INTERSTATE COMPACT ON JUVENILES

417.010 "Juvenile" defined for ORS 417.010 to 417.080. As used in ORS 417.010 to 417.080, "juvenile" includes any person who is within the jurisdiction of the juvenile court. [1959 c 434 §8]

417.020 Declaration of public policy.

(1) It hereby is found and declared that:

(a) Juveniles who are not under proper supervision and control, or who have absconded, escaped or run away, are likely to endanger their own health, morals and welfare, and the health, morals and welfare of others, and

(b) The cooperation of this state with other states is necessary to provide for the welfare and protection of juveniles and of the people of this state

(2) It is therefore the policy of this state, in adopting the Interstate Compact on Juveniles, to cooperate fully with other states in returning juveniles to such other states whenever their return is sought, to accept the return of juveniles whenever a juvenile residing in this state is found or apprehended in another state and to take all measures to initiate proceedings for the return of such juveniles. [1959 c 434 §1]

417.030 Interstate Compact on Juveniles. The Governor hereby is authorized and directed to execute for, on behalf of and in the name of the State of Oregon, a compact with any state or states legally joining therein in the form substantially as follows.

The contracting states solemnly agree:

ARTICLE I FINDINGS AND PURPOSES

That juveniles who are not under proper supervision and control, or who have absconded, escaped or run away, are likely to endanger their own health, morals and welfare, and the health, morals and welfare of others. The cooperation of the states party to this compact is therefore necessary to provide for the welfare and protection of juveniles and of the public with respect to (1) cooperative supervision of delinquent juveniles on probation or parole; (2) the return, from one state to another, of delinquent juveniles who have escaped or absconded; (3) the return, from one state to another, of nondelinquent juveniles who have run away from home; and (4) additional measures for the protection of juveniles and of the public, which any two or more of the party states may find desirable to undertake coopera-

tively. In carrying out the provisions of this compact the party states shall be guided by the noncriminal, reformatory and protective policies which guide their laws concerning delinquent, neglected or dependent juveniles generally. It shall be the policy of the states party to this compact to cooperate and observe their respective responsibilities for the prompt return and acceptance of juveniles and delinquent juveniles who become subject to the provisions of this compact. The provisions of this compact shall be reasonably and liberally construed to accomplish the foregoing purposes.

ARTICLE II EXISTING RIGHTS AND REMEDIES

That all remedies and procedures provided in this compact shall be in addition to and not in substitution for other rights, remedies and procedures and shall not be in derogation of parental rights and responsibilities.

ARTICLE III DEFINITIONS

That, for the purposes of this compact, "delinquent juvenile" means any juvenile who has been adjudged delinquent and who, at the time the provisions of this compact are invoked, is still subject to the jurisdiction of the court that has made such adjudication or the jurisdiction or supervision of an agency or institution pursuant to an order of such court; "probation or parole" means any kind of conditional release of juveniles authorized under the laws of the states party hereto, "court" means any court having jurisdiction over delinquent, neglected or dependent children, "state" means any state, territory or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico, and "residence" or any variant thereof means a place at which a home or regular place of abode is maintained.

ARTICLE IV RETURN OF RUNAWAYS

(a) That the parent, guardian, person or agency entitled to legal custody of a juvenile who has not been adjudged delinquent but who has run away without the consent of such parent, guardian, person or agency may petition the appropriate court in the demanding state for the issuance of a requisition for his return. The petition shall state the name and age of the juvenile, the name of the petitioner and the basis of entitlement to the juvenile's custody, the

circumstances of his running away, his location if known at the time application is made, and such other facts as may tend to show that the juvenile who has run away is endangering his own welfare or the welfare of others and is not an emancipated minor. The petition shall be verified by affidavit, shall be executed in duplicate, and shall be accompanied by two certified copies of the document or documents on which the petitioner's entitlement to the juvenile's custody is based, such as birth certificates, letter of guardianship, or custody decrees. Such further affidavits and other documents as may be deemed proper may be submitted with such petition. The judge of the court to which this application is made may hold a hearing thereon to determine whether for the purposes of this compact the petitioner is entitled to the legal custody of the juvenile, whether or not it appears that the juvenile has in fact run away without consent, whether or not he is an emancipated minor, and whether or not it is in the best interest of the juvenile to compel his return to the state. If the judge determines, either with or without a hearing, that the juvenile should be returned, he shall present to the appropriate court or to the executive authority of the state where the juvenile is alleged to be located a written requisition for the return of such juvenile. Such requisition shall set forth the name and age of the juvenile, the determination of the court that the juvenile has run away without the consent of a parent, guardian, person or agency entitled to his legal custody, and that it is in the best interest and for the protection of such juvenile that he be returned. In the event that a proceeding for the adjudication of the juvenile as a delinquent, neglected or dependent juvenile is pending in the court at the time when such juvenile runs away, the court may issue a requisition for the return of such juvenile upon its own motion, regardless of the consent of the parent, guardian, person or agency entitled to legal custody, reciting therein the nature and circumstances of the pending proceeding. The requisition shall in every case be executed in duplicate and shall be signed by the judge. One copy of the requisition shall be filed with the compact administrator of the demanding state, there to remain on file subject to the provisions of law governing records of such court. Upon the receipt of a requisition demanding the return of a juvenile who has run away, the court or the executive authority to whom the requisition is addressed shall issue an order to any peace officer or other appropriate person directing him to take into custody and detain such juvenile. Such detention order must substantially recite the facts necessary to the validity of its issuance

hereunder. No juvenile detained upon such order shall be delivered over to the officer whom the court demanding him shall have appointed to receive him, unless he shall first be taken forthwith before a judge of a court in the state, who shall inform him of the demand made for his return, and who may appoint counsel or guardian ad litem for him. If the judge of such court shall find that the requisition is in order, he shall deliver such juvenile over to the officer whom the court demanding him shall have appointed to receive him. The judge, however, may fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding.

Upon reasonable information that a person is a juvenile who has run away from another state party to this compact without the consent of his parent, guardian, person or agency entitled to his legal custody, such juvenile may be taken into custody without a requisition and brought forthwith before a judge of the appropriate court who may appoint counsel or guardian ad litem for such juvenile and who shall determine after a hearing whether sufficient cause exists to hold the person, subject to the order of the court, for his own protection and welfare, for such a time not exceeding 30 days as will enable his return to another state party to this compact pursuant to a requisition for his return from a court of that state. If, at the time when a state seeks the return of a juvenile who has run away, there is pending in the state wherein he is found any criminal charge, or any proceeding to have him adjudicated a delinquent juvenile for an act committed in such state, or if he is suspected of having committed within such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of such state until discharged from prosecution or other form of proceeding, imprisonment, detention or supervision for such offense or juvenile delinquency. The duly accredited officers of any state party to this compact, upon the establishment of their authority and the identity of the juvenile being returned, shall be permitted to transport such juvenile through any and all states party to this compact, without interference. Upon his return to the state from which he ran away, the juvenile shall be subject to such further proceedings as may be appropriate under the laws of that state.

(b) That the state to which a juvenile is returned under this Article shall be responsible for payment of the transportation costs of such return

(c) That "juvenile" as used in the Article means any person who is a minor under the law of the state of residence of the parent, guardian,

person or agency entitled to the legal custody of such minor

ARTICLE V RETURN OF ESCAPEES AND ABSCONDERS

(a) That the appropriate person or authority from whose probation or parole supervision a delinquent juvenile has absconded or from whose institutional custody he has escaped shall present to the appropriate court or to the executive authority of the state where the delinquent juvenile is alleged to be located a written requisition for the return of such delinquent juvenile. Such requisition shall state the name and age of the delinquent juvenile, the particulars of his adjudication as a delinquent juvenile, the circumstances of the breach of the terms of his probation or parole or of his escape from an institution or agency vested with his legal custody or supervision, and the location of such delinquent juvenile, if known, at the time the requisition is made. The requisition shall be verified by affidavit, shall be executed in duplicate, and shall be accompanied by two certified copies of the judgment, formal adjudication, or order of commitment which subjects such delinquent juvenile to probation or parole or to the legal custody of the institution or agency concerned. Such further affidavits and other documents as may be deemed proper may be submitted with such requisition. One copy of the requisition shall be filed with the compact administrator of the demanding state, there to remain on file subject to the provisions of law governing records of the appropriate court. Upon the receipt of a requisition demanding the return of a delinquent juvenile who has absconded or escaped, the court or the executive authority to whom the requisition is addressed shall issue an order to any peace officer or other appropriate person directing him to take into custody and detain such delinquent juvenile. Such detention order must substantially recite the facts necessary to the validity of its issuance hereunder. No delinquent juvenile detained upon such order shall be delivered over to the officer whom the appropriate person or authority demanding him shall have appointed to receive him, unless he shall first be taken forthwith before a judge of an appropriate court in the state, who shall inform him of the demand made for his return and who may appoint counsel or guardian ad litem for him. If the judge of such court shall find that the requisition is in order, he shall deliver such delinquent juvenile over to the officer whom the appropriate person or authority demanding him shall have appointed to receive him. The judge,

