The license shall be posted in a conspicuous place in the office of each warehouse.

(2) Application for a license under this section shall be made to the department upon forms furnished by it. The application shall include:

(a) The name and address of the applicant.

(b) Where an applicant for a license has more than one station, each station shall be treated separately for the purpose of computing the license fee. As used in this subsection, "station" means the public warehouses of an applicant in a particular locality.

(4) In addition to the license fee required by subsection (3) of this section, every applicant who handles or stores certified alfalfa seed shall pay a fee not to exceed \$75, as determined by the department after public hearing in accordance with the provisions of ORS 183.310 to 183.500, to reimburse the department for the additional administrative expense involved in applying ORS 586.210 to 586.730 to a warehouseman who handles or stores certified alfalfa seed.

(5) The department shall issue a license to the applicant if it finds that the application is in due form and the applicant has complied with the provisions of ORS 586.210 to 586.730. [Amended by 1955 c 731 §3, 1967 c.492 §2; 1969 c.190 §2]

**586.275 Revocation of or refusal to issue license.** Subject to the provisions of ORS 183.310 to 183.500, upon determining that any person licensed under this chapter, or who has applied for a license under ORS 586.270, has violated or failed to comply with any of the provisions of this chapter or any of the rules and regulations of the department made under this chapter, or that such person has failed to place and keep the premises, where he conducts the licensed business, in the manner required under this chapter, the department may revoke such person's license or refuse to issue a license to such person. [1957 c.11 §2; 1961 c.425 §6; 1961 c.445 §5; 1971 c 734 §89]

**586.280 Prohibition against operating a warehouse or issuing a warehouse receipt without a license.** (1) No person operating a public warehouse within this state shall issue any negotiable grain warehouse receipt for grain for storage purposes unless he is at the time licensed so to do, either by the department or by the United States Department of Agriculture.

(2) No person shall operate a public warehouse in this state without a license under ORS 586.210 to 586.730. [Amended by 1955 c.731 §4]

**586.285 Operation without a license may be enjoined.** The department may apply for, and the circuit courts of this state hereby are vested with jurisdiction to issue, a temporary or permanent injunction against the operation by any person of a public warehouse without a license if such license is required by ORS 586.210 to 586.730. The remedy conferred by this section is in addition to any other remedy provided by law. [1955 c.731 §8 (enacted in lieu of 586.320); 1971 c.418 §17]

**586.290 Posting of signs at warehouses.** (1) Every warehouseman operating a public warehouse licensed and bonded under ORS 586.210 to 586.730 shall post at or near the main entrance to the warehouse a sign to be furnished by the department of such design as the department directs, having thereon the words, "Oregon Bonded Grain Warehouse." It is unlawful to permit such sign or any sign of similar appearance or bearing the same words, or words of similar import, to remain during any time that the warehouse is not duly and regularly licensed or bonded under ORS 586.210 to 586.730.

(2) When any such license expires or is revoked and a new license from the department has not yet been issued, or if the full amount of the bond required has not been filed and approved, then the warehouseman immediately shall:

(a) Remove the sign.

(b) Discontinue operation of his business as a public warehouse.

(c) Place and maintain for at least one year at the main entrance to the warehouse a sign of such dimensions and other specifications as prescribed by the department and having thereon the words, "This is Not a Licensed or Bonded Grain Warehouse." [Amended by 1955 c.731 §5; 1959 c.195 §3]

**586.295 Warehouse to be maintained in adequate manner.** A public warehouse shall be maintained in a manner adequate to provide suitable, sanitary and safe storage of the particular product or commodity stored therein. [1957 c.11 §6; 1957 c.314 §4]

