462.020 Necessity for license of race meets and officials and persons participating in the conduct of race meets; public training track license; licensees to observe rules and orders. (1) No person shall hold any race meet without having first obtained and having in full force and effect a license therefor issued by the commission.

(2) No trainer, driver, jockey, apprentice jockey, horse owner, dog owner, exercise boy, agent, authorized agent, jockey's agent, stable foreman, groom, valet, veterinarian, horseshoer, steward, stable watchman, starter, timer, judge or other person acting as a participant or official at any race meet, including all employes of the pari-mutuel department, shall participate in race meets without having first obtained and having in full force and effect a license issued by the commission, pursuant to such rules and regulations as the commission shall make. The commission by rule may require other employes of a race meet licensee who are engaged in or performing duties at the race course to obtain a license issued by the commission prior to engaging or performing such duties. The commission by rule may also require persons, including corporations, who are not employes of a race meet licensee, but who are authorized to do business at the race course, to obtain a license issued by the commission prior to conducting such business.

(3) No person shall operate a public training track without having first obtained and having in full force and effect a license issued by the commission.

(4) The commission may require each licensee to be fingerprinted and photographed as part of the licensing procedure.

(5) Each person holding a license under this chapter shall comply with all rules, regulations and orders of the commission.

[1969 c.356 s.5; 1975 c.549 s.3]

462.030 Qualifications for eligibility of race meet operator. No person is eligible to operate a race meet with a license issued under this chapter unless he is the owner or controls the possession of a properly constructed race track suitable for the class of races which are proposed to be conducted at such race track and improved with safe and suitable grandstands, equipped with reasonably sanitary accommodations, adequate stables for livestock together with adequate fire protection equipment, and such other proper improvements as in the judgment of the commission may be required, taking into consideration the location of such race track and the probable capacity requirements to accommodate the crowd and the number of people that will reasonably be expected to occupy the grandstands and attend the race meets.

[Amended by 1955 c.336 s.1]

462.040 Race meet licenses, classes, limitations, contents. (1) Race meet licenses granted by the commission shall be limited to:

pay to the state upon the gross amount of money wagered per day and such other information as the commission may require.

(2) The commission may, in its discretion, require a performance bond in an amount not to exceed \$10,000, to insure that the licensee operates a race meet on the license days granted.

(3) The application shall be accompanied by a certified check on a bank maintaining an office and licensed to do business in Oregon in an amount equal to the license fee, exclusive of required percentage payments, required for the number of days for which the license is requested. If the license is not granted, such deposit shall be returned promptly to the applicant. If the license is granted, but for fewer days than applied for, the excess of the daily deposit shall be returned promptly to the applicant.

(4) No applicant designated in ORS 462.057 is eligible for a return of the license fee unless a race meet license is not granted.

(5) When a licensee under ORS 462.062 or 462.067 is prevented from conducting a race meet for the authorized number of days, the commission, upon written request therefor, may refund to the licensee the daily license fee based upon the number of days lost for good cause shown.
