

# Chapter 672

## 1973 REPLACEMENT PART

### Professional Engineers and Land Surveyors

#### GENERAL PROVISIONS

- 672.002 Definitions
- 672.005 "Practice of engineering", "practice of land surveying" defined
- 672.007 Acts constituting practice of engineering, land surveying
- 672.020 Practice of engineering without registration prohibited; seal requirement; approval of maps, drawings and other materials
- 672.025 Practice of land surveying without registration prohibited; seal requirement; approval of maps, drawings and other materials
- 672.030 Practice by corporation, firm or partnership; requirement as to documents
- 672.035 Responsibility of business entity for conduct of employes
- 672.045 Prohibited activities relating to practices of engineering and land surveying
- 672.050 Registration of supervising engineer employed by nonresident required
- 672.060 Exceptions to application of chapter

#### CERTIFICATES

- 672.090 Issuance of certificates by board; examinations
- 672.095 Content of certificate; requirement of good moral character
- 672.100 Certification of examination results; notice to candidates
- 672.110 Numbering and recording of certificates
- 672.120 Payment of fee required before issuance of certificate
- 672.125 Certificate issuance without examination to persons licensed in other jurisdictions

- 672.135 Temporary permits to practice engineering
- 672.145 Training certificates for engineers and surveyors; examination; fee
- 672.155 Fees
- 672.160 Expiration date of certificates
- 672.170 Renewal of certificates; increased fees for delinquent renewals
- 672.180 Exemption from fees of engineer or surveyor over 65
- 672.190 Replacement of certificate

#### REVOCAION OR DENIAL OF CERTIFICATES

- 672.200 Grounds for denial of certificate
- 672.205 Denial of certificate proceedings
- 672.210 Procedure for suspension or revocation of certificate; hearing; majority of board members required to take action
- 672.215 Review of board decisions; proceedings to enjoin violations of chapter

#### STATE BOARD

- 672.240 State Board of Engineering Examiners; appointment; qualification; officers
- 672.250 Term; reappointments limited; certificate of appointment; oath; removal; vacancies
- 672.255 Rulemaking authority of board
- 672.265 Rulemaking procedural requirements
- 672.300 Investigation of complaints
- 672.310 Investigation of identity of person claiming to be registered

#### PENALTIES

- 672.991 Penalties

#### CROSS REFERENCES

- Administrative procedures and rules of state agencies, Ch. 183
- Licensing of occupations and professions by agencies in Department of Commerce, 670.300 to 670.350

- Surveyors, county, powers and duties, Ch. 209
- Waiver of educational requirements for examination, 670.010

#### 672.005

- Practice of engineering not architecture, 671.030

#### 672.007

- Practice of engineering not architecture, 671.030

- 672.020  
Builders, registration requirements, exclusion for professional engineers, 701.010  
Structures of public assembly, approving certain plans for, 460.230
- 672.030  
Practice as partner with architect, 671.041
- 672.155  
Military persons relieved from payment of fees, 408.450
- 672.170  
Military persons relieved from payment of fees, 408.450
- 672.200  
Denial, suspension or revocation of license prohibited solely because of criminal conviction, 670.280
- 672.200 to 672.215  
Revocation of certificate for failure to file survey notes and maps with county surveyors, 209.250
- 672.240  
Board under Department of Commerce, 184.520
- 672.250  
Director of Department of Commerce as ex officio board member, 184.545

## GENERAL PROVISIONS

**672.002 Definitions.** As used in this chapter, unless the context requires otherwise:

(1) "Board" means the State Board of Engineering Examiners provided by ORS 672.240.

(2) "Engineer" means a person who has knowledge of mathematics, physical, chemical and other sciences and the principles and methods of engineering analysis and design acquired by engineering education and engineering experience.

(3) "Engineer-in-training" means a person certified by the board as having passed an examination in the fundamental engineering subjects.

(4) "Land surveyor" means a person who has knowledge of the principles of mathematics, physical and applied sciences, the techniques of measurement necessary to the various surveying branches and the relevant requirements of law for adequate evidence, which are all requisite to surveying of real property.

(5) "Land surveyor-in-training" means a person certified by the board as having passed an examination in the fundamental land surveying subjects.

(6) "Registered professional engineer" means an engineer who is registered in this state and holds a valid certificate to practice his branch of engineering in this state as provided by this chapter.

(7) "Registered professional land surveyor" means a land surveyor who is registered in this state and holds a valid certificate to practice land surveying in this state as provided by this chapter.

(8) "Responsible charge" means:

(a) To have control of the engineering design of works or to be charged with responsible inspection of construction work as to conformance with engineering drawings and specifications; or

(b) To be charged with responsible supervision of land surveying work for the purpose of conformance to the relevant requirements of law for adequate evidence of a survey of land.

[1971 c.751 §1]

**672.005 "Practice of engineering", "practice of land surveying" defined.** As used in this chapter, unless the context requires otherwise:

(1) "Practice of engineering" means any professional service or creative work requiring engineering education, training and experience and the application of special knowledge of the mathematical, physical and engineering sciences to such professional services or creative work as consultation, investigation, evaluation, planning, design and services during construction for the purpose of assuring compliance with specifications and design, in connection with any public or private utilities, structures, buildings, machines, equipment, processes, works or projects.

(2) "Practice of engineering" does not include the execution of work designed by a professional engineer or the supervision of the construction of such work as a foreman or superintendent.

(3) "Practice of land surveying" means that branch of the practice of engineering in which:

(a) Surveys are made to determine area or topography, to establish or reestablish land boundaries, corners or monuments or to subdivide or plot land; or

(b) With respect to engineering work proposed, in progress or completed, surveys are made to establish lines, grades or elevations, or determines or estimates quantities of materials required, removed or in place. [1971 c.751 §2; 1973 c.531 §1]

**672.007 Acts constituting practice of engineering, land surveying.** (1) Within the meaning of this chapter, a person shall be considered practicing or offering to practice engineering who:

(a) By verbal claim, sign, advertisement, letterhead, card or in any other way implies that he is or represents himself to be a registered professional engineer;

(b) Through the use of some other title implies that he is an engineer or that he is a registered professional engineer registered under this chapter; or

(c) Represents himself as able to perform, or who does perform, any service or work which is defined by ORS 672.005 as the practice of engineering.

(2) Within the meaning of this chapter a person is practicing or offering to practice land surveying who:

(a) By verbal claim, sign, advertisement, letterhead, card or in any other way implies that he is or represents himself to be a land surveyor;

(b) Through the use of some other title implies that he is a land surveyor; or

(c) Represents himself as able to perform, or who does perform, any land surveying service or work or any other service which is defined by ORS 672.005 as the practice of land surveying.

[1971 c.751 §3]

672.010 [Amended by 1959 c.336 §1; repealed by 1971 c.751 §39]

**672.020 Practice of engineering without registration prohibited; seal requirement; approval of maps, drawings and other materials.**

(1) In order to safeguard life, health and property, no person shall practice or offer to practice engineering in this state unless he is registered and has a valid certificate to practice engineering issued under this chapter.

(2) Each registered professional engineer shall, upon registration, obtain a seal of the design authorized by the board, bearing the name of the registrant, date of registration, number of certificate, and the legend "registered professional engineer." All final drawings, specifications, designs, reports, maps and plans issued by a registrant, shall be stamped and signed by the registrant. The signature and stamp of a registrant constitute a certification that the document was prepared by him or under his direct supervision.

(3) Every map, plan and drawing required by law to be certified or approved by an engineer shall be stamped with the seal of, and signed by, a professional engineer registered as required by this chapter.

[Amended by 1971 c.751 §6]

**672.025 Practice of land surveying without registration prohibited; seal requirement; approval of maps, drawings and other materials.**

(1) No person shall practice land surveying in this state unless:

(a) He is registered and has a valid certificate to practice land surveying issued under this chapter; or

(b) He is a registered professional engineer.

