407.095 Policy against foreclosure. (1) It is the policy of the State of Oregon to make every reasonable attempt to keep a veteran in the home purchased under the loan program when the veteran is unable to make required loan payments because of illness, injury, death, involuntary job loss or economic stress due to factors beyond individual control. The director, by rule, shall implement such state policy. Rules adopted by the director under this section:

(a) May provide for a temporary reduction of loan payment.

(b) May provide for any other solution jointly agreed to by the borrower and the director.

(c) Shall provide for repayment of the amount of any loan payments reduced under the rules in accordance with terms and conditions agreed upon by the borrower and the director.

(2) In reducing loan payments under this section, the director must consider the effect of such reduction on the solvency of the program as a whole, on estimates of the most probable financial position of the program for one or more future periods, the condition of the tax exempt bond market, and the effect on other borrowers in the program. (2) The director may take such action and make such disbursements as may be necessary to protect the securities for loans acquired under this chapter. The directors of the Department of Energy and the Department of Veterans' Affairs shall insure the compatibility of these standards with those adopted under ORS 469.155. The standards shall be designed to insure that the cost of the weatherization in the typical dwelling, if added to the principal of a veteran's loan made pursuant to this chapter and paid off as part of that principal, would not exceed projected savings in energy costs over the payment period. The review shall be conducted in accordance with the forecast review guidelines developed by the American Institute of Certified Public Accountants (AICPA). Such contract shall require a written report, copies of which shall be provided to the Governor, the Secretary of State, the State Treasurer, the President of the Senate, and the Speaker of the House of Representatives by the director no later than November 1 of each year. LOAN PROCEDURES AND CONDITIONS

407.205 Application for loan; amount of loan; limit on number of loans; exception. (1) Applications for loans for acquisition of a home or farm under this chapter shall be made to the director. Loans exclusive of funds disbursed under ORS 407.145 (2) and 407.275 (4) shall not exceed \$63,000 for a home or \$185,000 for a farm at a rate of interest provided by ORS 407.325. Except as provided in subsection (2) of this section, an eligible individual shall not receive or, under ORS 407.305, assume more than two loans under this chapter. No applicant is entitled to borrow more than the maximum amount allowed under this section, except that where a loan is made on property which is destroyed by fire or other natural hazard, taken through condemnation or lost or disposed of for a compelling reason devoid of fault on the part of the applicant and where the loan is repaid or the property is transferred by deed or otherwise, such loan may be excluded from consideration in computing the maximum loan allowable. However, the loan right provided in this section may be restored not more than once while an unrepaid

balance remains on a previous loan granted to the applicant.

(2) The director may allow an eligible individual to receive or, under ORS 407.305, assume more than two loans under this chapter when:

(a) The loan received or assumed is an additional loan made for the improvement of the farm or home acquired with an initial loan for the acquisition of that property; or

(b) The last official certification of record by the United States Veterans Administration or any branch of the Armed Forces of the United States shows the eligible individual to be at least 50 percent disabled. However, a loan may be made to an eligible disabled veteran under this paragraph only if the veteran must acquire a different principal residence for compelling medical reasons or because the veteran is transferred by an employer for employment purposes or because the veteran's spouse is transferred by an employer for employment purposes and the spouse provides more than 50 percent of the household income.

(3) For the purposes of this section, an applicant owns a home when the applicant has fee simple title to the home or is the purchaser of the home under a contract of sale or other instrument of sale. Earnest money or preliminary sales agreements, options or rights of first refusal are not contracts or instruments of sale under this subsection.

(4) As used in this section, "home" includes mobile homes and houseboats. [Formerly 407.040]

407.210 [Amended by 1963 c.9 §23; renumbered 407.575]

407.215 Loan transferred by annulment or dissolution decree excluded in determining maximum allowable. No applicant is entitled to borrow more than the maximum amount allowed under ORS 407.205 other than for reasons specified in ORS 407.205 except that when the property on which the loan was made becomes the property of the applicant's spouse as a result of a decree declaring a marriage void or dissolved and the loan is repaid or remains unrepaid and there is an assumption of primary liability on the loan by a party, such loan may be excluded from consideration in computing the maximum loan allowable under ORS 407.205. [Formerly 407.045]

407.225 Appraisal of security given for loan; security needed. (1) When the director receives an application pursuant to ORS 407.205, he shall immediately investigate and process it as provided by law. He may employ, subject to the approval of the committee, such

regular appraisers, who shall be state employes, as he deems necessary to promptly effect appraisals of property tendered as security. He may appoint special appraisers to act in exceptional cases whenever he deems it necessary to obtain prompt appraisals. Such special appraiser shall be paid a fee for each appraisal in an amount to be fixed and established by the director in substantial conformity with the customary fee paid for such services in the locality where the appraisal is made. The security for the loan shall consist of the property to be acquired by the veteran as a home or a farm. The security shall be secured by a mortgage or security agreement in the full amount of the loan which mortgage or security agreement shall be either a first lien or a lien insured by mortgagee's title insurance against loss from any prior encumbrance. The mortgage or security agreement shall provide that the borrower, or any subsequent owner of the secured property, may pay all or any part of the loan at any time without penalty.

(2) A mobile home shall be secured by a security agreement in the full amount of the loan and the director shall perfect a security interest in favor of the State of Oregon. The security agreement shall provide that the borrower or any subsequent owner of the mobile home, may pay all or any part of the loan at any time without penalty. The security agreement shall provide for immediate acceleration of the unpaid balance of the loan if the mobile home is moved from the original site listed in the security agreement without first obtaining the written consent of the director. The security agreement shall also provide that removal of the mobile home to a site outside of this state shall constitute an act of default and result in immediate acceleration of the unpaid balance of the loan.

(3) Loans shall not exceed: 95 percent of the net appraised value on homes which are real property; 85 percent of the net appraised value on homes which are not real property; and 90 percent of the net appraised value on farms which are real property. [Formerly 407.050]

407.235 Inspection for weatherization; conditional approval; effect of failure to meet weatherization standards. (1) The Director of Veterans' Affairs while processing the application pursuant to ORS 407.205 to 407.225, 407.255 and 407.397 for a loan on a home, or farm including a home, constructed before July 1, 1974, shall order an inspection of the home for the purpose of determining whether it meets the weatherization standards adopted pursuant to ORS 407.175.

(2) If the director finds, based upon this inspection, that the home does not meet the weatherization standards, he shall deny the loan, or he may approve the loan subject to the condition that the weatherization standards be met within 120 days after issuance of the loan.

(3) Failure by the applicant to bring the home into compliance with the weatherization standards within the time allowed shall be considered a breach of the loan agreement and grounds for foreclosure by the director. [Formerly 407.058]

407.245 Exception to weatherization standards. Except for the requirement of caulking and sealing of all cracks and construction joints which shall not be waived, the director may grant an exception to the requirements of ORS 407.235, if after application and a showing of proof the director finds:

(1) An inspection of the home pursuant to a previous application for a loan under this chapter disclosed that the home was in compliance with the existing weatherization standards.

(2) Strict enforcement of the requirements would cause an extraordinary, unnecessary and unreasonable hardship on the applicant. [Formerly 407.061]

407.255 Subsequent loans to improve energy efficiency; rules; limitation on amount. (1) The director, with the advice and assistance of the Director of the Department of Energy, shall adopt rules prescribing eligibility criteria for improvements for energy efficiency. The director may contract with the Department of Energy for certification of improvements which comply with the rules adopted under this section. The director may prescribe exceptions to the required location of improvements for energy efficiency if the home occupied by the borrower will be benefited.

(2) No more than five percent of the program funds may be loaned for improvements for energy efficiency. As used in this subsection, "program funds" means the total amount of all loan funds disbursed under this chapter.

