713.010 Application of Bank Act to foreign and extranational institutions; when deposit insurance required. (1) Every foreign institution and extranational institution doing business in this state is subject to all the provisions of the Bank Act. However, when there is a conflict between the provisions of this chapter and the provisions of another chapter of the Bank Act, the provisions of this chapter control.

(2) The Bank Act does not apply to any foreign or extranational copartnership, firm, joint stock company, association or corporation engaged in the business of loaning money on mortgage security which does not accept deposits or receive from citizens or residents of this state property or money in trust on deposit or for investment. [Amended by 1965 c.170 §2; 1967 c.333 §1; 1973 c.797 §307; 1975 c.725 §8; 1979 c.88 §13]

713.012 Limitation on authority to act as fiduciary. A foreign institution or extranational institution shall not hold real or personal property in trust in this state or act in a fiduciary capacity except, a corporation qualified to act as a trust company in the state of its domicile and a national bank which has been granted permission by the appropriate authorities of the United States to act in a fiduciary capacity may act as trustee for an issue of bonds, debentures or notes issued under the terms of a mortgage or deed of trust recorded in this state. It may act jointly with a trust company or as sole trustee under a mortgage or deed of trust recorded in this state after it has qualified and been admitted, under certificate issued by the superintendent, to transact business in this state. In addition, such corporation, if regulated by the banking authorities of the state of its incorporation and of the United States, or such national bank may, without qualifying to do business in Oregon, invest collective investment funds, such funds consisting solely of assets of retirement, pension, profit sharing, stock bonus or other trusts which are exempt from federal income taxation under the federal Internal Revenue Code, which are lawfully held in trust, in real or personal property in the state, hold title thereto as trustee and exercise all rights and remedies with regard to such property as any other trustee. Such corporation or national bank cannot act as personal representative or otherwise act in a trust capacity in this state. The prohibitions contained in this section do not apply to any national bank, foreign institution or extranational institution

having a branch office in this state and lawfully doing a trust business on December 31, 1964. Except as to property held prior to January 1, 1985, a corporation or national bank permitted to hold property in trust in Oregon under this section may not hold property in trust in Oregon after January 1, 1985, unless on or before January 1, 1985, the state of its incorporation or domicile permits banks incorporated under the laws of Oregon or national banks domiciled in Oregon to hold title to property in trust in such state. [1973 c.797 §308; 1975 c.725 §9; 1979 c.362 §1]

713.016 When deposit insurance required; acceptance of deposits. (1) A foreign institution shall not accept deposits in this state unless the deposits are insured by the Federal Deposit Insurance Corporation. This subsection does not apply to any foreign institution having a branch office in this state and lawfully doing a banking business on December 31, 1966, or to extranational institutions.

(2) Unless it complies with the requirements of ORS 713.025, an extranational institution shall not accept deposits in this state. This subsection and ORS 713.025 do not apply to any extranational institution having a branch office in this state and lawfully doing a banking business on December 31, 1966. [1973 c.797 §309; 1975 c.725 §10]

713.020 Application of general foreign corporation laws. (1) Every foreign institution and extranational institution, doing business in this state, other than the loaning of money on mortgage security, shall, in addition to the requirements of the Bank Act, comply with ORS 57.655 to 57.745, except that all declarations, powers of attorney, articles of incorporation, annual reports and all other papers required in ORS 57.655 to 57.745 to be filed with the Corporation Commissioner shall be filed with the superintendent and all filing fees, annual license fees and moneys payable to the Corporation Commissioner shall be paid by the foreign institution or extranational institution to the superintendent.

(2) The superintendent shall issue to a foreign institution or extranational institution the certificate of authority to transact business in this state, provided for in ORS 57.675 to 57.685. [Amended by 1965 c.170 §3; 1973 c.797 §310; 1975 c.725 §11]

713.025 Assets requirement for extranational institutions. (1) Every extranational institution with one or more offices in this state shall maintain in this state assets equal to the amount of deposit liabilities of the extranational institution payable at or through its offices in this state.

(2) As used in this section:

(a) "Assets" include currency, bonds, notes, debentures, drafts, bills of exchange or other evidences of indebtedness owed by persons in the United States and collectible in the United States in currency of the United States or, with prior approval of the superintendent, in currency freely convertible into currency of the United States, but do not include prepaid expenses, customers' liability on acceptances and amounts due from other offices, agencies or branches of and wholly owned subsidiaries of the parent institution. For purposes of this section, assets may also include any assets held in a manner approved by the superintendent.

(b) "Deposit liabilities" include the total amount of deposits in offices of the extranational institution in this state but do not include accrued expenses, amounts due to other offices, agencies or branches of and wholly owned subsidiaries of the parent extranational institution, acceptances outstanding and borrowings.

(3) The superintendent shall determine the value of the assets maintained for the purposes of this section and shall value marketable securities according to accepted principles of accounting. [1975 c.725 §3]

713.030 [Repealed by 1973 c.797 §428]

713.035 Failure to maintain required assets; notice to superintendent; effect of deficiency. If at the close of any banking day an extranational institution does not have in this state the assets required to be maintained under ORS 713.025, the managing officer in charge of the extranational institution shall immediately notify the superintendent and the main office of the parent institution of the deficit. The extranational institution shall have three banking days to eliminate the deficiency. If the deficiency is not eliminated within the three-day period, the institution is prohibited from making loans, issuing letters of credit or accepting drafts or bills of exchange and the superintendent may revoke its certificate of authority. [1975 c.725 §4]

713.040 [Repealed by 1973 c.797 §428]

713.045 Distribution of assets of extranational institution by superintendent after insolvency or liquidation. (1) If an extranational institution whose deposit liabilities are not insured to any extent by the Federal Deposit Insurance Corporation, becomes insolvent or goes into voluntary or involuntary liquidation or cannot otherwise pay its deposit liabilities, the assets required to be maintained under ORS 713.025 shall become the property of the superintendent, free of any liens and other claims and shall be held by him in trust and applied in the order of priority established in ORS 711.520.

(2) The amount available for distribution to the depositors under subsection (1) of this section shall be allocated to the depositors by dividing the total amount of cash to be distributed by the total number of depositors. The amount so determined shall be the basic distribution allocable to each depositor, however, any one depositor shall not receive an amount in excess of his account balances or \$20,000 whichever is the lesser.

(3) If any cash remains after the basic distribution, the superintendent shall on a similar basis continue to compute the amount to be paid to those depositors for whom the first basic distribution would not permit payment in full.

(4) As used in this section, the term "depositor" has the meaning ascribed to it in ORS 711.515. [1975 c.725 §5]

Note: 713.045 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 713 or any series therein by legislative action. See the Preface to Oregon Revised Statutes for further explanation.

[Amended by 1973 c.797 §315; 1975 c.725 §13]

713.080 Certain companies desiring to make mortgage loans must file resolution as to business to be transacted. If any foreign or extranational copartnership, firm, joint stock company, association or corporation whose name contains the word "trust" or whose articles of incorporation empower it to do a trust business, desires to engage in the business of loaning money on mortgages in this state, it shall file with the superintendent, in addition to its articles of incorporation or association, a resolution of its governing board, attested by its president and secretary, stating that it will not:
