## GENERAL

**343.035 Definitions.** As used in this chapter unless the context requires otherwise:

(1) "Physically handicapped or chronically ill" means a disability which has been diagnosed by a physician licensed by the Board of Medical Examiners for the State of Oregon as permanent or which is expected to extend over a two-month period.

(2) "Handicapped children" includes all persons under 21 years of age who require special education in order to obtain the education of which they are capable, because of mental, physical, emotional or learning problems. These groups include, but are not limited to those categories that have traditionally been designated: Mentally retarded, socially or emotionally maladjusted, emotionally handicapped, blind, partially sighted, deaf, hard of hearing, speech defective, physically handicapped or chronically ill, extreme learning problems, learning disabilities, or individuals who are pregnant.

(3) "Special education" includes special instruction for handicapped children in or in addition to regular classes, special classes, special schools, special services, home instruction and hospital instruction.

(4) "Special services" includes transportation, reader service, volunteer services to enhance special education programs, special equipment, psychometric testing and such other materials and services as are approved by the Superintendent of Public Instruction. [Formerly 343 212]

**343.045 Establishing criteria for programs.** The Superintendent of Public Instruction shall establish criteria to guide the development and operation of special programs authorized by this chapter and shall apply these criteria in certifying such programs for reimbursement specifically provided by law for such programs. [Formerly 343.235; 1975 c.621 s.1]

343.050[Repealed by 1953 c.110 s.2]

**343.055 Superintendent of Public Instruction to administer special programs.** (1) The Superintendent of Public Instruction shall administer all programs

established under this chapter. Subject to the approval of the State Board of Education and the provisions of ORS 342.120 to 342.430, he shall establish rules relative to such other qualifications of teachers, supervisors, work experience coordinators, coordinators of volunteer services and trainers of volunteer personnel, courses of study, admission, diagnosis, eligibility of pupils, size of special facilities, rooms and equipment, supervision, territory to be served, and such other rules as he considers necessary to administer this chapter.

(2) Out of such funds as may otherwise be appropriated to the State Board of Education for the purposes enumerated in this section, the State Board of Education may:

(a) Purchase and prepare equipment and supplies to be loaned to school districts and county or regional special education facilities which provide approved programs for handicapped children in the public schools.

(b) Contract with and pay an educational institution, either within or without the state, for the purpose of providing educational services for children who are both deaf and blind.

343.075[1965 c.100 s.393; 1973 c.728 s.5; repealed by 1975 c.621 s.17]

**343.077 Determination of eligibility for special education; hearing on placement, transfer or denial of placement.** (1) A child shall be considered for special education upon application by the parent or legal guardian of the child or by the school district. Upon appropriate evaluation the child

may be found eligible for special education under a school district program approved under ORS 343.221. Such evaluation shall be made within a reasonable time.

(2) A child who is thought to be eligible and in need of special education by the school authorities or parents or guardians shall neither be placed in, transferred from nor be denied placement in such a program unless the administrative officers of the school district shall have promptly notified his parents or legal guardians of such proposed placement, transfer or denial, the reasons therefor, and of right to a hearing before the school board or its appointee if there is an objection to the placement, transfer or denial of placement.

[1975 c 621 ss.12,13]

343.080[Repealed by 1953 c 110 s 2]

**343.085 Tuition.** Except as provided in ORS 343.730 relating to driver instruction, no tuition shall be charged to any resident student participating in any special program authorized by this chapter.

## CHILD DEVELOPMENT

### 343.125 Child development specialist.

(1) On or before July 1, 1977, the district school board of every school district operating any elementary schools may make the services of a child development specialist available to the pupils enrolled in the elementary schools.

(2) A child development specialist shall provide primary prevention services throughout a child's environment directly or in cooperation with others:

(a) To pupils enrolled in the elementary school, with priority given at the primary level, including kindergarten, to assist them in developing positive attitudes toward themselves and others in relation to life career roles.

(b) To the professional staff of the elementary school to assist them in early identification of pupils enrolled therein with learning or developmental problems.

(c) To parents of pupils enrolled in elementary schools to assist them in understanding their children's unique aptitudes

and needs and to aid in relating home, school and neighborhood experiences.

(d) To refer pupils enrolled in the elementary school to appropriate state or local agencies for additional assistance.

(e) To coordinate resources available through the community and the school.

(3) School districts may provide the services authorized or required under this section by contract with qualified state or local programs.

[1973 c 730 s 2]

343.130[Amended by 1957 c.232 s.1, renumbered 343 910]

**343.135 State reimbursement for costs.** (1) On or before October 1, 1977, and thereafter following close of the school year for which reimbursement is claimed, any district making the services of a child development specialist available pursuant to ORS 343.125 shall file a verified claim with the Superintendent of Public Instruction for the costs incurred by the district in providing the services of the child development specialist.

(2) If the Superintendent of Public Instruction approves the application for reimbursement, he shall cause the district to be reimbursed in the amount claimed. If the moneys specifically appropriated for payment of such claims are insufficient to pay the full reimbursable amount of all approved claims for the school year, the reimbursement to each district shall be prorated according to the ratio that the total amount of funds available bears to the total amount that would be required to pay in full all approved claims for the school year.

343.140[Repealed by 1965 c 100 s 456]

### 343.145 State board guidelines; qualification for child development specialist.

(1) The State Board of Education by rule shall establish guidelines for implementation of ORS 343.125 and 343.135, including but not limited to qualifications for child development specialists and procedures for community coordination of efforts. Such qualifications and procedures shall not be limited to traditional treatment oriented disciplines or the various disciplines requiring certification.

(2) Exceptions to the qualifications established by the state board may be made if the state board determines after a hearing that an individual is capable of performing the required functions.

### 343.221 Special education required.

In order to provide special education for handicapped children, the district school board of any school district in which there are children under 21 years of age who require special education:

(1) Shall submit an annual projected activities and cost statement to the Superintendent of Public Instruction for a program of special education for the district's handicapped children.

(2) Shall provide special education for such children consistent with the projected activities and cost statement.

(3) May, when the board considers a contract to be economically feasible and in the interests of the learning opportunities of eligible children, contract for special education for such children with another school district or an intermediate education district if:

(a) The district school boards jointly agree to provide special education.

(b) The school districts within the intermediate education district approve the contract by a resolution adopted in the manner provided in subsection (2) of ORS 334.175.

(c) Any school district within the intermediate education district contracts with the intermediate education district in the manner provided in subsection (3) of ORS 334.175 for such special education.

(4) May contract with private agencies or organizations approved by the State Board of Education for special education.

(5) May use the clinical services of public agencies which provide diagnostic and evaluation services for children.

[1959 c 510 s.4 (343.211 to 343.291 and 343.990(2) enacted in lieu of 343.234 to 343.304 as compiled in 1957 Replacement Part), 1963 c 403 s 1, 1965 c 100 s 399, 1975 c.621 s.6]

**343.227 How eligibility determined; when medical or visual examination may be required.** (1) In order to receive special education, a handicapped child shall be determined eligible for such services under a school district program approved under ORS 343.045 and as provided under ORS 343.221. Eligibility requires a determination made on the advice of qualified educational and medical authorities which shall include a medical examination and parental consent as specified in ORS 343.077. However:

(a) The district school board may waive a medical examination of children whose eligibility is being considered for special education because of speech defects, learning problems or mild behavioral problems.

(b) A medical or visual examination may be required when the children have received special education but have not made satisfactory progress therein.

(2) The examinations required by subsection (1) of this section shall be given: (a) in the case of the medical examination, by a physician licensed to practice by a state board of medical examiners; and (b) in the case of the visual examination, by an ophthalmologist or optometrist licensed by a state board.

