21.460 Reporter's per diem.

Whenever, in a cause in the circuit court, either party, or the parties jointly, shall request the taking of notes of the proceedings, as provided in ORS 8.340, or the judge upon his own motion orders the taking of such notes, there shall be charged to the litigants, as a reporter's fee, a per diem of \$20 for each day the reporter is actually in attendance for more than a half day. In cases occupying a half day or less, there shall be charged \$10 per diem. The clerk of the court shall collect the reporter's fees from the party requesting the services of the reporter, but when the services are required by the judge upon his own motion, the clerk shall collect the reporter's fees from the parties, and each party shall pay an equal proportionate share thereof. All sums so

collected shall be turned into the treasury of the county. The reporter's fees shall be taxable as costs in the case.

[Amended by 1961 c.446 §1; 1975 c.607 §10]

21.470 Transcript fees. (1) The fees of the official reporter of the circuit court for preparing transcripts on appeal as provided in ORS 8.350 shall be not more than \$1.50 per page for the original copy, such page to consist of 25 lines with margins of one and one-half inches on the left-hand side and one-half inch on the right-hand side, not more than 25 cents per page for one copy of the original, and not more than 20 cents per page for each additional copy, and shall be paid forthwith by the parties or party for whose benefit ordered, and when paid shall be taxed as other costs in the case; provided, that when the defendant in any criminal cause who has perfected an appeal from judgment against him presents to the judge satisfactory proof, by affidavit or otherwise, that he is unable to pay for such transcript, the judge, if in his opinion justice will be thereby promoted, may order the transcript to be made; and in all cases where transcript shall be ordered by the court, where not asked by the parties, the same shall be paid for out of the county treasury in the same manner as provided in ORS 8.390 for the payment of per diem compensation.

(2) Where the court provides personnel to prepare transcripts from audio recordings of court proceedings the transcript fees provided in subsection (1) of this section shall be paid to the clerk of the court.

[Amended by 1959 c.446 §1, 1971 c.565 §15, 1973 c.195 §1]

REFEREES' FEES

21.510 Referees' fees. The fees of referees shall be fixed by the court, but the parties may agree in writing upon any other rate of compensation and thereupon such rate shall be allowed.

LIABILITY FOR AND PAYMENT OF FEES

21.560 Exemption of governmental units and public corporations, and their officers, from filing and appearance fees. Neither the State of Oregon, nor any county, school district, municipal corporation or other public corporation therein, nor any officer of any such public political division or corporation, appearing in his representative capacity,

shall be required to pay the fees prescribed in CRS 21.110.

21.570 Exemption of state and counties from trial fees. When the state or any county therein is a party to a judicial proceeding, it need not pay the trial fee prescribed in ORS 21.310, but if it is entitled to recover costs therein, the fee shall be allowed and taxed as a disbursement, and collected off the adverse party as in ordinary cases.

[Amended by 1965 c.619 §17; 1967 c.398 §6]

21.580 Exemption of state, county or city from certain fees. Except as provided in ORS 182.040, 182.050 and 182.060, none of the fees fixed by ORS 21.270, 21.375 or 205.320 for services in the circuit court shall be collected from the state, or from the county or city in which the court is located.

[Amended by 1965 c.619 §18]

21.590 Necessity for payment of trial and district attorney fees. Parties to judicial proceedings are required to contribute towards the expense of maintaining courts of justice, or a particular action, suit, or proceeding therein, by the payment of the trial and district attorney fees provided for in this chapter.

21.600 When and by whom trial fee to be paid in circuit and county courts; exemption of indigents; fee as disbursement. (1) The trial fee prescribed in ORS 21.310 is to be paid by the plaintiff, appellant or moving party, before he is entitled to or can claim the trial or other proceeding upon which the fee is imposed. If the party paying such fee prevails in the action, suit or proceeding, so as to be entitled to recover costs therein, the fee shall be allowed and taxed as a disbursement, and collected off the adverse party.

(2) If at any time it appears to the satisfaction of the court or judge thereof, from the affidavit of the party or other evidence, that he cannot pay the trial fee, the court or judge may direct that he be allowed to proceed without the prepayment thereof; but if such party prevails so as to be entitled to collect costs, the fee shall be taxed as a disbursement, and when collected off the adverse party shall be retained by the clerk as if paid in advance.

[Amended by 1965 c.619 §19; 1967 c.398 §7]

21.605 Waiver of fees and costs for indigents; payment by State Court Administrator. (1) A circuit, district or justice's court, the Court of Appeals and the Supreme Court, upon application of a party thereto, shall waive all filing fees, service fees and

court costs applicable to the particular suit or proceeding if the court finds that the party is unable to pay such fees and costs. Nothing in this section shall prevent the court having jurisdiction over the case from ordering either party to pay such fees and costs. No filing fee shall be required for the application of waiver of such fees and costs.

(2) If the fees or costs for a party to a civil case are waived under subsection (1) of this section, the court may also order that the expense of preparing the record and transcript on appeal be paid by the State Court Administrator and the same shall be paid when authorized by the State Court Administrator. If costs are awarded to a party for whom the State Court Administrator has paid expenses under this subsection, any portion of the costs awarded for the expense of preparing the record and transcript on appeal shall be ordered in favor of the State Court Administrator.

(3) In a case where the fees and costs are waived or paid as set forth in this section, judgment shall be rendered as in other cases, but the state shall not be liable for the payment of any costs or fees so awarded.

In the circuit court in counties having a population of more than 400,000, according to the latest federal decennial census, other than in the probate department of the court, all fees pertaining to the trial and those for entering judgment or decree, including making and filing the judgment roll, shall be charged to, and paid by the plaintiff or appellant in the first instance. The clerk shall enter in the register described in ORS 7.020, in addition to the entries required by that section, under the date of service, the charge for each service rendered and performed, for which a fee is prescribed in ORS 21.375 or 205.320 for services in the circuit court, other than the probate department, and also all sums of money paid or advanced by each party on account of fees. 21.660 Advance payment of, or security for, fees for services in court proceedings. Except as provided in ORS 20.140, and except the fees for which advance payment or a deposit is otherwise required by law, every officer, witness, or other person required to do or perform any act or service for any party to any action, suit or proceeding in a court of justice in this state shall be entitled to demand and receive from such party the compensation which the law allows therefor in advance; but a party may at his option pay the fees of the officers of the court in advance, or give such officers an undertaking with sufficient sureties therefor. The fees secured to the officers, or any of them, by any party to the judgment or decree, may be collected by an execution against the property of such party and that of his sureties in the undertaking therefor. Such officers' execution may issue in the name of the clerk as plaintiff in the writ, and for the benefit of all officers to whom fees are so due and secured, whenever an execution might issue to enforce the judgment or decree at the instance of the prevailing party.