**586.300 Warehousemen's bond; liability; automatic license suspension for failure to have bond.** (1) Each warehouseman operating a public warehouse required to be licensed under ORS 586.210 to 586.730 shall, on or before July 1 of each year, give a bond to the State of Oregon executed by the warehouseman as principal and by a corporate surety licensed to do business in this state as surety, in such sum of not less than \$5,000 nor more than \$200,000 as conforms with a schedule to be established by the department. Such schedule shall be based upon a number of cents, varying from 8 to 15, multiplied by the number of bushels of rated grain storage capacity of the public warehouse furnishing the bond. The department shall determine the rate between 8 and 15 cents and fix the amount of the bond with reference to the market value of the commodity found or expected by the warehouseman to preponderate in storage in his warehouse. In so doing, the department shall take into consideration, but not be limited by, the coverage requirements of lending agencies. The bond of a public warehouse when first licensed shall conform with the value of commodities expected in storage.

(2) The bond must be approved by the department and shall be conditioned upon faithful performance by the warehouseman of the acts and duties enjoined by law upon him as a warehouseman, and such further obligations as a warehouseman as he may lawfully assume under contracts with depositors of grain in his warehouse. The liability of the surety upon such bond is limited to the amount specified in the bond.

(3) The warehouseman may give a single bond meeting the requirements of ORS 586.210 to 586.730, and all public warehouses operated by the warehouseman shall be deemed as one public warehouse for the purpose of the bond required under such sections.

(4) If a bond has been filed with, and approved by, the Department of Agriculture of the United States, as required by the United States Warehouse Act, then such bond shall be considered as in lieu of the bond required by this section, if:

(a) Satisfactory proof of the filing and approval of the bond is filed with the department;

(b) The department is satisfied with the form of the bond;

(c) The surety is a corporation authorized to do business as a surety in this state; and

(d) The bond meets the other requirements of ORS 586.210 to 586.730.

(5) The department may require the filing of an additional bond or bonds, within the limit stated in subsection (1) of this section, when it has knowledge of the principal's methods of conducting his business or of conditions affecting such business that, in the department's judgment, make such increase advisable for the protection of holders of the bonded public warehouse's receipts or load slips.

(6) Notwithstanding ORS 183.310 to 183.500, the license of a warehouseman shall be automatically suspended for failure at any time to have or to maintain a bond in the amount and type required by this chapter. The department shall not remove the suspension or issue a license as the case may be, until it is satisfied the required bond has been obtained. [Amended by 1955 c.731 §6; 1959 c.195 §4; 1961 c.445 §8]

**586.310** [Repealed by 1961 c.445 §23]

**586.315 Warehouseman required to insure grain or retain written waiver by depositor.** (1) Except as provided in subsection (2) of this section, grain in storage in a public warehouse or public terminal warehouse shall be kept fully insured by the warehouseman for the current market value of such grain against loss by fire, lightning, inherent explosion, windstorm, cyclone and tornado. Evidence of such insurance coverage in the form of a certificate of insurance approved by the department shall be filed with the department at the time of making application for an annual license to operate a public warehouse as required by this chapter. The department shall not issue a license until such certificate of insurance is received.

(2) Any person depositing or storing grain who does not wish to have his grain insured by a warehouseman, as required by subsection (1) of this section, may relieve the warehouseman of that duty and the provisions of this section, by notifying the warehouseman in writing that he does not wish his grain insured. If such notice specifies a definite period during which such grain shall not be insured,

the warehouseman shall keep such notice in his files for at least two years after such period ends. If no period is mentioned and the notice covers all grain which has been or may thereafter be deposited or stored with such warehouseman, then he shall retain such notice for at least two years after all grain has been removed by the person giving such notice.

(3) Notwithstanding the provisions of ORS 586.275, when the provisions of this section are violated, the department shall immediately suspend the license of the warehouseman. The suspension shall remain in effect until there has been compliance with this section. The provisions of this subsection shall supersede any inconsistent provisions in ORS 183.310 to 183.500. [1959 c.195 §6; 1961 c.425 §7]

**586.320** [Repealed by 1955 c.731 §§7, 34 (586.285 enacted in lieu of 586.320)]

**586.340 Posting rate schedules; increase or discrimination in rates prohibited.** Every warehouseman shall annually, during the first week in July, publish by posting in a conspicuous place in his public warehouse, a schedule of grain storage and handling rates for the ensuing year. The schedule shall be kept posted in a conspicuous place in the public warehouse. The rates shall not be changed during such year. No discrimination in rates shall be made by any warehouseman. [Amended by 1955 c.731 §10]

(1) Directly or indirectly, by any special charge, rebate, drawback or other device, demand, collect or receive from any person a greater or lesser compensation for any service rendered or to be rendered in the handling or storage of grain than he demands, collects or receives from any other person for doing for him a like and contemporaneous service in the handling or storage of grain under substantially similar circumstances or conditions.

(2) Make or give any undue or unreasonable preference or advantage to any person in any respect whatsoever.

(3) Subject any particular person to any undue or unreasonable prejudice or disadvantage in any respect whatsoever. [Amended by 1955 c.731 §11]

**586.360 Warehouseman required to receive grain for storage; load slips; warehouse receipts.** (1) Every warehouseman shall receive for storage and handling, as the capacity of his public warehouse will permit, all grain in a public warehouse licensed for such purpose, in suitable condition for storage, tendered him in the usual course of business, without discrimination of any kind.

(2) Every warehouseman receiving grain for storage or handling shall issue to every person delivering the grain to him a load slip which shall contain thereon the actual weight of each draft of the grain and the tare, if any, and other information required by the department, immediately upon receipt of each load or parcel of grain. The warehouseman receiving grain for storage or handling shall within 10 days after demand, issue and deliver to the owner of the grain, or his representative, a negotiable or nonnegotiable grain warehouse receipt in form prescribed by the department, unless exempted by subsection (3) of ORS 586.380. [Amended by 1955 c.731 §12; 1961 c.445 §9]

**586.370 Obtaining blank forms of receipts from department.** (1) The department shall cause to be printed, bound and delivered to each person operating a public warehouse a sufficient number of blank negotiable and nonnegotiable grain warehouse receipts, in such form and as prescribed by the department, required to carry on the business of such public warehouse when needed. No person shall use such forms for any purpose other than in connection with receipt of grain for storage or handling.

(2) Every person intending to operate a public warehouse shall file with the depart-

ment for that purpose a requisition for such number of negotiable and nonnegotiable grain warehouse receipts as may be required for the operation of such public warehouse during the ensuing license year, specifying:

(a) The name of the warehouseman intending to operate such public warehouse.

(b) The state number of the public warehouse, or the respective numbers of the public warehouses, intended to be operated.

(c) The respective quantities of blank forms of receipts required for each public warehouse.

(d) The place where each public warehouse, respectively, is located.

(e) The location of the principal place of business of the warehouseman operating such public warehouse or warehouses.

(f) The rate of handling and storage charges at such public warehouse, or each of such warehouses, respectively.

(g) Such other information as may be required by the department, specified in the blank form of requisition.

(3) All receipt forms shall state thereon the amount of cash or other advances made by the warehouseman to the depositor of grain.

(4) Payment for such receipts shall be made in advance. Every such warehouseman may file requisitions for additional receipts from time to time as he requires. [Amended by 1955 c.731 §13; 1961 c.445 §10]

**586.380 Only authorized receipts to be used; exception.** (1) It is unlawful to issue negotiable or nonnegotiable grain warehouse receipts other than those furnished by the department and such receipts shall be issued consecutively as numbered and dated with the true and correct date on which each receipt is actually issued. It is unlawful to print or have in possession for the purpose of issuance under ORS 586.210 to 586.730, any negotiable or nonnegotiable grain warehouse receipt blanks intended for use under the provisions of those sections other than those authorized to be printed or other than those furnished by the department.

(2) Nothing in ORS 586.210 to 586.730 shall be construed to prevent the issuance of nonnegotiable load slips or other nonnegotiable evidence of similar nature showing when and what quantities of grain were received or the condition thereof upon delivery.

