GENERAL PROVISIONS

682.010 Definitions. As used in this chapter:

(1) "Board" means the State Board of Podiatry Examiners.

(2) "Podiatrist" means an individual who practices podiatry.

(3) "Podiatry" means the diagnosis or the medical, physical or surgical treatment of ailments of the human foot, except treatment involving the use of a general or spinal anesthetic unless the treatment is performed in a hospital certified in the manner described in subsection (2) of ORS 441.055 and is under the supervision of or in collaboration with a physician licensed to practice medicine by the Board of Medical Examiners for the State of Oregon. "Podiatry" does not include the administration of general or spinal anesthetics or the amputation of the foot.

[Amended by 1961 c 248 s.1, 1969 c 276 s.1]

682.020 License required to practice podiatry. (1) No person shall practice podiatry without first obtaining from the board a license authorizing the practice of podiatry in this state, except as otherwise provided in this chapter.

(2) It shall be deemed prima facie evidence of practicing podiatry within the meaning of this chapter if any person uses the name or title podiatrist, chiropodist, D.S.C., D.P.M., D.P., foot expert, foot specialist, foot correctionist, or any other word, abbreviation or title to his name indicating that he was or is qualified and licensed to practice podiatry.

[Amended by 1961 c.248 s.2; 1969 c.276 s.2]

682.030 Persons and practices not affected. (1) This chapter does not prevent:

(a) Any person, firm or corporation from manufacturing, selling, fitting or adjusting any shoe or appliance designed and intended to equalize pressure on different parts of the foot.

(b) The sale by licensed druggists of plasters, salves and lotions for the relief and cure of corns, warts, callosities and bunions.

(2) This chapter shall not be construed to apply to or interfere with:

(a) The practice of any person whose religion treats or administers to the sick or suffering by purely spiritual means, nor with any individual's selection of any such person.

(b) Physicians licensed by the State Board of Medical Examiners of this state, nor to surgeons of the United States Army,

Navy and United States Public Health Service, when in actual performance of their official duties.

LICENSING

682.040 Qualifications of applicants.

All applicants for a license to practice podiatry under this chapter shall:

(1) Have attained the age of 18 years.

(2) Be of good moral character.

(3) Have graduated from a podiatry school or college which, at the time of graduation of such applicants, was approved by the board.

[Amended by 1961 c.248 s 3; 1969 c 276 s 3, 1973 c 827 s.70]

682.050 Examination of applicants; issuing license; fees; reexamination. Any person desiring a license to practice podiatry shall be examined by the board in anatomy, chemistry, dermatology, diagnosis, pharmacology, pathology, physiology, therapeutics, clinical and orthopedic podiatry and such other subjects as the board may deem advisable, limited in their scope to the treatment of the human foot. If the applicant possesses the qualifications required by ORS 682.040 and passes the examination prescribed with a general average of 75 percent in all subjects, and not less than 60 percent in any one subject, he shall be issued a license by the board to practice podiatry in this state. Each applicant shall submit his application for examination and the required examination fee to the secretary of the board no later than two weeks prior to the date of the examination. Any applicant failing in the examination, and being refused a license, is entitled to a reexamination without the payment of an additional examination fee, after the expiration of six months and prior to the expiration of 12 months from the time of the examination.

[Amended by 1953 c.525 s.6; 1969 c 276 s.4]

682.055 Reciprocal licensing; use of national board examination. (1) Notwithstanding the provisions of ORS 682.050, the board may issue a license to practice podiatry without a written examination of the applicant if the applicant has a license to practice podiatry issued by a licensing agency of another state or territory of the United States and he complies with the other provisions of this chapter. Such a license shall not be issued unless the requirements, including the examination for such license are substantially similar to the requirements of this

state for a license to practice podiatry. The board shall adopt rules governing the issuance of licenses to persons applying under this section. The license may be evidenced by a certificate of the board indorsed on the license issued by the other state or territory, or by issuance of a license as otherwise provided by this chapter.

(2) The board may accept a certificate of successful examination issued by the National Board of Podiatry Examiners in lieu of a written examination given by the board.

(3) The board may require an applicant under subsection (1) or (2) of this section to take an oral examination conducted by one or more members of the board.

[1969 c.276 s.6]

682.060 Time and place of examinations. Examinations to procure a license to practice podiatry in this state shall be held annually and at such other times and places as the board shall fix.

682.065 Fees. The following schedule establishes the maximum examination and license fees for podiatrists. Actual fees, not to exceed the maximums, shall be established by the board and approved by the Budget Division of the Executive Department. The maximum fees shall be:

(1) \$100 for a written examination and issuance of a license.

(2) \$100 for a license based upon a license issued by another state or territory of the United States as authorized by ORS 682.055.

(3) \$100 for a license based upon a certificate issued by the National Board of Podiatry Examiners as authorized by ORS 682.055.

