**Note:** Sections 1 to 8, chapter 836, Oregon Laws 1977, provide:

**Sec. 1.** As used in sections 2 to 7 of this Act

(1) "Major political party" has the meaning given that term in ORS 248 010

(2) "Minor political party" means an affiliation of electors representing an organization that has filed an affidavit with the Secretary of State setting forth the name and address of the chairman and political treasurer of the party and the name and address of any other officers of the party and:

(a) Had on the date of the preceding general election at least 5,000 registered party members within the state; or

(b) Polled for any one of its candidates for a state, county or federal office in the preceding general election a number of votes equal to not less than five percent of the votes cast within that electoral district for all candidates for Representative in Congress.

(3) "Political party" means any minor or major political party.

**Sec. 2.** (1) An individual whose state income tax liability for a taxable year is \$1 or more may designate that \$1 shall be paid to the Oregon political party fund for payment to the political party designated. In a joint return of husband and wife having an income tax liability of \$2 or more, each spouse may designate that \$1 shall be paid to the election campaign fund for payment to the political party designated

(2) The Department of Revenue, on the face of the individual income tax return form, shall provide a place where an individual may make the designation provided by this section next to the name of a major political party. A space shall also be provided for the individual to make a written designation of a minor political party to receive the contribution. The form shall adequately explain the individual's option to designate \$1 be paid to the fund for the political party of his choice and that the designation does not increase tax liability or decrease the refund of the individual.

(3) This section shall apply to taxable years beginning on or after January 1, 1977, but before January 1, 1981.

**Sec. 3.** There is established in the General Fund of the State Treasury an Oregon political party fund consisting of all money transferred to it under this section. Notwithstanding ORS 316.502, the Director of the Department of Revenue shall transfer to the fund an amount equal to the total amount designated by individuals to be paid to the fund under section 2 of this Act

**Sec. 4.** (1) Not less than once each calendar quarter, moneys in the fund designated for a political party by individual taxpayers shall be paid to the political treasurer of the political party.

(2) The political treasurer of a major political party shall distribute not less than 50 percent of the moneys received from the Oregon political party fund to the

political treasurers of the county central committees of the party.

**Sec. 5.** (1) A payment to a political party under sections 2 to 4 of this Act shall be considered a contribution to that party for the purposes of ORS chapter 260 and shall be maintained by the political treasurer of the party in an account separate from all other assets of the party.

(2) For the purpose of reporting under ORS chapter 260 a separate accounting shall be made of all expenditures of funds received by political treasurers of the political parties from the Oregon political party fund.

(3) The accounting and reporting provisions of this section are applicable to the political treasurers of county central committees with respect to moneys received by them pursuant to section 4 of this Act

**Sec. 6.** Funds paid to the political treasurers of the political parties under sections 2 to 4 of this Act and funds distributed to county central committees under section 4 of this Act shall not be used for the following purposes:

(1) To support or oppose any candidate for the nomination of a party or to reduce the campaign deficits of individuals who sought the nomination of a party; or

(2) To reduce a candidate's deficit remaining after the date of the general election.

**Sec. 7.** (1) If a person filing an individual tax return designates more than one political party to receive the contribution, the designation shall be void and no contribution shall be made.

(2) If a joint return is filed and only one party is designated, that party shall receive a \$2 contribution. If two parties are designated on a joint return those parties shall receive a \$1 contribution. If more than two parties are designated the designations shall be void and no contribution shall be made

(3) If an organization which is not a political party as defined in section 1 of this Act is designated under section 2 of this Act, the designation is void and no contribution shall be made.

**Sec. 8.** A violation of any provision of section 5 or 6 of this Act is a Class A misdemeanor.

## GENERAL PROVISIONS

**316.002 Short title.** This chapter may be cited as the Personal Income Tax Act of 1969. As used in this chapter, the term "this chapter" refers only to the Personal Income Tax Act of 1969. [1969 c 493 §1]

**316.005** [1953 c.304 §1; repealed by 1969 c.493 §99]

**316.007 Policy.** It is the intent of the Legislative Assembly, by the adoption of this chapter, in so far as possible, to make the Oregon personal income tax law identical in effect to the provisions of the federal Internal Revenue Code of 1954 relating to the mea-

surement of taxable income of individuals, estates and trusts, modified as necessary by the state's jurisdiction to tax and the revenue needs of the state; to achieve this result by the application of the various provisions of the federal Internal Revenue Code relating to the definition of income, exceptions and exclusions therefrom, deductions (business and personal), accounting methods, taxation of trusts, estates and partnerships, basis, depreciation and other pertinent provisions relating to gross income as defined therein, modified as provided in this chapter, resulting in a final amount called "taxable income"; and to impose a tax on residents of this state measured by taxable income wherever derived and to impose a tax on the income of nonresidents that is ascribable to sources within this state.

[1969 c.493 §2; 1971 s.s. c.4 §1]

**316.047 Transitional provision to prevent doubling income or deductions.** If any provision of the Internal Revenue Code or of this chapter requires that any amount be

added to or deducted from federal gross income or the net income taxable under this chapter that previously had been added to or deducted from net income taxable under the Oregon law in effect prior to the taxpayer's taxable year as to which this chapter is first effective, then, in such event, appropriate adjustment shall be made to the net income for the year or years subject to this chapter so as to prohibit the double taxation or the double deduction of any such amount that previously had entered into the computation of taxable income. Differences such as the difference in basis of property used by the taxpayer for federal and Oregon income tax returns and on account of the treatment of operating losses shall be resolved by application of this principle. However, the department, in its audit of a return, shall not apply any adjustment under this section which, in its opinion, if applied would result in an increase or decrease of tax liability of less than \$25. (B) If the taxpaying individual is required to make an unused zero bracket amount com-

(b) In the case of a husband and wife filing separate tax returns, the amount added shall be in the amount of any federal income taxes in excess of \$2,500, less the amount of any refund of federal taxes previously accrued for which a tax benefit was received.

(5) (a) In addition to the adjustments required by ORS 316.117, a nonresident individual shall add to his taxable income a proportion of any accrued federal income taxes as computed under ORS 316.072 in excess of \$5,000 in the proportion provided in subsection (5) of ORS 316.117.

In all cases the taxpayer must be the person who made the investment into the project.

(c) Is not the dependent of another taxpayer.

(2) In the case of a joint return, each spouse who is severely disabled shall be allowed the additional exemption in the amount provided under ORS 316.136 if the spouse otherwise qualifies under this section.

(3) For purposes of this section, the determination of whether the spouse is severely disabled shall be made as of the close of the taxable year of the taxpayer except that if the spouse dies during such taxable year such determination shall be made as of the time of the death of the spouse. [1979 c.554 §4]

**316.138 Proof of status for exemption.** Each person qualifying for the additional exemption allowed in ORS 316.136 and 316.137 may claim the subtraction on the personal income tax return. However, the claim shall be substantiated by a letter from a licensed physician or osteopath describing the nature and extent of the physical disability. [1979 c.554 §5]

**Note:** Section 6, chapter 554, Oregon Laws 1979, provides:

**Sec. 6.** This Act applies to tax years beginning on or after January 1, 1980.

**(Energy Conservation Facilities)**

**316.140 Credit for energy conservation facility.** (1) A credit is allowed against the taxes otherwise due under this chapter, based upon the certified cost of the facility during the period for which that facility is certified under ORS 469.185 to 469.225. The credit allowed in each of the first two tax years in which the credit is claimed shall be 10 percent of the certified cost of the facility, but shall not exceed the tax liability of the taxpayer. The credit allowed in each of the succeeding three years shall be five percent of the certified cost, but shall not exceed the tax liability of the taxpayer.

(2) The facility must be in Oregon and owned or leased during the tax year by the taxpayer claiming the credit.

(3) A credit under this section may be claimed by a taxpayer for a facility only in those tax years which begin on and after January 1, 1980.

(4) The maximum total credit allowable shall not exceed 35 percent of the certified cost of such facility.

(5) Upon any sale, exchange or other disposition of the facility, notice thereof shall be given to the Director of the Department of Energy who shall revoke the certificate covering the facility as of the date of such disposition. The transferee may apply for a new certificate under ORS 469.215, but the tax credit available to that transferee shall be limited to the amount of credit not claimed by the transferor.

(6) Any tax credit otherwise allowable under this section which is not used by the taxpayer in a particular year may be carried forward and offset against the taxpayer's tax liability for the next succeeding tax year. Any credit remaining unused in that next succeeding tax year may be carried forward and used in the second succeeding tax year, and likewise, any credit not used in that second succeeding tax year may be carried forward and used in the third succeeding tax year, but may not be carried forward for any tax year thereafter. Credits may be carried forward to and used in a tax year beyond the years specified in subsection (1) of this section.

(7) The credit provided by this section is not in lieu of any depreciation or amortization deduction for the facility to which the taxpayer otherwise may be entitled under this chapter for such year.

(8) The taxpayer's adjusted basis for determining gain or loss shall not be further decreased by any tax credits allowed under this section.

(9) If the taxpayer is a shareholder of a Subchapter S corporation, the credit shall be computed using the shareholder's pro rata share of the corporation's certified cost of the facility. In all other respects, the allowance and effect of the tax credit shall apply to the corporation as otherwise provided by law.

[1979 c.512 §12]

**316.141 Other grants or credits as offset to cost of facility.** If a taxpayer obtains grants or tax credits from the Federal Government other than investment credits granted under section 46 of the Internal Revenue Code of 1954 as it reads on October 3, 1979, in connection with a facility which has been certified by the Director of the Department of Energy, the certified cost of the equipment shall be reduced on a dollar for dollar basis. Any income or excise tax credits which such taxpayer would be entitled to under ORS 316.140 to 316.142, 317.104 and 469.185 to 469.225 after any such reduction shall not be reduced by such federal grants or tax credits. Taxpayers applying for federal grants or credits shall notify the Department of Revenue by certified mail within 30 days of each such application, and of the receipt of any such grant. [1979 c 512 §15]

**316.142 Government and quasi-governmental bodies not eligible for credit; ineligibility of recipients of other credits.** (1) No tax credit shall be allowed under ORS 316.140 to 316.142, 317.104 and 469.185 to 469.225 for any facility constructed or used by or for the benefit of any governmental or quasi-governmental body or public corporation or form thereof.

(2) A person who applies for and receives a tax credit on a pollution control facility or an alternate energy device under ORS 316.097, 316.116 or 317.072 is not eligible to apply for and receive a tax credit on the same facility or device under the provisions of ORS 316.140 to 316.142, 317.104 and 469.185 to 469.225. [1979 c.512 §16, 17]

**(Substitute Fuel Plants)**

**316.145 Deduction of portion of income attributable to production of substitute fuel.** If a commercial plant produces methanol, ethanol or other substitute fuel and 75 percent of the production is used in making gasohol in any tax year, that portion of the taxable net income attributable to the production of methanol, ethanol or other substitute fuel for such tax year is exempt from any tax imposed under this chapter. To qualify for the exemption authorized by this section, there shall be filed with the tax return of the taxpayer claiming the exemption a certificate furnished by the Department of Energy that the plant produced a commercially marketable grade of methanol, ethanol or other substitute fuel and that 75 percent of the production during the tax year was used or committed for use in making gasohol. [1979 c.561 §4]

Note: Section 10, chapter 561, Oregon Laws 1979, provides:

**Sec. 10.** The exemption from ad valorem taxation authorized by section 2 of this Act shall apply to the assessment and tax rolls prepared for assessment years beginning on or after January 1, 1980, but prior to January 1, 1986. The exemption from taxes on or measured by net income provided in sections 4 and 6 of this Act and by the amendments to ORS 318.030 by section 7 of this Act shall apply to tax years beginning on or after January 1, 1980, but prior to January 1, 1985.