(3) Warehouses operated under the United States Warehouse Act, are exempted from the use of receipts furnished by the department.

[Amended by 1955 c.731 §14; 1961 c.445 §11; 1969 c.190 §7]

**586.382 Warehouse records; warehouse receipts.** (1) A warehouseman operating another business in conjunction with, or in proximity to, his licensed public warehouse shall keep a complete set of records for the warehouse business, entirely separate and distinct from the accounts and records of any other business. Deposits of grain for the account of such other business, or for grain owned by the warehouseman, shall be entered in the books of the warehouse in the same manner as those of other depositors.

(2) No sale of grain by a warehouseman for future delivery, made when grain is not in storage in the warehouse, shall be deemed a transaction to which this chapter is applicable, nor shall such transaction be entered in the warehouse records as a storage obligation until the grain is placed in the public warehouse. When such grain is received and deposited to an account of a purchaser, the warehouseman shall immediately issue and deliver to the purchaser a negotiable or nonnegotiable warehouse receipt therefor.

(3) When grain in storage, not covered by an outstanding warehouse receipt, is purchased from one depositor and title passed to a new owner, the warehouseman shall immediately issue and deliver to such new owner a negotiable or nonnegotiable warehouse receipt therefor. [1961 c.445 §7]

**586.385 Warehouseman's liability for failure to issue proper receipt.** (1) No warehouseman shall issue a receipt for grain not known by him to be in his public warehouse.

(2) When partial withdrawal of his grain is made by a depositor, the warehouseman shall make appropriate notation thereof on the depositor's nonnegotiable receipt and on other records as prescribed by the department, or, if the warehouseman has theretofore issued a negotiable receipt to the depositor, he shall claim, cancel and replace it with a negotiable receipt showing the amount of such depositor's grain remaining in the public warehouse.

(3) A nonnegotiable receipt shall have plainly lettered upon the face thereof, "Not Negotiable" or "Nonnegotiable."

(4) For his failure to claim and cancel, on delivery by grain stored in his public warehouse, a negotiable receipt therefor issued by him, the negotiation of which would transfer the right to possession of such grain, a warehouseman shall be liable to any one who purchases such receipt for value and in good faith, for failure to deliver to him all the grain specified in the receipt, whether such purchaser acquired title to the negotiable receipt before or after delivery of any part of the grain by the warehouseman. [1961 c.445 §13]

**586.390** [Repealed by 1955 c.731 §34]

**586.395 Warehouseman's liability for injury to grain; disposal of grain which is a hazard.** (1) A warehouseman shall be liable for any loss or injury to the grain in his public warehouse caused by his failure to exercise such care in regard to it as a reasonably careful man would exercise in regard to similar grain of his own.

(2) (a) If a warehouseman discovers that as a result of a quality or condition of certain grain placed in his public warehouse, of which he had no notice at the time of deposit, such grain is a hazard to other grain or to persons or to the public warehouse, and if it is not immediately removed by the owners at his request, he may sell the grain at public or private sale without advertisement but with reasonable notification to all persons known to claim an interest in the grain. If the warehouseman after a reasonable effort is unable to sell the grain, he may dispose of it in any other lawful manner and shall incur no liability by reason of such disposition.

(b) At any time prior to sale or disposition as authorized in this section, the warehouseman shall deliver the grain to any person entitled to it, upon proper demand and payment of charges.

**586.525 Procedure in case of probable shortage in grain or where warehouseman refuses to submit to inspection.** (1)

Whenever it appears probable after investigation that a licensed warehouseman has not in his possession sufficient grain to cover the outstanding warehouse receipts, load slips or other evidence of storage liability issued or assumed by him, or when such warehouseman refuses to submit his books, papers or property to lawful inspection, the department may give notice to the warehouseman to comply with all or any of the following requirements:

(a) Cover such shortage.

(b) Give additional bond.

(c) Submit to such inspection as the department may deem necessary.

