186.023 Improper use of state seal. (1) Except as authorized by the Secretary of State, no person shall knowingly use any device, or possess any device capable of such use, to emboss upon a document the seal of the State of Oregon described in ORS 186.020.

(2) No person shall use any reproduction of the seal of the State of Oregon:

(a) In any manner falsely implying official indorsement or sponsorship by the State of Oregon or any of its agencies of any product, business, service or other activity; or

(b) In any manner that subjects or exposes the seal of the State of Oregon to ridicule, debasement or infamy. [1983 c.325 §1]

186.025 Injunction and penalties for improper use of seal; notice; hearing; judicial review. (1) In addition to any other liability or penalty provided by law, the Secretary of State may do one or both of the following:

The Secretary of State may remit or reduce any penalty imposed under this subsection upon such terms and conditions as the Secretary of State considers proper and consistent with the protection of the integrity of the seal of the State of Oregon. In imposing any penalty under this subsection, the Secretary of State shall consider the following factors:

(a) Prior violations, if any, of the person under ORS 186.023;

(b) The economic and financial conditions of the person; and

(c) Whether and to what extent the seal or reproduction thereof was used or possessed for deceptive or fraudulent purposes.

(4) If the person notified does not appear for the hearing, the person is in default and the Secretary of State may enter an order assessing a civil penalty.

(5) If an order issued under this section is not appealed, the amount of the penalty is payable within 10 days after the order is entered. Execution may be issued upon the order in the same manner as execution upon a judgment of a court record.

(6) Judicial review of civil penalties imposed under this section shall be as provided under

STATE BOUNDARY

186.510 Oregon-Washington Columbia River Boundary Compact adopted. The Legislative Assembly of the State of Oregon hereby ratifies the Oregon-Washington Columbia River Boundary Compact set forth in ORS 186.520, and the provisions of such compact hereby are declared to be the law of this state upon such compact becoming operative as provided in Article III of the compact. [1957 c.94 §1]

186.520 Compact provisions. The provisions of the Oregon-Washington Columbia River Boundary Compact are as follows:

ARTICLE I.

PURPOSE

The boundary between the States of Oregon and Washington along the course of the Columbia River has not been easy to ascertain because of changes in the main channel of the river with a result that a state of confusion and dispute exists and the enforcement and administration of the laws of the two states has been rendered difficult.

The purpose of this compact is to fix with precision by reference to stations of longitude and latitude the boundary between the States of Oregon and Washington from one marine league due west of the mouth of the Columbia River to the most easterly point at which the 46th parallel of north latitude crosses said river, at which point the river ceases to form the boundary between the two states.

ARTICLE II. DESCRIPTION

The boundary between the States of Oregon and Washington from one marine league due west of the mouth of the Columbia River to the point at which the last described point number of the boundary as herein determined meets the 46th parallel of north latitude at 118°59'10".12 of the west longitude shall be as follows:

Beginning one marine league at sea off the mouth of the Columbia River at north latitude 46°15'00".00; running thence due east to point number 1 of this description, which point is at north latitude 46°15'00".00, west longitude 124°05'00".00; thence from point number 1 continuing upstream in the channel of the Columbia River by a series of straight lines connecting the following numbered and described points in consecutive order.