(3) The director shall determine when funds for loans to improve energy efficiency are disbursed from the Oregon War Veterans' Fund bearing interest at the current rate per annum as provided in ORS 407.325 or from the Oregon War Veterans' Bond Sinking Fund bearing interest at the same rate per annum as on the principal indebtedness of the loan. [Formerly 407.048]

407.265 Loans for home or farm improvements; terms and conditions. (1) An applicant for a loan solely for the improvement of a home or farm may receive the loan if:

(a) The applicant has not previously received a loan under this chapter;

(b) The applicant has received a loan under this chapter for the acquisition of that home or farm for which there is an unpaid balance and repayment has been satisfactory; or

(c) The applicant has previously received a loan under this chapter and there is no unpaid balance remaining on that loan.

(2) Any loan made to an applicant who qualifies under paragraph (b) of subsection (1) of this section for a loan solely for the improvement of a home or farm shall be added to the amount due from the applicant and shall bear interest at the variable rate as set forth in ORS 407.325.

[Formerly 407.065]

407.275 Terms of loan to veteran and transferee. (1) Loans may be made bearing interest at the rate per annum fixed as provided by ORS 407.325. Loans may be amortized over a period of not more than 30 years for homes other than mobile homes and not more than 40 years for farms. Loans for mobile homes may be amortized over a period not exceeding the expected life of the mobile home, as determined by the director. The limitations contained in this subsection shall not preclude the director from later extending the amortization period.

(2) If the ownership of the secured property is transferred by deed or otherwise to anyone other than the original borrower, the surviving spouse, unremarried former spouse, surviving child or stepchild of the original borrower, or a veteran eligible for a loan under this chapter and Article XI-A of the Oregon Constitution, who assumes the previous loan for the property as described in ORS 407.305, the interest from the date of transfer shall be at the rate per annum then fixed as provided by ORS 407.335. However, the director, during the term of the loan, may periodically fix the variable interest rates to be paid by the transferee.

(3) Ownership of property that constitutes security for a loan made under this chapter and Article XI-A of the Oregon Constitution shall not be transferred by deed or otherwise to anyone other than the surviving spouse, unremarried former spouse, surviving child or stepchild of the original borrower, or a veteran eligible for a loan under this chapter and Article XI-A of the Oregon Constitution, who assumes the previous loan as described in ORS 407.305, unless the

property is used primarily as the principal residence of the transferee for at least two years after the transfer or such shorter period of time as the director for good cause may allow.

(4) Mortgages or security agreements on property given to secure any loan made under ORS 407.125 or statutes supplementary thereof may provide that the taxes and insurance premiums may be paid by the director from the Oregon War Veterans' Bond Sinking Fund, and if paid, the amount so paid shall be added to and become part of the principal of the loan and shall be repaid under and pursuant to the amortization plan. [Formerly 407.070]

407.285 Rate of interest payable by certain transferees. (1) Notwithstanding the repeal of section 5, chapter 11, Oregon Laws 1982 (first special session), during the term of a loan for which the interest rate was initially fixed under section 5, chapter 11, Oregon Laws 1982 (first special session), the director may periodically fix the variable interest rate to be paid by the transferee. However, the variable interest rate for such loans shall not at any time be less than the rate initially fixed under section 5, chapter 11, Oregon Laws 1982 (first special session), nor exceed a rate per annum which is one percent higher than the rate initially fixed under section 5, chapter 11, Oregon Laws 1982 (first special session).

(2) The director may fix the variable interest rate to be paid by the transferee at a rate greater than the rate described in subsection (1) of this section, but only to the extent necessary to avoid invoking the provisions of section 4, Article XI-A of the Oregon Constitution. [1982 s.s.1 c.11 §7]

Note: Sections 5 and 6, chapter 11, Oregon Laws 1982 (first special session), as amended by sections 1 and 2, chapter 420, Oregon Laws 1983, provide:

Sec. 5. Notwithstanding ORS 407.070 (2) and 407.073 [renumbered 407.275 and 407.335], if ownership of real property that constitutes security for a loan made under ORS 407.010 to 407.210 [this chapter] and Article XI-A of the Oregon Constitution is transferred by deed or otherwise to anyone other than the original borrower, the surviving spouse, unremarried former spouse, surviving child or stepchild of the original borrower, or a veteran eligible for a loan under ORS 407.010 to 407.210 and Article XI-A of the Oregon Constitution, who assumes the previous loan for the property as described in ORS 407.063 [renumbered 407.305], the interest from the date of transfer shall initially be fixed at a rate per annum which is one percent higher than the rate then fixed by the director under ORS 407.072 [renumbered 407.325] for new loans or one percent higher than the rate on the original note, whichever is higher. The director, during the term of the loan, may periodically fix the variable interest rate to be paid by the transferee. However, an interest rate fixed under this section shall not at any time exceed the

limits established under section 7, chapter 11, Oregon Laws 1982 (first special session).

Sec. 6. Section 5, chapter 11, Oregon Laws 1982 (first special session), is repealed December 31, 1984.

407.295 Transfer to spouse; notice to director; notice of delinquent payment. When an ownership interest or possession of a home or farm securing a loan received under this chapter is transferred to the spouse or former spouse of the original borrower as a result of any judicial order, judgment or decree, the director shall be notified in writing of the transfer by the transferee not later than 30 days after the transfer occurs. If the original borrower remains obligated under the order, judgment or decree to make the payments on the principal and interest of the loan, the director shall notify the transferee when any such loan payment is not received by the 30th day after the payment is due. [1983 c.420 §5]

407.305 Assumption of previous loan by eligible veteran. When a veteran who is eligible for a loan under this chapter and Article XI-A of the Oregon Constitution seeks to acquire a home or farm that is serving as security for a previous loan made under this chapter, the veteran may choose either to receive a new loan for the property or to assume the previous loan. If the loan balance for the previous loan does not exceed the amount of the veteran's entitlement under ORS 407.205, the interest rate to be paid by the veteran from the date of assumption shall be the rate per annum fixed under ORS 407.315. An assumption under this section shall be deemed to be a loan and the veteran making the assumption shall be deemed to be a borrower for the purposes of ORS 407.145, 407.205, 407.215, 407.235, 407.325, 407.385, 407.397, 407.465 and 407.475. [Formerly 407.063]

407.310 [Repealed by 1981 c.660 §18]

407.315 Interest rate for veteran's assumption; variable rate; effect of rate on cash flow. When a veteran assumes a previous loan under ORS 407.305, the interest rate to be paid by the veteran from the date of assumption shall be the rate per annum fixed for the previous loan.

(2) The director shall make a cash flow projection to determine if assumptions at the interest rate established under subsection (1) of this section are the principal cause of a negative cash flow projection for the loan program. The cash flow projection required by this section shall be an estimate of the revenue received from the repayment of mortgages, interest earnings, administrative expenses of the loan program,

payment of interest and principal on outstanding debt and other relevant factors during the period in which current outstanding bonds are required to be retired. The cash flow projection shall be reviewed and an opinion rendered as to its adequacy by a nationally recognized independent public accounting firm or a nationally recognized financial consulting firm.

(3) If the cash flow projection required under subsection (2) of this section indicates that assumptions of loans at the interest rate established under subsection (1) of this section are a principal cause of a negative cash flow projection for the loan program, the director, by rule and notwithstanding ORS 407.325 (2), shall increase the interest rate to be paid for loans subsequently assumed under ORS 407.305 to the lowest rate per annum that assures a positive cash flow projection, but not exceeding the rate then fixed under ORS 407.325.

(4) Notwithstanding ORS 407.325 (2), the variable interest rate for a loan assumed at an interest rate fixed under this section shall not at any time be less than the rate initially fixed under this section nor exceed a rate per annum which is one percent higher than the rate initially fixed under this section. [1982 s.s.1 c.11 §15]

Note: Section 16, chapter 11, Oregon Laws 1982 (first special session), provides:

Sec. 16. Notwithstanding the interest rate established under ORS 407.063 [renumbered 407.305] on the date of assumption, if a veteran eligible for a loan under ORS 407.010 to 407.210 [this chapter] and Article XI-A of the Oregon Constitution assumed a previous loan under ORS 407.063 on or after November 1, 1981, but before the effective date of this Act [February 3, 1982], the interest rate to be paid by the veteran shall be the rate per annum fixed by the director under section 15 of this Act.