(2) If such warehouseman fails to comply with the terms of such notice within 24 hours from the date of its issuance, or within such further time as the department may allow, the department, represented by the Attorney General or the district attorney of the county in which the warehouse is located, shall apply to the circuit court of such county for an order:

(a) Authorizing the department to take possession of all special piles and special bins of grain and all commingled grain in the public warehouse or warehouses owned, operated or controlled by the warehouseman, and of all books, papers and property of all kinds used in connection with the conduct or the operation of such warehouseman's warehouse business, whether such books, papers, records and property pertain specifically, exclusively, directly or indirectly to that business, or are related to his handling, storage or use of grain in any other business; and

(b) Enjoining the warehouseman from interfering with the department in the discharge of its duties as required by this section.

(3) Upon taking possession the department shall give written notice of its action to the surety on the bond of the warehouseman and may notify the holders of all warehouse receipts or other evidence of deposits issued for grain, to present their warehouse receipts or other evidence of deposits, for inspection, or

to account for the same. The department may thereupon cause an audit to be made of the affairs of such public warehouse with respect to the grain in which there is an apparent shortage, determine the amount of such shortage and compute the shortage as to each depositor of grain. The department shall notify the warehouseman and the surety on his bond of the amount of such shortage and notify each depositor thereby affected.

(4) The department shall retain possession of the grain in the warehouse or warehouses, and of the books, papers and property of the warehouseman, until such time as the warehouseman or the surety on the bond shall have satisfied the claims of all holders of warehouse receipts or other evidence of deposits, or, in case the shortage exceeds the amount of the bond, the surety on the bond shall have satisfied such claims pro rata, or until such time as the department is ordered by the court to surrender possession.

(5) If during or after the audit provided for in this section, or at any other time the department is of the opinion that the warehouseman is insolvent or in danger of becoming so or is unable to satisfy the claims of all holders of warehouse receipts or other evidence of deposits, the department, represented by the Attorney General or the district attorney of the county in which the public warehouse is located, may petition the circuit court of such county for the appointment of a receiver to operate or liquidate the business of the warehouseman in accordance with law.

(6) At any time within 10 days after the department takes possession of any grain, or the books, papers and property of any licensed grain warehouse, the warehouseman may serve notice upon the department to appear in the circuit court of the county in which such warehouse is located, at a time to be fixed by such court, which shall be not less than five, nor more than 15 days from the date of the service of such notice, and show cause why such grain, books, papers and property should not be restored to his possession.

(7) All expenses incurred by the department in carrying out the provisions of this section shall be a first charge and lien upon the assets of the warehouseman, and may be recovered in a separate civil action brought by the department, represented by the Attorney General or the district attorney, in the circuit court of the county in which the public warehouse is located, or recovered at the same time

and as a part of the action filed under this section.

(8) As a part of the expenses so incurred, the department or the receiver is authorized to include the cost of adequate liability insurance necessary to protect the department, its officers and others engaged in carrying out the provisions of this section.

(9) Nothing in this section shall be construed as a waiver by the State of Oregon of any immunity against suit or action. [1957 c.11 §3; 1961 c.445 §17]

**586.527 Settlement of claims against defaulting warehouseman.** (1) If the department considers the appointment of a receiver or other action provided by ORS 586.525 inadvisable or inexpedient in the case of depositors of grain in a public warehouse operated by a warehouseman who is in default as to any condition of bond, it may obtain settlement for such depositors as provided in this section.

(2) The department shall:

(a) Give reasonable notice to persons holding warehouse receipts or other evidence of deposit issued by the defaulting warehouseman, to file claims with the department.

(b) Fix a reasonable time within which such filing shall be done.

(c) Investigate each claim so filed and reasonably verify the circumstances under which the claims accrued and the good faith of the claimants.

(3) With the approval of the claimants who filed claims, the department may settle such claims with the surety without filing legal action. Such settlement unless appealed to the circuit court within 30 days as provided by law, is final between the surety and all claimants covered by the bond.