(2) Every registered professional land surveyor shall, upon registration, obtain a seal of the design authorized by the board, bearing the name of the registrant, date of registration, number of certificate and the legend "registered professional land surveyor." Every map, drawing and narrative issued by a registrant shall be stamped with the seal of, and signed by the registrant. The

signature and stamp of a registrant constitute a certification that the document was reviewed by the registrant or prepared by him or under his direct supervision.

(3) Every map, drawing, document or narrative required by law to be certified or approved by a land surveyor shall be stamped with the seal of, and signed by, a registered professional land surveyor or by a registered professional engineer.

[Formerly 672.420]

**672.030 Practice by corporation, firm or partnership; requirement as to documents.**

(1) A corporation, firm or partnership may engage in the practice of engineering in this state if:

(a) The corporation, firm or partnership designates and annually reports to the board the registered professional engineers responsible for the engineering activities and engineering decisions of the corporation; and

(b) All professional documents named in subsection (2) of ORS 672.020, issued by the corporation, firm or partnership, bear the seal and signature of at least one of the designated engineers.

(2) A corporation, firm or partnership may engage in the practice of land surveying if:

(a) The corporation, firm or partnership designates and annually reports to the board, the registered professional land surveyors or registered professional engineers responsible for the land surveying activities and land surveying decisions of the corporation; and

(b) All professional documents referred to in subsection (3) of ORS 672.020, issued by the corporation, firm or partnership, bear the seal and signature of at least one of the designated land surveyors or engineers.

[Amended by 1971 c.751 §9]

**672.035 Responsibility of business entity for conduct of employees.** A corporation, firm or partnership shall not be relieved of responsibility for the conduct or acts of its agents, employes or officers by reason of its compliance with ORS 672.030, nor shall a registered professional engineer or registered professional land surveyor be relieved of responsibility for professional services performed by reason of his employment by or relationship with such corporation, firm or partnership.

[1971 c.751 §10]

672.040 [Amended by 1959 c.336 §13; repealed by 1971 c.751 §39]

**672.045 Prohibited activities relating to practices of engineering and land surveying.** A person shall not:

(1) Engage in the practice of engineering or land surveying without having a valid certificate or permit to so practice issued in accordance with this chapter.

(2) Falsely represent, by any means, that he is authorized to practice engineering or land surveying.

(3) Present or attempt to use the certificate or permit of another or the seal of another.

(4) Attempt to use an expired or revoked certificate or permit.

(5) Falsely impersonate any registrant of like or different name.

(6) Practice engineering or land surveying when not qualified.

(7) Buy, sell or fraudulently obtain any certificate or permit required by this chapter.

(8) Aid or abet the buying, selling or fraudulently obtaining of any certificate or permit required by this chapter.

(9) Engage in the practice of engineering or land surveying under cover of a certificate or permit obtained or issued fraudulently or unlawfully or under fraudulent representations or mistake of fact in a material regard.

(10) Give any false or forged evidence of any kind to the board or to any member thereof in obtaining or attempting to obtain a certificate or permit required by this chapter.

[1971 c.751 §36]

**672.050 Registration of supervising engineer employed by nonresident required.** Any engineer in responsible charge of engineering works by reason of which the public health and safety is involved, employed by a non-resident engineer, shall be registered as a professional engineer as provided by this chapter.

[Amended by 1971 c.751 §5]

**672.060 Exceptions to application of chapter.** This chapter does not apply to:

(1) An employe of the United States Government with respect to any work performed by him for the United States Government.

(2) Any registered architect practicing architecture.

(3) Any registered landscape architect practicing landscape architecture.

(4) Any registered sanitarian or registered sanitarian trainee working under the

supervision of a registered sanitarian practicing environmental sanitation.

(5) Any person practicing engineering under the supervision of a registered professional engineer.

(6) Any person practicing land surveying under the supervision of a registered professional land surveyor or registered professional engineer.

(7) An individual, firm, partnership or corporation practicing engineering or land surveying on property owned or leased by the individual, firm, partnership or corporation, or in which the individual, firm, partnership or corporation has an interest, estate or possessory right, or which affects exclusively the property or interests of the individual, firm, partnership or corporation, unless the public safety or health is involved. "Public safety or health" includes the safety and health of employes and visitors.

(8) The performance of engineering work by any person, firm or corporation, or by full-time employes of any of them, provided such work is in connection with or incidental to the operations of such persons, firms or corporations, and provided that the engineering work is not offered directly to the public.

[Amended by 1971 c.751 §4]

**672.070** [Amended by 1959 c.336 §2; repealed by 1971 c.751 §39]

**672.080** [Repealed by 1959 c.336 §3 (672.081 enacted in lieu of 672.080)]

**672.081** [1959 c.336 §4 (enacted in lieu of 672.080); repealed by 1971 c.751 §39]

**672.083** [1959 c.336 §6; repealed by 1971 c.751 §39]

**672.085** [1959 c.336 §7; repealed by 1971 c.751 §39]

**672.087** [1959 c.336 §8; repealed by 1971 c.751 §39]

## CERTIFICATES

**672.090 Issuance of certificates by board; examinations.** (1) The board shall issue certificates of registration and in-training certificates as provided by this chapter. All certificates shall be signed by the president and secretary of the board and issued under the seal of the board. The board shall prescribe and furnish forms for applications for examinations and for certificates and permits.

(2) Examinations shall be held at stated or special meetings of the board at such times and at such places within this state in each year as the board shall determine. The scope

of the examinations and the methods of procedure shall be prescribed by the board. Examinations for registration shall be written or written and oral.

[Amended by 1971 c.751 §26(2), (3)]

**672.095 Content of certificate; requirement of good moral character.** (1) If an applicant has the qualifications for examination prescribed by the board under ORS 672.255, upon payment of the required examination fee, the board shall examine the applicant for registration on his qualifications to practice engineering or land surveying. The board shall specify on the certificate to practice, when issued to the applicant, the branch or branches of engineering in which the applicant is especially qualified.

(2) No person is eligible for registration or to receive a certificate to practice as a professional unless he is of good moral character. [1971 c.751 §11]

**672.100 Certification of examination results; notice to candidates.** As soon as practicable after the close of each examination the members of the board who conducted the examination shall file in the office of the board a certificate stating the action of the board upon the application of each candidate, whereupon the secretary of the board shall notify each candidate of the result of his examination.

[Amended by 1971 c.751 §12]

**672.110 Numbering and recording of certificates.** Each certificate issued by the board shall be numbered. A record of each certificate issued, and the number, shall be entered in the records of the board.

[Amended by 1971 c.751 §13]

**672.120 Payment of fee required before issuance of certificate.** Upon receipt of the required fee the board shall issue to any applicant who has been certified as having passed an examination for registration a certificate. [Amended by 1959 c.336 §11; 1971 c.751 §14]

**672.125 Certificate issuance without examination to persons licensed in other jurisdictions.** (1) Upon payment of the required fee, the board may without examination issue a certificate of registration to practice engineering to an applicant who meets the other necessary qualifications for registration under this chapter:

(a) If the applicant holds a certificate of registration to engage in the practice of pro-

fessional engineering, issued by the proper authority of a state, territory or possession of the United States, the District of Columbia or a foreign country, and the requirements of the other authority are substantially equivalent to the requirements provided under this chapter; or

(b) If the applicant holds a certificate of qualification issued by the National Council of Engineering Examiners, Committee on National Engineering Certification.

(2) Upon payment of the required fee, the board may issue a certificate of registration to practice land surveying to an applicant who meets the other necessary qualifications for registration under this chapter:

(a) If the applicant holds a certificate of registration to engage in the practice of land surveying, issued by the proper authority of a state, territory or possession of the United States, the District of Columbia or a foreign country, and the requirements of the other authority are substantially equivalent to the requirements provided under this chapter as determined by the board; and

(b) If the applicant satisfactorily passes an examination covering questions on laws, procedures and practices pertaining to practice in this state.

