This subsection applies to written accounts maintained in or by facilities of the Corrections Division only to the extent that the written accounts concern the medical, dental or psychiatric treatment as patients of those under the jurisdiction of the Corrections Division.

(3) If the patient, or in the case of his incompetence, his legal guardian, gives voluntary and informed consent, the content of any written account referred to in subsection (2) of this section shall be released accordingly, if the consent is in writing and is signed and dated by the patient and sets forth with specificity the following:

(C) Release of the information would compromise the privacy of a confidential source.

However, a written statement of the denial and the reasons therefor shall be entered in the individual's record.

(8) A provider may require a person requesting disclosure of the contents of a written account under this section to reimburse the provider for the reasonable costs incurred in searching files, abstracting if requested and copying if requested. However, a patient shall not be denied access to written accounts concerning him because of inability to pay.

(9) No written account referred to in subsection (2) of this section may be used to initiate or substantiate any criminal, civil, administrative, legislative or other proceedings conducted by federal, state or local authorities against the patient or to conduct any investigations of the patient. If the patient, as a party to an action, suit or other judicial proceeding, voluntarily produces evidence regarding an issue to which a written account referred to in subsection (2) of this section would be relevant, the contents of that written account may be released for use in the proceeding.

(10) Information obtained in the course of diagnosis, evaluation or treatment of a patient which, in the professional judgment of the provider indicates a clear and immediate danger to others or to society may be reported to the appropriate authority. A decision not to disclose information under this subsection shall not subject the provider to any civil

liability. Nothing in this subsection shall be construed to alter the provisions of ORS 146.750, 146.760 and 418.750 to 418.762 and 418.765 to 418.775.

(11) The prohibitions of this section shall apply to written accounts concerning any individual who has been treated by any provider irrespective of whether or when he ceases to receive treatment.

(3) Upon the death of any person who is or has been a person at a state institution, his estate shall not be liable for the cost of care and maintenance of the person as computed under ORS 179.701.

[1959 c.652 §2; 1961 c.501 §1; 1973 c.823 §§122, 158]

179.630 [1959 c.652 §3 (1); 1963 c.598 §1; 1967 c.549 §3; repealed by 1973 c.546 §13]

179.635 [1969 c.257 §§2, 3, 4, 5; 1971 c.750 §3; repealed by 1973 c.546 §13 and 1973 c.806 §2a; amended by 1973 c.827 §22]

179.640 Determination of ability to pay. (1) The division shall determine by order whether the person at the state institution or his estate is financially able to pay for the care and maintenance at the state institution as required by ORS 179.610 to 179.770. If the division determines the person or his estate is able to pay, in whole or in part, for the care and maintenance at the state institution, the division shall make its order fixing the extent of the liability. The division in determining the ability of the patient to pay for cost of care shall consider the needs of the patient for funds for his support after release. Thereafter,

from time to time or within three years from the date of discharge the division may modify its order made under this subsection to recognize a change in the ability of the person to pay. Where the person refuses to disclose fully the information needed by the division to make a determination of ability to pay, the division may use the best information available, including personal income tax returns.

(2) If the person is discharged from the institution before the determination of the extent of liability can be made by the division, the division may make its determination after the person's discharge. Orders entered under subsection (1) of this section shall be limited to 36 months after the date of discharge. The division may collect beyond the 36-month period amounts which became due within the 36-month period. Any remaining balance for full cost of care shall be collected as provided in ORS 179.620.

(3) If any person against whom the division has an order or a modified order under subsection (1) or (2) of this section desires a hearing before the division, he shall make a request to the division in writing within 60 days from the date of the mailing of the order. The request shall state the grounds upon which the petitioner believes the division's determination of liability or ability to pay is in error. A hearing shall be held in the county in which the petitioner resides or in a county agreed upon by both the petitioner and division. If no hearing is requested, the order made under subsection (1) or (2) of this section is final, unless subsequently modified by the division as provided in subsection (1) of this section.

(4) The division may direct subpoenas to be issued to any witness to appear and adduce evidence and produce records for the purpose of determining the financial ability of the person at the state institution or his estate to pay.

[1959 c.652 §4; 1961 c.501 §2; 1967 c.549 §4; 1973 c.806 §3a; 1973 c.823 §§123, 159]

179.643 Guidelines in determining ability to pay. The division shall establish guidelines for determinations under ORS 179.640 and, in addition to other relevant factors, may consider the probable duration of residency at a state institution as a factor in determining the ability of the person in a state institution or his estate to pay, in whole or in part, for his care and maintenance.

