, then upon all open streets within the district described in the resolution pursuant to such section.

Such copies shall be posted not less than 60 days prior to the hearing.

[1961 c.666 §§10, 11]

376.750 Copies of resolution to be mailed to affected persons. (1) A copy of the resolution shall be mailed, postage prepaid, not less than 60 days prior to the hearing to each person to whom any of the following described lands is assessed as shown on the last equalized assessment roll, at his address as shown upon such roll, and to any person, whether owner in fee or having a lien upon, or legal or equitable interest in, any of such lands whose name and address and a designation of the land in which he is interested is on file in the office of the city clerk or county clerk, as the case may be. Such lands are as follows:

(a) All parcels of land abutting upon any portion of the pedestrian mall or any portion of any intersecting street.

(b) If assessments are to be levied as contemplated by ORS 376.735, then all parcels of land within the assessment district described in the resolution pursuant to such section.

(2) The legislative body may determine that such resolution shall also be mailed to such other persons as it may specify.

[1961 c.666 §12]

376.755 Objections to mall; claims for damages; right to damages not created. (1) Not later than the hour set for hearing any interested person may, severally or with others, file with the city recorder written objection to the establishment of the proposed pedestrian mall or to the extent of any district described pursuant to ORS

376.735, or both. Any protest or objection may be withdrawn at any time by written notice of such withdrawal filed with the city recorder with the same effect as if it had never been made.

(2) Not later than the hour set for hearing any person owning, or having any legal or equitable interest in, any real property which might suffer legal damage by reason of the establishment of the proposed pedestrian mall may file with the city recorder a written claim of damages. Such written claim must describe the real property as to which the claim is made, must state the exact nature of the claimant's interest therein, must state the nature of the claimed damage thereto, and must state the amount of damages claimed. Any such claim may be withdrawn by the claimant at any time by written withdrawal with the same effect as if it had never been filed.

(3) Anything in ORS 376.705 to 376.825 to the contrary notwithstanding, nothing in ORS 376.705 to 376.825 shall be construed or interpreted as creating any right in any person to damages or compensation by reason of the establishment of a pedestrian mall, it being the intention of the Legislative Assembly in enacting ORS 376.705 to 376.825 to provide an orderly method for the determination and payment only of such damages and compensation as are required by the Constitutions of the State of Oregon and the United States of America. In this connection the Legislative Assembly hereby expressly declares that it is its intention that to the extent to which the establishment of a pedestrian mall is justifiable as an exercise of the police power for which no compensation is constitutionally required, no damages or compensation shall be allowed in any action.

[1961 c.666 §§13, 14, 24]

376.760 Effect of objections by land-owners. (1) If the owners of lands abutting on the proposed pedestrian mall representing 10 percent of the frontage on the proposed pedestrian mall have made written objection to the establishment of the proposed pedestrian mall, the legislative body shall so find and shall terminate the proceedings for such establishment. In such event no proceeding under ORS 376.705 to 376.825 for the establishment of the same or substantially the same pedestrian mall shall be commenced within one year after such termination.

(2) If assessments are to be levied as contemplated by ORS 376.735, then if the owners of more than 10 percent of the area of land included within the district described in the resolution of intention and subject to assessment have made written objection to the establishment of the proposed pedestrian mall, the legislative body shall so find and in that event the legislative body may continue with proceedings for the establishment of the pedestrian mall but shall have no power to make any assessment upon benefited property to pay damages. In such event no proceeding under ORS 376.705 to 376.825 for the levy of assessments upon benefited property to pay damages in connection with the establishment of the same or substantially the same pedestrian mall shall be commenced within one year after such finding.

[1961 c.666 §§16, 17]

376.765 Changing boundaries when assessments to be levied under ORS 376.735; notice; objections. (1) If assessments are to be levied as contemplated by ORS 376.735, then at the hearing the legislative body may change the boundaries of the proposed district by adding thereto land which in its opinion will be benefited by the establishment of the pedestrian mall or by excluding from the district lands which in its opinion will not be so benefited. If the legislative body proposes any such change it shall take proceedings as required by this section and shall continue the hearing to the time fixed for hearing objections to the proposed change.

(2) No such change shall be made except after notice of intention to do so, given by at least one insertion in the newspaper in which the resolution of intention was published, describing the proposed change and specifying the time for hearing objections, which shall not be less than 30 days after publication of the notice. If the change proposed is one to include additional land in the district, a copy of such notice shall be mailed to each person to whom land proposed to be added is assessed as shown on the last equalized assessment roll, at his address as shown on such roll, and to any person, whether owner in fee or having a lien upon, or legal or equitable interest in, any such lands whose name and address and a designation of the land in which he is interested is on file in the office of the county clerk. Such notice shall be mailed at least 25 days prior to the time set for hearing objections.

(3) Written objection to any proposed changes may be filed with the city recorder at any time up to the hour fixed for hearing objections to such changes.

[1961 c.666 §18]

376.770 Allowing claims for damages; payment. (1) At the hearing on the resolution of intention the legislative body may allow any claim for damages made pursuant to subsection (2) of ORS 376.755. Any such allowance shall be for the full amount of damages claimed in the written claim except that the legislative body, with the written consent of the claimant, may allow a claim for a lesser amount.

(2) The right of any claimant to payment of the amount of any allowed claim shall be contingent upon the final establishment of the pedestrian mall but all allowed claims must be paid by the city, from such source as the legislative body may determine, before vehicular traffic is prohibited, in whole or in part, on the pedestrian mall, pursuant to ORS 376.705 to 376.825.

[1961 c.666 §20]

376.775 Hearing objections, claims and protests; waiver; decision; continuations.

(1) At the hearing all objections and protests shall be heard and considered, and all claims shall be heard and considered.

(2) Any objections or protests, whether to the things proposed by the resolution of intention or to any changes proposed pursuant to ORS 376.765, not made at the time and in the manner provided by ORS 376.705 to 376.825 are deemed voluntarily waived, and the proceedings under ORS 376.705 to 376.825 shall not be attacked on any ground not stated in a written objection filed as provided in ORS 376.705 to 376.825.

(3) Except in the case of a majority protest, as provided in ORS 376.760, the legislative body may sustain or deny any or all objections or protests and its determination is final.

(4) The hearing may be continued from time to time by order entered on the minutes.

[1961 c.666 §§15, 19]

376.780 Resolution after hearing; fixing boundaries. (1) Following the conclusion of the hearing, the legislative body shall by resolution either abandon the proceeding taken pursuant to ORS 376.705 to 376.825 or determine that the pedestrian mall shall be established.

(2) If assessments are to be levied as contemplated by ORS 376.735, then in the resolution provided for in subsection (1) of this section, the legislative body shall fix and establish the boundaries of the district as finally determined.

[1961 c.666 §§21, 25]

376.785 Judicial proceedings to determine unsettled claims for damages; satisfaction prior to traffic prohibition. (1) If following the hearing the legislative body shall determine that the pedestrian mall shall be established, and if at that time there remain any written claims for damages which have not been allowed pursuant to ORS 376.770 or which have not been withdrawn, the legislative body shall direct that an action or actions be brought in the circuit court of the county in which the city is located in the name of the city by the city attorney, for a determination of the damages, if any, to which the claimant may legally be entitled because of the establishment of the pedestrian mall. Such action shall be in the nature of a proceeding in eminent domain for the condemnation of the right or rights in real property, the taking of which by the establishment of the pedestrian mall results in the damages claimed. In such action the amount set forth in the claim relating thereto shall not constitute a limitation upon the amount which may be pleaded, proved or recovered.

(2) Except as may otherwise be provided in ORS 376.705 to 376.825, such action and proceeding shall be governed so far as the same may be made applicable by those provisions of ORS chapter 35 relating to actions and proceedings in eminent domain. In any such action the resolution adopted under subsection (1) of ORS 376.780 shall be conclusive evidence of the public necessity of the proposed pedestrian mall; that the property or rights in property to be taken are necessary therefor, and that the pedestrian mall is planned and located in the manner which will be compatible with the greatest public good and the least private injury.

(3) The judgment in any such action shall be satisfied and a final order taken before vehicular traffic is prohibited, in whole or in part, on the pedestrian mall pursuant to ORS 376.705 to 376.825.

[1961 c.666 §§22, 23]

376.790 Assessment of damages and other expenses against benefited lands. After all claims for damages filed pursuant

to subsection (2) of ORS 376.755 have been finally determined, by allowance by the legislative body, by withdrawal, or by a judgment in an action or actions brought pursuant to ORS chapter 35, and the full amount of damages to be paid has accordingly been finally determined, all or part of the total amount of such damages (but not exceeding such part thereof as may be specified in the resolution of intention), together with all costs and expenses incurred in connection with any proceedings or actions taken pursuant to ORS 376.705 to 376.825, may be assessed against the lands within the district and subject to assessment in proportion to the benefits to be derived from the establishment of the pedestrian mall.

[1961 c.666 §26]

376.795 Manner of assessment; sale of bonds representing unpaid assessments. (1) Such assessment may be levied and bonds to represent unpaid assessments issued and sold substantially in the manner provided in ORS chapter 223, and to the extent applicable, such law shall govern as to the preparation of the assessment, the lands subject to assessment, the hearing upon the assessment and the notice thereof, the confirmation and recordation of the assessment, the lien of the assessments, the notice of recordation, the collection of assessments, the issuance, sale and delivery of bonds upon unpaid assessments, the term of the bonds, the maximum interest rate thereon, the collection and enforcement of such bonds and all other matters to the extent applicable and except as provided in ORS 376.705 to 376.825.

(2) In so applying the provisions of ORS chapter 223, the following provisions and exceptions shall apply:

(a) The limits provided by such law on the amount of the assessment shall not apply.

(b) The legislative body shall provide for the form of the bonds and of the principal and interest coupons to be attached thereto.

(c) The legislative body may provide that the redemption provision of the bonds shall require the payment of such premium as the legislative body may specify.