[1971 c.751 §19]

**672.130** [Amended by 1953 c.98 §1; repealed by 1971 c.751 §39]

**672.135 Temporary permits to practice engineering.** (1) Upon payment of the required fee, the board may without examination issue a temporary permit to a person to practice engineering in this state. A temporary permit may only be issued if the person has made application for registration and, in the judgment of the board, has the other necessary qualifications for registration under this chapter.

(2) A temporary permit to practice engineering may be issued only once to a person and may only be issued to a person authorized to practice engineering in another state, territory or possession of the United States, the District of Columbia or a foreign country if the standards for such authorization are equivalent to those in Oregon, as determined by the board.

[1971 c.751 §18]

**672.140** [Repealed by 1971 c.751 §39]

**672.145 Training certificates for engineers and surveyors; examination; fee.** (1) If an applicant for an engineer-in-training

certificate has the qualifications for examination, upon payment of the required examination fee, the board shall examine him on his qualifications. If an applicant satisfactorily passes the examination, he shall be issued an engineer-in-training certificate upon payment of the certificate fee.

(2) If an application for a land surveyor-in-training certificate has the qualifications for examination, upon payment of the required examination fee, the board shall examine him on his qualifications. If the applicant satisfactorily passes the examination, he shall be issued a land surveyor-in-training certificate upon payment of the certificate fee.

[1971 c.751 §8]

**672.150** [Repealed by 1971 c.751 §39]

**672.155 Fees.** Fees required to be paid to the board shall be paid in amounts determined by the board and approved by the Executive Department, except that no fee shall exceed the following:

(1) For examination for registration as an engineer-in-training, \$20; for an engineer-in-training certificate, \$5.

(2) For examination for registration as a registered professional engineer when the applicant has an engineer-in-training certificate, \$30; when the applicant does not have an engineer-in-training certificate, \$50; for the first registered professional engineer certificate, \$10; for an annual renewal, \$15.

(3) For examination for registration as a land surveyor-in-training, \$20; for a land surveyor-in-training certificate, \$5.

(4) For examination for registration as a registered professional land surveyor when the applicant has a land surveyor-in-training certificate, \$30; when the applicant does not have a land surveyor-in-training certificate, \$50; for the first registered professional land surveyor certificate, \$5; for an annual renewal, \$15.

(5) For registration of a nonresident engineer without examination under ORS 672.125, \$50.

(6) For registration of a nonresident land surveyor under ORS 672.125, \$50.

(7) For a temporary permit issued under ORS 672.135, \$25.

(8) For reissuance of a lost or mutilated certificate, for a registered professional engineer or a registered professional land surveyor, \$2.50.

[1971 c.751 §34]

**672.160 Expiration date of certificates.**

(1) Except as provided by subsection (2) of this section, all certificates expire on December 31 following the date of their issue or renewal and become invalid on that date unless renewed.

(2) All in-training certificates expire on July 31 of the 10th year after their issuance unless extended by the board. An application for extension shall contain evidence satisfactory to the board that the applicant's professional experience has been delayed.

[Amended by 1959 c.336 §12; 1971 c.751 §15]

**672.170 Renewal of certificates; increased fees for delinquent renewals.** (1) Renewal of a certificate except in-training certificates may be effected at any time prior to December 31 by paying the required annual renewal fee to the secretary of the board.

(2) Subject to subsection (4) of this section, the failure of a registrant to renew his certificate annually prior to December 31 does not deprive him of the right of renewal thereafter.

(3) The amount to be paid for the renewal of a certificate after December 31 shall be the renewal fee plus a late-payment charge not to exceed \$5 for each half year or fraction thereof that the renewal fee payment is late, but in no case shall the late-payment charge exceed \$50.

(4) No certificate shall be renewed that has been delinquent for more than five years. [Amended by 1967 c.401 §5; 1971 c.751 §16; 1973 c.832 §36]

**672.180 Exemption from fees of engineer or surveyor over 65.** A registered professional engineer or a registered professional land surveyor who has reached the age of 65 years and has retired from the active practice of engineering or land surveying may, upon application and at the discretion of the board, be exempted from payment of annual renewal fees thereafter.

