(1) "Land," "real estate" and "real property" include the land itself, above or under water; all buildings, structures, improvements, machinery, equipment or fixtures erected upon, under, above or affixed to the same; all mines, minerals, quarries and trees in, under or upon the land; all water rights and water powers and all other rights and privileges in any wise appertaining to the land; and any estate, right, title or interest whatever in the land or real property, less than the fee simple.

(2) Where the grantor of land has, in the instrument of conveyance, reserved or conveyed:

(a) Any of the timber standing upon the land, with the right to enter upon the ground and remove the timber, the ownership of the standing timber so reserved or conveyed is an interest in real property.

(b) The right to enter upon and use any of the surface ground necessary for the purpose of exploring, prospecting for, developing or otherwise extracting any gold, silver, iron, copper, lead, coal, petroleum, gases, oils or any other metals, minerals or mineral deposits in or upon the land, such right is an interest in real property.

307.020 Definition of personal property; inapplicability to certain entities covered by ORS 308.505 to 308.665. (1) "Intangible personal property" or "intangibles" means and includes money at interest, bonds, notes, claims, demands and all other evidences of indebtedness, secured or unsecured, including notes, bonds or certificates secured by mortgages; all shares of stock in corporations, joint stock companies or associations; media constituting business records, computer software, files, records of accounts, title records, surveys, designs, credit references, and data contained therein. "Media" includes, but is not limited to, paper, film, punch cards, magnetic tape and disk storage.

(2) Unless otherwise specifically provided, "personal property" or "personal estate," as used in the laws of this state relating to assessment and taxation of property as such, means "tangible personal property" as defined in subsection (3) of this section.

(3) "Tangible personal property" means and includes all chattels and movables, such as boats and vessels, merchandise and stock in trade, furniture and personal effects, goods,

Goods imported from outside the United States, owned by the importer, are exempt from taxation for assessment years beginning on or after January 1, 1970, but prior to January 1, 1976, while in the original form or package in which they were imported; provided that such goods have not, at the time of assessment, been committed to the importer's current operational needs, or resold by the importer.

Sec. 2. (1) Goods that have entered upon the process of exportation to a point outside the United States are exempt from taxation for assessment years beginning on or after January 1, 1970, but prior to January 1, 1976.

If, for any assessment years beginning on or after January 1, 1970, but prior to January 1, 1976, a taxpayer who filed a return, statement, affidavit or other document with the appropriate county assessor claiming certain personal property was not subject to taxation because it was in the process of export within the meaning of Clause 2, Section 10, Article I of the United States Constitution, and the assessor did not place the property on the then current assessment roll, then such property is exempt from taxation for the applicable assessment years.

Sec. 4. (1) Any assessment of property that is exempt under this Act is invalid and the assessment and tax shall be deemed canceled, regardless of whether the assessment predated the effective date of this Act [October 4, 1977]. has approved the exemption pursuant to subsection (4) of this section.

(2) Any nonprofit corporation shall meet the following requirements:

(a) The corporation shall be organized for the principal purpose of acquiring interest in land for development for public parks or public recreation purposes;

(3) If any property which is exempt under this section subsequently becomes disqualified for such exemption or the exemption is not renewed as provided in subsection (4) of this section, it shall be added to the next general property tax roll for assessment and taxation in the manner provided by law.

(4) (a) Before any property shall be exempt under this section, on or before April 1 of any year the corporation owning or purchasing such property shall file an application for exemption with the county assessor. Within 10 days of filing in his office, the assessor shall refer each application for classification to the granting authority, which shall be the governing body of a county for real property located outside the boundaries of a city and the governing body of the city for real property lying within the boundaries of the city. Within 60 days thereafter, the application shall be granted or denied and written notice given to the applicant and to the county assessor. In determining whether an application made for exemption under this section should be approved or disapproved, the granting authority shall weigh the benefits to the general welfare of granting the proposed exemption to the property which is the subject of the application against the potential loss in revenue which may result from granting the application.

(J) Affect any other factors relevant to the general welfare of preserving the current use of the property,

the granting authority shall not deny the application solely because of the potential loss in revenue which may result from granting the application.

(c) The granting authority may approve the application for exemption with respect to only part of the land which is the subject of the application; but if any part of the application is denied, the applicant may withdraw the entire application.

(d) The exemption shall be granted for a 10-year period and may be renewed by the granting authority for additional periods of 10 years each at the expiration of the preceding period, upon the filing of a new application by the corporation with the county assessor on or before April 1 of the year following the 10th year of exemption. The assessor shall refer the application to the governing body as provided in paragraph (a) of this subsection, and within 30 days thereafter, the governing body shall determine if renewing the exemption will continue to serve one of the purposes of paragraph (b) of this subsection. Within 30 days after referral, written notice shall be given to the applicant and to the county assessor of the determination made by the governing body.

(5) Any nonprofit corporation aggrieved by the refusal of the granting authority to grant or renew an exemption under subsection (4) of this section may, within 60 days after written notice has been sent to the corporation, appeal from the determination of the

granting authority to the Oregon Tax Court. The appeal should be perfected in the manner provided in ORS 306.545. The provisions of ORS 305.405 to 305.500 shall apply to such appeals.

notified may secure such exemption, if still qualified, by making application therefor to the county assessor not later than May 1 of the current year, accompanied by a late-filing fee of \$10 which shall be deposited in the general fund of the county for general governmental expenses. If the claim for any year is not filed within the time specified, the exemption shall not be allowed on the assessment roll of that year.

Except as provided in subsection (3) of this section, claims for exemptions under subsection (2) of ORS 307.250 shall have annexed thereto the certificate last issued by United States Veterans' Administration or the branch of the Armed Forces of the United States, as the case may be, but dated within three years prior to the date of the claim for exemption, certifying the rate of disability of the claimant. The exemption shall first apply to the homestead of the veteran or widow and then to his or her personal property. Real property of the wife of any such veteran where they are living together and occupying the same as their homestead shall be deemed the homestead of the veteran. When any such veteran or widow applies for exemption on properties in two or

more counties, the total amount of the exemption allowed in all such counties shall not exceed \$7,500.

(b) The corporation shall determine the amount of true cash value that each resident

of a nonprofit home who would have qualified for an exemption under ORS 307.250 to 307.300 would have had exempted if the living unit of such elderly person was his homestead and owned in fee simple, using the first \$7,500 of true cash value of the living unit for the veteran or veteran's widow. The duplicate forms shall be completed and signed by the resident-applicant and filed with the assessor on or before the date required by law.

(c) The assessor shall process each such application in the manner otherwise required under ORS 307.250 to 307.300, except for the requirement of owning or purchasing a homestead. Not later than December 15 of each year, a corporation, which has received a real property exemption for the current year under ORS 307.370 to 307.380, shall credit the account of each resident of a facility whose living unit was taken into account in determining the real property exemption in an amount equal to the amount of real property taxes which would have been assessed and collected against the corporation for that portion of the true cash value of such living unit included in computing the corporation's exemption. The county assessor shall furnish the corporation with such information as is necessary for the corporation to make such computation. Prior to the following February 1, the corporation shall satisfy the assessor that credit has been given each applicable resident as required by this section. If the corporation fails to satisfy the assessor that the applicable resident has received the credit, he must deny it any property tax exemption under ORS 307.370 to 307.385 or

(2) Before any exemption from taxation under this section is allowed for any year, the person claiming the exemption shall file with the county assessor, on or before April 1 each year, a statement verified by oath or affirmation of the claimant, listing the property claimed to be exempt and showing the purpose for which such property is used. Statements shall be in a form prescribed by the Department of Revenue and furnished by the assessor. The exemption shall be allowed only if the taxpayer is a corporation organized under ORS chapter 61 or 62, or any predecessor to ORS chapter 62 relating to incorporation of cooperative associations, or is a subsequent transferee of such a corporation. If the subsequent transferee is organized under other than ORS chapter 61 or 62, the exemption shall only be allowed if the transfer occurs after the expiration of five years from the date of original certification by the commission.

The transferee may apply for a new certificate under ORS 468.170, but the number of years of ad valorem tax exemption that may be claimed by the transferee is the remainder of the exemption period specified in subsection (3) of this section.

(5) If the facility also functions to prevent pollution from operations conducted on other property owned or leased by the taxpayer the Environmental Quality Commission shall state in its certification of the facility the percentage of the facility used to prevent pollution from such qualifying trade or business conducted on such qualifying property. The exemption from ad valorem taxes under this section shall be limited to such percentage of the value of the facility.

The county clerk shall record the certificate in the county record of deeds, upon presentation by the assessor. Each year thereafter to continue such exemption, the taxpayer must file not later than April 1 a statement with the county assessor, on a form prescribed by the Department of Revenue and furnished by the assessor, stating that the ownership of all property included in the certificate and its use remain unchanged.

(1) Upon compliance with subsection (2) of this section, student housing shall be exempt from all ad valorem taxes levied by a school district, an intermediate education district or a community college district. As used in this subsection "student housing" means housing owned by a nonprofit corporation which is, (a) rented exclusively to students or faculty members of any educational institution, public or private, which offers at least a two-year program acceptable for full credit towards a baccalaureate degree, (b) rented upon a nondiscriminatory basis, without regard to race, creed, color or national origin, (c) the articles of incorporation of which corporation provide that on dissolution or liquidation, its right, title and interest in and to all accommodations and facilities with respect to which exemption is sought will be conveyed to the educational institution or institutions whose students are served thereby, and all its other remaining assets will be conveyed to one or more organizations exempt from federal income tax under Section 501 (c) (3) of the Internal Revenue Code, (d) the corporation has made legally enforceable arrangements to convey its interest in any property with respect to which exemption is claimed hereunder to the educational institution or institutions whose students are served thereby upon final payment of the mortgage indebtedness incurred in connection with the construction or acquisition thereof, and (e) the rents, charges, development costs and methods of operation of which are regulated by federal or state law. The renting of the property for safekeeping purposes during the summer months shall not disqualify the property from the exemption granted by this section. No part of the rent paid by a tenant of housing described in this subsection shall be considered as rent constituting property taxes, and no refund or credit for any part of such rent paid shall be allowed under ORS 305.515, 310.630 to 310.657, 310.677 to 310.690 and 310.700 to 310.712.

(2) The nonprofit corporation shall apply to the assessor for the exemption on or before April 1 of each year in which the exemption is claimed, on forms prescribed by the Department of Revenue. The exemption claim shall include a certification by the university, college or community college attended by a majority of the student occupants that the property is being used for student housing

during the current school year. Once an exemption has been granted, future applications need not show the exact property description of the property or the articles of incorporation so long as the legal description of the property or the articles of incorporation are unchanged.

(3) A fraternity, sorority or cooperative housing organization may qualify for the exemption provided by subsection (1) of this section if all the requirements of subsection (1) of this section except paragraphs (c), (d) and (e) thereof are met, provided that any of its housing accommodations not occupied by members of the organization shall be open to occupancy by students not members of or affiliated with the organization, on a nondiscriminatory basis, without regard to race, creed, color or national origin, under rules or conditions set by the school.

(4) If a fraternity, sorority or cooperative housing organization does not qualify for exemption under subsection (1) of this section, it shall qualify as the "homestead" of the students occupying the premises for purposes of ORS 305.515, 310.630 to 310.657, 310.677 to 310.690 and 310.700 to 310.712 and that portion of the monthly charge for room (including utilities), as distinguished from charge for board, shall constitute rent upon which occupants may claim a credit or refund under ORS 305.515, 310.630 to 310.657, 310.677 to 310.690 and 310.700 to 310.712. Payments by either students or nonstudents for occupancy of the premises during the summer months shall qualify as rent for purposes of ORS 305.515, 310.630 to 310.657, 310.677 to 310.690 and 310.700 to 310.712.

[1973 c.822 §1]

(Art Objects)

307.470 Certain art objects; continuation of exemption during consignment. (1) For tax years beginning after October 5, 1973, and ending prior to the date specified in subsection (2) of ORS 310.608, art objects shall be exempt from ad valorem taxation:

(a) If the art objects have been created or are created by an artist living on October 5, 1973; and

(b) If the art objects are on consignment to an art gallery; and

(c) Only during the life of the artist who created the art objects; and

(d) Only while the artist who created the art objects owns the art objects.

(2) Any art object exempt from taxation under subsection (1) of this section on the date of the death of its owner shall continue to be exempt from ad valorem taxation while such art object is on consignment to an art gallery during each tax year beginning after the date of the death of such owner and ending prior to the date specified in subsection (2) of ORS 310.608.

(3) As used in this section, "art gallery" means an establishment engaged in the display and sale of art objects.

[1973 c.486 §1]

(Hardship Situations)

307.475 Relief when failure to file for exemption or cancellation of taxes was for good cause. (1) Any taxpayer may apply to the Director of the Department of Revenue for a recommendation that the value of certain property be stricken from the assessment roll and that any taxes assessed against such property be stricken from the tax roll on the grounds of hardship.

(2) As used in this section, "hardship" means a situation where property is subject to taxation but would have been exempt had there been a timely filing of a valid claim for exemption or cancellation of assessment, and where the failure to make timely application for the exemption or cancellation was by reason of good and sufficient cause.

(3) An application to the director for a recommendation of tax relief on the grounds of hardship must be made not later than December 15 of the year in which the failure to claim the exemption or cancellation of assessment occurred, or within three months from October 5, 1973, whichever is the later.

(4) If the director, in his discretion, finds that tax relief should be granted on the grounds of hardship, he shall send his written recommendation to the assessor of the county in which the property is located. If the assessor agrees with the recommendation, he shall note his approval thereon and transmit the recommendation to the county governing body. The county governing body may accept or reject the recommendation in whole or in part, but may not increase any recommended relief. If the county governing body approves relief, it shall send an appropriate order to the person in charge of the roll to either (a) strike all or a portion of the assessment, (b) strike all or a portion of taxes on the tax roll, or (c) issue a refund of taxes already paid. A refund of

taxes paid shall be treated as any refund granted under ORS 311.806.

[1973 c.218 §1]

(Farm Labor Camps; Day Care Centers)

307.480 Definitions for ORS 307.480 to 307.510. As used in ORS 307.480 to 307.510 unless the context requires otherwise:

(3) "Farm labor camp" means any place, area or piece of land where sleeping places or camping grounds are owned or maintained:

(a) By a person engaged in the business of providing sleeping places or camping grounds for employes or prospective employes of another person if the employes or prospective employes are or will be engaged in agricultural work; or

(b) In connection with any work or place where agricultural work is being performed, whether the sleeping places or camping grounds are owned or maintained by the employer or by another person.

(4) "Rental" means the net amount of income from the eligible day care center or from the eligible farm labor camp after deduction of costs attributable to utilities, garbage disposal, repairs and replacement of fixtures and furniture.

[1973 c.382 §1]

[1973 c.382 §2]

307.490 Payments in lieu of taxes; disposition of moneys received. (1) In lieu of real and personal property taxes, each nonprofit corporation eligible for a tax exemp-

tion under ORS 307.485 shall pay to the treasurer of the county on or before November 15 an amount equal to 10 percent of the rentals for the period ending the preceding October 15, submitting with the remittance a form supplied by the Department of Revenue stating the rental and certifying compliance with the requirements of the State Fire Marshal, local health officer or Children's Services Division, as applicable.

(2) The treasurer shall, with the assistance of the assessor, allocate the money received by him under subsection (1) of this section, to the districts in which the exempt property is located in the same proportion that the tax rate for the current tax year for each district bears to the total tax rate for all districts.

(3) The moneys received by the district shall be considered as a budget resource for the next ensuing fiscal year.

[1973 c.382 §3]

307.495 Filing claim with assessor; contents of claim. (1) Each nonprofit corporation claiming exemption under ORS 307.485 shall file with the county assessor a written claim therefor in five copies on or before April 1 of each year in which the exemption is claimed, except that when the property designated is acquired after March 20 and before July 1, the claim shall be filed within 30 days after acquisition.

(2) The claim shall designate the property to which the exemption may apply, shall state the facts which make the property eligible within the definitions of ORS 307.480, and shall certify that the eligible farm labor camp or eligible day care center is, to the best of taxpayer's knowledge, in compliance with the requirements of the State Fire Marshal, the health code for farm labor camps or is a certified day care center.

(3) No exemption shall be allowed for any year subsequent to the first unless the corporation submits to the assessor details as to the rentals for the prior year and proof that the payments required by ORS 307.490 have been made.

(1) Immediately upon receipt of the claim or any subsequent rental statement, the county assessor shall promptly transmit one copy of the claim to the Department of Revenue. eligible farm labor camp for which the claim is made is subject to verification and modification by the Department of Revenue.

(2) The county assessor shall promptly transmit one copy of each claim or statement for exemption to the State Fire Marshal for verification of compliance with applicable laws and rules and regulations relating to safety from fire. If the State Fire Marshal refuses such verification, the county assessor shall deny the claim and cause the nonprofit corporation to be billed for the real and personal property taxes it would otherwise be liable to pay.

(3) The county assessor shall promptly transmit one copy of each claim or statement for exemption of an eligible farm labor camp to the appropriate authority under the Oregon Safe Employment Act for verification of compliance with the health code for farm labor camps. That authority shall refuse to verify compliance if the farm labor camp does not comply with the health code applicable to it or if access to the camp for inspection has been denied him or his authorized representative. If verification is refused, the county assessor shall deny the claim and cause the nonprofit corporation to be billed for the real and personal property taxes it would otherwise be liable to pay.

(4) If the claim or statement or any part thereof applies to property used for an eligible day care center, the county assessor shall promptly transmit a copy to the Children's Services Division for verification of certification. If the division refuses such verification, the county assessor shall deny the claim and cause the nonprofit corporation to be billed for the real and personal property taxes it would otherwise be liable to pay.

[1973 c.382 §5]

307.505 Inspection of farm labor camps; effect of failure to comply with health code. The appropriate authority under the Oregon Safe Employment Act shall cause an inspection to be made of any farm labor camp that has filed for an exemption at any time prior to August 15. If the conditions of the camp would not justify verification of compliance with the health code for farm labor camps, even though verification has been made under ORS 307.500, he shall notify the county assessor who shall cancel the exemption and cause the owner to be billed for the real and personal property taxes he would otherwise be liable to pay.

[1973 c.382 §7]

(Multiple-Unit Housing in Core Areas)

307.600 Legislative findings. The legislature finds that it is in the public interest to stimulate the construction of rental housing in the core areas of Oregon's urban centers to improve the balance between the residential and commercial nature of those areas, and thus, to insure full-time use of these areas as places where citizens of the community have an option to live as well as work. The legislature further finds that cities of this state should be enabled to establish and design programs to attract new development of rental housing in their core areas based on the incentive of a local property tax exemption, which is authorized under ORS 307.600 to 307.690. Such programs shall emphasize the development of vacant or under-utilized sites in the core areas, rather than sites where sound or rehabilitable multiple-unit rental housing exists, and shall result in the construction of units at rental rates accessible to a broad range of the general public.

[1975 c.428 §2]

307.605 "Multiple-unit housing" defined. As used in ORS 307.600 to 307.690 "multiple-unit housing" means newly constructed structures having 24 or more rental dwelling units not designed or used as transient accommodations and not including hotels and motels, but including such design elements benefiting the general public as specified by the city pursuant to ORS 307.650.

[1975 c.428 §1]

307.610 Applicability of ORS 307.600 to 307.690 generally; cities to hold public hearings; cities to adopt standards and guidelines for considering applications.