[1961 c.666 §§27, 28]

376.800 Special fund for payment of damages and expenses; use of surplus. (1) All collections of assessments and all proceeds of the sale of bonds issued upon unpaid

assessments shall be placed in a special fund and used exclusively for the payment of the damages, if any, and expenses for which the assessments were levied.

(2) If there is a surplus in such special fund, the legislative body may expend such surplus for the improvement or operation of the pedestrian mall.

[1961 c.666 §29]

376.805 Payment of damages and other expenses from sources other than assessments and bonds. Notwithstanding the fact that the proceedings under ORS 376.705 to 376.825 have provided that assessments are to be levied as contemplated by ORS 376.735, the legislative body, at any time and either before or after the adoption of the resolution provided for in subsection (1) of ORS 376.780, may determine that such assessments shall not be levied. In lieu thereof the legislative body may provide for the payment of all or any part of the amounts referred to in ORS 376.790, out of general funds of the city or out of any other available funds.

[1961 c.666 §30]

376.810 Ordinance establishing mall; contents. Following the adoption of the resolution provided for in subsection (1) of ORS 376.780, and as soon as moneys have been fully provided for the payment of all claims, if any, allowed pursuant to ORS 376.770, and for the payment of all damages and compensation, if any, awarded in any action or actions brought pursuant to ORS chapter 35, the legislative body may adopt an ordinance establishing the pedestrian mall. Such ordinance shall contain:

(1) A general description of the pedestrian mall and a declaration and determination that the same is finally established. The mall as finally established shall be substantially the same as that described in the resolution of intention.

(2) Rules and regulations prohibiting vehicular traffic on such pedestrian mall subject to such exceptions as the ordinance may provide. Such rules and regulations and such exceptions shall be substantially in accordance with the statements made in the resolution of intention.

(3) Such additional rules and regulations as the legislative body may determine pertaining to the interpretation, operation and enforcement of the rules and regulations referred to in subsection (2) of this section, and otherwise pertaining to the use,

operation, maintenance of the pedestrian mall.

(4) Such provisions as the legislative body may determine pertaining to the operative date or dates of any of such rules or regulations.

[1961 c.666 §31]

376.815 Adoption of ordinance; payment of claims, damages and compensation.

(1) Such ordinance shall be adopted and published in the manner, and shall take effect, as provided by law or charter for other ordinances of the city. Such ordinance shall be subject to referendum in the same manner as other ordinances of the city.

(2) No payment of allowed claims or damages or compensation awarded by any court shall be made until such ordinance is in effect but all such allowed claims, damages and compensation shall be paid before the rules and regulations provided in such ordinance become operative.

[1961 c.666 §§32, 33]

376.820 Jurisdiction over mall; abandonment or modification. (1) Proceedings under ORS 376.705 to 376.825 and the adoption of such ordinance notwithstanding, the city and its legislative body shall retain its police powers and other rights and powers relating to the city streets constituting a part of the pedestrian mall. No action taken pursuant to ORS 376.705 to 376.825 shall be interpreted or construed to be a vacation or abandonment, in whole or in part, of any city street or any right therein, it being intended that the establishment of a pedestrian mall pursuant to ORS 376.705 to 376.825 be a matter of regulation only.

(2) Nothing in ORS 376.705 to 376.825 shall be interpreted or construed to prevent the city and its legislative body, at any time subsequent to the adoption of the ordinance provided for in ORS 376.705 to 376.825, from abandoning the operation of the pedestrian mall, from changing the extent of the pedestrian mall, or from changing or repealing any of the rules and regulations pertaining to the pedestrian mall.

[1961 c.666 §34]

376.825 Improvements on mall; payment of costs. (1) The city and its legislative body shall have the power to improve a pedestrian mall as provided in paragraph (d)

of subsection (1) of ORS 376.720, and for the accomplishment, in whole or in part, of that purpose may use ORS chapter 223 or any similar special assessment law. Any work or improvement permitted by such statutes shall be deemed to be work or improvement permitted to be done under any such Act or law. The city may also pay the whole or any part of the cost and expenses of improving a pedestrian mall from its general funds or from any other available money and may let contracts for the work in any manner permitted by law or charter.

(2) A pedestrian mall established or to be established pursuant to ORS 376.705 to 376.825 may be so improved either concurrently with the proceedings taken under ORS 376.705 to 376.825 for the establishment of the pedestrian mall or at any time subsequent to the establishment of the city mall, but no contract for the work or improvement shall be awarded until moneys have been fully provided for the payment of all claims allowed pursuant to ORS 376.770 and for the payment of all damages and compensation, if any, awarded in any action or actions brought pursuant hereof. If in connection with the establishment of a pedestrian mall and concurrently with the proceedings taken pursuant to ORS 376.705 to 376.825, the legislative body proposes to improve the proposed pedestrian mall and for that purpose uses ORS chapter 223 or any similar special assessment law, the legislative body may combine any part of the proceedings taken pursuant to ORS 376.705 to 376.825 with any part of the proceedings taken under any such special assessment law, to the end that duplication of ordinances, resolutions, notices, hearings and other acts or proceedings may be avoided.
