Except as provided in ORS 717.040, a person, his agents or subagents shall not engage in the business of selling checks, as a service or for a fee or other consideration, unless licensed under this chapter. The business of selling checks does not, of itself, constitute banking or branch banking for the purposes of the Bank Act.

[1965 c.503 §3; 1973 c.797 §404]

717.040 When license not required. A license to sell checks is not required of:

(1) Banks, trust companies, building and loan associations and savings and loan associations.

(2) Incorporated telegraph companies to the extent they receive money for immediate transmission by telegraph.

(3) Agents or subagents of a licensee if

they are persons referred to in subsections (1) and (2) of this section and ORS 717.120. [1965 c.503 §4; 1973 c.797 §405]

717.050 Qualifications for license. An applicant for a license to sell checks shall have a net worth of at least \$100,000 computed according to generally accepted accounting principles.

[1965 c.503 §5; 1973 c.797 §406]

717.060 Content of application. An application for a license to sell checks shall be in writing, under oath and in the form prescribed by the superintendent. The application shall state the full name and business address of:

(1) The proprietor, if the applicant is an individual.

(2) Every member, if the applicant is a partnership or association, except that if the applicant is a joint stock association having 50 or more members, only the name and business address of the association and each officer and director of the association is required to be stated on the application.

(3) Every trustee and officer, if the applicant is a trust.

(4) The corporation and each officer and director of the corporation, if the applicant is a corporation.

[1965 c.503 §6; 1973 c.797 §407]

717.070 Fee, financial statement and surety bond. An application for a license to sell checks shall be accompanied by:

(1) A fee of \$250, payable to the superintendent. The fee is not refundable but if the license is granted, the fee shall apply to the license fee for the first license year.

(2) Financial statements of the applicant reasonably showing the applicant's compliance with the requirements of subsection (2) of ORS 717.050. The superintendent may require that the financial statements be certified to by an independent public accountant.

(3) A surety bond issued as provided in ORS 717.075 or by a security deposit as provided in ORS 717.080.

(4) A list of the locations at which the business is to be conducted if the bond accompanying the application is in a principal sum of less than \$150,000.

[1965 c.503 §7(1); 1973 c.797 §408]

717.075 Surety bond; requirements. (1) A surety bond accompanying an application for a license to sell checks shall be:

(a) Issued by a bonding or insurance company authorized to do business in this state;

(b) In the principal sum of \$25,000 for the first location and an additional principal sum of \$5,000, to a maximum principal sum of \$150,000, for any other Oregon location at which the applicant or his agents or subagents propose to sell checks;

(c) In a form satisfactory to the superintendent; and

(d) Payable to the State of Oregon for the benefit of any claimants against the applicant or his agents or subagents to secure the faithful performance of the obligations of the applicant and his agents or subagents with respect to the receipt, handling, transmission and payment of money in connection with the sale of checks.

(2) The surety shall give the superintendent at least 30 days' written notice before it cancels or terminates its liability under the bond.

(3) The aggregate liability of the surety shall not exceed the principal sum of the bond.

(4) Claimants against the applicant or his agents or subagents may bring suit directly on the bond, or the Attorney General may bring suit on the bond on behalf of claimants, in one action or successive actions.

[1973 c.797 §409]

717.080 Deposit of securities in lieu of surety bond. (1) In lieu of a surety bond or of any portion of the principal sum of the surety bond, the applicant may deposit with the superintendent or with a bank, trust company or national bank in this state that has been designated by the applicant and approved by the superintendent, stocks, bonds, notes, debentures or other obligations of the United States, any agency or instrumentality of the United States, this state or a city, county, school district or instrumentality of this state, or guaranteed by the United States or this state. The securities deposited as provided in this subsection shall be in an aggregate amount, based upon principal amount or market value, whichever is lower, of not less than the amount of the required surety bond or portion of the surety bond and shall be held to secure the same obligations as would the required surety bond.

(2) Securities deposited with the superintendent shall be deposited with the State Treasurer. The depositor may receive all

interest and dividends on the deposited securities. With the approval of the superintendent, the depositor may substitute other securities for those deposited.

[1965 c.503 §7(2), (3); 1973 c.797 §410]

717.084 Return of securities upon termination of license. If a license to sell checks is terminated, securities deposited under ORS 717.080 shall be returned to the licensee upon:

(1) Proof to the superintendent that all issued and outstanding checks of the licensee, his agents or subagents, have been paid;

(2) The posting by a licensee of a surety bond, in a form meeting the requirements of ORS 717.075, in an amount to be determined by the superintendent not to exceed the amount of all of the issued and outstanding checks of the licensee, his agents or subagents, which have not been paid; or

(3) Proof to the superintendent that the only checks of the licensee outstanding are those for which the purchaser, the payee or any other holder has been reimbursed and those for which the funds for their redemption have been deposited in compliance with ORS 98.302 to 98.436.