407.320 [Repealed by 1981 c.660 §18]

407.325 Rate of interest payable by applicant. (1) The director, with the advice of the committee, will periodically, during the term of the loan, fix the variable interest rates to be paid by the applicant, taking into consideration the current value of the money, the solvency of the loan program, and the rates' effect on veterans. If the director, after considering the factors specified in this section, determines that there is an economic need for a higher rate of interest on loans made for the acquisition of mobile homes and houseboats, the director shall fix the rate of interest for the acquisition of a mobile home or houseboat at not higher than two percent more per annum than the basic rate established by this section.

(2) Except as provided in subsection (3) of this section:

(a) The rate of interest on loans granted on or after May 27, 1971, and originally set at five and nine-tenths percent per annum shall not be increased to more than six and nine-tenths percent per annum.

(b) The rate of interest on loans granted on or after January 1, 1981, and originally set at seven and two-tenths percent per annum shall not be increased to more than eight and two-tenths percent per annum.

(c) The rate of interest on a loan granted on or after May 27, 1971, for the acquisition of a mobile home or houseboat originally set at seven and nine-tenths percent per annum shall not be increased to more than eight and nine-tenths percent per annum.

(3) The director may fix the variable interest rates to be paid by the applicant at a rate greater than the rates described in subsection (2) of this section, but only to the extent necessary to avoid invoking the provisions of section 4, Article XI-A of the Oregon Constitution. [Formerly 407.072]

407.330 [Repealed by 1981 c.660 §18]

407.335 Rate of interest payable by transferee; variable rate; limit on transfers. (1) The rate of interest referred to in ORS 407.275 (2) is a variable rate and shall be fixed annually by the director at a rate per annum which is one percent lower than the rate reported by the Federal Home Loan Bank Board as the National Average Mortgage Contract Rate for Major Lenders on Purchase of Previously Occupied Homes, or one percent higher than the rate on the original note, whichever is higher.

(2) When the director considers it necessary to change the rate of interest because of changes in the Federal Home Loan Bank Board rate described in subsection (1) of this section, the director, after 30 days' notice to the public, may fix a new rate under this section notwithstanding that a rate had been fixed less than 12 months previously.

(3) During the term of a loan for which the interest rate was initially fixed under subsection (1) of this section, the director may periodically fix the variable interest rate to be paid by the transferee. However, the variable interest rate for such loans shall not at any time be less than the rate initially fixed under subsection (1) of this section nor exceed a rate which is one percent higher than the rate initially fixed under subsection (1) of this section.

(4) The director may fix the variable interest rate to be paid by the transferee at a rate greater than the rate described in subsection (3) of this

section, but only to the extent necessary to avoid invoking the provisions of section 4, Article XI-A of the Oregon Constitution.

(5) Except for a sale or transfer to the original borrower, the surviving spouse, unremarried former spouse, surviving child or stepchild of the original borrower, or a veteran eligible for a loan under this chapter and Article XI-A of the Oregon Constitution, only one sale or transfer of the property referred to in ORS 407.275 (2) is permitted after July 20, 1983. In the event of a second sale or transfer of the property, or any part thereof, the entire unpaid balance of the loan for the property shall become immediately due and payable. [Formerly 407.073]

Note: The amendments to ORS 407.073 (1) to (4) [renumber 407.335] made by section 3, chapter 420, Oregon Laws 1983, become operative January 1, 1985. See section 6, chapter 420, Oregon Laws 1983. 407.073 (1981 Replacement Part) is set forth for the user's convenience:

407.073 (1) The rate of interest referred to in ORS 407.070 (2) [renumbered 407.275 (2)] shall be fixed annually by the director, with the advice of the committee, at a rate per annum which:

(a) For real property, is within one-half of one percent of the rate prevailing in the conventional mortgage market in the state for loans on residential property; and

(b) For other than real property, is one percent higher than the rate established under paragraph (a) of this subsection.

(2) When the director considers it necessary to change the rate of interest because of changes in the conventional mortgage rate prevailing in this state, the director, after 30 days' notice to the public, may fix a new rate under this section notwithstanding that a rate had been fixed less than 12 months previously.

407.340 [Amended by 1975 c.462 §13; repealed by 1981 c.660 §18]

407.345 Loans bearing graduated interest rate; conditions. (1) Notwithstanding ORS 407.275 and 407.325, the director may offer to a qualified applicant for a loan for the acquisition of a home a loan which shall bear a graduated rate of interest as provided in subsection (2) of this section.

(2) Except for the first three years of the loan term, the director shall fix the basic interest rate to be paid for a loan made under this section at a rate per annum that is one-half of one percent higher than the effective interest rate payable on bonds last issued under ORS 407.445. For the first three years of the loan term, the director shall fix the interest rate for the loan at a rate per annum that:

(a) In the first year, is three percent lower than the basic interest rate for the loan;

(b) In the second year, is two percent lower than the basic interest rate for the loan; and

(c) In the third year, is one percent lower than the basic interest rate for the loan.

(3) A loan shall not be made under this section unless the seller of the property that is to be acquired by the loan applicant pays to the director before the sale an amount of money equal to the difference between the interest to be paid by the borrower during the first three years of the loan term and the computed interest due during that period using the basic interest rate for the loan. Such money shall be used to pay the monthly difference between the amount paid by the borrower during the first three years of the loan term and the amount required under a standard loan agreement computed using the basic interest rate for the loan. The director shall determine the amount to be paid by a seller under this subsection. Moneys paid under this subsection shall not bear interest to the seller.

(4) Moneys paid to the director under subsection (3) of this section become funds of the State of Oregon. Interest earned by investment of such moneys and any amount remaining at the end of the third year, or sooner if the contractual agreement is terminated for any reason, shall be deposited in the Oregon War Veterans' Bond Sinking Fund and shall be available to the director in the same manner as other moneys deposited in the same fund.

(5) A borrower shall not be required to accept a loan offered under this section. [1982 s.s.1 c.12 §2]

407.350 [Repealed by 1981 c.660 §18]

407.355 Property of historical significance; loan application procedure; waiver of weatherization and repair requirements. (1) It is the policy of the State of Oregon to preserve homes and farms of Oregon historical significance as defined in ORS 358.475 to 358.545. When the director receives an application under ORS 407.205 for a loan for the acquisition of real property which the applicant claims is a home or farm of Oregon historical significance, the director shall process the application as provided in this section.

(2) If the property is not currently listed in the National Register of Historic Places, the director shall refer the applicant to the state historic preservation officer. The state historic preservation officer shall review the application and may view the premises. Within 30 days after receiving the application, the state historic preservation officer shall determine whether the property described in the application has state

historical value and either certify or refuse to certify the property as a home or farm of Oregon historical significance.

(3) When the home or farm is listed in the National Register of Historic Places or is certified by the state historic preservation officer under subsection (2) of this section, the director may approve and make a loan for the acquisition of the home or farm subject to the following considerations:

(a) The weatherization standards prescribed in ORS 407.175 and 407.235 may be waived.

(b) Any other repair or modification requirements normally imposed by the director by statute or by rule may be waived.

(c) A loan shall not be granted under this section unless the property is or may be made safe, sound and sanitary, and may be occupied by the veteran buyer within 90 days as prescribed in ORS 407.385.

(d) The director may accept improvement of the property by the applicant in lieu of other means of satisfying the requirements of ORS 407.225 (3), in which case the provisions of ORS 407.375 (3) shall apply.

(4) In processing a loan under this section, the director shall not impose any requirements which will have a detrimental impact on the historic significance of the home or farm unless such requirement is needed to assure that the residence is safe, sound and sanitary. [1983 c.219 §2]

407.360 [Repealed by 1981 c.660 §18]

407.365 Free publication concerning ORS 407.355 required; contents. The director shall prepare a publication explaining the terms of ORS 407.355 and containing information as to where a veteran borrower may obtain information about state and federal tax credits available to purchasers of historically significant properties. The director shall make the publication available without charge to the public. [1983 c.219 §3]

407.370 [Amended by 1975 c.614 §15; repealed by 1981 c.660 §18]

407.375 Sale of foreclosed properties; veterans' preference; improvement in lieu of down payment; interest rate; redemption of property. (1) When the director offers for sale a home or farm obtained for and in behalf of the state under ORS 407.135 and 407.145 (1), the director shall provide notice of the veterans' purchase preference required under subsection (2) of this section to prospective purchasers.

(2) Of the bids and purchase offers received within the 30-day period after a home or farm obtained under ORS 407.135 and 407.145 (1) is first offered for sale, the director shall give preference to bids and offers which equal or exceed the minimum sale price specified by the director and which are received from persons who are eligible for a loan under this chapter and Article XI-A of the Oregon Constitution. The director shall accept the highest such bid or offer received during the 30-day period unless the person making the highest bid or offer is disqualified from such purchase based on prior credit history, inadequate income or other grounds for refusal established in rules adopted by the director. Prior to such refusal, the person making the highest bid or offer shall be given the opportunity to purchase the property for cash.

(3) When the director sells a home or farm obtained under ORS 407.135 or 407.145 (1) to a person, the director may accept improvement of the property by such purchaser in lieu of other means of satisfying the requirements of ORS 407.225 (3). For the purpose of this section, all purchasers are subject to the provisions of ORS 407.225 (3). The director shall require the purchaser to provide an improvement plan containing a description of the construction, additions or changes to be made and the cost of the necessary work and materials. An appraiser employed by the director must certify that the ratio of the purchase price and the net appraised value of the home and farm after the proposed improvement is completed will satisfy the requirements of ORS 407.225 (3). The director may then approve the sale subject to the condition that the improvement of the home or farm be completed within 180 days after purchase. Failure by the applicant to complete the improvement within the time allowed shall be considered a breach of the purchase agreement and grounds for foreclosure by the director. Upon timely application and a showing that the improvement cannot be completed within the time allowed because of circumstances beyond the applicant's control, the director may grant the applicant an additional period not to exceed 180 days in which to complete the improvement.

(4) The rate of interest for a contract made for the acquisition of a home or farm obtained by the director under ORS 407.135 or 407.145 (1) shall be:

(a) For a person eligible for a loan under this chapter and Article XI-A of the Oregon Constitution, the rate per annum fixed for the previous loan made under this chapter for which the property served as security.

(b) For any other person, the rate per annum fixed by the director.

(5) Except as provided in this subsection, redemption of a home or farm obtained and sold by the director under ORS 407.135 or 407.145 (1) shall be made as provided in ORS 23.520 to 23.590. When the director accepts improvement of property by a purchaser in lieu of purchase money or cash down payment under subsection (3) of this section, redemption shall be made by paying an amount equal to the fair market value of those improvements actually made to the property under the improvement plan described in subsection (3) of this section, with interest thereon at the rate of nine percent per annum from the date of sale. The director shall determine the fair market value of the improvements and such amount shall be paid in addition to the amount of purchase money and interest thereon required under ORS 23.560 (2). [1982 s.s.1 c.11 §2; 1983 c.184 §1]

407.380 [Amended by 1967 c.335 §51; repealed by 1980 c.17 §1 and by 1981 c.660 §18]

407.385 Prohibition against using loan for purpose other than farm or home acquisition; prompt use of farm or home as principal residence; extension; penalty.

(1) Money received as a loan under this chapter shall be used only for the acquisition of a home or farm.

(2) Use of all or any part of a loan received under this chapter for investment or any purpose other than the acquisition of a home or farm constitutes an act of default and results in immediate acceleration of the unpaid balance of the loan.

(3) When the director determines that a borrower is using loan moneys in violation of subsection (1) of this section, the director shall immediately commence any action or proceeding necessary to recover for the state those moneys or any property obtained therewith.

(4) A failure by a borrower to move into the home or farm securing the borrower's loan and to use it as the borrower's principal residence within 90 days after the loan or assumption is made, or within such extension as may be granted in writing by the director, shall be conclusively presumed to constitute a violation of this section. A request for an extension for good cause shall be made in writing within the 90-day period. The applicant may file a written request for a hearing within 30 days after a denial of the request for extension. [Formerly 407.042]

407.390 [Repealed by 1981 c.660 §18]

407.395 [1953 c.595 §1; repealed by 1981 c.660 §18]

407.397 Prohibition against using farm property for other purpose; proof of use; penalty. An applicant who receives a loan under this chapter for the acquisition of a farm shall use the property acquired exclusively for farm use as defined in ORS 215.203 (2). The director may consider special assessment of the property under ORS 308.370 as satisfactory proof that the property is being used exclusively for farm use. If an applicant does not use the property for which the farm loan was made exclusively for farm use, the interest on the loan from the date on which the director determines that the property is not being used exclusively for farm use shall be at an annual rate that is three percent above the basic rate set by the director under ORS 407.325. [Formerly 407.043]

407.400 [Repealed by 1981 c.660 §18]

407.410 [Repealed by 1981 c.660 §18]

GENERAL OBLIGATION BONDS

407.415 Issuance of bonds. In order to provide funds for the purposes specified in Article XI-A of the Oregon Constitution, bonds may be issued in accordance with the provisions of ORS 286.031 to 286.061. [Formerly 407.140]

407.420 [Amended by 1971 c.418 §12; repealed by 1981 c.660 §18]

407.425 Special bond issue; conditions. In issuing bonds under ORS 407.415, the State Treasurer may structure an issue of bonds with regard to amounts, maturity dates, interest rates and such other terms and conditions of the bonds. In order to meet the specific requirements of a selected group of applicants for loans under this chapter and before asking the State Treasurer to structure an issue of bonds under this authority, the director must consider the number of applications on hand which will be funded by the issue, the solvency of the program as a whole, the current value of money, the condition of the tax exempt bond market and the effect of the issue on all veterans. [1982 s.s.1 c.12 §4]

407.430 [Repealed by 1971 c.743 §432]

407.435 Issuance of bonds for tax payment; conditions; term. Notwithstanding the general obligation and revenue bond limits required by ORS 286.525, on behalf of the Department of Veterans' Affairs, the State Treasurer may issue general obligation bonds in an amount not to exceed the amount reasonably expected to be advanced for the payment of taxes for veterans each tax year. Such bonds

shall mature in no more than 18 months and may be sold at public competitive bid or private negotiated sale, as determined by the State Treasurer. [1983 c.445 §11]

407.440 [Repealed by 1981 c.660 §18]

407.445 Issuance of bonds for loans bearing graduated rates of interest. (1) The director, under ORS 286.033 and with the advice of the committee, may authorize the issuance of general obligation, interest bearing bonds of the State of Oregon, the proceeds of which shall be used for the purposes of ORS 407.345.

(2) In performing duties for the purposes of ORS 407.345, 407.425 and this section pursuant to ORS 286.031 to 286.061 the State Treasurer is not subject to the limit stated in ORS 288.520 (2).

(3) Bonds issued under this section shall be limited to an amount specifically required to satisfy applications for loans made under ORS 407.345. Such applications shall clearly indicate that the borrower is willing and able to pay a variable rate of interest which is one-half of one percent above the rate at which the bonds are sold. Such rate shall be the basic interest rate for determining the graduated payment interest rates allowed under ORS 407.345.

(4) Moneys received from the sale of bonds issued under this section shall be credited to a separate account in the Oregon War Veterans' Fund, which account is appropriated for the purposes of ORS 407.345. [1982 s.s.1 c.12 §3]

Note: Sections 2 and 5, chapter 661, Oregon Laws 1981, as amended by sections 1 and 2, chapter 84, Oregon Laws 1983, provide:

Sec. 2. The Director of Veterans' Affairs may, with the approval of the State Treasurer, arrange for credit agreements, issue notes or other evidence of indebtedness maturing in one year or less and with interest payable as provided in the note or other evidence of indebtedness, for the purposes provided in ORS 407.010 to 407.210 [this chapter]. Notes or other evidence of indebtedness incurred under this section.

(1) Notwithstanding ORS 287.014 to 287.026 and 407.150, may be sold at public or private sale upon such notice and such terms as the director and the State Treasurer may determine.