(1) ORS 307.600 to 307.690 apply to multiple-unit rental housing constructed after July 1, 1975, and completed on or before January 1, 1980, in cities which adopt, after a public hearing and determination pursuant to subsection (3) of this section, by resolution or ordinance, the provisions of ORS 307.600 to 307.690. The tax exemption provided by ORS 307.600 to 307.690 only applies to the tax levy

of a city which adopts the provisions of ORS 307.600 to 307.690, except that the tax exemption shall apply to the tax levy of all taxing districts when upon request of the city which has adopted the provisions of ORS 307.600 to 307.690, the rates of taxation of taxing districts whose governing boards agree by resolution to the policy of providing tax exemptions for multiple-unit rental housing as provided in ORS 307.600 to 307.690, when combined with the rate of taxation of the city which adopts the provisions of ORS 307.600 to 307.690, equal 51 percent or more of the total combined rate of taxation levied on the property which is tax exempt under ORS 307.600 to 307.690.

(2) The city shall designate an area in proximity to the central business district, within which it proposes to allow exemptions provided for under the provisions of ORS 307.600 to 307.690.

(3) The city shall, prior to passage of a resolution or ordinance electing to utilize the provisions of ORS 307.600 to 307.690, hold a public hearing in order to determine whether multiple-unit housing meeting the qualifications of subsection (4) of this section would not otherwise be built in the designated area without the benefits provided by ORS 307.600 to 307.690.

(4) Prior to accepting project applications under ORS 307.600 to 307.690, cities shall promulgate standards and guidelines to be utilized in considering applications and making the determinations required by ORS 307.650. The standards and guidelines shall establish policy governing basic requirements for an application, including but not limited to:

(a) Existing utilization of proposed project site, including justification of the elimination of any existing sound or rehabilitable housing.

(b) Design elements.

(c) Rental rates.

(d) Extensions of public benefits from the project beyond the period of the exemption.

[1975 c.428 §3]

307.620 Applicability of ORS 307.600 to 307.690 in certain cities. In cities with a population of over 300,000, exemption shall apply only to multiple-unit housing constructed on land with an assessed valuation of \$8 per square foot or more on September 13, 1975, or land within a designated urban

renewal or redevelopment area formed pursuant to ORS chapter 457.

[1975 c.428 §4]

307.630 Duration of ad valorem exemption; exclusions from exemption. Multiple-unit housing which qualifies for exemption under ORS 307.600 to 307.690, shall be exempt from ad valorem taxation for 10 successive years beginning January 1 of the year immediately following the calendar year in which construction is completed, determined by that stage in the construction process when, pursuant to ORS 307.330, the improvement would have gone on the tax rolls in the absence of the exemption provided for in ORS 307.600 to 307.690. However, the exemption shall not include the land or any improvements not a part of the multiple-unit housing. The exemption provided by ORS 307.600 to 307.690 shall be in addition to any other exemption provided by law.

[1975 c.428 §5]

307.640 City to provide application forms; contents of application form; filing deadline; revision of application. An owner desiring an exemption under ORS 307.600 to 307.690 shall first apply to the city on forms supplied by the city. The application shall describe the property for which an exemption is requested, set forth the grounds supporting the requested exemption and be verified by oath or affirmation of the applicant. Application shall be made on or before September 1 of the calendar year immediately preceding the first assessment year for which exemption is requested, and shall be accompanied by the application fee required by ORS 307.660. The city may permit the applicant to revise an application prior to final action by the city.

[1975 c.428 §6]

307.650 Approval of application for exemption; findings to be made by city. The city may approve the application if it finds that:

(1) The owner has agreed to include in the construction as a part of the multiple-unit housing one or more design elements benefiting the general public as specified by the city, including but not limited to open spaces, parks and recreational facilities, common meeting rooms and day care facilities.

(2) The proposed construction project is or will be, at the time of completion, in conformance with all local plans and planning regulations, including special or district-wide plans developed and adopted pursuant to ORS

chapters 197 and 227, which are applicable at the time the application is approved.