**(Costs in Lieu of Nursing Home Care)**

**316.147 Definitions for ORS 316.147 to 316.149.** As used in ORS 316.147 to 316.149, unless the context requires otherwise:

(1) "Eligible taxpayer" includes any individual who must pay taxes otherwise imposed by this chapter and:

(2) "Qualified individual" includes an individual at least 60 years of age on the date that the expenses described in paragraph (a) of subsection (1) of this section are paid or incurred by the eligible taxpayer:

(a) Whose household income, as defined by subsections (7) and (8) of ORS 310.630, does not exceed \$7,500 for the calendar year in which the taxable year of the taxpayer begins;

(b) Who is eligible for home care services under Oregon Project Independence provided by the Department of Human Resources;

(c) Who is certified by the Department of Human Resources; and

(d) Whose care or any portion thereof is not paid for under ORS chapter 414. [1979 c.494 §2]

**316.148 Credit for expenses in lieu of nursing home care; limitation.** (1) A credit against the taxes otherwise due under this chapter shall be allowed to an eligible taxpayer with respect to food, clothing, medical care and transportation expenses paid or incurred by the taxpayer during the taxable year on behalf of a qualified individual in order that the qualified individual is not placed or maintained in a nursing home unnecessarily. The amount of the credit shall be \$250 or eight percent of the expenses paid or incurred during the taxable year, whichever is less.

(2) No credit shall be allowed under this section for expenses paid or incurred for any period of time in which the qualified individual is a resident in a nursing home or is receiving aid from Oregon Project Independence. [1979 c.494 §3]

**316.149 Evidence of eligibility for credit.** Evidence of payments made or expenses incurred that form the basis of the credit allowed under ORS 316.147 to 316.149 shall be submitted to the Department of Revenue in accordance with any rules adopted by the department relative to the submission of evidence of such payments. [1979 c.494 §4]

Note: Section 5, chapter 494, Oregon Laws 1979, provides:

**Sec. 5.** This Act applies to tax years beginning on or after January 1, 1980.

**(Building Renovation for Handicapped Access)**

**316.150 Deduction for building renovation projects improving access for handicapped persons.** (1) As used in this section, unless the context otherwise requires:

(a) "Building, facility or transportation vehicle" means a building, facility or transportation vehicle, or part thereof, which is

intended to be used, and is actually used by the taxpayer, the family of the taxpayer or the general public, either in the trade or business of the taxpayer or at the residence of the taxpayer. If the use of the building, facility or transportation vehicle is at the residence of the taxpayer, the residence must be located in Oregon.

(b) "Elderly individual" means an individual who is 65 years of age or older before the close of the calendar year for which the deduction is claimed.

(c) "Handicapped individual" means any individual who has a physical or mental disability which for the individual constitutes or results in a functional limitation to employment, or who has any physical or mental impairment which substantially limits one or more major life activities of such individual.

(d) "Renovation project" means the repair or remodeling of an existing building, facility or transportation vehicle owned or leased by the taxpayer at the time of the repair or remodeling if the purpose of the repair or remodeling is:

(A) To permit handicapped or elderly individuals to enter or leave such building, facility or transportation vehicle;

(B) To increase the access that handicapped or elderly individuals would have to such building, facility or transportation vehicle; or

(C) To allow handicapped or elderly individuals more effective use of such building, facility or transportation vehicle.

(2) In addition to and not in lieu of the other modifications to federal taxable income contained in this chapter, there shall be subtracted from federal taxable income the cost of a renovation project. The subtraction may be taken only for the taxable year in which the renovation project is completed and is in addition to any depreciation or amortization of the cost of the renovation project. The subtraction for any taxable year shall not exceed \$25,000.

(3) If any building, facility or transportation vehicle is owned by more than one person, a taxpayer may deduct a portion of the costs of the renovation project apportionate to the interest in such building, facility or transportation vehicle which is owned by the taxpayer.

(4) In order to qualify for the subtraction allowed by this section, a building or facility must, after renovation, meet any applicable state standards and specifications developed under ORS 447.210 to 447.280 or other state

law. In absence of state standards applicable to the project, applicable federal standards shall be used.

(5) If, on or after January 1, 1980, the Federal Government allows a similar deduction to that authorized by this section, the subtraction provided by this section shall be reduced by the amount of the deduction permitted by federal law. [1979 c.414 §2]

Note: Section 8, chapter 414, Oregon Laws 1979, provides:

Sec. 8. For prior taxable years, the law applicable for those years shall continue to apply.

### COLLECTION OF TAX AT SOURCE OF WAGES

316.160 [1953 c 304 §18; 1965 c.26 §3; repealed by 1969 c.493 §99]

**316.162 Definitions for ORS 316.162 to 316.212.** As used in ORS 316.162 to 316.212:

(1) "Number of withholding exemptions claimed" means the number of withholding exemptions claimed in a withholding exemption certificate in effect under ORS 316.182, except that if no such certificate is in effect, the number of withholding exemptions claimed is considered to be zero.

(2) "Wages" means remuneration for services performed by an employe for his employer, including the cash value of all remuneration paid in any medium other than cash, except that "wages" does not include remuneration paid:

(a) For active service in the Armed Forces of the United States as to which no withholding is required by the Internal Revenue Code.

(b) To an employe of a common carrier to the extent that section 26(a), title 49, United States Code prohibits the remuneration from withholding for state income taxes.

(c) For domestic service in a private home, a local college club or a local chapter of a college fraternity or sorority.

(d) For casual labor not in the course of the employer's trade or business.

(e) To an employe whose services to the employer consist solely of labor in connection with the planting, cultivating or harvesting of seasonal agricultural crops if the total amount

paid to such employe is less than \$300 annually.

(f) To seamen who are exempt from garnishment, attachment or execution under title 46 of the United States Code.

(g) To persons temporarily employed as emergency forest fire fighters.

(h) To employes' trusts exempt from tax under provisions of the federal Internal Revenue Code.

(i) After December 31, 1970, and before July 1, 1975, to an employe who is not a resident of Oregon, working in the state for less than 120 days in any calendar year, engaged in any phase of motion picture production, television production or television commercials, but only if a prior application for exemption provided in subsection (4) of this section is furnished by the employe to the department.

(3) "Employer" means:

(a) A person who is in such relation to another person that he may control the work of that other person and direct the manner in which it is to be done; or

(b) An officer or employe of a corporation, or a member or employe of a partnership, who as such officer, employe or member is under a duty to perform the acts required of employers by ORS 316.167, 316.182, 316.197, 316.202 and 316.207.

(4) The application required by paragraph (i) of subsection (2) of this section shall contain the name of the employe, his permanent address, his social security number and such other information which the department deems necessary. [1969 c.493 §24; 1971 c.690 §1, 1973 c.229 §1; 1977 c.604 §1]

316.165 [1953 c.304 §19; repealed by 1969 c.493 §99]

**316.167 Withholding of tax required; elective provisions for certain employes.**

(1) Every employer at the time of the payment of wages to any employe shall deduct and retain from such wages an amount determined, at the employer's election, either (a) by a "percentage method" withholding table or (b) by "wage bracket" withholding tables, prepared and furnished under the rules and regulations of the department. However, in the case of wages paid to an employe whose services to the employer consist solely of labor in connection with the planting, cultivating or harvesting of seasonal agricultural crops, the employer may elect to withhold two percent of

the total wages paid without regard to any withholding exemptions.

(2) Except in the case of an agricultural employe, the amount withheld shall be computed on the basis of the total amount of the wages and the number of withholding exemptions claimed by the employe, without deduction for any amount withheld.

(3) If a lender, surety or other person who supplies funds to or for the account of an employer for the purpose of paying wages of the employes of such employer has actual notice or knowledge that such employer does not intend to or will not be able to make timely payment or deposit of the tax required to be deducted and withheld, such lender, surety or other person shall be liable to the State of Oregon in a sum equal to the taxes together with interest which are not timely paid over to the department. Such liability shall be limited to the principal amount supplied by such lender, surety or other person, and any amounts so paid to the department shall be credited against the liability of the employer.

[1969 c.493 §25; 1975 c.394 §1; 1977 c.604 §2]

316.170 [1953 c.304 §20; repealed by 1969 c.493 §99]

**316.172 Tax withholding tables to be prepared by department.**

(1) The department shall prepare a table for use with the percentage method that provides for the deduction and withholding of a tax equal to a specific percent (to be determined by the department) of the amount by which the wages for a given payroll period (daily, weekly, bi-weekly, semimonthly, monthly, quarterly, semiannually or annually, as the case may be) exceed the number of withholding exemptions claimed, multiplied by the amount of one such exemption for each payroll period (such amount being determined by the department for each such period). The determinations of the department shall result, so far as is practicable, in withholding from the employe a sum substantially equivalent to the amount of the tax that the employe will be required to pay under this chapter upon such wages. To accomplish this purpose, the department may make special provision for employes who are in the state for limited periods of time.

(2) The department shall prepare tables for use in computing withholding of tax by wage brackets. The wage brackets shall be graduated so that the amount withheld is, as far as practicable, substantially equivalent to the amount of the tax that the employe will be

required to pay under this chapter upon such wages. [1969 c.493 §26; 1973 c.402 §20]

316.175 [1953 c.304 §21; repealed by 1969 c.493 §99]

**316.177 Withholding exemptions.** An employe shall be entitled to the same number of withholding exemptions as the number of withholding exemptions to which he is entitled for federal income tax withholding purposes. An employer may rely upon the number of federal withholding exemptions claimed by the employe, except where the employe claims a different number of withholding exemptions in this state. [1969 c.493 §27]

316.180 [1953 c.304 §22; repealed by 1969 c.493 §99]

**316.182 Exemption certificate.** An employer shall use the exemption certificate filed by the employe with the employer under the income tax withholding provisions of the Internal Revenue Code for determining the number of withholding exemptions to be used in computing the tax to be withheld under ORS 316.167 and 316.172. However, the department may require such exemption certificate to be filed on a form prescribed by the department in any circumstance where the department finds that the exemption certificate filed under the Internal Revenue Code does not properly reflect the number of withholding exemptions allowable under this chapter, except no exemption certificate need be procured from an employe whose wages consist of wages as defined in paragraph (e) of subsection (2) of ORS 316.162. [1969 c.493 §28]

316.185 [1953 c.304 §23; 1955 c.129 §1; subsection (5) derived from 1955 c.129 §2; 1965 c.26 §4, repealed by 1969 c.493 §99]

**316.187 Amount withheld is in payment of employe's tax.** The amounts deducted from the wages of an employe during any calendar year in accordance with ORS 316.167 and 316.172 shall be considered to be in part payment of the tax on such employe's income for his taxable year which begins within such calendar year, and the return made by the employer pursuant to ORS 316.202 shall be accepted by the department as evidence in favor of the employe of the amounts so deducted from his wages. [1969 c.493 §29]

316.190 [Amended by 1953 c.304 §24, 1955 c.92 §1; subsection (3) derived from 1955 c.92 §2; repealed by 1969 c.493 §99]

**316.192 Refunds to employes.** (1) If the total amount deducted under ORS 316.167 and 316.172 exceeds the amount of the tax on

the employe's entire income as computed under this chapter, or when his income is not taxable under this chapter, the department, after examining or auditing the annual return filed by the employe in accordance with ORS 314.385, shall refund the amount of the excess deducted, with interest thereon as provided by law. No refund shall be made to an employe who fails to file such return within two years after the due date of the return in respect of which the tax withheld might have been credited. If the excess tax deducted is less than \$1, no refund shall be made and in no event shall the excess be allowed as a credit against any tax accruing on a return filed for a year subsequent to the year during which such excess was withheld.

(2) The department may make separate refunds of withheld taxes upon request by a husband or wife who has filed a joint return, the refund payable to each spouse being proportioned to the gross earnings of each shown by the information returns filed by the employer or otherwise shown to the satisfaction of the department. If a taxpayer entitled to a refund under this section dies, the department may issue a draft for payment of such refund under the terms and conditions set out in ORS 293.490 to 293.500, exercising the same powers and subject to the same restrictions pursuant to which the State Treasurer is authorized to pay the amounts of warrants, checks or orders under those statutes. [1969 c.493 §30; 1971 c.333 §2]

316.195 [1953 c.304 §25; repealed by 1969 c.493 §99]

**316.197 Payment to department by employer.** (1) Except as provided in subsection (2) of this section, each employer quarterly, on or before the last day of April, July, October and January, shall pay over to the department the amount required by ORS 316.167 and 316.172 to be deducted and retained from the wages paid to any employe during the preceding three months. The department may permit an employer who has withheld taxes that do not exceed \$50 per month to pay over such withheld amounts and furnish reports less frequently than quarterly.

(2) If the amount of taxes required to be deducted and retained from wages by any employer, pursuant to ORS 316.167 and 316.172, exceeds \$500 in any quarter, the department may require by written notice to the employer that amounts deducted and withheld on and after the date indicated on such notice shall be paid on a monthly basis.

Amounts so due for the first and second months of any calendar quarter shall be paid by the employer to the department on or before the 15th day of the following month and for the third month on or before the last day of the month following the end of such quarter.

(3) Every amount so paid over shall be accounted for as part of the collections under this chapter. No employe has any right of action against his employer in respect of any moneys deducted from his wages and paid over in compliance or intended compliance with this section. [1969 c.493 §31; 1975 c.594 §1]

**316.200** [1953 c.304 §26; 1965 c.26 §5; repealed by 1969 c.493 §99]

**316.202 Reports by employer; effect of failure to report.** (1) With each payment made by him to the department, every employer shall deliver to the department, on a return in the form prescribed by the department showing the total amount of wages, salaries, bonuses or other emoluments paid to his employes, the amount deducted therefrom in accordance with ORS 316.167 and 316.172, and supply such other information as the department may require. The employer is charged with the duty of advising the employe of the amount of moneys withheld, in accordance with such regulations as the department may prescribe, using printed forms furnished or approved by the department for such purpose.

(2) The employer shall make an annual return to the department on forms provided or approved by it, summarizing the total compensation paid and the tax withheld for each employe during the calendar year and shall file the same with the department before February 16 of the year following that for which report is made. Failure to file the annual report without reasonable excuse on or before the 30th day after notice has been given to the employer of his failure subjects the employer to a penalty of \$100. [1969 c.493 §32; 1973 c.83 §1]

**316.205** [1953 c.304 §27; repealed by 1957 c.632 §1 (314.280 enacted in lieu of 316.205 and 317.180)]

**316.207 Liability for tax; warrant for collection.** (1) Every employer who deducts and retains any amount under ORS 316.167 and 316.172 shall hold the same in trust for the State of Oregon and for the payment thereof to the department in the manner and

at the time provided in ORS 316.167 and 316.172.

(2) At any time the employer fails to remit any amount withheld, the department may enforce collection by the issuance of a distraint warrant for the collection of the delinquent amount and all penalties, interest and collection charges accrued thereon. Such warrant shall be issued, docketed and proceeded upon in the same manner and shall have the same force and effect as is prescribed with respect to warrants for the collection of delinquent income taxes. [1969 c.493 §33]

**316.210** [1953 c.304 §28; repealed by 1957 c.632 §1 (314.285 enacted in lieu of 316.210 and 317.185)]

**316.212 Application of penalties, interest and jeopardy assessment; employer as taxpayer.** The provisions of the income tax laws in ORS chapter 314 and this chapter, relating to penalties, interest, misdemeanors and jeopardy assessments, apply to employers subject to the provisions of ORS 316.162 to 316.212, and for these purposes any amount deducted or required to be deducted and remitted to the department under ORS 316.162 to 316.212 is considered the tax of the employer and with respect to such amount he is considered as a taxpayer. [1969 c.493 §34]

## ACCOUNTING PERIODS AND METHODS OF ACCOUNTING

**316.215 Period for computation of taxable income.** (1) For purposes of the tax imposed by this chapter, a taxpayer's taxable year shall be the same as his taxable year for federal income tax purposes.

(2) If a taxpayer's taxable year is changed for federal income tax purposes, his taxable year for purposes of the tax imposed by this chapter shall be similarly changed. If a change in taxable year results in a taxable period of less than 12 months, the personal deductions and the deduction for personal exemption allowed by the Internal Revenue Code, modified as provided in this chapter, shall be prorated under regulations prescribed by the department.

(3) Notwithstanding subsections (1) and (2) of this section, if the department terminates the taxpayer's taxable year under ORS 314.440 (relating to tax in jeopardy), the tax shall be computed for the period determined by such action. [1969 c.493 §35; 1975 c.672 §6; 1978 c.9 §2]

Note: See note after 316.068.

**316.217 Accounting method.** (1) For purposes of the tax imposed by this chapter, a taxpayer's method of accounting shall be the same as his method of accounting for federal income tax purposes. If no method of accounting has been regularly used by the taxpayer, taxable income for purposes of this chapter shall be computed under such method that in the opinion of the department fairly reflects income.

(2) If a taxpayer's method of accounting is changed for federal income tax purposes, his method of accounting for purposes of this chapter shall similarly be changed and used in the first return filed after such change is effective. ORS 314.275 applies to the degree applicable. [1969 c.493 §36]

**316.222 Adjustments to prevent duplications or omissions.** In computing a taxpayer's taxable income for any taxable year under a method of accounting different from the method under which the taxpayer's taxable income for the previous year was computed, there shall be taken into account those adjustments which are determined, under regulations prescribed by the department, to be necessary solely by reason of the change in order to prevent amounts from being duplicated or omitted. [1969 c.493 §37]

**316.227 Effect of accounting change.** (1) If a taxpayer's method of accounting is changed, other than from an accrual to an instalment method, any additional tax that results from adjustments determined to be necessary solely by reason of the change shall not be greater than if such adjustments were ratably allocated and included for the taxable year of the change and the preceding taxable years, not in excess of two, during which the taxpayer used the method of accounting from which the change is made, under ORS 314.275.

(2) If a taxpayer's method of accounting is changed from an accrual to an instalment method, any additional tax for the year of such change of method and for any subsequent year that is attributable to the receipt of instalment payments properly accrued in a prior year, shall be reduced by the portion of tax for any prior taxable year attributable to the accrual of such instalment payments, under regulations prescribed by the department. [1969 c.493 §38]

(2) The credit under this section shall not reduce the tax otherwise due from the beneficiary under this chapter to an amount less than would have been due if the accumulation distribution or his part thereof were excluded from his adjusted gross income. [1969 c.493 §46]

**316.299** [1965 c.178 §2; repealed by 1969 c.493 §99]

(2) Items of income, gain, loss and deduction entering into the definition of federal distributable net income include such items from another estate or trust of which the first estate or trust is a beneficiary.

(3) The source of items of income, gain, loss or deduction shall be determined under regulations prescribed by the department in accordance with the general rules in ORS 316.127 as if the estate or trust were a nonresident individual.

(4) The taxable income of a nonresident estate or trust consists of:

(a) Its share of items of income, gain, loss and deduction that enter into the federal definition of distributable net income;

(b) Increased or reduced by the amount of any items of income, gain, loss or deduction that are recognized for federal income tax purposes but excluded from the federal definition of distributable net income of the estate or trust;

(a) To the amount of items of income, gain, loss and deduction that enter into the definition of distributable net income there shall be added or subtracted, as the case may

be, the modifications to federal taxable income described in this chapter to the extent they relate to items of income, gain, loss and deduction that also enter into the definition of distributable net income. No modification shall be made under this section that has the effect of duplicating an item already reflected in the definition of distributable net income.

(b) The amount determined under paragraph (a) of this subsection shall be allocated among the estate or trust and its beneficiaries (including, solely for the purpose of this allocation, resident beneficiaries) in proportion to their respective shares of federal distributable net income. The amounts so allocated have the same character as for federal income tax purposes. If an item entering into the computation of such amounts is not characterized for federal income tax purposes, it has the same character as if realized directly from the source from which realized by the estate or trust, or incurred in the same manner as incurred by the estate or trust.

(c) If the estate or trust has no federal distributable net income for the taxable year, the share of each beneficiary in the net amount determined under paragraph (a) of this subsection shall be in proportion to his share of the estate or trust income for such year, under state law or the terms of the instrument, that is required to be distributed currently and any other amounts of such income distributed in such year. Any balance of such net amount shall be allocated to the estate or trust.

(2) The department may by regulation establish such other method or methods of determining the respective shares of the beneficiaries and of the estate or trust in its income derived from sources in this state, and in the modifications related thereto, as may be appropriate and equitable. and subject to the same limitation as provided by ORS 316.298 with respect to a resident beneficiary. [1969 c.493 §50]

**316.320** [1953 c.304 §41; 1957 c.73 §1; 1965 c.410 §5; repealed by 1969 c.493 §99]

If an item is not characterized for federal income tax purposes, it has the same character for a partner as if realized directly from the source from which realized by the partnership or incurred in the same manner as incurred by the partnership.

(2) If a partner's distributive share of an item of partnership income, gain, loss or deduction is determined for federal income tax purposes by a special provision in the partnership agreement with respect to such item, and the principal purpose of such provision is the avoidance or evasion of tax under this chapter, the partner's distributive share of such item and any modification required with respect thereto shall be determined in accordance with his distributive share of the taxable income or loss of the partnership generally (that is, exclusive of those items requiring separate computation under section 702 of the Internal Revenue Code). [1969 c.493 §52]

**316.350** [1953 c.304 §47; repealed by 1969 c.493 §99]

**316.352 Income of nonresident partner.** (1) In determining the adjusted gross income of a nonresident partner of any partnership, there shall be included only that part derived from or connected with sources in this state of the partner's distributive share of items of partnership income, gain, loss and deduction entering into his federal adjusted gross income, as such part is determined under regulations prescribed by the department in accordance with the general rules in ORS 316.127.

(2) In determining the sources of a nonresident partner's income, no effect shall be given to a provision in the partnership agreement which:

(a) Characterizes payments to the partner as being for services or for the use of capital, or allocated to the partner, as income or gain from sources outside this state, a greater proportion of his distributive share of partnership income or gain than the ratio of partnership income or gain from sources outside this state to partnership income or gain from all sources, except as authorized in subsection (4) of this section; or

(b) Allocates to the partner a greater proportion of a partnership item of loss or deduction connected with sources in this state than his proportionate share, for federal income tax purposes, of partnership loss or deduction generally, except as authorized in subsection (4) of this section.

(3) Any modification to federal taxable income described in this chapter that relates to an item of partnership income, gain, loss or deduction, shall be made in accordance with the partner's distributive share, for federal income tax purposes of the item to which the modification relates, but limited to the portion of such item derived from or connected with sources in this state.

(4) The department may, on application, authorize the use of such other methods of determining a nonresident partner's portion of partnership items derived from or connected with sources in this state, and the modifications related thereto, as may be appropriate and equitable, on such terms and conditions as it may require.

(5) A nonresident partner's distributive share of items of income, gain, loss or deduction shall be determined under subsection (1) of ORS 316.347. The character of partnership items for a nonresident partner shall also be determined under subsection (1) of ORS

316.347. The effect of a special provision in a partnership agreement, other than a provision referred to in subsection (2) of this section, having as a principal purpose the avoidance or evasion of tax under this chapter, shall be determined under subsection (2) of ORS 316.347. All expenditures by the parent or the minor attributable to such income are considered to have been paid or incurred by the minor. However, any tax assessed against the minor, to the extent, attributable to income from personal services, if not paid by the minor, for all purposes shall be considered as having also been properly assessed against the parent. For the purposes of this section the term "parent" includes an individual who is entitled to the services of a minor by reason of having parental rights and duties in respect of such minor. [1969 c.493 §56]

other security acceptable to the department. No order closing an estate shall be entered unless the fiduciary files with the clerk of the court the department's certificate of release, or shows that 60 days have elapsed since the mailing to the department of a request for such release and that the department has not filed any objection to the final account.

(2) For the purpose of facilitating the settlement and distribution of estates held by fiduciaries, the department, on behalf of the state, may agree upon the amount of taxes at any time due or to become due from such fiduciaries under this chapter with respect to a tax return or returns of or for a decedent individual or an estate or trust, and payment in accordance with such agreement shall be in full satisfaction of the taxes to which the agreement relates. **316.397 Change of status from resident to nonresident.** The taxable income of an individual who changes his status during his taxable year from resident to nonresident or from nonresident to resident shall be determined as provided in this chapter for residents and for nonresidents as if the individual's taxable year for federal income tax purposes were limited to the period of his resident and nonresident status respectively. For purposes of making the computation required by this section, the personal exemptions, the itemized deductions or zero bracket amount allowable on his federal tax return, all modified as provided in this chapter, and the federal tax deduction shall be allowed in each period in the proportion that the federal adjusted gross income of the taxpayer from Oregon sources bears to the total federal adjusted gross income from all sources. A person required to make and file a return under this chapter, without assessment, notice or demand, shall pay any tax due thereon to the Department of Revenue on or before the date fixed for filing such return (determined without regard to any extension of time for filing the return).

(2) The balance of tax due after all allowable credits may be paid in four instalments. The first instalment shall be paid to the department at the time fixed by law for filing the return in an amount not less than one-fourth of the total amount of the tax due. The balance shall be payable in three equal instalments at three-month intervals thereafter or at the taxpayer's option full payment may be made at any time prior to the due date. Taxes paid in instalments bear interest at the rate of one percent per month for each month or fraction of a month during which the tax remains unpaid, computed from the due date of the return to date of payment.

(3) If any instalment is not paid by the due date thereof, the department may, at its option, declare the entire unpaid balance of the tax immediately due and take such action as may be necessary to enforce collection thereof.

(4) If the total amount of the tax is \$25 or less, the whole amount of the tax shall be paid at the time of filing the return.

(5) The tax may be paid with uncertified check during such time and under such regulations as the department shall prescribe, but if a check so received is not paid by the bank on which it is drawn the taxpayer by whom such check is tendered remains liable for the payment of the tax and for all legal penalties the same as if the check had not been tendered. Such return shall be filed on or before the 15th day of the fourth month following the close of each taxable year. **Note:** Provisions of the text of affected portions of laws compiled in ORS chapter 316 have not been revised, since permanent changes to the applicable law depend upon the outcome of the referendum. The text of the changes in the law are set forth below for the users' convenience:

Sections 1 and 3, chapter 239, Oregon Laws 1979, provide:

**Sec. 1.** (1) It is the intention of the Legislative Assembly to return to taxpayers of the State of Oregon certain surplus moneys in the General Fund.

(2) Each taxpayer filing an Oregon individual income tax return for a taxable year beginning on or after January 1, 1978, and prior to January 1, 1979, shall be paid a sum equal to nine percent of the taxpayer's Oregon individual income tax liability for such taxable year, computed after the allowance of any credit allowed or allowable under ORS chapter 316 and before the application of withholding or other advance payments. Payment shall be made by the Department of Revenue as soon after the filing of the return as is administratively practicable. In the case of a joint return, payment shall be computed on the basis of the Oregon income tax liability for the joint return, and may be prorated and paid to each joint filer in the proportion that his or her Oregon adjusted gross income bears to total Oregon adjusted gross income as shown on the return. In the case of a nonresident, payment shall be made on the basis of Oregon tax liability as to income derived from Oregon sources. In all cases where an increase in income tax liability for such year is made by the department, or finally determined, an additional payment shall be made. Where income tax liability is decreased for such year by the department, or finally determined, any overpayment under this Act shall be treated and collected as a deficiency under ORS chapter 305.

**Sec. 3.** This Act is repealed on July 1, 1981.

Section 7, chapter 581, Oregon Laws 1979, provides

**Sec. 7.** No payment shall be made under chapter 239, Oregon Laws 1979 (Enrolled House Bill 2186), if the amount of the payment required to be made pursuant to the return is less than \$1.

Sections 3 and 4, chapter 240, Oregon Laws 1979, provide:

**Sec. 3.** (1) For each taxable year beginning on or after January 1, 1981, the Department of Revenue shall recompute the dollar amount of the deduction for personal exemption allowed for state personal income tax purposes. The computation shall be made as follows.

(a) Divide the Portland Consumer Price Index for July of the current calendar year by the Portland Consumer Price Index for July of 1980.

(b) Recompute the dollar amount of deduction for personal exemption by multiplying the dollar amount of deduction for personal exemption allowable under section 151 of the Internal Revenue Code and modified in conformity with subsection (2) of ORS 316.068 (\$1,000), by the appropriate indexing factor determined as provided in paragraph (a) of this subsection. Round off the dollar amount obtained under this paragraph to the nearest \$10

(2) As used in this section, "Portland Consumer Price Index" means the Consumer Price Index for All Urban Consumers (Portland- all items) as published by the Bureau of Labor Statistics of the United States Department of Labor for the Portland, Oregon Standard Metropolitan Statistical Area.

