(1) "Hearings officer" means a planning and zoning hearings officer appointed or des-

igned by a city council under ORS 227.165.

(2) "Permit" means discretionary approval of a proposed development of land, under ORS 227.215 or city legislation or regulation. [1973 c.739 §6; 1975 c.767 §5]

227.165 Planning and zoning hearings officers; duties and powers. A city may appoint one or more planning and zoning hearings officers, to serve at the pleasure of the appointing authority. Such an officer shall conduct hearings on applications for such classes of permits and zone changes as the council designates. [1973 c.739 §7, 1975 c.767 §6]

227.170 Hearing procedure. The city council shall prescribe one or more procedures for the conduct of hearings on permits and zone changes. [1973 c.739 §8; 1975 c.767 §7]

227.173 Basis for decision on permit application; statement of reasons for grant or denial. (1) Approval or denial of a discretionary permit application shall be based on standards and criteria, which shall be set forth in the development ordinance and which shall relate approval or denial of a discretionary permit application to the development ordinance and to the comprehensive plan for the area in which the development would occur and to the development ordinance and comprehensive plan for the city as a whole.

(2) Approval or denial of a permit application shall be based upon and accompanied by a brief statement that explains the criteria and standards considered relevant to the decision, states the facts relied upon in rendering the decision and explains the justification for the decision based on the criteria, standards and facts set forth.

(3) Written notice of the approval or denial shall be given to all parties to the proceeding. [1977 c.654 §5; 1979 c.772 §10b]

(2) The hearings officer shall hold at least one public hearing on the application and within 60 days after receiving it deny or approve it. However, at the option of either the city or the applicant, the proceeding on the application may be extended for a reasonable

period of time, as determined by the hearings officer.

(3) The application shall not be approved unless the proposed development of land would be in compliance with the comprehensive plan for the city. The approval may include such conditions as are authorized by ORS 227.215 or any city legislation.

(4) Hearings under this section may be held only after notice to the applicant and other interested persons. [1973 c.739 §§9,10; 1975 c.767 §8]

The appellate authority on its own motion may review the action. The procedure for such an appeal or review shall be prescribed by the council, but shall include a hearing at least for argument. Upon appeal or review the appellate authority shall consider the record of the hearings officer's action. That record need not set forth evidence verbatim.

(2) A party aggrieved by the final determination in a proceeding for a discretionary permit or zone change may have the determination reviewed under sections 4 to 6, chapter 772, Oregon Laws 1979. [1973 c.739 §§11,12; 1975 c.767 §9; 1979 c.772 §12]

(2) A city may plan and otherwise encourage and regulate the development of land. A city may adopt an ordinance requiring that whatever land development is undertaken in the city comply with the requirements of the ordinance and be undertaken only in compliance with the terms of a development permit.

The council shall not restrict construction where site slope and tree cover make incident solar energy collection unfeasible, except an existing solar structure's sun plane shall not be substantially impaired.

(3) The powers given in this section shall be so exercised as to preserve constitutional rights. [Amended by 1979 c.671 §4]
