GENERAL PROVISIONS

682.010 Definitions. As used in this chapter:

(1) "Board" means the Board of Medical Examiners for the State of Oregon.

(2) "Council" means the Advisory Council on Podiatry.

(3) "Podiatrist" means an individual who practices podiatry.

(4) "Podiatry" means the diagnosis or the medical, physical or surgical treatment of ailments of the human foot, except treatment involving the use of a general or spinal anesthetic unless the treatment is performed in a hospital certified in the manner described in ORS 441.055 (2) and is under the supervision of or in collaboration with a physician licensed to practice medicine by the Board of Medical Examiners for the State of Oregon. "Podiatry" does not include the administration of general or spinal anesthetics or the amputation of the foot. [Amended by 1961 c 248 §1, 1969 c 276 §1, 1981 c 339 §6]

682.020 License required to practice podiatry. (1) No person shall practice podiatry without first obtaining from the board a license authorizing the practice of podiatry in this state, except as otherwise provided in this chapter.

(2) It shall be deemed prima facie evidence of practicing podiatry within the meaning of this chapter if any person uses the name or title podiatrist, chiroprapist, D.S.C., D.P.M., D.P., foot expert, foot specialist, foot correctionist, or any other word, abbreviation or title to his name indicating that he was or is qualified and licensed to practice podiatry. [Amended by 1961 c 248 §2, 1969 c 276 §2]

682.030 Persons and practices not affected. (1) This chapter does not prevent:

(a) Any person, firm or corporation from manufacturing, selling, fitting or adjusting any shoe or appliance designed and intended to equalize pressure on different parts of the foot.

(b) The sale by licensed druggists of plasters, salves and lotions for the relief and cure of corns, warts, callosities and bunions.

(2) This chapter shall not be construed to apply to or interfere with:

(a) The practice of any person whose religion treats or administers to the sick or suffering by purely spiritual means, nor with any individual's selection of any such person.

(b) Physicians licensed by the State Board of Medical Examiners of this state, nor to surgeons of the United States Army, Navy and United States Public Health Service, when in actual performance of their official duties.

LICENSING

682.040 Qualifications of applicants. All applicants for a license to practice podiatry under this chapter shall:

(1) Have attained the age of 18 years.

(2) Be of good moral character.

(3) Have graduated from a podiatry school or college which, at the time of graduation of such applicants, was approved by the board.

[Amended by 1961 c 248 §3, 1969 c 276 §3, 1973 c 827 §70]

682.050 Examination of applicants; issuing license; fees; reexamination. Any person desiring a license to practice podiatry shall be examined by the board in anatomy, chemistry, dermatology, diagnosis, pharmacology, pathology, physiology, therapeutics, clinical and orthopedic podiatry and such other subjects as the board may deem advisable, limited in their scope to the treatment of the human foot. If the applicant possesses the qualifications required by ORS 682.040 and passes the examination prescribed with a general average of 75 percent in all subjects, and not less than 60 percent in any one subject, the applicant shall be issued a license by the board to practice podiatry in this state. Each applicant shall submit an application for examination and the required examination fee to the secretary of the board no later than two weeks prior to the date of the examination. Any applicant failing in the examination, and being refused a license, is entitled to a reexamination upon the payment of an additional examination fee, after the expiration of six months and prior to the expiration of 12 months from the time of the examination.

[Amended by 1953 c 525 §6, 1969 c 276 §4, 1981 c 339 §7]

682.055 Reciprocal licensing; use of national board examination. (1) Notwithstanding the provisions of ORS 682.050, the board may issue a license to practice podiatry without a written examination of the applicant if the applicant has a license to practice podiatry issued by a licensing agency of another state or territory of the United States and he complies with the other provisions of this chapter. Such a license shall not be issued unless the requirements, including the examination for such license are substantially similar to the requirements of this state for a license to practice podiatry. The board shall adopt rules governing the issuance of licenses to persons applying under this section. The license may be evidenced by a certificate of the board indorsed on the license issued by the other state or territory, or by issuance of a license as otherwise provided by this chapter.

(2) The board may accept a certificate of successful examination issued by the National Board of Podiatry Examiners in lieu of a written examination given by the board.

(3) The board may require an applicant under subsection (1) or (2) of this section to take an oral examination conducted by one or more members of the board. [1969 c 276 §6]

682.060 Time and place of examinations. Examinations to procure a license to practice podiatry in this state shall be held annually and at such other times and places as the board shall fix.

(3) \$100 for a license based upon a certificate issued by the National Board of Podiatry Examiners as authorized by ORS 682.055.

[1969 c 276 §7]

682.070 Designation of licensees. (1) All licensees shall be designated as "registered podiatrists" and shall not use any title or abbreviation thereof without the designa-

tion "registered podiatrist," "practice limited to the foot," and shall not mislead the public as to their limited professional qualifications to treat human ailments.

(2) Any duly licensed podiatrist must pursue the profession under that person's name only, as it appears in the license, and not under any other name or trade name, using the title of "podiatrist" and not any other title.

(3) The term "foot specialist" may be used as an explanatory term of the title "podiatrist" and not as a substitute therefor and not alone.

[Amended by 1979 c 142 §2]

682.080 Display of licenses. Licenses granted under this chapter shall be conspicuously displayed at the office or other place of practice of the licensee. [Amended by 1971 c 621 §41, 1975 c 607 §45, 1979 c 114 §3]

(2) The board may exempt a podiatrist from the requirements of subsection (1) of this section upon an application showing by evidence satisfactory to the board that the podiatrist was unable to comply with the requirements because of unusual or extenuating circumstances. [1975 c 697 §2]