[1973 c.797 §411]

717.086 Deficient securities on bond; filing and depositing of new or supplemental bond or securities. If the superintendent determines that the bond or securities filed or deposited under ORS 717.070, 717.075 and 717.080 are insecure, deficient in amount or exhausted in whole or in part, he may by written order require the filing of a new or supplemental bond or the deposit of new or additional securities. A licensee shall comply with the order of the superintendent within 10 days following service of the order upon the licensee.

[1973 c.797 §412]

717.090 Investigation; issuance of license. (1) When an application for a license to sell checks has been filed with the superintendent and is accompanied by the fee and documents required by ORS 717.070, 717.075 and 717.080, the superintendent shall investigate the qualifications of the applicant and determine if the financial responsibility, financial condition, business experience, character and general fitness of the applicant indicate that the applicant's business will be conducted honestly, carefully and efficiently. If he determines that such qualifications

have been met, that the applicant has a net worth of \$100,000 and that the bond or deposit of securities is in the prescribed amount, he shall issue to the applicant a license to engage in the business of selling checks in this state.

(2) In conducting the investigation of an applicant, the superintendent may investigate and consider the qualifications of officers and directors of an applicant.
[1965 c.503 §8; 1973 c.797 §413]

717.100 Reports required of certain licensees. A licensee, whose surety bond or security deposit as required by ORS 717.070, 717.075 and 717.080 is in a principal sum of less than \$150,000, shall file quarterly reports with the superintendent showing the locations at which checks are sold in this state as of January 1, April 1, July 1 and October 1 in each year. The reports shall be filed with the superintendent not later than the 15th day after the end of the quarter for which the report is made. Within 10 days after the date the report is filed, the principal sum of the bond or securities shall be increased or may be decreased to reflect any increase or decrease in the number of locations at which a licensee sells checks.
[1965 c.503 §9; 1973 c.797 §414]

717.110 Fee upon issuance, renewal of license; term. Upon payment to the superintendent on or before April 15 of each year of a fee of \$250 for the first year and \$150 for each year thereafter, a license issued under this chapter shall be valid until terminated voluntarily by the licensee or revoked or suspended by order of the superintendent.
[1965 c.503 §10; 1973 c.797 §415]

717.120 Agents and subagents; license not required. A licensee may conduct his business of selling checks at one or more locations in this state through agents and subagents appointed by the licensee. Agents or subagents so appointed shall not be required to obtain a license under ORS 717.030.
[1965 c.503 §11; 1973 c.797 §416]

717.130 Liability of licensee. A licensee who sells checks, whether directly or through an agent or subagent is liable:

(1) For the payment of all checks which he sells as the maker or drawer of a similar negotiable instrument is liable under the

negotiable instrument laws of this state; and

(2) For checks on which he is not designated as maker or drawer, as if he had signed the check as drawer.
[1965 c.503 §12; 1973 c.797 §417]

717.140 Check to bear name of licensee. Every check sold by a licensee, directly or through an agent or subagent, shall bear the name of the licensee clearly imprinted thereon.
[1965 c.503 §13]

717.150 Revocation and suspension of licenses. (1) The superintendent may revoke or suspend a license on any ground that he may refuse to grant a license or for violation of any provision of this chapter.

(2) If the superintendent has reasonable cause to believe that grounds for revocation of a license exist, he may investigate the business, books and records of the licensee.
[1965 c.503 §14; 1973 c.797 §418]

717.160 Denial, revocation or suspension of license; procedure. (1) Except for non-payment of the fee required by ORS 717.110 and as provided in subsection (2) of this section, a license shall not be denied, revoked or suspended by the superintendent without opportunity for a hearing in accordance with ORS 183.415 to 183.500.

(2) If the immediate protection of the public interest so requires, a license may be suspended without a hearing in accordance with subsection (2) of ORS 183.430.

(3) An order of the superintendent denying, revoking or suspending a license issued under this chapter shall state the grounds upon which the order is based and, except for a summary order issued in accordance with subsection (2) of ORS 183.430 shall not become effective for at least 20 days after written notice of the order has been sent by registered or certified mail to the applicant or licensee at his principal place of business.

(4) Appeals from orders of the superintendent may be taken to the courts of this state as provided by ORS 183.415 to 183.500.
[1955 c.503 §15; 1971 c.734 §173; 1973 c.797 §419]
