$$\text{State contribution} = \frac{\text{County risk population}}{\text{State risk population}} \times \left(\begin{array}{l} 110 \text{ percent of} \\ \text{sum appropri-} \\ \text{ated for state} \\ \text{assistance} \end{array} \right)$$

sought that is in excess of the amount expended for the same purposes, other than capital expenditures, in the fiscal year beginning July 1, 1968; or

(c) Fifty percent of the total cost, other than capital expenditures, of its court services in the fiscal year for which reimbursement is sought.

(2) In order to remain eligible for state financial assistance for any fiscal year for which assistance is sought, the county must not reduce its expenditures for court services in that year to less than the amount expended for court services in the fiscal year 1968-69.

(3) When certified by the Children's Services Division, claims for state financial assistance shall be presented to the Executive Department for payment in the same manner that other claims against the state are paid.

(4) In any fiscal year when the funds available do not allow the amount of assistance to be computed as provided in this section, all counties claiming assistance shall receive a pro rata reimbursement of the amount to which they would otherwise be entitled based on the ratio that the total amount of funds available bears to the total amount of funds required for such assistance.