[1969 c.257 §8; 1973 c.546 §4]

179.645 [1967 c.534 §32; repealed by 1973 c.806 §14]

179.650 Appeal from order declaring financial ability; order effective until modified. (1) An appeal may be taken to the circuit court from an order of the division made after a hearing under subsection (3) of ORS 179.640, within 60 days after the date of the making of the order, and from the circuit court to the Court of Appeals in the manner provided by law for appeals from the circuit court.

(2) An order declaring the financial ability of the person at the state institution or his estate to pay for his care and maintenance under ORS 179.640 shall remain in full force and effect, unless modified by subsequent court or division orders.

[1959 c.652 §5; 1967 c.549 §5; 1969 c.591 §295; 1973 c.546 §5; 1973 c.806 §5a]

179.653 Unpaid costs as lien on property. If any person at a state institution or his estate refuses to pay for the cost of that person as ordered by the division under ORS 179.640, the amount unpaid and interest thereon shall be a lien in favor of the State of Oregon upon the property and rights to the property, whether real or personal, belonging to the person. The lien shall arise as each payment is due under the order and shall continue until the liability with interest is satisfied.

[1973 c.806 §9a]

Note: 179.653 and 179.655 were enacted into law by the Legislative Assembly and made a part of ORS chapter 179 but not any series therein by legislative action. See the Preface to Oregon Revised Statutes for further explanation.

179.655 Enforcement of lien. (1) If any amount due the division for the cost of care of a person at a state institution is not paid within 30 days after it becomes due, and no provision is made to secure the payment by bond, deposit or otherwise pursuant to rules promulgated by the division, the division shall issue a warrant under its hand and official seal directed to the sheriff of any county of the state commanding him to levy upon and sell the real and personal property of the taxpayer found within his county, for the payment of the amount due, with interest, collection charge and the sheriff's cost of executing the warrant, and to return the warrant to the division and pay to it the money collected by virtue thereof by a time to be therein specified, not less than 60 days from the date of the warrant.

(2) The sheriff shall, within five days after the receipt of the warrant, file with the clerk of his county a copy thereof, and there-

upon the clerk shall enter in the judgment docket, in the column for judgment debtors, the name of the person mentioned in the warrant, and in appropriate columns the amount for which the warrant is issued and the date when such copy is filed. Thereupon the amount of the warrant so docketed shall become a lien upon the title to and interest in property of the taxpayer against whom it is issued in the same manner as a judgment duly docketed in the office of such clerk. The sheriff thereupon shall proceed upon the same in all respects, with like effect and in the same manner prescribed by law in respect to executions issued against property upon judgment of a court of record, and shall be entitled to the same fees for his services in executing the warrant, to be added to and collected as a part of the warrant liability.

(3) In the discretion of the division a warrant of like terms, force and effect may be issued and directed to any agent of the division, and in the execution thereof the agent shall have all the powers conferred by law upon sheriffs, but is entitled to no fee or compensation in excess of actual expenses paid in the performance of such duty.

(4) If a warrant is returned not satisfied in full, the division shall have the same remedies to enforce the claim as if the people of the state had recovered judgment against the person for the amount due.

[1973 c.806 §§10, 11, 12]

Note: See note under 179.653.

179.660 Guardian or conservator for estate of person in certain institutions. If a guardian or conservator of the estate has not been appointed for the person mentioned in ORS 179.640 who has been committed or who has been admitted to an institution for the mentally ill or mentally deficient, the division shall request, and the district attorney of the county of which the person is a resident, or was a resident at the time of commitment or admittance, shall institute proper proceedings in the court having probate jurisdiction, for the appointment of a guardian or a conservator for the estate of the person if necessary.

179.670 [1959 c.652 §7; 1969 c.591 §296; 1973 c.546 §6; repealed by 1973 c.806 §14]

179.690 [1959 c.652 §9; repealed by 1973 c.546 §13]

179.700 [1959 c.652 §10; 1961 c.639 §1; 1965 c.182 §1; repealed by 1967 c.549 §1 (179.701 enacted in lieu of 179.700)]

179.701 Determination of reimbursement rates. The reimbursement rates for care of persons in state institutions shall be determined by the Mental Health Division of the Department of Human Resources and shall be established so that the rates are reasonably related to current costs of the institutions. Current costs shall exclude costs not directly related to the cost of care of persons at state institutions and costs of operating educational programs and outpatient services at state institutions.