[1969 c.276 s.7]

682.070 Designation of licensees; publishing price for services prohibited.

(1) All licensees shall be designated as "registered podiatrists" and shall not use any title or abbreviation thereof without the designation "registered podiatrist," "practice limited to the foot," and shall not mislead the public as to their limited professional qualifications to treat human ailments.

(2) Any duly licensed podiatrist must pursue his profession under his name only, as it appears in his license, and not under any other name or trade name, using the title of "podiatrist" and not any other title.

(3) The term "foot specialist" may be used as an explanatory term of the title

"podiatrist" and not as a substitute therefor and not alone.

(4) No price for services shall appear in any announcement or any printed matter or on any sign, used or published by any person licensed to practice podiatry in this state.

682.080 Recording and display of licenses. All licenses shall be recorded in the same manner as other medical licenses in the office of the county clerk of the county in which the licensee practices. The clerk shall register the name and address and date of the certificate in a book kept for such purposes as a part of the records of his office. The number of the book and the page therein containing the recorded copy shall appear on the face of the certificate over the name of the clerk recording it. The person thus registered shall pay to the county clerk a fee of \$2. The absence of such record of any license claimed to be held by any person shall be prima facie evidence that no license has been issued. All licenses granted under this chapter shall be conspicuously displayed at the office or other place of practice of the licensee.

[Amended by 1971 c.621 s.41; 1975 c.607 s.45]

682.090 Renewal of licenses; fee.

Every licensed podiatrist shall reregister his license on July 1 of each year by paying to the secretary of the board a fee of \$25. If such fee is not paid by October 1 of each year the license shall be considered revoked as of October 1 of that year and shall be reissued only upon application made within three years from the date of revocation and upon payment of a restoration fee of \$50.

[Amended by 1953 c.525 s.6; 1955 c.135 s.1; 1965 c.47 s.1; 1969 c.276 s.8]

Note: Section 4, chapter 697, Oregon Laws 1975, amends 682.090, effective July 1, 1977, as follows

Sec. 4. In addition to meeting the requirements provided in section 2 of this 1975 Act [see note following 682.140], every licensed podiatrist shall reregister his license on July 1 of each year by paying to the secretary of the board a fee of \$25. If such fee is not paid or the requirements of section 2 of this 1975 Act are not met by October 1 of each year the license shall be considered revoked as of October 1 of that year and shall be reissued only upon satisfaction of the requirements provided in section 2 of this 1975 Act and application made within three years from the date of revocation and upon payment of a restoration fee of \$50

682.100 Suspension of licentiate for misconduct. The board may suspend any licentiate for a period not to exceed six months on account of any misconduct on the part of the licentiate if the misconduct would not justify a revocation of the license.

682.110 Grounds for refusal or revocation of license. The board, after due hearing, may refuse to grant or reregister and may suspend or revoke any license issued under this chapter to a person, otherwise qualified, who:

(1) Obtained such license by fraudulent representations or dishonesty in taking an examination.

(2) Is convicted of a felony, or of a misdemeanor involving moral turpitude.

(3) Has knowingly made false and deceptive statements in advertising.

(4) Has conducted his business in an unprofessional or dishonest manner.

(5) Is addicted to the liquor habit or the drug habit to such a degree as to render him unfit to practice.

(6) Wilfully or repeatedly violates any of the provisions of ORS chapter 682 or the rules and regulations of the board.
[Amended by 1953 c.525 s.6; 1969 c 276 s.9]

682.115 License denial procedure; review of board orders. (1) Where the board proposes to refuse to issue or renew a license, or proposes to revoke or suspend a license, opportunity for hearing shall be accorded as provided in ORS 183.310 to 183.500.

(2) Judicial review of orders under subsection (1) of this section shall be as provided in ORS 183.310 to 183.500.

Note: Sections 2 and 3, chapter 697, Oregon Laws 1975, take effect July 1, 1977, and provide.

Sec. 2. (1) Except as provided in subsection (2) of this section, any podiatrist at the time he submits the annual fee required under ORS 682.090 shall submit evidence satisfactory to the board of his successful completion of an approved program of continuing podiatry education, if any, in the 12-month period preceding the date on which the fee is submitted.

(2) The board may exempt a podiatrist from the requirements of subsection (1) of this section upon an application showing by evidence satisfactory to the board that the podiatrist was unable to comply with the requirements because of unusual or extenuating circumstances

Sec. 3. (1) Any person seeking approval of a program of continuing education to assist podiatrists in meeting the requirements of subsection (1) of section 2 of this 1975 Act shall submit to the board, at such times as the board may require, copies of such courses of study and proof of such other qualifications as the board may require.

(2) The board may approve any program or category of programs which can be used to satisfy the continuing education requirements of subsection (1) of section 2 of this 1975 Act.
