215.214 Effect of solid waste disposal site classification on compliance with agricultural land goals. The Land Conservation and Development Commission shall not consider the provisions of ORS 215.213 (2)(k) as being consistent with any state-wide planning goal relating to the preservation of agricultural lands for the purpose of exempting a unit of local government from applying that goal to agricultural lands. [1979 c.773 §11]

215.215 Reestablishment of nonfarm use. (1) Notwithstanding ORS 215.130 (4), if a nonfarm use exists in an exclusive farm use zone and is unintentionally destroyed by fire, other casualty or natural disaster, the county may allow by its zoning regulations such use to be reestablished to its previous nature and extent, but the reestablishment shall meet all other building, plumbing, sanitation and other codes, ordinances and permit requirements.

(2) Consistent with ORS 215.243, the county governing body may zone for the appropriate nonfarm use one or more lots or parcels in the interior of an exclusive farm use zone if the lots or parcels were physically developed for the nonfarm use prior to the establishment of the exclusive farm use zone. (2) The notice provisions of this section shall not restrict the giving of notice by other means, including mail, radio and television.

(3) The governing body or its designate may grant tentative approval of an application made under ORS 215.213 (3) for the establishment of a dwelling on land in an exclusive farm use zone that is valued at true cash value for farm use under ORS 308.370 upon making the findings required by ORS 215.213 (3). An application for the establishment of a dwelling that has been tentatively approved shall be given final approval by the governing body or its designate upon receipt of evidence that the lot or parcel upon which establish-

ment of the dwelling is proposed has been disqualified for valuation at true cash value for farm use under ORS 308.370.

(b) Request that the county assessor disqualify the lot or parcel for valuation at true cash value for farm use under ORS 308.370.

(5) When the owner of a lot or parcel upon which the establishment of a dwelling has been tentatively approved notifies the county assessor that the lot or parcel is no longer being used as farmland and requests disqualification of the land for valuation at true cash value for farm use, the county assessor shall:

(a) Disqualify the lot or parcel for valuation at true cash value for farm use under ORS 308.370 by removing the special assessment for farm use as provided by ORS 308.397 (1) or 308.390 (1)(a), whichever is applicable;

(b) Provide the owner of the lot or parcel with written notice of the disqualification for valuation at true cash value for farm use under ORS 308.370; and

(7)(a) A lot or parcel described in subsection (2) of this section that has been disqualified for valuation at true cash value for farm use under ORS 308.370 is not eligible on or after the date of disqualification for valuation at true cash value for farm use under ORS 308.370 (1) or (2) except as provided in paragraph (b) of this subsection.

215.240 [Repealed by 1963 c.619 §16]

215.243 Agricultural land use policy.

The Legislative Assembly finds and declares that:

(1) Open land used for agricultural use is an efficient means of conserving natural resources that constitute an important physical, social, aesthetic and economic asset to all of the people of this state, whether living in rural, urban or metropolitan areas of the state.

(2) The preservation of a maximum amount of the limited supply of agricultural land is necessary to the conservation of the state's economic resources and the preservation of such land in large blocks is necessary in maintaining the agricultural economy of the state and for the assurance of adequate, healthful and nutritious food for the people of this state and nation.

(3) Expansion of urban development into rural areas is a matter of public concern because of the unnecessary increases in costs of community services, conflicts between farm and urban activities and the loss of open space and natural beauty around urban centers occurring as the result of such expansion.

(4) Exclusive farm use zoning as provided by law, substantially limits alternatives to the use of rural land and, with the importance of rural lands to the public, justifies incentives and privileges offered to encourage owners of rural lands to hold such lands in exclusive farm use zones. [1973 c.503 §1]

215.250 [Repealed by 1973 c 619 §16]

215.253 Prohibition against restrictive local ordinances affecting farm use zones; exemption for exercise of governmental power to protect public health, safety and welfare. (1) No state agency, city, county or political subdivision of this state may exercise any of its powers to enact local laws or ordinances or impose restrictions or regulations affecting any farm use land situated within an exclusive farm use zone established under ORS 215.203 in a manner that would unreasonably restrict or regulate farm structures or that would unreasonably restrict

or regulate accepted farming practices because of noise, dust, odor or other materials carried in the air or other conditions arising therefrom if such conditions do not extend beyond the boundaries of the exclusive farm use zone within which they are created in such manner as to interfere with the use of adjacent lands. "Accepted farming practice" as used in this subsection shall have the meaning set out in ORS 215.203.

(2) Nothing in this section is intended to limit or restrict the lawful exercise by any state agency, city, county or political subdivision of its power to protect the health, safety and welfare of the citizens of this state. [1973 c 503 §8]

215.263 Review of land divisions in exclusive farm use zones; criteria for approval; exemptions. (1) Any proposed division of land included within an exclusive farm use zone resulting in the creation of one or more parcels of land shall be reviewed and approved or disapproved by the governing body of the county in which such land is situated. The governing body of a county by ordinance shall require such prior review and approval for such divisions of land within exclusive farm use zones established within the county.

(2) If the governing body of a county initiates a review as provided in subsection (1) of this section, it shall not approve any proposed division of land unless it finds that the proposed division of land is in conformity with the legislative intent set forth in ORS 215.243.

(3) This section shall not apply to the creation or sale of cemetery lots, if a cemetery is within the boundaries designated for a farm use zone at the time the zone is established.

(4) This section shall not apply to divisions of land resulting from lien foreclosures or divisions of land resulting from foreclosure of recorded contracts for the sale of real property.

(5) The governing body of a county shall not approve any proposed subdivision or partition of a lot or parcel described in ORS 215.213 (1)(e). [1973 c 503 §9; 1977 c 766 §9, 1979 c 46 §2, 1981 c 748 §48]