[Amended by 1971 c.751 §17]

**672.190 Replacement of certificate.** A new certificate to replace any certificate lost, destroyed or mutilated may be issued, subject to the rules and regulations of the board, upon payment of the required fee.

[Amended by 1971 c.751 §20]

### REVOCATION OR DENIAL OF CERTIFICATES

**672.200 Grounds for denial of certificate.** The board may refuse to issue or renew, or

may suspend or revoke a certificate or permit, or reprimand any person holding a certificate or permit:

(1) For violation of any provision of ORS 672.045;

(2) For gross negligence or incompetence in the practice of engineering or land surveying;

(3) For conviction of a felony, or of a misdemeanor involving moral turpitude; or

(4) For any violation of the rules of professional conduct prescribed by the board.

[Amended by 1971 c.751 §21]

**672.205 Denial of certificate proceedings.** (1) Where the board proposes to refuse to issue or renew a certificate of registration, or proposes to revoke or suspend a certificate of registration, opportunity for hearing shall be accorded as provided in ORS 183.310 to 183.500.

(2) Judicial review of orders under subsection (1) of this section shall be in accordance with ORS 183.310 to 183.500.

[1971 c.734 §111]

**672.210 Procedure for suspension or revocation of certificate; hearing; majority of board members required to take action.** (1) Proceedings for the suspension or revocation of a certificate or a permit may be initiated by filing with the board written charges against the accused. The charges may be preferred by any person, or by the board on its own motion. Charges shall be heard by the board within three months after the date on which filed.

(2) The board shall fix a time and place for a hearing on the charges and cause notice thereof with a copy of the charges to be delivered to the accused in person or mailed to the accused at his last-known address. The notice shall be so delivered or mailed at least 30 days before the date fixed for the hearing.

(3) At a hearing, the accused shall have the right to appear in person or by counsel, or both, to cross-examine witnesses and to produce evidence and witnesses in his defense. If the accused does not appear, the board may proceed to hear and determine the validity of the charges.

(4) After a hearing, the board may, if a majority of the members of the board agree, reprimand the accused, or suspend, refuse to renew or revoke his permit or certificate of registration.

[Amended by 1971 c.751 §22]

**672.215 Review of board decisions; proceedings to enjoin violations of chapter.** (1) Any person aggrieved by a decision of the board under ORS 672.200 or 672.210 is entitled to judicial review of the decision in accordance with the procedure for contested cases provided by ORS 183.310 to 183.500.

(2) If the board decides that a person has engaged, or is about to engage, in any activity that is or will be a violation of this chapter, the board may institute a proceedings in an appropriate circuit court to restrain the activity or proposed activity. An injunction may be issued without proof of actual damages but if issued, the defendant is not thereby relieved of any criminal liability.

[1971 c.751 §23]

**672.220** [Repealed by 1971 c.734 §21 and by c.751 §39]

**672.230** [Repealed by 1971 c.751 §39]

## STATE BOARD

**672.240 State Board of Engineering Examiners; appointment; qualification; officers.** (1) There is created in the Department of Commerce a State Board of Engineering Examiners consisting of nine members appointed by the Director of Commerce.

(2) One member shall be a registered professional land surveyor. The other members shall be registered professional engineers. Each member of the board shall have been a resident of this state for at least three years immediately preceding his appointment and shall have been practicing as a registered professional engineer or as a registered professional land surveyor for at least 10 years immediately preceding his appointment.

(3) The board shall elect biennially from among its members a president and vice president for the ensuing biennial term.

[Amended by 1955 c.215 §1; 1963 c.580 §32; 1969 c.314 §75; 1971 c.751 §24; 1971 c.753 §28; subsection (3) enacted as 1971 c.751 §26(1)]

**672.250 Term; reappointments limited; certificate of appointment; oath; removal; vacancies.** (1) Every odd-numbered year, upon the expiration of the terms of three of the board members, the Director of Commerce, with the approval of the Governor, shall appoint three persons possessing the qualifications prescribed by subsection (2) of ORS 672.240 as members of the board to serve for a term of six years from July 1. A member who has served a full term may be reappointed not more than once to succeed himself.

(2) Every member of the board shall receive a certificate of his appointment from the Director of Commerce and before beginning his term shall file with the Secretary of State the constitutional oath of office. The Director of Commerce may remove any member of the board for misconduct, incapacity or neglect of duty. The Director of Commerce, with the approval of the Governor, by appointment for the unexpired term, shall fill any vacancy caused by death, resignation or removal from office.

[Amended by 1963 c.580 §33; 1971 c.751 §25]

### **672.255 Rulemaking authority of board.**

(1) The board shall adopt rules:

(a) Establishing fees, within the maximum limits provided by this chapter, for certificates and permits issued by the board.

(b) Providing a procedure for the issuance, denial, suspension or revocation of certificates and permits.

(c) Prescribing standards of professional conduct for professional engineers, professional land surveyors, engineers-in-training and land surveyors-in-training.

(d) Specifying branches in which examinations are offered and for registration of individuals and for issuance of certificates and temporary permits to individuals under this chapter.

(e) Prescribing standards and intellectual, educational and technical qualifications for examination in addition to those prescribed in subsections (3) and (4) of this section.

(2) In adopting rules under paragraphs (c) and (d) of subsection (1) of this section, the board shall give consideration to national practices as well as local practices. Adoption of rules shall be in accordance with ORS chapter 183, except as otherwise provided by ORS 672.265.

(3) The board shall consider the following as minimum evidence of an applicant's satisfactory qualification for registration as a professional engineer:

(a) Graduation in an approved engineering curriculum of four years or more from a school or college approved by the board as of satisfactory standing; and a specific record of four years or more of active practice in engineering work of a character satisfactory to the board and indicating that the applicant is competent to be placed in responsible charge of such work; and successfully passing a written, or written and oral, examination, the written examination to be as pre-

scribed by the board, but consisting of one part devoted to basic engineering subjects and a second part devoted to practical engineering problems; or

(b) A specific record of eight years or more of active practice in engineering work of a character satisfactory to the board and indicating that the applicant is competent to be placed in responsible charge of such work; and successfully passing a written, or written and oral, examination, the written examination to be as prescribed by the board, but consisting of one part devoted to basic engineering subjects and a second part devoted to practical engineering problems; or

(c) Certification as an engineer-in-training, and a specific record of four years or more of active practice in engineering work of a character satisfactory to the board and indicating that the applicant is competent to be placed in responsible charge of such work; and successfully passing a written, or written and oral, examination, the written examination to be as prescribed by the board, but to consist of one part devoted to practical engineering problems.

(4) The board shall consider the following as minimum evidence of an applicant's satisfactory qualification for certification as an engineer-in-training:

(a) Graduation in an approved engineering curriculum of four years or more from a school or college approved by the board as of satisfactory standing; and successfully passing a written, or written and oral, examination, prescribed by the board and devoted to basic engineering subjects; or

(b) A specific record of four years or more of active practice in engineering work of a character satisfactory to the board, and successfully passing a written, or written and oral, examination, prescribed by the board and devoted to basic engineering subjects.

(5) The board shall consider the following as minimum evidence of an applicant's satisfactory qualification for registration as a professional land surveyor:

(a) Graduation in an approved land surveying curriculum of four years or more from a school or college approved by the board as of satisfactory standing; and a specific record of four years or more of active practice in land surveying work of a character satisfactory to the board and indicating that the applicant is competent to be placed in responsible charge of such work; and successfully

passing a written, or written and oral, examination, the written examination to be as prescribed by the board, but consisting of one part devoted to basic land surveying subjects and a second part devoted to practical land surveying problems; or

(b) A specific record of eight years or more of active practice in land surveying work of a character satisfactory to the board and indicating that the applicant is competent to be placed in responsible charge of such work; and successfully passing a written, or written and oral, examination, the written examination to be as prescribed by the board, but consisting of one part devoted to basic land surveying subjects and a second part devoted to practical land surveying problems; or

(c) Certification as a land surveyor-in-training, and a specific record of four years or more of active practice in land surveying work of a character satisfactory to the board and indicating that the applicant is competent to be placed in responsible charge of such work; and successfully passing a written, or written and oral, examination, the written examination to be as prescribed by the board, but to consist of one part devoted to practical land surveying problems.

