254.030 Filing copy of petition with Secretary of State before circulating; sheets for signatures; filing petition; designation of chief petitioners; preservation. (1) Before or at the time of beginning to circulate any petition for the referendum to the people on any Act or part of any Act of the Legislative Assembly, or for any law, amendment to the Oregon Constitution, city ordinance or amendment to a city charter proposed by the initiative, the persons or organizations under whose authority the measure is to be referred or initiated shall send or deliver to the Secretary of State, city clerk, recorder or auditor, as the case may be, a signed copy of such petition. Such officer shall file the signed copy in his office, and shall immediately examine it and specify the form, kind and size of paper on which such petition shall be printed for circulation for signatures. To every sheet of petitioners' signatures shall be attached a full and correct copy of the measure proposed by initiative petition; but such petition may be filed by the Secretary of State in numbered sections for convenience in handling. Each sheet of petitioners' signatures upon referendum petitions shall be attached to a full and correct copy of the measure on which the referendum is demanded. This may be filed in numbered sections in the manner of initiative petitions. Not more than 20 signatures on one sheet shall be counted. Every petition shall designate not to exceed three persons as chief petitioners, setting forth their names and mailing addresses.

(2) When any initiative or referendum petition is offered for filing the Secretary of State shall detach the sheets containing the signatures and affidavits and attach all of them to one or more printed copies of the proposed measure. If the sheets are too bulky for convenient binding in one volume, they may be bound in two or more volumes,

those in each volume to be attached to a single printed copy of the measure. If any such measure is, at the ensuing election, approved by the people, then the copies so preserved, with the sheets, signatures, affidavits and a certified copy of the Governor's proclamation declaring it approved by the people, shall be bound together so they may be conveniently identified and preserved for a period of six years. At the end of that period the sheets, signatures and affidavits may be removed for disposal. A single printed copy of the measure and the Governor's proclamation shall be preserved as a permanent public record.
