(2) The power granted by this section is in addition to other grants of power to counties, shall not be construed to limit or qualify any such grant and shall be liberally construed, to the end that counties have all powers over matters of county concern that it is possible for them to have under the Constitutions and laws of the United States and of this state.

(3) No ordinance adopted under this section may change the number or mode of selection of elective county officers that are prescribed by statute. [1973 c 282 §2, 1981 c 140 §1]

(2) References to the county court in ORS 203.710 to 203.770 include the board of county commissioners.

(3) As used in ORS 203.710 to 203.770, unless the context requires otherwise, "legally called election" means any primary or general election held throughout the county. [1959 c 527 §1; 1961 c.339 §1]

203.720 Voters of county may adopt, amend, revise or repeal county charter; certain provisions, deemed matters of county concern, to prevail over state law. The legal voters of any county, by majority vote of such voters voting thereon at any legally called election, may adopt, amend, revise or repeal a county charter. The charter, or legislation passed by the county pursuant thereto, shall provide a method whereby the legal voters of the county, by majority vote of such voters voting thereon at any legally called election, may amend, revise or repeal the charter. The county charter and legislative provisions relating to the amendment, revision or repeal of the charter are deemed to be matters of county concern and shall prevail over any conflicting provisions of ORS 203.710 to 203.770 and other state statutes unless otherwise specifically provided by conflicting state statutes first effective after January 1, 1961. [1959 c 527 §2]

203.730 Charter committee appointed after filing of resolution or petition; sufficiency of petition; notice to persons entitled to make appointments to committee.

(1) A county charter may be proposed by a committee appointed after the filing with the county clerk of:

(a) A resolution requesting appointment of the committee, adopted by a majority of the county court; or

(b) A petition requesting appointment of the committee, signed by such number of legal voters of the county as is equal to at least five percent of the whole number of votes cast within the county for that position of judge of the Supreme Court for which the greatest

number of votes was cast within the county at the last preceding election for judge of the Supreme Court. The petition shall be substantially in such form as the county clerk may prescribe.

(2) The county clerk, not later than the fifth day after the filing of the resolution of the county court, shall give written notice thereof to those persons entitled to participate in the appointment of a member of the committee.

(3) Upon the filing with the county clerk of a petition requesting the appointment of a committee, the county clerk, not later than the 15th day after the filing of the petition, shall verify the signatures and certify to the county court the findings as to the sufficiency of such petition. If the petition is found to be sufficient, the county clerk immediately shall give written notice thereof to those persons entitled to participate in the appointment of a member of the committee. [1959 c 527 §§3, 4; 1973 c 255 §1, 1979 c 190 §403]

203.740 Charter committee and members; appointment, qualifications, vacancies, terms, organization, meetings. (1) Within 60 days after the county clerk finds that a petition for the appointment of a committee is sufficient, or within 60 days after the county court has filed with the county clerk its resolution requesting that a committee be appointed, a committee shall be appointed as provided in this section. Only one committee is to be in existence at any given period of time.

(2) (a) In all counties, (i) a majority of the county court is entitled to appoint four members of the committee; (ii) a majority of the State Senators and State Representatives then representing the county is entitled to appoint four additional members; and (iii) a majority, consisting of at least five, of those persons appointed under (i) and (ii) of this paragraph is entitled to appoint one additional member.

(b) If, within 45 days after the terms of committee members begin to run as provided in subsection (4) of this section, an appointing authority has not made the appointment or appointments it is entitled to make, the county clerk shall call a meeting of those persons constituting the appointing authority by giving written notice to each of them, specifying the purpose of the meeting and the time and place thereof. The time of the meeting shall be set within 15 days of the expiration of the 45-day period.

(3) All members of the committee must be legal voters of the county; and no member shall be engaged, directly or indirectly, in any business with the county which is inconsistent with the conscientious performance of his duties as a member of the committee. An initial appointment, or an appointment to fill a vacancy, is made by delivering to the county clerk written notice of the name and address of the person appointed, signed by the person duly authorized to act for the appointing authority. No member of an appointive authority may serve as a member of such committee. If an appointing authority fails to make such an initial appointment within 60 days after the terms of committee members begin to run as provided in subsection (4) of this section, the county court shall make the appointment within 10 days after the expiration of the 60-day period.

(4) The terms of committee members run either from the date the county court receives the certification from the county clerk that the petition requesting the appointment of the committee is sufficient or from the date the county court files its resolution requesting appointment of the committee, as the case may be. The terms expire on the day of the election at which the committee's proposed charter is voted upon or within two years from the date the terms began, whichever is the sooner, unless, in the case where a proposed charter is not submitted at an election held within such two-year period, the county court by resolution filed with the county clerk before the expiration of the terms extends them until the day of the election on the proposed charter or for another two years, whichever is the sooner. Any vacancy occurring on the committee, in a position for which an initial appointment has been made, shall be filled by appointment for the unexpired term by the appointing authority which was entitled to make the initial appointment of the member whose position is vacant or, if such appointing authority fails to make the appointment within 10 days after the vacancy occurs, by the county court.

(5) Not later than 80 days after the terms of committee members begin to run as provided in subsection (4) of this section, the members of the committee shall meet and organize. A majority of the committee constitutes a quorum for the transaction of business. The committee may adopt such rules as it deems necessary for its operation. Members of the committee shall serve without pay. The committee, within the limit of funds available to it, may employ such persons, or contract for their services, as it may deem necessary to aid it in the performance of its functions. With respect to expenditures in excess of the minimum amount of money required to be made available, the budget as approved or revised and approved by the county court shall represent the authorized limits of the committee's expenditures. Any balance remaining unexpended shall be transferred to the general fund of the county unless other provisions were made at the time of the appropriation to the committee. The county treasurer is authorized to disburse funds of the committee on its order.

(2) The committee may conduct interviews and make investigations which to it seem necessary in order to draft a charter; and, to the fullest extent practicable, county officials and employes shall cooperate with the committee and provide it with information, advice and assistance. [1959 c 527 §6]