**343.236 County or regional programs.** The Superintendent of Public Instruction may provide special education on a county or regional basis without regard to county boundaries if he considers it more

economical or effective to do so. The Superintendent of Public Instruction may operate and administer a county or regional program of special education or he may delegate full responsibility for the operation and administration of the program to a school district or to the intermediate education district board, to the county school board or to the administrative school district board having jurisdiction over an entire county. A district which assumes such responsibility shall be reimbursed for the costs thereof from funds provided for special education.

343.278[1953 c.710 ss.20, 21; repealed by 1959 c.510 s.1 (343.211 to 343.291 and 343.990(2) enacted in lieu of 343.234 to 343.304 as compiled in 1957 Replacement Part)]

343.280[Repealed by 1953 c.710 s.23]

**343.281 State reimbursement; limitation on amount.** Reimbursement to all districts for operation and administration of district special education programs approved by the Superintendent of Public Instruction under ORS 343.035 and 343.221 shall be made subject to the following provisions:

(1) A district shall submit by June 30 to the Superintendent of Public Instruction an estimate of the costs of providing special education for the following school year.

(2) A district which provides special education shall file with the Superintendent of Public Instruction, on or before October 1 following the close of the school year for which reimbursement is claimed, a claim and such other information as may be required by the Superintendent of Public Instruction for reimbursement for which it is eligible for the cost of operation and administration of special education.

(3) If the Superintendent of Public Instruction approves the claim of a district for reimbursement, he shall reimburse the district in addition to the Basic School Support Fund 30 percent of the approved cost of providing special education for the school year for which reimbursement is claimed, or its equal prorated share of funds available, but not to exceed 30 percent of the district's approved cost of special education. If an intermediate education district provides the special education programs, the superintendent shall reimburse the intermediate education district 30 percent of the approved cost of providing special education for the school year for which reimbursement is claimed, or its equal prorated share of funds available, but not to exceed 30 percent of the intermediate education district's approved cost of special education.

(4) A school district which provides special education by paying tuition for an eligible, resident handicapped child to a private school for handicapped children approved by the State Board of Education and which expends more on tuition than the regular per capita cost for educating nonhandicapped pupils in the district, may claim reimbursement for the amount such special education tuition costs exceed the per capita cost of the district.

(5) Districts may not claim state reimbursement under ORS 343.035 to 343.055,

343.077, 343.221 to 343.271 and 343.281 to 343.295 for the per capita cost assessments for the education of resident handicapped pupils in a state operated or state supported school (a) under ORS 343.305 and 343.307 or (b) in cases where a per capita cost assessment is billed directly to the district.

(6) Where minimum determination of the eligibility of a child for special education requires a determination by qualified medical authorities or optometrists, as specified in ORS 343.227 or requires an evaluation under the provisions of subsection (5) of ORS 343.221, the cost of such determination may be claimed for reimbursement by the district when such cost is incurred by the district.

(7) Approved costs for special education mean all expenditures approved by the Superintendent of Public Instruction in accordance with administrative regulations established by the State Board of Education made by a school district or intermediate education district for providing instructional services for handicapped children in, or in addition to, regular classes.

(8) The cost of state supported programs for handicapped children in ORS 343.236, 343.261 and 343.271, for which operation and administration is delegated through contractual agreements to school districts, intermediate education districts or state institutions of higher learning, shall be reimbursed from funds provided for that purpose.

**343.287 State Advisory Council for Handicapped Children.** (1) There is created a State Advisory Council for Handicapped Children, consisting of not less than nine members appointed by the Superintendent of Public Instruction. Members must include parents of handicapped children, and educators of handicapped children and other per-

sons associated with or interested in the education of handicapped children. All members must be members of the local advisory councils. Members shall be representative of the geographic areas of the state. The superintendent shall consider recommendations from the local councils in making appointments.

(2) The State Advisory Council for Handicapped Children shall review aspects of the state-wide program of education of the handicapped and advise the Superintendent of Public Instruction and the State Board of Education on such programs.

(3) Terms of office shall be three years with one-third of the members being appointed each year.

(4) Out of the funds appropriated to the Department of Education, the department shall reimburse members for necessary travel and other expenses under ORS 292.210 to 292.288.

**343.293 Local advisory council on special education.** (1) Every school district, combination of districts or intermediate education district that operates or plans to operate a program of special education under ORS 343.035 and 343.221 may appoint one or more local advisory councils consisting primarily of parents of children being served in special education programs.

(2) Each advisory council shall select its own chairman and vice chairman and fix the duties of its officers.

(3) Each local advisory council shall review all aspects of the special program and report to the district school board, or boards or to the intermediate education district board. The local council shall also make recommendations to the Superintendent of Public Instruction as to appointments to the State Advisory Council for Handicapped Children.

**343.305 Computation of operating expenditures for certain programs.** (1)

The Superintendent of Public Instruction shall determine annually the operating expenditures per resident average daily membership of the educational programs operating at the Oregon State School for the Blind and at the Oregon State School for the Deaf, and of all programs operating under ORS 343.236, 343.261 and 343.960. The computation of operating expenditures shall include that portion of administrative costs connected with the school program, instruction, operation of school plant, maintenance of school plant and fixed charges associated with the school program, less tuition received and federal funds applicable to the school program.

(2) For purposes of this section and ORS 343.307:

(a) Average daily membership is the total days membership of Oregon resident pupils in an educational program referred to in subsection (1) of this section divided by total days taught.

(b) A child who has attained the age of majority shall be considered resident of that county in which he resides on the date he enrolls in the educational program. A minor child shall be considered resident of that county in which the parent or person in parental relationship to him resides on the date the child enrolls in the educational program. If the child is a ward of a court or an approved child-caring agency, he shall be considered resident of that county in which the parent or person in parental relationship to him resided on the date the child became a ward. If the residency of any child remains in question, the determination of residency for that child shall be made by the Superintendent of Public Instruction in such manner

as he considers satisfactory and such determination shall be final for purposes of administering this section and ORS 343.307. [1971 c.449 s.1; 1973 c.827 s.33]

**Note:** 343.305 and 343.307 were not added to and made a part of ORS chapter 343 by legislative action.

**343.307 Billing and payment from county school fund.** (1) Not later than March 1 of each year the Superintendent of Public Instruction shall notify the executive officer of the administrative office for the county, as defined in ORS 328.001, of the estimated cost of educating children resident of that county in one of the educational programs referred to in ORS 343.305 during the current fiscal year. The executive officer shall consider that estimate as an obligation to be met from the county school fund for the following fiscal year and shall prepare his estimate of receipts of each school district for budget purposes in recognition of that obligation.

(2) Not later than August 15 of each year the Superintendent of Public Instruction shall submit to the executive officer of the administrative office for the county, as defined in ORS 328.001, a billing for the cost of educating children resident of that county in one of the educational programs referred to in ORS 343.305 during the prior fiscal year. The executive officer shall notify the county treasurer of the billing. The county treasurer shall pay the amount of the billing from the county school fund to the Superintendent of Public Instruction not later than December 15 following that August 15. The Superintendent of Public Instruction shall deposit all moneys received by him under this subsection in the General Fund in the State Treasury to be available for payment of the general expenses of the state.

(3) The billing submitted by the Superintendent of Public Instruction under subsection (2) of this section shall be in an amount that is the lesser of:

(a) The actual cost of educating children resident of the county in one of the educational programs referred to in ORS 343.305 during the prior fiscal year; or

(b) The net operating expenditures per resident pupil in average daily membership of all school districts reporting to the administrative office for the county multiplied by the average daily membership of all pupils of the same school districts participating in the educational programs referred to in ORS 343.305. For purposes of this paragraph, net operating expenditures per resident pupil in

average daily membership shall be determined by the Superintendent of Public Instruction based upon data for the second school year prior to the year for which the billing applies.

**343.395 Definitions for ORS 343.391 to 343.401.** As used in ORS 343.391 to 343.401, unless the context requires otherwise:

(1) "Educationally able and gifted children" means those children who have demonstrated or show potential of a very high level of academic or creative aptitude.