however, may fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding.

Upon reasonable information that a person is a delinquent juvenile who has absconded while on probation or parole, or escaped from an institution or agency vested with his legal custody or supervision in any state party to this compact, such person may be taken into custody in any other state party to this compact without a requisition. But in such event, he must be taken forthwith before a judge of the appropriate court, who may appoint counsel or guardian ad litem for such person and who shall determine, after a hearing, whether sufficient cause exists to hold the person subject to the order of the court for such a time, not exceeding 90 days, as will enable his detention under a detention order issued on a requisition pursuant to this Article. If, at the time when a state seeks the return of a delinquent juvenile who has either absconded while on probation or parole or escaped from an institution or agency vested with his legal custody or supervision, there is pending in the state wherein he is detained any criminal charge or any proceeding to have him adjudicated a delinquent juvenile for an act committed in such state, or if he is suspected of having committed within such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of such state until discharged from prosecution or other form of proceeding, imprisonment, detention or supervision for such offense or juvenile delinquency. The duly accredited officers of any state party to this compact, upon the establishment of their authority and the identity of the delinquent juvenile being returned, shall be permitted to transport such delinquent juvenile through any and all states party to this compact, without interference. Upon his return to the state from which he escaped or absconded, the delinquent juvenile shall be subject to such further proceedings as may be appropriate under the laws of that state.

(b) That the state to which a delinquent juvenile is returned under this Article shall be responsible for payment of the transportation costs of such return.

ARTICLE Va INTERSTATE RENDITION OF JUVENILES ALLEGED TO BE DELINQUENT

(a) This amendment shall provide additional remedies, and shall be binding only as among and between those party states which specifically execute the same.

(b) All provisions and procedures of Articles V and VI of the Interstate Compact on Juveniles shall be construed to apply to any juvenile charged with being a delinquent by reason of a violation of any criminal law. Any juvenile, charged with being a delinquent by reason of violating any criminal law, shall be returned to the requesting state upon a requisition to the state where the juvenile may be found. A petition in such case shall be filed in a court of competent jurisdiction in the requesting state where the violation of criminal law is alleged to have been committed. The petition may be filed regardless of whether the juvenile has left the state before or after the filing of the petition. The requisition described in Article V of the Compact shall be forwarded by the judge of the court in which the petition has been filed.

ARTICLE VI VOLUNTARY RETURN PROCEDURE

That any delinquent juvenile who has absconded while on probation or parole, or escaped from an institution or agency vested with his legal custody or supervision in any state party to this compact, and any juvenile who has run away from any state party to this compact, who is taken into custody without a requisition in another state party to this compact under the provisions of Article IV (a) or of Article V (a) of this compact, may consent to his immediate return to the state from which he absconded, escaped or ran away. Such consent shall be given by the juvenile or delinquent juvenile and his counsel or guardian ad litem if any, by executing or subscribing a writing, in the presence of a judge of the appropriate court, which states that the juvenile or delinquent juvenile and his counsel or guardian ad litem, if any, consent to his return to the demanding state. Before such consent shall be executed or subscribed, however, the judge, in the presence of counsel or guardian ad litem, if any, shall inform the juvenile or delinquent juvenile of his rights under this compact. When the consent has been duly executed, it shall be forwarded to and filed with the compact administrator of the state in which the court is located and the judge shall direct the officer having the juvenile or delinquent juvenile in custody to deliver him to the duly accredited officer or officers of the state demanding his return, and shall cause to be delivered to such officer or officers a copy of the consent. The court may, however, upon the request of the state to which the juvenile or delinquent juvenile is being returned order him to return unaccompanied to such state and shall provide him with a

copy of such court order; in such event a copy of the consent shall be forwarded to the compact administrator of the state to which such juvenile or delinquent juvenile is ordered to return