(3) The owner has complied with all standards and guidelines adopted by cities pursuant to subsection (4) of ORS 307.610.

[1975 c.428 §7]

307.660 City to approve or disapprove within 180 days of filing of application; city to adopt ordinance or resolution exempting property; city to state in writing reasons for denial of exemption; application fees. (1) The city shall approve or deny an application filed under ORS 307.650 within 180 days after receipt of the application. An application not acted upon within 180 days shall be deemed approved.

(2) Final action upon an application by the city shall be in the form of an ordinance or resolution that shall contain the owner's name and address, a description of the subject multiple-unit housing, either the legal description of the property or the assessor's property account number, and the specific conditions upon which the approval of the application is based. On or before April 1 following approval, the city shall file with the county assessor and send to the owner at his last-known address a copy of the ordinance or resolution approving or disapproving the application. In addition, the city shall file with the county assessor on or before April 1 a document listing the same information otherwise required to be in an ordinance or resolution under this subsection, as to each application deemed approved under subsection (1) of this section.

(3) If the application is denied, the city shall state in writing the reasons for denial and send notice of denial to the applicant at his last-known address within 10 days after the denial.

(4) The city, after consultation with the county assessor, shall establish an application fee in an amount sufficient to cover the cost to be incurred by the city and the assessor in administering ORS 307.600 to 307.690. The application fee shall be paid to the city at the time the application for exemption is filed. If the application is approved, the city shall pay the application fee to the county assessor for deposit in the county general fund, after first deducting that portion of the fee attributable to its own administrative costs in processing the application. If the application is denied, the city shall retain that portion of the application fee attributable to its own administra-

tive costs and shall refund the balance to the applicant.

[1975 c.428 §8]

307.670 Termination of exemption; contents of notice. (1) If, after an application has been approved under ORS 307.600 to 307.690, the city finds that construction of multiple-unit housing was not completed on or before January 1, 1980, or that any provision of ORS 307.600 to 307.690 is not being complied with, or any provision required by the city pursuant to ORS 307.600 to 307.690 is not being complied with, the city shall give notice to the owner, mailed to the owner's last-known address, of the proposed termination of the exemption. The notice shall state the reasons for the proposed termination and shall require the owner to appear at a specified time, not less than 20 days after mailing the notice, to show cause, if any, why the exemption should not be terminated.

(2) If the owner fails to show cause why the exemption should not be terminated, the city shall adopt an ordinance or resolution stating its findings terminating the exemption. A copy of the ordinance or resolution shall be filed with the county assessor and a copy sent to the owner at his last-known address, within 10 days after its adoption.

[1975 c.428 §9]

307.680 Review of denial of application or termination of exemption; correction of assessments and tax rolls; owner's appeal of valuation; effective date of termination of exemption. (1) Review of a denial of an application under ORS 307.660, or of the termination of an exemption under ORS 307.670, shall be as provided by ORS 34.010 to 34.100.

(2) If no review of the termination of an exemption as provided in subsection (1) of this section is affected, or upon final adjudication, the county officials having possession of the assessment and tax rolls shall correct the rolls in the manner provided for omitted property under ORS 311.207 to 311.213, to provide for the assessment and taxation of any property for which exemption was terminated by the city or by a court, in accordance with the finding of the city or the court as to the assessment year in which the exemption is first to be terminated. The county assessor shall make such valuation of the property as shall be necessary to permit such correction of the rolls. The owner may appeal any such valuation in the same manner as provided for appeals under ORS 311.207 to 311.213. Where there has been a failure to comply with ORS

307.670, the property shall become taxable beginning January 1 of the calendar year in which the noncompliance first occurred. Any additional taxes becoming due shall be payable without interest if paid in the period prior to the 16th of the month next following the month of correction. If not paid within such period, the additional taxes shall be delinquent on the date they would normally have become delinquent if timely extended on the roll or rolls in the year or years for which the correction was made.

[1975 c.428 §10]

307.690 Extension of deadline for completion of construction. Notwithstanding any provision of ORS 307.670, if the city finds that construction of the multiple-unit housing was not completed by January 1, 1980, due to circumstances beyond the control of the owner, and that the owner had been acting and could reasonably be expected to act in good faith and with due diligence, the city may extend the deadline for completion of construction for a period not to exceed 12 consecutive months.

[1975 c.428 §11]

(Free Port; Foreign Trade Zones)

307.810 Exemption of personal property in transit (free port). (1) Personal property in transit through this state is goods, wares and merchandise destined for sale in the ordinary course of trade or business, manufactured or produced outside the state and brought into the state for transshipment to an out-of-state destination (other than the county of origin), while being so shipped or while held in public or private storage awaiting further shipment. Such property is deemed to have acquired no situs in Oregon for purposes of taxation. Such property shall not be deprived of exemption because while in the warehouse the property is assembled, bound, joined, disassembled, divided, cut, broken in bulk, labeled, packaged, relabeled or repackaged. The exemption granted shall be liberally construed to effect the purposes of ORS 307.810 to 307.990.

(2) Personal property within this state as mentioned in ORS 307.020 shall not include personal property in transit through this state as defined in this section.

[1959 c.659 §1]

307.820 Designation of property on records of warehouse. (1) All property claimed to be "no situs" under ORS 307.810 to 307.990, shall be designated as being "in

transit" upon the books and records of the warehouse wherein the same is located, or in lieu thereof and at the election of the taxpayer a percentage allocation to "in transit" property may be made by allocating a portion of total inventory, using that percentage determined by dividing total out-of-state shipments from the warehouse during the preceding year by total shipments from the warehouse during such year. If a percentage allocation is elected, adequate books and records shall be maintained for the inspection whereby the percentage and amount of property designated as "in transit" may be readily verified.

(2) If the percentage method of determining "in transit" property is not used, the books and records of the warehouse shall contain a full, true and correct inventory of all such property, together with the date of the receipt of the same, the date of the withdrawal of the same, the point of origin thereof and the point of ultimate destination thereof, if known.

(3) The books and records of any such warehouse with reference to any such "in transit" property shall at all times be open to the inspection of all taxing authorities of the State of Oregon and of any political subdivision thereof.

[1959 c.659 §2; 1965 c.395 §1]

307.830 Necessity of filing statement to secure exemption. On or before April 1 of each year, any person, partnership, association or corporation claiming that any property described under ORS 307.810 had a "no situs" status as of January 1 of that year shall file a written statement with the county assessor of the county in which the warehouse is located, on a form prescribed by the Department of Revenue. The statement shall set out the basis of the claim and designate the property to which the claim is made, and shall include a certificate of the person, partnership, association or corporation storing the property as to the status on its books of the property involved. If the statement is not filed within the time specified, the exemption shall not be allowed for that year.

[1959 c.659 §3]

307.840 Property reconsigned to final destination in Oregon. If any such property is reconsigned to a final destination in the State of Oregon, the warehouseman shall file a monthly report with the county assessor of the county in which the warehouse is located, in the form and manner prescribed by the Department of Revenue. For each year the property would have been taxed except for the provisions of ORS 307.810 to 307.990, all such

property so reconsigned shall be assessed and taxed as otherwise provided by law, including (but not limited to) assessment as omitted property pursuant to ORS 311.207 to 311.213.
[1959 c.659 §4]

307.850 Foreign trade zones. Any port organized under the laws of this state or any dock commission of any city of this state may apply to the United States for permission and may establish, operate and maintain foreign trade zones within or without their boundaries.

[1965 c.278 §1]

PENALTIES

307.990 Penalties. If any person shall wilfully deliver any statement to the officer charged with assessment of property for tax purposes in his county containing a false statement of a material fact, whether it be an owner, shipper, his agent, or a storageman or warehouseman of his agent, he shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine of not more than \$500 or by imprisonment in the county jail for not more than six months.