(2) "Plan" means a written plan, including but not limited to:

(a) Clear delineation of the problems to which a given effort is designed to respond.

(b) Clear statement of the nature, quality and quantity of the yield expected from the effort, and over what time span.

(c) Alternative courses of action considered and why rejected.

(d) Federal, state, or local efforts taken into account and integrated into the proposal.

(e) Evidence of ability to evaluate results in terms of the statement submitted under paragraph (b) of this subsection.

[1959 c.528 s 2, 1963 c.570 s 22, 1965 c.100 s 409, 1971 c.613 s 2]

**343.397 Plan for improvement of instruction or curriculum for gifted children.** (1) Any school district may submit to the Superintendent of Public Instruction a written plan for the improvement of instruction or curriculum for educationally able and gifted children enrolled in the district.

(2) The Superintendent of Public Instruction may annually establish a date after which no further plans may be submitted for reimbursement under ORS 343.391 to 343.401. The Superintendent of Public Instruction shall approve plans for reimbursement. In determining which plans will be approved, the Superintendent of Public Instruction shall consider:

(a) The adequacy and type of program proposed.

(b) The number of children who will benefit by the proposed program.

(c) The availability of personnel and facilities in the school district or districts.

(d) The need for such a program in the district or districts.

(e) Whether the plan meets the requirements of ORS 343.391 to 343.401.

(f) Any other factors which will help to accomplish the purposes of ORS 343.391 to 343.401.

(3) No plan to improve instruction or curriculum for educationally able and gifted children or to improve or expand an existing program shall be approved under subsection (2) of this section unless the district submitting the plan agrees to expend for the purposes of the plan, out of district funds, an amount equal to a grant by the state to the district under ORS 343.391 to 343.401 and to submit the completed program to an independent audit.

[1959 c.528 ss 5, 6, 7; 1963 c.570 s 23, 1965 c.100 s.410, 1971 c.613 s 3]

**343.399 Prorating of state aid to local districts.** In the event that the monies specifically appropriated for the program under ORS 343.391 to 343.401 are insuffi-

cient to pay the full reimbursable amount of all approved claims in any fiscal year, the reimbursement to each district shall be prorated according to the ratio that the total amount of funds available bears to the total amount that would be required to pay in full all approved claims for the fiscal year.

[1959 c.528 s 8; 1963 c.570 s 24; 1965 c.100 s.411, 1971 c.613 s 4]

**343.401 Use of funds appropriated for ORS 343.391 to 343.401.** The funds specifically appropriated for the program under ORS 343.391 to 343.401 shall be used by the State Board of Education for reimbursement of approved claims from school districts, and for providing summer workshops, institutes, in-service programs, advanced placement programs, conferences, program evaluations, and consultant services to school districts.

### **343.425 Operating guides; approval.**

(1) The Department of Education shall prepare operating guides for early childhood education programs applicable to programs under ORS 343.415 to 343.435 that are consistent with requirements imposed by the State Board of Education for grades kindergarten through three.

(2) The Department of Education shall review applications for approval of early childhood education programs and may approve those prekindergarten programs after considering:

(a) The educational adequacy and type of program.

(b) The number of children who will be served by the program.

(c) The availability of trained personnel and facilities.

(d) The need for the program in the applying district.

**343.435 How district may provide early childhood education.** Subject to the approval of the Superintendent of Public Instruction:

(1) The district school board of any school district in which there are resident children who are three years of age or older but who have not attained compulsory attendance age and who are not enrolled in a kindergarten of the district may:

(a) Provide early childhood education for such children as part of the district's educational program; or

(b) When the board considers a contract to be economically feasible and in the interests of the learning opportunities of eligible children, contract for instruction of such children in a school district operating an approved early childhood education program, subject to such reimbursement as the districts may agree.

(2) An intermediate education district may operate an approved early childhood education program in the same manner as programs are provided under ORS 334.175 or 334.185.

