(5) A place primarily engaged in recreational activities;

(6) A foster home; or

(7) A place providing care and treatment on less than a 24-hour basis. [1977 c.717 §2]

443.410 License required; single fee for multiple facility operations. (1) A license issued by the department is required in

order to operate or maintain any residential facility having six or more mentally retarded; developmentally disabled; mentally, emotionally or behaviorally disturbed; physically handicapped or socially dependent residents; or any combination of such residents totaling six or more. In the case of a combination of residents, the category of licensure shall be determined by the director.

(2) A child-caring agency subject to ORS 418.205 to 418.310 which operates any residential facility is subject to the requirement of this section. Any residential facilities operated by such an agency are subject to the requirements of ORS 443.400 to 443.455 and subsection (2) of 443.991. In applying for a license, the agency or institution is required to pay only a single fee under ORS 443.415 regardless of the number of residential facilities operated by it. [1977 c.717 §3]

443.415 License applications; fee; investigations; grounds for issuance and denial of license. (1) Applications for licensure to maintain and operate a residential facility shall be made to the department on forms provided for that purpose by the department. Each application shall be accompanied by a fee of \$60. No fee is required of any governmentally operated residential facility.

(2) Upon receipt of an application and fee, the department shall cause an investigation to be made by the appropriate divisions, as determined by the director. The department shall issue a license to any applicant for operation of a residential facility in compliance with ORS 443.400 to 443.455 and 443.994 and the rules of the director. Licensure may be denied when a residential facility is not in compliance with ORS 443.400 to 443.455 and subsection (2) of 443.991 or the rules of the director. Licensure shall be denied if the State Fire Marshal or other authority has given notice of noncompliance pursuant to ORS 479.220.

[1977 c.717 §8; 1979 c.696 §16]

443.420 Qualifications for license. (1) A person applying for a license under ORS 443.415, must, in the judgment of the director, be a person:

(c) Who employs or utilizes only individuals whose presence does not jeopardize the health, safety or welfare of residents.

(2) A residential facility shall not be operated or maintained in combination with a nursing home or hospital unless licensed, maintained and operated as a separate and distinct part.

(3) All physical residential facilities used for residents shall meet applicable requirements of the State Fire Marshal.

(4) Prior to licensure, a residential facility must be in substantial compliance with applicable state and local laws, rules, codes, ordinances and permit requirements. [1977 c.717 §4]

443.425 License term; contents; renewal. (1) Licensure under ORS 443.415 is effective for two years from the date of issue unless sooner revoked. Each license shall state the name of the person operating the residential facility; the name of the person who owns the facility; the address of the premises to which the license applies and the maximum number of residents to be maintained in such residential facility at any time whether the residential facility is licensed as a residential training facility, a residential treatment facility or a residential care facility; and such other information as the department considers necessary.

(2) A license is renewable upon submission of an application to the department and payment of a fee of \$50. No fee shall be required of a governmentally operated residential facility. Filing of an application for renewal before the date of expiration of a license extends the effective date of expiration of the license until the department has acted upon such application. The department shall refuse to renew a license if the facility is not substantially in compliance with all applicable laws and rules, or if the State Fire Marshal or his authorized representative has given notice of noncompliance pursuant to ORS 479.220.

(3) Any license, certificate or approval in effect on the operative date of ORS 443.400 to 443.455 and 443.994 shall be considered a valid license under ORS 443.400 to 443.455 and subsection (2) of 443.991 until its date of expiration for purposes of ORS 144.460, 283.010, 418.215, 418.475, 418.805, 443.400 to 443.455, subsection (2) of 443.991, 479.210, 479.217 and ORS 627.005. [1977 c.717 §9]

443.430 Transferability of license; disposition of license fees. (1) No license under ORS 443.415 is transferable or applicable to any location, residential facility or management other than that indicated on the application for licensure.

(2) All moneys collected under ORS 443.400 to 443.455 and subsection (2) of 443.991 shall be deposited in a special account in the General Fund, and are appropriated continuously for payment of expenses incurred by the department in the administration of ORS 443.400 to 443.455 and subsection (2) of 443.991. [1977 c.717 §10]

443.435 Inspection of facilities. The director or his authorized representative shall periodically visit and inspect every residential facility to determine whether it is maintained and operated in accordance with ORS 443.400 to 443.455 and subsection (2) of 443.991 and the rules of the director, and to consult with and advise management concerning methods of care, treatment, training, records, housing and equipment. Employees of the department and the State Fire Marshal or his authorized representative on request shall be permitted access to the premises and records of individuals in a residential facility pertinent to fire safety. [1977 c.717 §11]

443.440 Revocation and suspension of licenses; procedure. The department may revoke or suspend the license of any residential facility which is not operated in accordance with ORS 443.400 to 443.455 and subsection (2) of 443.991 or the rules adopted thereunder. Such revocation or suspension shall be taken in accordance with rules of the department and ORS 183.310 to 183.500. However, in cases where an imminent danger to the health or safety of the residents exists, a license may be suspended immediately pending a fair hearing not later than the 10th day after such suspension. [1977 c.717 §12]

443.445 Persons admissible at facilities; transfer of persons requiring certain treatment; operation of facilities by persons relying on spiritual means for healing. (1) No residential facility shall admit individuals who require continuous nursing care.

(2) If any resident of a residential facility requires nursing care for eight or more consecutive days or a physician or registered nurse certifies that continued nursing care is required, the resident shall be transferred to an

appropriate health care facility for as long as necessary.

(3) No residential facility shall admit individuals of categories other than those designated on its license without prior written consent of the department.

(4) In the case of residential facilities supervised by and operated exclusively for persons who rely upon prayer or spiritual means for healing in accordance with the creed or tenets of a well-recognized church or religious denomination, no medical, psychological or rehabilitative procedures shall be required. [1977 c.717 §5]

443.450 Rules. (1) The director, with the advice and guidance of affected divisions, shall adopt rules governing:

(a) The physical properties of the residential facility;

(b) Storage, preparation and serving of food;

(c) Care, treatment or training to be provided;

(d) The number, experience and training of the staff; and

(e) Any other factors affecting the care, treatment or training provided.

(2) Distinct rules shall be adopted for residential training facilities, residential treatment facilities and residential care facilities. Distinct rules also shall be adopted for facilities of six or more but fewer than 16 residents, and for facilities for 16 or more residents. The rules shall differentiate among categories of residents.

(3) For purposes of this section, "categories" refers to different populations of residents, differentiated by, but not limited to, age and need, as defined by rule. [1977 c.717 §6]

443.455 Civil penalties. For purposes of imposing civil penalties, residential facilities approved under ORS 443.400 to 443.455 and subsection (2) of 443.991 are considered to be long-term care facilities, subject to ORS 441.705 to 441.745. However, the director and the department shall exercise the powers conferred on the Assistant Director for Health and such division under ORS 441.705 to 441.745, and shall by rule prescribe a schedule of penalties appropriate to residential facilities licensed under ORS 443.400 to 443.455 and subsection (2) of 443.991. [1977 c.717 §13]
