RESTAURANTS

624.010 Definitions for ORS 624.010 to 624.120. (1) "Administrator" means the Administrator of the Health Division or his authorized representatives.

(2) "Division" means the Health Division of the Department of Human Resources.

(3) "Temporary restaurant" means any establishment operating temporarily in connection with any fair, carnival, circus or similar public gathering or entertainment, food product promotion, or any other event where food is prepared or served for consumption by the public. "Temporary restaurant" does not include:

(a) An establishment where food is prepared and served, by a fraternal, social or religious organization, only to its own members and guests.

(b) An approved school lunch room where food is prepared and served for school and community activities where the preparation and service are under the direction of the school lunch room supervisor.

(c) A food product promotion where only a sample of a food or foods is offered to demonstrate the characteristics of the food product. For the purposes of this paragraph, a sample shall not include a meal, an individual hot dish or a whole sandwich.

(4) "Restaurant" includes any establishment where food or drink is prepared for consumption by the public or any establishment where the public obtains food or drink so prepared in form or quantity consumable then and there, whether or not it is consumed within the confines of the premises where prepared, and also includes establishments which prepare food or drink in consumable form for service outside the premises where prepared, but does not include railroad dining cars, temporary restaurants as defined in subsection (3) of this section. [Amended by 1953 c.177 §8; 1957 c.672 §1; 1959 c.153 §1; 1973 c.824 §1; 1973 c.825 §1]

624.015 "Benevolent organization" defined. As used in ORS 624.028 and 624.067, "benevolent organization" means any person organized and existing for charitable, benevolent, eleemosynary, humane, patriotic, religious, philanthropic, recreational, social, educational, civic, fraternal or other non-profit purposes. The fact that contributions to an organization do not qualify for a charitable deduction for tax purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant

to the Internal Revenue Code of 1954, as amended, constitutes prima facie evidence that the organization is not a bona fide benevolent organization. For purposes of this section, each subordinate lodge, chapter, council, grange, church, parish or other subdivision of an organization constitutes a separate organization.

[1973 c.824 §4]

624.020 License required to operate restaurant; denial, suspension and revocation of licenses. (1) No person shall operate a restaurant without a license to do so from the division. The restaurant license shall be posted in a conspicuous place on the premises of the licensee.

(2) Application for the license shall be in writing in the form prescribed by the division and shall contain the name and address of the applicant and any other information which the division may require. All licenses issued under this section terminate and are renewable on December 31 of each year.

(3) Every applicant for a restaurant license or renewal thereof shall pay to the division a license fee of \$35.

(4) The administrator may suspend, deny or revoke any license issued under this section for violation of any of the applicable provisions of ORS 624.010 to 624.120 or any rule promulgated under ORS 624.010 to 624.120.

(5) Procedures for denial, revocation or suspension of a license shall be as provided in ORS chapter 183.

[Amended by 1953 c.177 §8; 1957 c.672 §2; 1971 c.661 §1; 1973 c.182 §1]

624.025 License for temporary restaurant. (1) No person shall operate a temporary restaurant without first procuring a license to do so from the division. The temporary restaurant license shall be posted in a conspicuous place on the premises of the licensee.

(2) Application for a temporary restaurant license shall be in writing in the form prescribed by the division and shall contain the name and address of the applicant, the specific location of the temporary restaurant and any other information the division may require.

(3) All licenses issued under this section shall terminate 30 days after issuance unless within the 30 days the temporary restaurant is discontinued or is moved from the specific location for which the license was issued. If within 30 days after issuance the temporary restaurant is discontinued or

moved from the specific location for which the license was issued, the license shall terminate upon the discontinuance or the removal.

(4) Except as provided in ORS 624.028, every applicant for a temporary restaurant license or renewal thereof shall pay to the division a license fee of \$15.

(5) The administrator may suspend, deny or revoke any license issued under this section or under ORS 624.028 if it appears, after a reasonable time has been given for correction of a sanitation violation, that the applicant does not meet applicable minimum sanitation standards as outlined in ORS 624.010 to 624.120 or any rule promulgated thereunder. Any suspension, denial or revocation action shall be taken in accordance with ORS chapter 183. [1957 c.672 §9; 1973 c.182 §2; 1973 c.824 §2]

624.027 Exemption of confection operations from license requirements. When the division determines that public health hazards are nonexistent, the division may, by rule, exempt certain types of confection operations from the license requirements of ORS 624.010 to 624.120.

[Formerly part of 624.100; 1973 c.825 §2]

624.028 Temporary restaurant license for benevolent organizations. (1) Notwithstanding subsections (3) and (4) of ORS 624.025, the division shall issue a license to a benevolent organization to operate a temporary restaurant pursuant to this section if the benevolent organization has notified the division, orally or in writing, of its intention to operate a temporary restaurant. The division shall provide at least one place in each county at which such notification may be made.

(2) Not more than 13 temporary restaurant licenses per year may be issued pursuant to this section to each benevolent organization.

[Amended by 1957 c.672 §3; 1973 c.825 §3]

624.040 Display of notice of grade. Every restaurant shall display at all times, in a place designated by the administrator, a notice approved by the administrator stating the grade of the establishment.

624.050 Operation to conform with grades; failure to qualify as grade B; reinstatement of license. No restaurant shall be operated within Oregon unless it is in conformance to grade A or grade B. However, when any restaurant fails to qualify as grade B, the administrator may, in lieu of revocation or suspension of license, lower the grade of the establishment to C and permit its operating during a temporary period not exceeding 30 days. The administrator may reinstate a restaurant license which has been revoked, suspended or denied and may reinstate a grade which has been lowered when it appears from the inspection by the administrator that the licensee is complying with the respective grade requirements.
