676.100 Definitions for ORS 676.100 to 676.130. As used in ORS 676.100 to 676.130, unless the context requires otherwise, "person" means and includes any "clinic," "institute," "specialist" or any group or combination of persons.

676.110 Practitioner to designate particular business or profession. Any person practicing a health care profession who uses the title "doctor," or any contraction thereof, "clinic," "institute," "specialist" or any other assumed or artificial name or title, in connection with the business or profession, on any written or printed matter, or in connection with any advertising, billboards, signs or professional notices, shall add after the name of the person, or after any such assumed or artificial names, one of the following respective designations in letters or print which shall be at least one-fourth the size of the largest letters used in the title or name, and in material, color, type or illumination to give display and legibility of at least one-fourth that of the title or name:

(1) In the case of a person practicing podiatry, the word "podiatrist" or the words "podiatric physician" or "podiatric physician and surgeon."

(2) In the case of a person practicing chiropractic, the word "chiropractor" or the words "chiropractic physician."

(3) In the case of a person practicing dentistry, the word "dentist" or "dentistry."

676.120 Use of business or professional designation by unlicensed person prohibited; use of deceased licensee's name. No person shall use any of the designations stated in ORS 676.110 (1) to (8), in connection with the name, business or profession of the person or in connection with an assumed or artificial name, or "clinic," "institute" or "specialist," unless the person is licensed under the laws of this state to practice the particular health care profession indicated by such designation, as stated in ORS 676.110. However, upon the death of any person duly licensed by any board empowered to license any practitioner of a health care profession, the executors of the estate or the heirs, assigns, associates or partners may retain the use of the decedent's name, where it appears other than as a part of an assumed name, for no more than one year after the death of such person or until the estate is settled, whichever is sooner. **ENJOINING PRACTICE
AFTER SUSPENSION OR
REVOCAION OF LICENSE**

676.210 Practice of health care profession after suspension or revocation of license prohibited. No person whose license has been revoked or suspended by any board authorized by the statutes of the State of Oregon to issue licenses to practice a health care profession shall continue the practice of this profession after the order or decision of the board suspending or revoking the license of the person has been made. The license shall remain suspended or revoked until a final determination of an appeal from the decision or order of the board has been made by the court. [1953 c.592 §1; 1983 c.769 §4]

676.220 Enjoining health care professional from practicing after suspension or revocation of license. (1) If at any time the board suspending or revoking the license of any licentiate of a health care profession determines that such licentiate is continuing to practice the health care profession notwithstanding, the board shall in its own name bring an action to enjoin such licentiate.

(2) If the court shall find that the licentiate has been or is continuing the practice of the health care profession for which the license has been revoked or suspended it shall issue an injunction restraining the licentiate. The commission of a single act constituting the practice of the respective health care profession shall be prima facie evidence warranting the issuance of such injunction. [1953 c.592 §2; 1979 c.284 §191; 1983 c.769 §5]

676.230 Injunction as cumulative remedy. The remedy herein provided is cumulative and shall be without prejudice to any other civil or criminal remedy. [1953 c.592 §3]
