(2) The board may cause an investigation to be made as to the character of the applicant and may require such showing as may reasonably prove the good character of the applicant. The board may also subpoena witnesses, administer oaths and take testimony with respect to the character of the applicant, upon proper notice before such hearing.

(3) If any person licensed in this state as a funeral director who is not also licensed as an embalmer engages or attempts to engage in such business or profession without the services of a licensed embalmer, such person's funeral director's license is subject to termination by the board after public hearing, but at the discretion of the board may be reinstated or renewed following such termination.

692.090 Assistant funeral directors.

(1) No assistant funeral director's license shall be issued after July 1, 1971, except as provided in subsection (2) of this section.

[Amended by 1971 c.115 §3]

692.120 Qualifications for embalmer license. In order to qualify for a license as an embalmer, the applicant shall:

- (1) Be over 21 years of age.
- (2) Be of good character.
- (3) Have first completed a two-year course of apprenticeship under an embalmer licensed and engaged in practice as an embalmer in this state, and the applicant shall have completed the required course of apprenticeship within a period of three consecutive years, excluding time lost by interruptions caused by active duty of the applicant in the military service of the United States or its allies during war or national emergency, and excluding time lost by interruptions which the board deems excusable as caused by circumstances beyond the control of the applicant.
- (4) Have completed a full course of instruction in an embalming school which has been approved by the board and has received a certificate of satisfactory completion or the equivalent from such embalming school. - (5) Have completed the course of apprenticeship not more than two years prior to the date of examination, excluding time lost under the circumstances mentioned in subsection (3) of this section; provided that the board may examine an applicant for an embalmer's license as provided by ORS 692.130 upon the completion by the applicant of 12 months of instruction in an embalming school as above provided, but the license shall not be issued until such applicant has completed his apprenticeship. [Amended by 1971 c.115 §4]

692.130 Scope and conduct of embalmer examination; issuance of license.

An applicant is entitled to reexamination on individual subjects only once. (c) Except as provided in paragraph (b) of this subsection, an applicant shall be reexamined in all subjects if the applicant reapplies for examination.

(3) If the board is satisfied that the applicant has the requisite qualifications to practice the occupation of embalmer and the applicant has paid the initial license fee as provided in ORS 692.160, a license shall be issued. The license authorizes the applicant to practice the occupation of embalmer to and including December 31 of the year in which it is issued. (c) Solicitation of human dead bodies by the licensee, his agents, assistants or employes, whether such solicitation occurs after death or while death is impending; but this does not prohibit general advertising.

(d) Employment by the licensee of persons known as "cappers" or "steerers" or "solicitors" or other such persons to obtain funeral directing or embalming business.

(e) Employment directly or indirectly of any apprentice, agent, assistant, embalmer, employe, or other person, on part or full time, or on commission, for the purpose of calling upon individuals or institutions by whose influence dead human bodies may be turned over to a particular funeral director or embalmer.

(p) Failure to comply with ORS 128.410 to 128.415. [Amended by 1971 c 115 §12]

692.190 Application for and issuance of apprentice certificates in embalming and funeral directing. (1) Every person desiring to engage as an apprentice shall make application for registration as a funeral director's apprentice or an embalmer's apprentice to the board upon a form provided by the board. The application shall state that the applicant is over the age of 18 years, holds a high school certificate, or possesses the equivalent of a high school education, and is of good moral character. The application must be verified by the oath of applicant and be accompanied by a fee as provided in ORS 692.160. The secretary of the board shall, whenever it appears to him that no reason exists for the denial of an application and that the application is regular upon its face, have the power to issue to the applicant, a certificate of apprenticeship, without submitting the application to the board. If, however, any doubt exists as to the qualifications of the applicant, the application shall be submitted to the board and may be accepted or rejected by a majority vote of the board.

(2) The regular course of apprenticeship shall be two years, but the apprentice is entitled to two weeks' vacation each year, without leave of absence from the board. [Amended by 1973 c.411 §7]

692.200 Annual renewal of apprentice certificate. A certificate of apprenticeship issued as provided in ORS 692.190 shall be signed by the apprentice and shall be renewable annually upon the payment by the holder on January 1 of each year of an annual renewal fee as provided in ORS 692.160. Failure to pay the renewal fee during the month of December of any year shall cause the certificate to lapse, in which case it shall be renewed only for good cause shown. No person may be granted a certificate of apprenticeship as funeral director's apprentice or embalmer's apprentice, respectively, for more than three consecutive years, excepting, however, time excluded for completion of course of apprenticeship as provided by ORS 692.060 and 692.120. The board shall mail on or before November 1 of each year to each registered apprentice at his last-known address a notice that his renewal fee is due and payable and that, if not paid by January 1, his license will lapse. [Amended by 1973 c.411 §8]

692.210 Annual report of apprentices. All apprentices registered as provided in ORS 692.190 shall be under the supervision and control of the board and shall be required to report to the board annually on January 1 upon forms provided by the board, showing the work which such apprentices have performed during the annual period preceding the first of the month on which the report is made, including the number of hours served and the number of bodies the apprentice has assisted in embalming or otherwise preparing for disposition during such period. The information contained in the report shall be certified to as correct by the funeral director by whom the apprentice has been employed during such period.

692.220 Leaves of absence for apprentices. The board has power to grant leaves of absence and to grant extensions thereof to apprentices registered under the provisions of this chapter. However, no credit shall be given to an apprentice upon his apprenticeship for the period during which he is absent from duty on leave and no more than an aggregate of 12 months' leave of absence shall be granted to any apprentice during the term of his apprenticeship. Application for leave of absence and for extension thereof shall be made by the apprentice upon a form provided by and addressed to the board. Upon the termination of a leave of absence or any extension thereof, the apprentice shall report to the board the fact that he has resumed his duties as an apprentice and certified to by the funeral director under whom he has resumed his duties or by the embalmer under whom he is apprenticed, confirming this fact. Failure to so report within 10 days after the expiration date of any leave of absence or extension thereof shall automatically cancel the registration of the apprentice.

(b) Failure to make an annual report to the board as required in ORS 692.210.

(c) Absence from duty except on vacation for an aggregate of more than 10 days in any six months or 20 days in any year, without leave of absence granted by the board.

(d) Gross immorality.

(e) Being on duty as an apprentice while under the influence of liquor.

The board may, when the circumstances warrant, allow an apprentice credit under a reregistration for time actually served under a previous registration, except that if the previous registration has been suspended or revoked upon any of the grounds set forth in subsection (1) of this section not more than 75 percent of the time previously served shall be credited on the reregistration. [Amended by 1973 c.411 §9]

692.240 [Amended by 1971 c.115 §13; repealed by 1971 c.734 §21]

692.250 [Repealed by 1971 c.734 §21]

692.260 Grounds for revocation, suspension or refusal to renew funeral establishment license. The board may revoke, suspend or refuse to renew a license issued to an operator of a funeral establishment if the board finds that the operator has failed to comply with the provisions of this chapter or the regulations of the board.