Note: 343 650 to 343 680 were not added to and made a part of ORS chapter 343 by legislative action

**343.660 Facilities and services for disadvantaged children.** The district school board of any school district in which the regular school program is inadequate for the educational needs of disadvantaged children may provide facilities and services for such children during and outside of regular school hours and regular school days.

[1965 c.531 s 2, 1973 c.707 s 4, 1973 c 750 s 14]

Note: See note under 343 650

**343.670 Advance payments.** Notwithstanding the provisions of any other law, the State Board of Education may make advance payment from funds received by the Department of Education pursuant to Public Law 89-10, to school districts based on the estimated cost of any approved program or service to be provided.

[1965 c 531 s 6]

Note: See note under 343 650

**343.680 Advance payments and reimbursements to districts of 50,000 for operation and construction costs.** (1) For the purposes of carrying out the provisions of ORS 343.650 to 343.670 the Department of Education shall advance to or reimburse any common or union high school district with at least 50,000 average daily membership, as defined by ORS 327.006, from funds specifically appropriated for such purposes, such amounts as may from time to time be certified by such district as required therefor.

(2) The certificate shall specify separately (a) the amounts required for operations and (b) the amounts required for construction of special schools or centers, or additions thereto. The amounts obtained for construction shall be related to progress of construction as determined by the district.

(3) Any amounts remaining unexpended and unobligated as of June 30 of the fiscal year or biennium for which they were appropriated shall revert to the General Fund.

### STUDENT DRIVER TRAINING

**343.705 Definitions for ORS 343.705 to 343.750.** As used in ORS 343.705 to 343.750, unless the context requires otherwise:

(1) "Facility" means any facility for the deaf operated under ORS 346.010, the Hillcrest School of Oregon and the MacLaren School for Boys.

(2) "Private school" means a private or parochial high school.

(3) "Public school" means a common or union high school district and a community college district.

[1973 c 724 s 2]

**343.710 Student driver training program.** A student driver training program shall be conducted in order to facilitate the policing of the streets and highways of this state and to reduce the direct cost thereof by educating youthful drivers in safe and proper driving practices.

[1957 c.206 s 1; 1965 c 100 s 427]

**343.720 School course in automobile driver instruction; instructor's qualifications.** (1) Any private or public school or facility may offer a course in automobile

driver instruction. The course of instruction shall be devoted to the study and practice of the rules of the road, the safe and proper operation of motor vehicles, accident prevention and other matters which promote safe and lawful driving habits and reduce the need for intensive highway policing. The course shall include classroom instruction and instruction in dual control automobiles. No pupil shall participate in behind-the-wheel instruction unless he is enrolled in or has completed a course in classroom instruction.

(2) A person employed to teach a course in automobile driver instruction must meet qualifications established by the Superintendent of Public Instruction. However, a person employed to give behind-the-wheel driver instructions is not required to hold a teaching certificate under subsections (1), (2) and (3) of ORS 342.135.

[1957 c 206 s 2, 1959 c 421 s 2, 1965 c 100 s 428, 1969 c 407 s 1, 1969 c 623 s 1, 1973 c 724 s 3]

**343.730 State reimbursement.** (1) Each public school or facility offering a course in automobile driver instruction shall keep accurate records of the cost thereof in the manner required by the Superintendent of Public Instruction. Each public school or facility shall be reimbursed on the basis of the number of pupils completing the course, including any private school pupils completing the course in the public school, to the extent of the lesser of the following schedules:

(a) 90 percent of the cost of conducting the course, or if tuition is charged, 90 percent of the cost after deducting tuition; or

(b) \$50 per pupil completing the course, including any private school pupil completing the course in a public school.

(2) If funds available to the Motor Vehicles Division for the Student Driver Training Fund are not adequate to pay all approved claims in full, public schools and facilities shall receive a pro rata reimbursement based upon the ratio that the total amount of funds available bears to the total amount of funds required for maximum allowable reimbursement.

[1957 c.206 s.3; 1959 c 421 s.3, 1961 c.658 s.1, 1963 c 235 s.2, 1965 c 100 s 429, 1965 c.549 s 1, 1969 c.407 s.2, 1969 c 623 s 2, 1973 c.724 s.4]

**343.740 Student Driver Training Fund.** (1) There is created the Student Driver Training Fund. All payments required under ORS 343.710 to 343.740 and subsection (5) of ORS 482.250 and all expenses incurred in the administration of those sec-

tions shall be made to and borne by the fund.

(2) The Superintendent of Public Instruction shall annually distribute the funds available in the Student Driver Training Fund in the manner provided in ORS 343.730.

(3) The Motor Vehicles Division shall make periodic studies to determine the effectiveness of automobile driver instruction programs conducted under authority of ORS 343.705 to 343.750.

[1957 c 206 ss 4, 6, 1963 c 97 s 8, 1973 c 724 s 5, 1975 c 682 s 9]

**343.750 Contract with private driver training school.** Any school district may contract with a lawfully licensed private driver training school for the instruction of students enrolled in a driver training course in the school in the behind-the-wheel portion of such course.

[1967 c.296 s 1]

## MIGRANT CHILDREN

**343.810 Definitions for ORS 343.810 to 343.835.** As used in ORS 343.810 to 343.835, unless the context requires otherwise:

(1) "Migrant child" means a child of compulsory school age who is in the custody of migrant workers whether or not they are his parents.

(2) "Migrant worker" means an individual engaged in agricultural labor who does not regularly reside in the county in which he is performing the agricultural labor.

(3) "School district" includes intermediate education districts and state institutions

**343.815**[1961 c 502 ss 2, 3, repealed by 1963 c 570 s 33]

**343.820**[1961 c 502 s 4, repealed by 1963 c 570 s 33]

**343.825**[1961 c.502 s 5, repealed by 1963 c.570 s.33]

**343.830 Summer programs for migrant children.** School districts may establish summer programs for migrant children to supplement the regular school program and provide instruction in those educational areas in which the migrant child needs special help. The summer programs may be attended by migrant children who will attend regular school sessions in the ensuing school year.

[1961 c.502 ss 7, 8; 1963 c.570 s 31; 1965 c 100 s 431]

**343.835 Reimbursement; not subject to Local Budget Law.** School districts shall submit a proposed budget for summer programs to the State Board of Education for approval. Upon completion of the summer program the claim shall be presented to the Superintendent of Public Instruction for reimbursement which shall be made only for the actual and approved expenses incurred in the program. Expenditures made by a school district in carrying out a summer program shall not be subject to the Local Budget Law (ORS 294.305 to 294.520). [1961 c 502 s 9; 1963 c 570 s 31a; 1965 c 100 s 432]

**MISCELLANEOUS PROVISIONS**

**343.910 Homemaking and agricultural education in cities over 8,000 population.** (1) The governing body of any city of at least 8,000, according to the latest federal census, the district school board of a school district situated in whole or in part within such city, and the governing body of the county in which such city is situated, may, either singly or in combination, appropriate funds for the employment of home demonstration agents and boys' and girls' 4-H club agents to conduct educational programs among city youth and homemakers in the sciences of homemaking, agriculture and related arts and sciences.

(2) The State Board of Higher Education, through its federal cooperative extension service, may receive and administer such funds, administer all personnel and programs provided for in this section and use any funds not otherwise budgeted to cooperate with such cities, school districts and counties in carrying out this section. The funds may be provided either by special provision in the annual tax levy of such city, school district or county or by the appropriation of funds not otherwise appropriated. The funds shall be paid to the State Board of Higher Education for deposit with the State Treasurer and expenditure within such city under the supervision of the federal cooperative extension service of Oregon State University and may be used for the payment of expenses and a part of the salary of one or more home demonstration agents or 4-H club agents in accordance with a budget mutually agreed upon between the governing body of such city, school district or county and the federal cooperative extension service.
