### FISCAL AGENCY IN NEW YORK FOR PUBLIC BOND PAYMENTS

**288.010 Definitions for ORS 288.010 to 288.110.** As used in ORS 288.010 to 288.110, unless the context otherwise requires:

(1) "Fiscal agency" means the bank or trust company in New York designated pursuant to ORS 288.020.

(2) "Subdivision" means a municipal corporation, quasi-municipal corporation or civil subdivision in this state.

**288.020 Designating banking institution as fiscal agency; qualifications; duration.** (1) The State Treasurer may designate some well-known and responsible bank or trust company in the City and State of New York having a paid-up capital and surplus of not less than \$5 million as fiscal agency for payment of the bonds issued by this state or by any subdivision, that are by their terms made payable in the City and State of New York. The appointment when so made shall continue for a period of two years unless sooner revoked by the State Treasurer for valid and sufficient reasons. The appointment may be renewed for a period of two years.

(2) Until its successor has been appointed, the bank or trust company named shall act as the fiscal agency of the State of Oregon in the City of New York, in accordance with such terms as shall be agreed upon between the State Treasurer and the agency. The fiscal agency shall act as custodian of such securities owned by the State of Oregon as the State Treasurer shall specify.

(3) If no such bank or trust company is willing to accept appointment as fiscal agency, or if the State Treasurer considers unsatisfactory the terms under which such a bank or trust company is willing so to act, the bonds and bond interest payable at the fiscal agency in the City and State of New York shall thereupon become payable at the State Treasury or at the office of the treasurer or fiscal officer of the subdivision concerned, as the case may be. [Amended by 1981 c.660 §13]

**288.030 Notice of appointment of agent; bonds and coupons payable at agency.** The State Treasurer shall, immediately after the establishment of the fiscal agency, publish a notice thereof in some financial newspaper of general circulation in the City and State of New York, for two weeks. Thereafter all bonds and coupons of this state or of any subdivision

therein which by their terms are payable in New York City shall be paid at the fiscal agency.

**288.040 Remitting funds by state and local treasurers to pay bonds and coupons.** Unless otherwise provided by law, the State Treasurer and the treasurer or other fiscal officer of every affected subdivision shall remit to the fiscal agency, before the maturity of any bonds or coupons payable at the fiscal agency in New York City, sufficient moneys out of any funds in the hands of any such treasurer or other fiscal officer applicable to such purpose, for the redemption of such bonds or coupons. [Amended by 1967 c.220 §1]

**288.050 Notice of receipt of funds.** Upon the receipt of any funds by the fiscal agency, the agency shall notify the officers from whom the funds were received that the funds have been received.

**288.060 Return of canceled bonds and coupons.** (1) After payment of the bonds or coupons issued by a subdivision for which the funds were remitted by the treasurer or other fiscal officer of the subdivision, the bonds or coupons shall be canceled and returned to the officer from whom the funds were received, not less often than quarterly by January 15, April 15, July 15 and October 15 of each year. At the option of the treasurer or other fiscal officer, the bonds and coupons may be held for destruction as are state bonds and coupons under ORS 288.120 and may be destroyed in the same manner as state bonds and coupons are destroyed under ORS 288.120.

(2) After payment of the bonds or coupons issued by this state for which funds were remitted by the State Treasurer, the bonds or coupons shall be canceled and held for destruction under ORS 288.120. [Amended by 1975 c.462 §3; 1981 c.252 §1]

**288.070 Release of treasurers from liability for funds remitted.** Neither the State Treasurer nor the treasurer or other fiscal officer of any subdivision shall be held responsible for funds remitted to the fiscal agency. The acknowledgment of the receipt of such funds, for which canceled bonds and coupons have not been returned, shall be a voucher to such treasurer in any settlement.

**288.080 Fiscal agency to furnish statements.** The fiscal agency shall render on the first business day in January, April, July and October of each year, to the State Treasurer for the state account and to each fiscal officer concerned, for the account of the subdivision of

which he is such officer, an accurate statement showing the daily balances of the money on deposit for the quarter next preceding. Like statements shall be furnished, when requested in writing by the Governor or State Treasurer, by successors to fiscal officers concerned, by auditors duly authorized to examine the accounts of the State Treasurer or of such fiscal officers, or by their legal representatives.

#### **288.090 Postage and express costs.**

Postage and express costs shall be proper charges against the state or subdivision therein for which they are incurred and shall be paid to the fiscal agency and in turn be allowed the treasurer or other fiscal officer in his settlement.

**288.100 Certain bond issues not affected.** Nothing in ORS 288.010 to 288.110 shall be construed to affect any bond issues existing on May 20, 1911, or on February 17, 1943, that by their provisions are made payable at a fiscal agency in the City of New York designated before February 17, 1943. However, if desired by the holder, such bond issues and the interest thereon may be paid at the regular fiscal agency appointed in accordance with ORS 288.020.

**288.110 Civil liability of treasurers failing to comply with law.** If the State Treasurer or the treasurer or other fiscal officer of any subdivision neglects or refuses to perform the duties imposed by ORS 288.010 to 288.110, he shall be liable to the holder of any bonds or coupons aggrieved by such neglect, in a sum, recoverable in an action at law against such treasurer and his bondsmen, for twice the amount of the face value of any such bonds or coupons as are dishonored on account of the neglect or refusal of such officer to comply with the provisions of ORS 288.010 to 288.110.

**288.120 Destruction of bonds and coupons upon payment; when destroyed; certification; responsibility of fiscal agency.** (1) When the principal and interest upon bonds issued by this state must be paid only at the office of the State Treasurer, the bonds and interest coupons surrendered to the State Treasurer upon payment shall be retained by him for two years or until audited by the Secretary of State. Thereafter, the State Treasurer, shall destroy them. The State Treasurer shall prepare a list of the bonds and coupons destroyed and shall maintain a certificate signed by him that the bonds and coupons described therein were destroyed by him on the date of the certificate.

(2) When the principal and interest upon bonds issued by this state must be paid at the office of the fiscal agency or may be paid at either the office of the fiscal agency or the State Treasurer, bonds and interest coupons surrendered upon payment shall be destroyed by the fiscal agency. Bonds and interest coupons that must be destroyed by the fiscal agency under this subsection that are surrendered to the State Treasurer upon payment shall be sent in due course by the State Treasurer to the fiscal agency for destruction.

(3) The fiscal agency shall destroy paid bonds and interest coupons under subsection (2) of this section not earlier than one year after the date upon which those bonds and coupons are surrendered on payment. For each occasion on which bonds or coupons are destroyed, the fiscal agency shall prepare a destruction certificate for bonds and a separate destruction certificate for coupons. A destruction certificate shall contain a list of the bonds or coupons destroyed, the date of destruction and the signature of an authorized agent of the fiscal agency, and shall be filed with the State Treasurer.

(4) The fiscal agency is responsible for proper payment and disposition of all bonds and coupons, and for any duplicate payments, payments to unauthorized persons and nonpayment to authorized persons occurring as a result of destruction of bonds or coupons under this section. [1975 c.462 §2]

(2) Nothing herein contained shall prevent the state or any subdivision from paying a reasonable fee for financial programming and marketing assistance based on the value of the service rendered in connection with the issuance or proposed issuance or sale of the obligations of the state or of a subdivision.

(3) Nothing contained in section 2 shall prohibit the state or any subdivision from entering into a bona fide agreement to pay, nor from paying, reasonable attorneys' fees to duly licensed attorneys who are not also brokers and to them only, without distribution or division with any broker, as actual compensation for furnishing legal advice to the state or the subdivision, or in settlement of opposing attorneys' fees arising from claims or litigation against the state or the subdivision, or for actual legal work performed in the preparation of the proceedings relating to issues of the obligations, or for the examination of transcripts of proceedings relating thereto, or for the furnishing of opinions as to the regularity of such proceedings or as to the validity of such obligations. (b) Surrenders the instrument, if mutilated and in his possession; and

(c) Furnishes an indemnity bond executed by two or more sureties satisfactory to the paying officer and qualifying as in the case of sureties for bail for twice the face amount of the instrument plus interest due thereon; or

(3) If the face amount of an instrument plus interest due thereon is \$1,000 or more, a surety company licensed to do business in the state

must execute the indemnity bond required under subsection (1) of this section. [1959 c.410 §2]

**288.430 Issuance of duplicate for instrument that has been lost, mutilated or destroyed.** (1) If an instrument has not yet matured, the governing body of the issuer shall direct the appropriate officer to execute and deliver a duplicate to the asserted owner of such instrument when, except as provided in subsection (2) of this section, such asserted owner:

such instrument plus all interest due and to become due thereon to protect the issuer and the paying officer from loss or liability resulting from any demand or payment of the principal of or interest on such instrument; and either

If, upon hearing, it appears to the satisfaction of the court that the petitioner is the owner of the instrument, that it has been lost, mutilated or destroyed and that no sufficient cause has been shown why it should not be paid or a duplicate thereof issued, the court shall make an order requiring the paying officer to pay it or requiring the governing body to direct the issuance of a duplicate upon such conditions as the court considers adequate for the protection of the issuer and the paying officer against loss or liability resulting from any demand or payment of the principal of or interest on the instrument. (a) The maximum effective rate of interest, if any, which the bonds shall bear including variable interest rates if the public body so decides;

(3) The schedule required by paragraph (f) of subsection (1) of this section shall provide for substantially equal principal payments, substantially equal combined payments of principal and interest, or payments of principal and interest that are structured to facilitate payment from expected revenues. Before establishing a schedule structured to facilitate payment from expected revenues, a municipality shall prepare a plan that reasonably estimates the flow of revenues that are expected to be used to pay bond principal and interest, and demonstrates that the expected flow of revenues are sufficient to pay bond principal and interest when due. Not less often than annually, the governing body shall review and update its financing plan and, if necessary, take appropriate action to provide financial resources to assure timely payment of debt service.

(4) A municipality may establish a sinking fund for the purpose of repaying principal and interest when due and may covenant to make contributions to that fund.

(5) When a public body issuing general obligation bonds is the State of Oregon or one of its agencies, the maximum effective rate of interest which the bonds shall bear is 13 percent per annum. However, if an agency is unable to sell the bonds after a reasonable marketing effort,

the maximum effective rate of interest may be increased but shall not exceed 14 percent per annum.

(6) Notice of any redemption authorized under paragraph (c) of subsection (1) of this section shall be given in the manner directed by the public body, which shall include publication in at least one issue of a business and financial newspaper published within the City of Portland, Oregon. [1981 c.94 §5]

**288.535 Use of seal.** A public body authorized by law to possess a seal shall cause such seal to be imprinted, attached, impressed or otherwise evidenced on any bond of which it is the issuer. However, the failure to imprint, attach, impress or otherwise evidence a seal on any bond shall not affect the validity thereof. [1981 c.94 §6]

**288.540 Authorized signatures.** Bonds of a public body shall be executed by the signature or signatures of one or more officers as specified by the public body. Signatures of the designated officers may be either manual or facsimile, but at least one such signature shall be manual in form. However, all signatures of the public body may be by facsimile if the bonds are to be authenticated by at least one manual signature. [1981 c.94 §7]

**288.545 Form of bonds.** Bonds may be issued in coupon form, with or without privilege of registration, or may be in registered form, or both, with the privilege of converting and reconverting from one form to another, upon such terms and conditions as provided by the public body and applicable provisions of federal law. As evidence of indebtedness, the public body may utilize immobilized or book-entry delivery systems and may use depositories for these purposes. [1981 c.94 §8; 1983 c.129 §1]

**288.550 Preliminary official statement not required in certain circumstances.** The preliminary official statement required for general obligation bonds by ORS 287.018 shall not be required for any issue for which a commitment to purchase has been received from any state or federal agency unless such state or federal agency requires the preparation of such document. If any other purchaser is awarded the sale of general obligation bonds offered at a sale for which a commitment to purchase such bonds has been received from a state or federal agency, an official statement shall be prepared prior to the delivery of the bonds if such other purchaser so requests. [1981 c.94 §9]

**288.560 Destruction of bonds and coupons.** At the option of the treasurer or other fiscal officer of a subdivision making use of a paying agent other than the state's fiscal agency, bonds and coupons may be held for destruction as are state bonds and coupons under ORS 288.120 and may be destroyed in the same manner as state bonds and coupons are destroyed under ORS 288.120. [1981 c.252 §2]

**288.570 Appointment of paying agents.** (1) In connection with the issuance of bonds, any municipality may appoint one or more paying agents to serve as paying agent on all bonds issued after the May 26, 1983. The same agents must serve as paying agent for all bonds issued by the municipality.

(2) The paying agents designated under subsection (1) of this section shall either be a financial institution authorized to do business in Oregon or the state's fiscal agent as provided for in ORS 288.020.

(3) Any municipality which is required by law to use the county treasurer as paying agent may appoint a paying agent and registrar if such appointment is approved by the county treasurer.

(a) Provide for powers, duties and functions and compensation of such paying agent.

(b) Limit the liabilities of such paying agent.

(5) The entity through which bonds are payable shall serve as registrar under such terms

and conditions as may be required by rule of the Oregon Municipal Debt Advisory Commission in effect at the time such agreement is executed.

(6) If the municipality's paying agent is the state's fiscal agent, the municipality shall also designate a coregistrar within the State of Oregon. The coregistrar may be either a financial institution authorized to do business in Oregon or a municipality.

(7) Notwithstanding subsection (5) of this section, in cases where the municipality elects to serve as its own paying agent, it may contract with a financial institution authorized to do business in Oregon or the State of Oregon's fiscal agent to register bonds at the time of original issuance.

(8) The authority granted by ORS 288.545 and 288.570 to 288.590 is in addition to any authority to appoint a paying agent or registrar provided by statute or charter amendment. [1983 c.129 §§3, 5]

**288.580 County treasurer as paying agent.** A county treasurer may enter into agreements with financial institutions to serve as paying agent and registrar, as provided in ORS 288.570 (1) to (7), for any bond issue for which the county treasurer serves as paying agent. (b) Legislation permitting a public body to pay and discharge all or any part of outstanding bonds in arrears, or about to become due and for which sufficient funds are not available, or to effect a reorganization of its permanent debt, or to effect a savings is desirable to protect the credit of the state and its public bodies; and

(c) To determine the extent of the need for advance refunding bonds and to insure that issuance of such bonds is to the advantage of and in the best interests of and for the general welfare of the state and all public bodies, it is desirable that the State Treasurer approve of the issuance of all such bonds.

(2) The Legislative Assembly declares that the issuance of advance refunding bonds is a matter of general state-wide concern and ORS 288.605 to 288.695 pre-empts all statutory or charter authority to issue advance refunding bonds, except that ORS 288.605 to 288.695 is not applicable to nor shall it affect advance refunding bonds issued prior to October 4, 1977.