[1967 c.549 §2 (enacted in lieu of 179.700); 1973 c.806 §6]

179.710 [1955 c.5 §1; renumbered 179.510]

179.711 Remittance of amounts due; refunds. (1) Remittance of amounts due for care and maintenance of persons at state institutions as provided in ORS 179.610 to 179.700 shall be made to the director of the division in accordance with rules and regulations established by the division.

(2) The division shall authorize the refund of any unearned advance payments for the care and maintenance of persons at any of the state institutions in those cases where payments have been made in advance and the person has died or is discharged or paroled before the end of the month for which such payment is made. Any authorized refund shall be paid to the person who had been institutionalized or to his estate if he has died. The Secretary of State shall audit all claims for refunds approved by the division and shall draw his warrant on the State Treasurer in payment thereof in favor of the person entitled thereto, payable from the General Fund of the State Treasury. Such amounts as are determined to be necessary for the payment of such refunds hereby are appropriated from the money collected under the provisions of ORS 179.610 to 179.770.

[1959 c.652 §11; 1963 c.193 §1; 1973 c.546 §8]

179.720 [1955 c.5 §2; renumbered 179.520]

179.721 Collection of delinquent amounts due. In all cases where an order is entered by the division or the court against the person at a state institution or his estate under the provisions of ORS 179.610 to 179.770, and delinquency in the payment of any amounts due the State of Oregon under such order continues for a period of more than 30 days, upon notification of any such delinquency, by the division, the district attorney of the county wherein the judgment is entered or, in the case of a division order, the district attorney of the county where the responsible person resides shall proceed to collect the

amounts due by appropriate proceedings. The funds so collected by the district attorney shall be forwarded by him at once to the director of the division, together with a statement showing by whom paid and for what person at a state institution.

[1959 c.652 §13; 1973 c.546 §9]

179.730 [1955 c.5 §3; renumbered 179.530]

179.731 Waiver of collection of amounts payable. In any case where the division determines that collection of the amounts payable under ORS 179.610 to 179.770 for the care and maintenance of a person at a state institution would be detrimental to the best interests of the person or the division, the division, in its discretion, may waive the collection in whole or in part of the amount otherwise payable under ORS 179.610 to 179.770.

[1959 c.652 §§16, 17, 18; 1961 c.501 §3; 1973 c.546 §10; 1973 c.806 §7a]

179.740 Collection of amounts due from estates. (1) The division may present and file a claim for any support money under subsection (3) of ORS 179.620 in a proceeding upon the administration of the estate of any deceased person who was at a state institution in like manner as other claims of creditors are filed and with such priorities as are provided in ORS 115.125.

(2) The division may petition any court of competent jurisdiction for the issuance of letters of administration or testamentary in the estate of any such person who was at a state institution who did not pay the full amount of cost of his care and maintenance as determined by ORS 179.701 and under the laws applicable to prior years. However, the division shall not file a petition under this subsection until at least 90 days after the death of the person who was at the state institution and then only in the event that the person's estate is not otherwise being probated.

(3) The division may compromise any claim against the estate of a deceased person who was at a state institution during the pendency of the probate proceeding by accepting other security therefor or in any other manner deemed equitable. The division may waive payment of any such claim in a case in which it finds that the enforcement thereof in whole or in part would be inequitable.

(4) The division is not entitled under ORS 179.610 to 179.770 to recover amounts which exceed, in the aggregate, the total cost of care and maintenance of the deceased person as

computed under ORS 179.701 and under the laws applicable to prior years.

[1959 c.652 §§16, 17, 18; 1961 c.501 §4; 1969 c.591 §297; 1973 c.546 §11]

179.750 Equal care and treatment for persons in state institutions. (1) No discrimination shall be made in the admission, accommodation, care, education or treatment of any person in a state institution because of the fact that the person does or does not contribute to the cost of his care and maintenance in whole or in part.

(2) No discrimination shall be made in the provision of educational facilities and services and recreational facilities and services to any person in the state institutions enumerated in subsection (2) of ORS 179.321 on the basis of race, religion, sex, marital status or national origin of the person. This subsection shall not require combined domiciliary facilities at the state institutions enumerated in subsection (2) of ORS 179.321.

[1959 c.652 §19; 1973 c.546 §12; 1977 c.363 §1]

(2) Subject to any applicable provision of the State Merit System Law, the division may employ such persons as are necessary to carry out the provisions of ORS 179.610 to 179.770.

(3) All money received by the assistant director for the division under the provisions of ORS 179.610 to 179.770 shall be deposited daily with the State Treasurer for credit to the General Fund.