ARTICLE VII COOPERATIVE SUPERVISION OF PROBATIONERS AND PAROLEES

(a) That the duly constituted judicial and administrative authorities of a state party to this compact (herein called "sending state") may permit any delinquent juvenile within such state, placed on probation or parole, to reside in any other state party to this compact (herein called "receiving state") while on probation or parole, and the receiving state shall accept such delinquent juvenile, if the parent, guardian or person entitled to the legal custody of such delinquent juvenile is residing or undertakes to reside within the receiving state. Before granting such permission, opportunity shall be given to the receiving state to make such investigations as it deems necessary. The authorities of the sending state shall send to the authorities of the receiving state copies of pertinent court orders, social case studies and all other available information which may be of value to and assist the receiving state in supervising a probationer or parolee under this compact. A receiving state, in its discretion, may agree to accept supervision of a probationer or parolee in cases where the parent, guardian or person entitled to the legal custody of the delinquent juvenile is not a resident of the receiving state, and if so accepted the sending state may transfer supervision accordingly.

(b) That each receiving state will assume the duties of visitation and of supervision over any such delinquent juvenile and in the exercise of those duties will be governed by the same standards of visitation and supervision that prevail for its own delinquent juveniles released on probation or parole.

(c) That, after consultation between the appropriate authorities of the sending state and of the receiving state as to the desirability and necessity of returning such a delinquent juvenile, the duly accredited officers of a sending state may enter a receiving state and there apprehend and retake any such delinquent juvenile on probation or parole. For that purpose, no formalities will be required, other than establishing the authority of the officer and the identity of the delinquent juvenile to be retaken and returned. The decision of the sending state to retake a delinquent juvenile on probation or parole shall be conclusive upon and not reviewable within

the receiving state, but if, at the time the sending state seeks to retake a delinquent juvenile on probation or parole, there is pending against him within the receiving state any criminal charge or any proceeding to have him adjudicated a delinquent juvenile for any act committed in such state, or if he is suspected of having committed within such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of the receiving state until discharged from prosecution or other form of proceeding, imprisonment, detention or supervision for such offense or juvenile delinquency. The duly accredited officers of the sending state shall be permitted to transport delinquent juveniles being so returned through any and all states party to this compact, without interference.

(d) That the sending state shall be responsible under this Article for paying the costs of transporting any delinquent juvenile to the receiving state or of returning any delinquent juvenile to the sending state.

**ARTICLE VIII
RESPONSIBILITY FOR COSTS**

(a) That the provisions of Articles IV (b), V (b) and VII (d) of this compact shall not be construed to alter or affect any internal relationship among the departments, agencies and officers of and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs, or responsibilities therefor

(b) That nothing in this compact shall be construed to prevent any party state or subdivision thereof from asserting any right against any person, agency or other entity in regard to costs for which such party state or subdivision thereof may be responsible pursuant to Articles IV (b), V (b) or VII (d) of this compact

**ARTICLE IX
DETENTION PRACTICES**

That, to every extent possible, it shall be the policy of states party to this compact that no juvenile or delinquent juvenile shall be placed or detained in any prison, jail or lockup nor be detained or transported in association with criminal, vicious or dissolute persons.

**ARTICLE X
SUPPLEMENTARY
AGREEMENTS**

That the duly constituted administrative authorities of a state party to this compact may enter into supplementary agreements with any

other state or states party hereto for the cooperative care, treatment and rehabilitation of delinquent juveniles whenever they shall find that such agreements will improve the facilities or programs available for such care, treatment and rehabilitation. Such care, treatment and rehabilitation may be provided in an institution located within any state entering into such supplementary agreement. Such supplementary agreements shall (1) provide the rates to be paid for the care, treatment and custody of such delinquent juveniles, taking into consideration the character of facilities, services and subsistence furnished; (2) provide that the delinquent juvenile shall be given a court hearing prior to his being sent to another state for care, treatment and custody; (3) provide that the state receiving such a delinquent juvenile in one of its institutions shall act solely as agent for the state sending such delinquent juvenile; (4) provide that the sending state shall at all times retain jurisdiction over delinquent juveniles sent to an institution in another state; (5) provide for reasonable inspection of such institutions by the sending state; (6) provide that the consent of the parent, guardian, person or agency entitled to the legal custody of said delinquent juvenile shall be secured prior to his being sent to another state; and (7) make provision for such other matters and details as shall be necessary to protect the rights and equities of such delinquent juveniles and of the cooperating states.

**ARTICLE XI
ACCEPTANCE OF FEDERAL
AND OTHER AID**

That any state party to this compact may accept any and all donations, gifts and grants of money, equipment and services from the federal or any local government, or any agency thereof and from any person, firm or corporation, for any of the purposes and functions of this compact, and may receive and utilize the same subject to the terms, conditions and regulations governing such donations, gifts and grants.

**ARTICLE XII
COMPACT ADMINISTRATORS**

That the governor of each state party to this compact shall designate an officer who, acting jointly with like officers of other party states, shall promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

**ARTICLE XIII
EXECUTION OF COMPACT**

That this compact shall become operative immediately upon its execution by any state as between it and any other state or states so executing. When executed it shall have the full force and effect of law within such state, the form of execution to be in accordance with the laws of the executing state.

**ARTICLE XIV
RENUNCIATION**

That this compact shall continue in force and remain binding upon each executing state until renounced by it. Renunciation of this compact shall be by the same authority which executed it, by sending six months' notice in writing of its intention to withdraw from the compact to the other states party hereto. The duties and obligations of a renouncing state under Article VII of this compact shall continue as to parolees and probationers residing therein at the time of withdrawal until retaken or finally discharged. Supplementary agreements entered into under Article X of this compact shall be subject to renunciation as provided by such supplementary agreements, and shall not be subject to the six months' renunciation notice of this Article.

**ARTICLE XV
SEVERABILITY**

That the provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the Constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the Constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

[1959 c 434 §2, 1979 c 288 §4]

417.040 Juvenile Compact Administrator and staff. (1) The office of Juvenile Compact Administrator hereby is created. The Assistant Director for Children's Services shall be ex officio Juvenile Compact Administrator, with no additional compensation. He shall act

jointly with like officers of other party states in promulgating rules and regulations to carry out more effectively the terms of the compact. He shall cooperate with all departments, agencies and officers of the government of this state and its subdivisions in facilitating the proper administration of the compact or of any supplementary agreement or agreements entered into by this state thereunder.

(2) The Juvenile Compact Administrator shall appoint a Deputy Juvenile Compact Administrator to serve at the pleasure of the administrator. The deputy shall be appointed on the basis of his personal qualifications in accordance with standards fixed by the Children's Services Division. The division shall fix the salary of the deputy. Subject to the approval of the division, and at salaries fixed by it, the administrator may employ such other personnel as may be necessary to accomplish the purposes of ORS 417.010 to 417.080. The administrator shall prescribe the duties of the deputy and such other personnel, and they shall be subject to his control and under his immediate supervision. Personnel other than the administrator and the deputy shall be subject to any applicable provision of the State Personnel Relations Law. Subject to the approval of the division, the administrator may also provide necessary offices, supplies and equipment. [1959 c 434 §3, 1971 c 401 §11]

417.050 Supplementary agreements. The Juvenile Compact Administrator may enter into supplementary agreements with appropriate officials of other states under the compact. In the event that a supplementary agreement requires or contemplates the use of any institution or facility of this state or requires or contemplates the providing of any service by this state, the supplementary agreement shall have no force or effect until approved by the head of the department or agency under whose jurisdiction the institution or facility is operated or whose department or agency will be charged with the providing of the service. [1959 c 434 §4]

417.060 Proceedings for recovery of expenses in enforcing compact and agreements. The Juvenile Compact Administrator may recover from parents or guardians any moneys expended by this state or any of its subdivisions in returning a delinquent or nondelinquent juvenile to this state, for care pending the return of the juvenile to this state or for care provided pursuant to any supplementary agreement. Proceedings to recover such moneys shall be brought before the juvenile court, which shall, upon the parent, parents or guardian being duly summoned or voluntarily appearing, enter such

order or decree as is equitable in the premises. The order or decree may be enforced by execution or in any manner in which a court of equity may enforce its orders or decrees. No property belonging to persons subject to the order or decree shall be exempt from levy and sale under execution [1959 c 434 §5]

417.070 Juvenile court jurisdiction. The juvenile courts of this state have jurisdiction of juveniles within the operation of ORS 417.010 to 417.080. [1959 c 434 §7]

417.080 Enforcement of compact. The courts, departments, agencies and officers of this state and its subdivisions shall enforce this compact and shall do all things appropriate to the effectuation of its purposes and intent which may be within their respective jurisdictions. [1959 c 434 §6]

(b) The appropriate authorities in a state where a child is to be placed may have full opportunity to ascertain the circumstances of the proposed placement, thereby promoting full compliance with applicable requirements for the protection of the child.

(c) The proper authorities of the state from which the placement is made may obtain the most complete information on the basis on

which to evaluate a projected placement before it is made.

(d) Appropriate jurisdictional arrangements for the care of children will be promoted.

ARTICLE II DEFINITIONS

As used in this compact:

(b) "Sending agency" means a party state, officer or employe thereof; a subdivision of a party state, or officer or employe thereof; a court of a party state; a person, corporation, association, charitable agency or other entity which sends, brings, or causes to be sent or brought any child to another party state

(c) "Receiving state" means the state to which a child is sent, brought, or caused to be sent or brought, whether by public authorities or private persons or agencies, and whether for placement with state or local public authorities or for placement with private agencies or persons.

(d) "Placement" means the arrangement for the care of a child in a family free or boarding home or in a child-caring agency or institution but does not include any institution caring for the mentally ill, mentally defective or epileptic or any institution primarily educational in character, and any hospital or other medical facility.

ARTICLE III CONDITIONS FOR PLACEMENT

(a) No sending agency shall send, bring, or cause to be sent or brought into any other party state any child for placement in foster care or as a preliminary to a possible adoption unless the sending agency shall comply with each and every requirement set forth in this article and with the applicable laws of the receiving state governing the placement of children therein.

(b) Prior to sending, bringing or causing any child to be sent or brought into a receiving state for placement in foster care or as a preliminary to a possible adoption, the sending agency shall furnish the appropriate public authorities in the receiving state written notice of the intention to send, bring, or place the child in the receiving state. The notice shall contain:

(2) The identity and address or addresses of the parents or legal guardian.

(3) The name and address of the person, agency or institution to or with which the sending agency proposes to send, bring, or place the child.

(4) A full statement of the reasons for such proposed action and evidence of the authority pursuant to which the placement is proposed to be made.

(c) Any public officer or agency in a receiving state which is in receipt of a notice pursuant to paragraph (b) of this article may request of the sending agency, or any other appropriate officer or agency of or in the sending agency's state, and shall be entitled to receive therefrom, such supporting or additional information as it may deem necessary under the circumstances to carry out the purpose and policy of this compact.

(d) The child shall not be sent, brought, or caused to be sent or brought into the receiving state until the appropriate public authorities in the receiving state shall notify the sending agency, in writing, to the effect that the proposed placement does not appear to be contrary to the interests of the child.

ARTICLE IV PENALTY FOR ILLEGAL PLACEMENT

The sending, bringing, or causing to be sent or brought into any receiving state of a child in violation of the terms of this compact shall constitute a violation of the laws respecting the placement of children of both the state in which the sending agency is located or from which it sends or brings the child and of the receiving state. Such violation may be punished or subjected to penalty in either jurisdiction in accordance with its laws. In addition to liability for any such punishment or penalty, any such violation shall constitute full and sufficient grounds for the suspension or revocation of any license, permit, or other legal authorization held by the sending agency which empowers or allows it to place, or care for children.

ARTICLE V RETENTION OF JURISDICTION

(a) The sending agency shall retain jurisdiction over the child sufficient to determine all matters in relation to the custody, supervision, care, treatment and disposition of the child

which it would have had if the child had remained in the sending agency's state, until the child is adopted, reaches majority, becomes self-supporting or is discharged with the concurrence of the appropriate authority in the receiving state. Such jurisdiction shall also include the power to effect or cause the return of the child or its transfer to another location and custody pursuant to law. The sending agency shall continue to have financial responsibility for support and maintenance of the child during the period of the placement. Nothing contained herein shall defeat a claim of jurisdiction by a receiving state sufficient to deal with an act of delinquency or crime committed therein.

(b) When the sending agency is a public agency, it may enter into an agreement with an authorized public or private agency in the receiving state providing for the performance of one or more services in respect of such case by the latter as agent for the sending agency.

(c) Nothing in this compact shall be construed to prevent a private charitable agency authorized to place children in the receiving state from performing services or acting as agent in that state for a private charitable agency of the sending state; nor to prevent the agency in the receiving state from discharging financial responsibility for the support and maintenance of a child who has been placed on behalf of the sending agency without relieving the responsibility set forth in paragraph (a) hereof.

ARTICLE VI INSTITUTIONAL CARE OF DELINQUENT CHILDREN

A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant to this compact but no such placement shall be made unless the child is given a court hearing on notice to the parent or guardian with opportunity to be heard, prior to his being sent to such other party jurisdiction for institutional care and the court finds that.

(1) Equivalent facilities for the child are not available in the sending agency's jurisdiction, and

(2) Institutional care in the other jurisdiction is in the best interest of the child and will not produce undue hardship.

ARTICLE VII
COMPACT ADMINISTRATOR

The executive head of each jurisdiction party to this compact shall designate an officer who shall be general coordinator of activities under this compact in his jurisdiction and who, acting jointly with like officers of other party jurisdictions, shall have power to promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

ARTICLE VIII
LIMITATIONS

This compact shall not apply to:

(b) Any placement, sending or bringing of a child into a receiving state pursuant to any other interstate compact to which both the state from which the child is sent or brought and the receiving state are party, or to any other agreement between said states which has the force of law.

ARTICLE IX
ENACTMENT AND
WITHDRAWAL

This compact shall be open to joinder by any state, territory or possession of the United States, the District of Columbia, Commonwealth of Puerto Rico, and, with the consent of Congress, the Government of Canada or any province thereof. It shall become effective with respect to any such jurisdiction when such jurisdiction has enacted the same into law. Withdrawal from this compact shall be by the enactment of a statute repealing the same, but shall not take effect until two years after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the Governor of each other party jurisdiction. Withdrawal of a party state shall not affect the rights, duties and obligations under this compact of any sending agency therein with respect to a placement made prior to the effective date of withdrawal.

ARTICLE X
CONSTRUCTION AND
SEVERABILITY

The provisions of this compact shall be liberally construed to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

mum annual grant of \$20,000 shall be provided to each participating county. In those cases where two or more counties have combined to deliver services to juveniles, the counties shall not receive less as a group than they would have received if each county had participated separately.

The commission shall award grants on a competitive basis, giving preference to those facilities which are or will be utilized on a regional basis and which, in the opinion of the commission, can lead to a reduction or cessation of the use of jails and lockups for the detention of juveniles or can aid in reducing the number of commitments to the juvenile training schools or placements in other types of long term out-of-home care for children who have been found to have committed offenses

(2) No funds awarded under ORS 417.400 to 417.490 shall be used to acquire, develop, build or improve local correctional facilities, as defined in ORS 169.005, unless such facilities contain juvenile sections separated from the sight and sound of adult inmates and operated and staffed by county juvenile department employees, or the funds awarded under ORS 417.400 to 417.490 will be used to attain the objectives of having juvenile sections separated from the sight and sound of adult inmates and operated and staffed by county juvenile department employees. (1) The commission shall review periodically the performance of counties participating under ORS 417.400 to 417.490. If the commission determines that there are reasonable grounds to believe that a county is not in substantial compliance with its plan, the commission, after giving the county not less than 120 days' notice, shall conduct a public hearing to ascertain whether there is substantial compliance or satisfactory progress being made toward compliance. After the hearing, the commission may suspend any portion of those funds made available to the county under ORS 417.400 to 417.490 until the required compliance occurs.

This section does not apply to those counties whose rate of Class C or lesser offense commitments does not exceed five per calendar year

(2) The average state commitment rate shall be determined each year by dividing the total number of commitments for Class C felony or lesser offenses if committed by an adult to the state training schools over the previous calendar year by the state's total youth population.

(3) The county commitment rate shall be determined each year by the total number of commitments for Class C felony or lesser offenses if committed by an adult to the state

training schools by the county over the previous calendar year

(4) Assessments received by the state under subsection (1) of this section shall be placed in a special account of the Children's Services Division for use in partial payment of the operating expenses of the state training schools.
