(4) As to alien insurers, this section relates only to risks and surplus to policyholders of the insurer's United States branch.

(5) As used in this section, "surplus to policyholders," in addition to the insurer's capital and surplus, includes any voluntary reserves that are not required pursuant to law, includes the contingency reserve held for mortgage insurance as required by ORS 733.100, and shall be determined from the last sworn statement of the insurer on file with the commissioner, or by the last report of examination of the insurer, whichever is the more recent at time of assumption of risk.

In the case of a life insurer, its liability pursuant to policies issued in this state in settlement of proceeds under its policies shall likewise be so assumed.

(2) The commissioner may waive this requirement if he finds upon examination that a withdrawing insurer then is fully solvent and that the protection to be given its policyholders in this state will not be impaired by the waiver.

(3) The assuming insurer within a reasonable time shall replace the assumed insurance policies with its own, or by indorsement thereon acknowledge its liability thereunder.

(4) This section is in addition to the requirements of ORS 732.505 to 732.570.

The commissioner shall require each domestic insurer to submit affidavits, in a form prescribed by him, stating the ownership or control of such insurer for each calendar year. If the commissioner finds that such insurer is subject to the tax imposed by this section, taxes are payable for the entire calendar year in which such ownership or control is effected.

(3) If a foreign or alien insurer or a domestic insurer described in subsection (2) of this section ceases to do business or collect premiums on direct domestic risks, it thereupon shall make a report to the commissioner of its premiums subject to taxation and collected or due as of the date when it ceased to do business or collect premiums on direct domestic risks, and not theretofore reported, and shall forthwith pay to the commissioner the tax thereon.

(4) If at any time or times during the five-year period immediately following the payment of the tax as provided in subsections (1) to (3) of this section the commissioner finds the amount of payment to have been incorrect, he shall charge or credit the insurer with the difference between the correct amount of tax and the amount actually paid.

(5) The tax payable under this section is in addition to any amounts payable under ORS 731.820.

(6) This section does not apply to premiums received from:

(a) Annuity policies whether fixed or variable in nature;

(b) Wet marine and transportation insurance policies; or

(c) Policies issued by an insurer organized and operated without profit to any private shareholder or individual, exclusively for the purpose of aiding nonproprietary educational and scientific institutions.

731.820 Gross premium tax on fire insurance premiums. (1) (a) For the purpose of maintaining the office of State Fire Marshal and paying the expenses incident thereto, every insurer transacting insurance covering the peril of fire shall pay a tax to the commissioner, on or before April 1 of each year, equal to three-quarters of one percent of the gross amount of premiums received by it or its agents from such business, from and under its policies covering direct domestic risks in the preceding calendar year after deducting the amount of return premiums paid and the amount of dividend payments made to policyholders or, in the case of a reciprocal insurer, the amount of savings paid or credited to the accounts of subscribers, with respect to such policies.

(b) For the purpose of paragraph (a) of this subsection the following portions of the amounts required to be reported by line of business in the annual financial statement required by ORS 731.574 shall be considered premiums for insurance covering the peril of fire:

(A) Fire, 100 percent.

(B) Homeowners multiple peril, 65 percent.

(C) Commercial multiple peril, 50 percent.

(D) Inland marine, 20 percent.

(E) Automobile physical damage, eight percent.

(2) If an insurer ceases to do business or collect premiums on direct domestic risks, it thereupon shall make a report to the commissioner of its premiums subject to taxation as provided in subsection (1) of this section and collected or due as of the date when it ceased to do business or collect premiums on direct domestic risks, and not theretofore reported, and shall forthwith pay to the commissioner the tax thereon.

(3) If at any time or times during the five-year period immediately following the

payment of the tax as provided in subsection (1) or (2) of this section the commissioner finds the amount of payment to have been incorrect, he shall charge or credit the insurer with the difference between the correct amount of tax and the amount actually paid.

731.824 Tax on underwriting profits of wet marine and transportation insurers. (1)

Wet marine and transportation insurance written by foreign or alien insurers within this state shall be taxed only on that proportion of the total underwriting profit of such insurer from such insurance written within the United States that the gross premiums of the insurer from such insurance written within this state bear to the gross premiums of such insurer from such insurance written within the United States.

(2) The "underwriting profit," for purposes of this section, is arrived at by deducting from the net earned premiums on such insurance policies written within the United States during the calendar year:

(a) The losses incurred, and

(b) Expenses incurred, including all taxes, state and federal, in connection with such net earned premiums.

(3) The amount of "net earned premiums" on such insurance policies written during the calendar year is the sum of paragraphs (a) and (b) less paragraph (c) of this subsection.

(a) Gross premiums on such insurance policies written during the calendar year, less any and all return premiums, any and all premiums on policies not taken and any and all premiums paid for such reinsurance.

(b) Unearned premiums on such outstanding marine business at the end of the preceding calendar year.

(c) Unearned premiums on such outstanding marine business at the end of the current calendar year.

(4) "Losses incurred," as used in this section, means gross losses incurred during the calendar year under such policies written within the United States, less reinsurance claims collected or collectible and salvages or recoveries collectible from any source applicable to the such losses.

(5) "Expenses incurred" includes:

(a) Specific expenses incurred on such earned wet marine and transportation insurance premiums, consisting of all commissions, agency expenses, taxes, licenses, fees,

loss-adjustment expenses, and all other expenses incurred directly and specifically in connection with such premiums, less recoveries or reimbursements on account of or in connection with such commissions or other expenses collected or collectible because of reinsurance or from any other source.

(b) General expenses incurred on such earned premiums, consisting of that proportion of general or overhead expenses, such as salaries of officers and employes, printing and stationery, all taxes of this state and of the United States, except as otherwise provided herein, and all other expenses not chargeable specifically to a particular class of insurance, which the net premiums of such insurance written bear to the total net premiums written by such insurer from all classes of insurance written by it during the current calendar year. However, in arriving at the "underwriting profit" for purposes of taxation under this section there shall not be deducted in respect to expenses incurred, as defined and specified in paragraphs (a) and (b) of this subsection, amounts which, in the aggregate, exceed 40 percent of the gross premiums on such insurance policies.

[Formerly 745.145]

731.828 Computation of wet marine and transportation insurance tax. (1) Each insurer transacting wet marine and transportation insurance in this state shall file annually on or before April 1 with the commissioner and in the form prescribed by him, a report of all the items pertaining to its insurance business as enumerated and prescribed in ORS 731.824.

(2) Each insurer that has been writing such insurance in this state for three years shall furnish the commissioner a statement of all of the items referred to in subsection (1) of this section, in the form prescribed by him, for each of the preceding three calendar years. An insurer that has not been writing such insurance for three years shall furnish to the commissioner a statement of all such items for each of the calendar years during which it has written such insurance.

(3) On or before April 1 of each year, if the insurer has transacted such insurance for three years, the insurer shall:

(a) Ascertain the average annual underwriting profit, as provided in ORS 731.824, derived by the insurer from such insurance business written within the United States during the last preceding three calendar years.

(b) Ascertain the proportion which the average annual premiums of the insurer from such insurance written by it in this state during the last preceding three calendar years bears to the average total of such wet marine and transportation insurance premiums of the insurer during the same three years.

(c) Pay five percent on this proportion of the average annual underwriting profit of the insurer from such insurance to the commissioner as a tax upon such insurance written by it in this state during the current calendar year.

(4) The insurer each year shall compute the tax, according to the method described in this section, upon the average annual underwriting profit of such insurer from such insurance during the preceding three years, including the current calendar year. At the expiration of each current calendar year, the profit or loss on such insurance business of that year is to be added or deducted, and the profit or loss upon such insurance business of the first calendar year of the preceding three-year period is to be dropped so that the computation of underwriting profit for purposes of taxation under this section will always be on a three-year average.

(5) An insurer that has not been writing wet marine and transportation insurance in this state for three years shall, until it has transacted such business in this state for that number of years, be taxed on the basis of its annual underwriting profit on such insurance written within the United States for the current calendar year, subject, however, to an adjustment in the tax as soon as the insurer, in accordance with the provisions of this section, is enabled to compute the tax on the three-year basis.

(6) In the case of mutual insurers the insurer shall not include in the underwriting profit, when computing the tax prescribed by this section, the amounts refunded by such insurers on account of premiums previously paid by their policyholders.

(7) If at any time or times during the five-year period immediately following the payment of the tax as provided in subsection (3) or (5) of this section the commissioner finds the amount of payment to have been incorrect, he shall charge or credit the insurer with the difference between the correct amount of tax and the amount actually paid.

(8) If an insurer ceases to transact wet marine and transportation insurance in the state, it shall thereupon make report to the

commissioner of the items pertaining to such insurance business, as enumerated and described in this section, to the date of its ceasing to transact such insurance and not theretofore reported, and forthwith pay to the commissioner the taxes computed according to this section and the annual authorization fees thereon.

(4) The State of Oregon hereby pre-emptes the field of regulating or of imposing excise, privilege, franchise, income, license, permit, registration, and similar taxes, li-

censes and fees upon insurers and their agents and other representatives as such; and:

(a) No county, city, district, or other political subdivision or agency in this state shall so regulate, or shall levy upon insurers, or upon their agents and representatives as such, any such tax, license or fee; except that whenever a county, city, district or other political subdivision levies or imposes generally on a nondiscriminatory basis throughout the jurisdiction of the taxing authority a payroll, excise or income tax, as otherwise provided by law, such tax may be levied or imposed upon domestic insurers; and