(6) The board shall consider the following as minimum evidence of an applicant's satisfactory qualification for certification as a land surveyor-in-training:

(a) Graduation in an approved land surveying curriculum of four years or more from a school or college approved by the board as of satisfactory standing; and successfully passing a written, or written and oral, examination, prescribed by the board and devoted to basic land surveying subjects; or

(b) A specific record of four years or more of active practice in land surveying work of a character satisfactory to the board, and successfully passing a written, or written and oral, examination, prescribed by the board and devoted to basic land surveying subjects. [1971 c.751 §32]

672.260 [Amended by 1971 c.751 §27; repealed by 1971 c.753 §74]

**672.265 Rulemaking procedural requirements.** (1) Prior to the adoption of any rule or amendment or repeal of a rule, the board shall conduct a hearing thereon. The board shall cause reasonable notice of the time, place and purpose of the hearing to be given by publication in one or more newspapers

of general circulation in the state and as provided in ORS 183.335.

(2) A copy of the rules when adopted or changed by the board shall be mailed to each registrant. A copy of the rules in effect at the time shall be given to each applicant for registration under this chapter. [1971 c.751 §33; 1973 c.832 §37]

672.270 [Repealed by 1971 c.753 §74]

672.280 [Repealed by 1971 c.751 §39]

672.290 [Amended by 1971 c.751 §29; repealed by 1971 c.753 §74]

**672.300 Investigation of complaints.** The board shall carefully investigate any complaints or information relating to violations of this chapter and shall treat the complaint or information as confidential if the person filing it so requests. [Amended by 1971 c.753 §29]

**672.310 Investigation of identity of person claiming to be registered.** The board may inquire into the identity of any person claiming to be a registered professional engineer or a registered professional land surveyor and, after due service of a notice in writing, require him to prove to the satisfaction of the board that he is the person authorized to practice engineering or land surveying, as the case may be, under the certificate of registration by virtue of which he claims to be such a professional. When the board finds that a person making such a claim is not in fact the person to whom the certificate of registration was issued, it shall reduce its findings to writing and file them in its office. The findings are prima facie evidence that the person mentioned therein is falsely impersonating another of a like or different name. [Amended by 1971 c.751 §30]

672.320 [Amended by 1963 c.580 §34; 1971 c.751 §31; repealed by 1971 c.753 §74]

672.330 [Repealed by 1971 c.753 §74]

672.340 [Repealed by 1971 c.751 §39]

672.410 [Amended by 1961 c.550 §1; repealed by 1971 c.751 §39]

672.420 [Amended by 1971 c.751 §7; renumbered 672.025]

672.430 [Repealed by 1971 c.751 §39]

672.440 [Repealed by 1971 c.751 §39]

672.450 [Repealed by 1971 c.751 §39]

672.460 [Repealed by 1971 c.751 §39]

672.470 [Repealed by 1971 c.751 §39]

672.480 [Repealed by 1971 c.751 §39]

**PENALTIES**

672.990 [Repealed by 1971 c.751 §39]

**672.991 Penalties.** A person who violates a provision of ORS 672.045 shall be punished, upon conviction, by a fine of not more than \$500.

[1971 c.751 §35]

**CERTIFICATE OF LEGISLATIVE COUNSEL**

Pursuant to ORS 173.170, I, Thomas G. Clifford, Legislative Counsel, do hereby certify that I have compared each section printed in this chapter with the original section in the enrolled bill, and that the sections in this chapter are correct copies of the enrolled sections, with the exception of the changes in form permitted by ORS 173.160 and other changes specifically authorized by law.

Done at Salem, Oregon,  
on November 1, 1973.

Thomas G. Clifford  
Legislative Counsel
