**288.010 Definitions for ORS 288.010 to 288.110.** As used in ORS 288.010 to 288.110, unless the context otherwise requires:

(1) "Fiscal agency" means the bank or trust company in New York designated pursuant to ORS 288.020.

(2) "Subdivision" means a municipal corporation, quasi-municipal corporation or civil subdivision in this state.

**288.020 Designating banking institution as fiscal agency; qualifications; duration.** (1) The Governor may designate some well-known and responsible bank or trust company in the City and State of New York having a paid-up capital and surplus of not less than \$5 million as fiscal agency for payment of the bonds and coupons issued by this state or by any subdivision, that are by their terms made payable in the City and State of New York. The appointment when so made shall continue for a period of four years unless sooner revoked by the Governor for valid and sufficient reasons.

(2) Until its successor has been appointed, the bank or trust company named shall act as the fiscal agency of the State of Oregon in the City of New York, in accordance with such terms as shall be agreed upon between the Governor and the agency. The fiscal agency shall act as custodian of such securities owned by the State of Oregon as the State Treasurer shall specify.

(3) If no such bank or trust company is willing to accept appointment as fiscal agency, or if the Governor considers unsatisfactory the terms under which such a bank or trust company is willing so to act, the bonds and bond interest coupons payable at the fiscal agency in the City and State of New York shall thereupon become payable at the State Treasury or at the office of the treasurer or fiscal officer of the subdivision concerned, as the case may be.

**288.030 Notice of appointment of agent; bonds and coupons payable at agency.** The State Treasurer shall, immediately after the establishment of the fiscal agency, publish a notice thereof in some financial newspaper of general circulation in the City and State of New York, for two weeks. Thereafter all bonds and coupons of this state or of any subdivision therein which

by their terms are payable in New York City shall be paid at the fiscal agency.

**288.040 Remitting funds by state and local treasurers to pay bonds and coupons.** Unless otherwise provided by law, the State Treasurer and the treasurer or other fiscal officer of every affected subdivision shall remit to the fiscal agency, before the maturity of any bonds or coupons payable at the fiscal agency in New York City, sufficient moneys out of any funds in the hands of any such treasurer or other fiscal officer applicable to such purpose, for the redemption of such bonds or coupons.

[Amended by 1967 c.220 §1]

**288.050 Notice of receipt of funds.** Upon the receipt of any funds by the fiscal agency, the agency shall notify the officers from whom the funds were received that the funds have been received.

**288.060 Return of canceled bonds and coupons.** (1) After payment of the bonds or coupons issued by a subdivision for which the funds were remitted by the treasurer or other fiscal officer of the subdivision, the bonds or coupons shall be canceled and returned to the officer from whom the funds were received, not less often than quarterly by January 15, April 15, July 15 and October 15 of each year.

(2) After payment of the bonds or coupons issued by this state for which funds were remitted by the State Treasurer, the bonds or coupons shall be canceled and held for destruction under ORS 288.120.

[Amended by 1975 c.462 §3]

**288.070 Release of treasurers from liability for funds remitted.** Neither the State Treasurer nor the treasurer or other fiscal officer of any subdivision shall be held responsible for funds remitted to the fiscal agency. The acknowledgment of the receipt of such funds, for which canceled bonds and coupons have not been returned, shall be a voucher to such treasurer in any settlement.

**288.080 Fiscal agency to furnish statements.** The fiscal agency shall render on the first business day in January, April, July and October of each year, to the State Treasurer for the state account and to each fiscal officer concerned, for the account of the subdivision of which he is such officer, an accurate statement showing the daily balances of the money on deposit for the quarter next preceding. Like statements shall be furnished, when requested in writing by the Governor or State

Treasurer, by successors to fiscal officers concerned, by auditors duly authorized to examine the accounts of the State Treasurer or of such fiscal officers, or by their legal representatives.

**288.090 Postage and express costs.**

Postage and express costs shall be proper charges against the state or subdivision therein for which they are incurred and shall be paid to the fiscal agency and in turn be allowed the treasurer or other fiscal officer in his settlement.