(4) If any claimant or the surety does not agree with the findings of the department, the department shall file a declaratory judgment action without right to jury trial in the circuit court in the name of the State of Oregon for the benefit of the claimants as authorized by ORS chapter 28. Unless appealed as prescribed by law, the order of the court shall be final between the surety and all claimants covered by the bond. [1961 c.445 §19; 1979 c.284 §177]

**586.529 Receivership of warehouse business; claims against surety.** (1) An employe of the department may be appointed receiver if the court is unable, or deems it

inadvisable, to obtain the services of another qualified person to accept the position as authorized by ORS 586.525. If a person other than an employe of the department is appointed a receiver and if at any time it is apparent to the court that there is or may be insufficient assets from which to make reasonable payment for expenses or services rendered or to be rendered, the department is authorized with the approval of the court from funds received under this chapter, to make payment to such receiver for services rendered or expenses incurred thereunder of a total amount not to exceed \$2,000 in any one particular receivership. The department is entitled to be reimbursed from the assets of the receivership on the same basis and priority as otherwise applies by law to payment to receivers appointed by the court.

(2) If a receiver is appointed as authorized by ORS 586.525, the surety on the bond of the warehouseman shall be made a party to the receivership and the action filed by the department. In addition to other authority provided by law, the receiver shall have authority to give notice and provide a reasonable time, as approved by the court, to persons holding warehouse receipts or other evidence of deposit issued by the defaulting warehouseman, to file their claims with the receiver. The receiver shall investigate each claim, determine the pro rata share of grain less set-offs, or the proceeds of the sale of such grains, due each claimant. The receiver shall also determine the amount, if any, due each claimant by the surety. The court after hearing may adopt or amend the findings of the receiver and shall by order, make distribution of grains or the proceeds from the sale of grains. The court by order shall also require the surety to make payment to claimants. Such orders unless appealed as otherwise authorized by law, are to be a final settlement of such matters between the parties concerned. The receiver is authorized with the approval of the court to continue the operation of all or any part of the entire business of the warehouseman and to take any other course of action or procedure which will best serve the interests of the depositors or those who need and use the services offered by the licensee and the warehouse. [1961 c.445 §20]

**586.530 Establishment of standard grades for commodities received.** (1) The department shall fix and establish standard grades to apply to all grain received for ship-

[1961 c.445 §21]

586.560 [Repealed by 1955 c.731 §34]

**586.561 Discontinuance of operation of warehouse.** (1) Any person operating a public warehouse who desires to discontinue the operation shall at least 30 days prior to

the date of expiration or closing date notify, by certified or registered mail, at the last-known address all holders of warehouse receipts, all persons storing grain in such warehouse and the department of the intention to discontinue the public warehouse business.

(2) If the address of any holder of a warehouse receipt or persons storing grain is unknown, then the person operating a public warehouse shall also give notice of the intention to discontinue the operation of a public warehouse by publication in some newspaper of general circulation in the county once a week for two consecutive weeks. The date of the second published notice shall be at least 30 days prior to the date of expiration of the operations.

(3) It shall be the duty of owners of such grain to remove, or cause to be removed, their grain from such warehouse before the expiration date.

(4) If the warehouseman has not notified all persons or holders of warehouse receipts as provided in subsection (1) of this section or published a notice as provided by subsection (2) of this section, and if at the expiration date of his operations there are outstanding warehouse receipts covering grain in storage in the warehouse, or in the opinion of the department there is reasonable evidence of outstanding liability by the warehouseman under ORS 77.1010 to 77.6040 or this chapter, then:

(a) The warehouseman is required to apply for, obtain and maintain a bond as provided for in ORS 586.300 until such date that the department determines all grain has been removed from the warehouse or the rights or claims of all holders of warehouse receipts have been protected and satisfied.

(b) The department may invoke and is authorized to use the procedures and authority as provided for in ORS 586.525.