**Sec. 4.** Unless continued by the voters at the next primary election, the amendments to ORS 316.068 by section 1 of this Act and section 3 of this Act apply to taxable years beginning on or after January 1, 1979, but prior to January 1, 1981

Sections 2 and 3, chapter 436, Oregon Laws 1979, provide:

**Section 2.** ORS 316.068, as amended by section 1, chapter 9, Oregon Laws 1978, is amended to read:

**316.068.** (1) In addition to the modifications to federal taxable income contained in this chapter, there shall be added to or subtracted from federal taxable income:

(a) If, in computing federal income tax for a taxable year, the taxpayer deducted excess itemized deductions, as defined in section 63(c) of the Internal Revenue Code, he shall add the excess itemized deductions to federal taxable income.

(b) If the dollar amount allowed under section 151 of the Internal Revenue Code for a personal exemption for the tax year is less than \$750, there shall be subtracted from federal taxable income an amount equal to the

difference between the dollar amount allowed and \$750, multiplied by the number of personal exemptions claimed on the Oregon return.

(3) There shall be subtracted from federal taxable income any portion of the distribution of a pension, profit-sharing, stock bonus or other retirement plan, representing that portion of contributions which were taxed by the State of Oregon but not taxed by the Federal Government under laws in effect for tax years beginning prior to January 1, 1969

(4) (a) Except as provided in paragraph (b) of this subsection, in addition to the adjustments to federal taxable income required by ORS 316.067, there shall be added to federal taxable income the amount of any federal income taxes in excess of \$5,000, accrued by the taxpayer during the taxable year as described in ORS 316.072, less the amount of any refund of federal taxes previously accrued for which a tax benefit was received.

(b) In the case of a husband and wife filing separate tax returns, the amount added shall be in the amount of any federal income taxes in excess of \$2,500, less the amount of any refund of federal taxes previously accrued for which a tax benefit was received.

(b) In the case of a husband and wife filing separate tax returns, the amount added under this subsection shall be computed in a manner consistent with the computation of the amount to be added in the case of a husband and wife filing separate returns under subsection (4) of this section. The method of computation shall be determined by the Department of Revenue by rule

(6) Paragraph (b) of subsection (4) and paragraph (b) of subsection (5) of this section shall not apply to married individuals living apart as defined in section 143(b) of the Internal Revenue Code.

Sections 1 and 2, chapter 240, Oregon Laws 1979, provide:

**Section 1.** ORS 316.068, as amended by section 1, chapter 9, Oregon Laws 1978, is amended to read:

(a) If, in computing federal income tax for a taxable year, the itemized deductions, as defined in section 63 of the Internal Revenue Code, of an individual taxpayer are less than his zero bracket amount, and if the taxpayer is not required to make an unused zero bracket amount computation pursuant to section 63(e) of the Internal Revenue Code, the larger of:

(c) (A) Except as provided in subparagraph (B) of this paragraph, if, in computing federal income tax for a taxable year, the taxpaying individual is required to make an unused zero bracket amount computation pursuant to section 63(e) of the Internal Revenue Code, or if the individual is making a federal return for a period of less than 12 months due to a change in his annual accounting period, his zero bracket amount as defined in section 63(d) of the Internal Revenue Code.

(B) If the taxpaying individual is required to make an unused zero bracket amount computation because a deduction for personal exemption is allowed for him on the tax return of another, and if the taxpayer computes his unused zero bracket amount under section 63(e)(2) of the Internal Revenue Code by substituting his earned income for itemized deductions arriving at a positive unused zero bracket amount, the sum of the unused zero bracket amount and the larger of the standard deduction provided in subparagraph (B) of paragraph (a) of this subsection or his itemized deductions as defined in section 63(f) of the Internal Revenue Code.

(2) In addition to the modifications to federal taxable income contained in this chapter:

(a) If the dollar amount allowed under section 151 of the Internal Revenue Code for a personal exemption for the taxable year is greater than \$1,000, there shall be added to federal taxable income an amount equal to the difference between the dollar amount allowed and \$1,000, multiplied by the number of personal exemptions claimed on the Oregon return

(b) If the dollar amount allowed under section 151 of the Internal Revenue Code for a personal exemption for the tax year is less than \$1,000, there shall be subtracted from federal taxable income an amount equal to the difference between the dollar amount allowed and \$1,000, multiplied by the number of personal exemptions claimed on the Oregon return.

(3) There shall be subtracted from federal taxable income any portion of the distribution of a pension, profit-sharing, stock bonus or other retirement plan, representing that portion of contributions which were taxed by the State of Oregon but not taxed by the Federal

Government under laws in effect for tax years beginning prior to January 1, 1969.

(4) (a) Except as provided in paragraph (b) of this subsection, in addition to the adjustments to federal taxable income required by ORS 316.067, there shall be added to federal taxable income the amount of any federal income taxes in excess of \$7,000, accrued by the taxpayer during the taxable year as described in ORS 316.072, less the amount of any refund of federal taxes previously accrued for which a tax benefit was received.

(b) In the case of a husband and wife filing separate tax returns, the amount added shall be in the amount of any federal income taxes in excess of \$3,500, the amount of any refund of federal taxes previously accrued for which a tax benefit was received.

(5) (a) In addition to the adjustments required by ORS 316.117, a nonresident individual shall add to his taxable income a proportion of any accrued federal income taxes as computed under ORS 316.072 in excess of \$7,000 in the proportion provided in subsection (5) of ORS 316.117.

(b) In the case of a husband and wife filing separate tax returns, the amount added under this subsection shall be computed in a manner consistent with the computation of the amount to be added in the case of a husband and wife filing separate returns under subsection (4) of this section. The method of computation shall be determined by the Department of Revenue by rule.
