(5) The provisions of this section shall not be construed to apply to any employe of the Federal Government or of the State of Oregon or of any political subdivision of the state engaged in work upon any state, county or public road or highway while performing such work under the supervision of the Federal Government, the state or any political subdivision thereof.

(7) Nothing in this section shall be construed as prohibiting the digging, pulling, gathering or sending out of this state, in such quantity and at such times the department may approve, any commercially propagated plants or shrubs mentioned in subsections (2) and (3) of this section, provided the permission of the department for so doing is first obtained.

564.030 Enforcement. It shall be the duty of the department and of all its officers and employes to see that the provisions of ORS 564.020 are enforced and to present evidence of any violation of the provisions of ORS 564.020 to the district attorney of the county in which any such violation occurs.