**288.100 Certain bond issues not affected.** Nothing in ORS 288.010 to 288.110 shall be construed to affect any bond issues existing on May 20, 1911, or on February 17, 1943, that by their provisions are made payable at a fiscal agency in the City of New York designated before February 17, 1943. However, if desired by the holder, such bond issues and the interest thereon may be paid at the regular fiscal agency appointed in accordance with ORS 288.020.

**288.110 Civil liability of treasurers failing to comply with law.** If the State Treasurer or the treasurer or other fiscal officer of any subdivision neglects or refuses to perform the duties imposed by ORS 288.010 to 288.110, he shall be liable to the holder of any bonds or coupons aggrieved by such neglect, in a sum, recoverable in an action at law against such treasurer and his bondsmen, for twice the amount of the face value of any such bonds or coupons as are dishonored on account of the neglect or refusal of such officer to comply with the provisions of ORS 288.010 to 288.110.

Thereafter, the State Treasurer shall destroy them. The State Treasurer shall prepare a list of the bonds and coupons destroyed and shall maintain a certificate signed by him that the bonds and coupons described therein were destroyed by him on the date of the certificate.

(2) When the principal and interest upon bonds issued by this state must be paid at the office of the fiscal agency or may be paid at either the office of the fiscal agency or the

State Treasurer, bonds and interest coupons surrendered upon payment shall be destroyed by the fiscal agency. Bonds and interest coupons that must be destroyed by the fiscal agency under this subsection that are surrendered to the State Treasurer upon payment shall be sent in due course by the State Treasurer to the fiscal agency for destruction.

(3) The fiscal agency shall destroy paid bonds and interest coupons under subsection (2) of this section not earlier than one year after the date upon which those bonds and coupons are surrendered on payment. For each occasion on which bonds or coupons are destroyed, the fiscal agency shall prepare a destruction certificate for bonds and a separate destruction certificate for coupons. A destruction certificate shall contain a list of the bonds or coupons destroyed, the date of destruction and the signature of an authorized agent of the fiscal agency, and shall be filed with the State Treasurer.

(4) The fiscal agency is responsible for proper payment and disposition of all bonds and coupons, and for any duplicate payments, payments to unauthorized persons and non-payment to authorized persons occurring as a result of destruction of bonds or coupons under this section.

(2) To determine whether or not a saving will be effected, consideration shall be given to the interest to fixed maturities of the refunding bonds and the bonds to be refunded, the costs of issuance of the refunding bonds, the redemption premiums, if any, to be paid and the known earned income from the invest-

ment of the refunding bond proceeds pending redemption of the bonds to be refunded.

Except as provided in ORS 288.625, in making determinations under this section the State Treasurer shall consider all relevant factors, including the purposes for which the refunding plan is adopted, the terms of the refunding plan, the effects (if any) of applicable federal laws and the views of recognized experts in the field.

(2) In any advance refunding plan created pursuant to ORS 288.605 to 288.695, the governing body shall provide, irrevocably in the ordinance authorizing the issuance of the advance refunding bonds, for the redemption of the bonds to be refunded not later than six months from the date they are first subject to redemption.  
[1977 c.536 §7]

**288.640 Redemption of advance refunding bonds.** (1) The ordinance authorizing the issuance of advance refunding bonds pursuant to ORS 288.605 to 288.695 shall contain a provision that the advance refunding bonds shall be subject to redemption not later than 10 years from date of the refunding bonds or six months after the first date on which the bonds to be refunded may be redeemed, whichever is later.

(2) If more than one issue or series of bonds are being refunded by a single issue or series of advance refunding bonds, the advance refunding bonds shall be subject to redemption not later than 10 years from date of issue of the refunding bonds or six months after the first date on which the series or issue of bonds being refunded having the latest first redemption date may be redeemed.

(3) The governing body may fix any redemption premium or premiums as it may in its discretion determine advisable.  
[1977 c.536 §8]

**288.645 Limit on advance refunding amount.** Advance refunding bonds shall not be issued in a principal amount in excess of the minimum principal amount necessary:
