The items may be identified as those which are insurable by a common carrier of all purpose risk insurance.

(2) The reserve account must be funded by assessments against the individual unit assessed for maintenance of items for which the reserve account is being established. The assessment under this subsection will accrue from the time of the conveyance of the first individual unit assessed and may be shown as a separate item in the reservation agreement or unit sales agreement. The declarant may elect to defer payment of the accrued assessment for a unit under this subsection until the time of conveyance of the unit.

(3) The amount assessed shall take into account the estimated remaining life of the items for which the reserve is created and the current replacement cost of those items.

(4) The reserve account shall be established in the name of the association of unit owners that will be responsible for administering the account and for making periodic payments into it. The amount of the payments shall be adjusted at regular intervals to recognize changes in current replacement costs over time.

However, after the individual unit owners have assumed administrative responsibility for the association under ORS 94.091, the board of directors may borrow funds from the reserve account to meet high seasonal demands on the regular operating funds or to meet other temporary expenses which will later be paid from special assessments or maintenance fees.

(6) Restrictions on the use of the reserve account do not prohibit its prudent investment subject to any constraints on investment of association funds imposed by the declaration, bylaws or rules of the association of unit owners.

(7) Following the second year after the unit owners have assumed administrative responsibility for the association under ORS 94.091, future assessments for the reserve account may be reduced, eliminated or increased by an affirmative vote of not less than 75 percent of all voting rights.

(8) Assessments paid into the reserve account are the property of the association of unit owners and are not refundable to sellers of units. Sellers of units may treat their outstanding share of the reserve account as a separate item in a unit sales agreement. [1981 c.647 §33]

The members shall serve until the turnover meeting. The function of the committee shall be that of enabling ease of transition from control of the administration of the association of unit owners by the declarant to control by the unit owners. 94.177 Insurance for units and common elements. (1) If the bylaws provide that

the association of unit owners has the sole authority to decide whether to repair or reconstruct a unit that has suffered damage or that a unit must be repaired or reconstructed, the board of directors shall obtain and maintain at all times and shall pay for out of the common expense funds, the following insurance covering both the common elements and individual units:

(a) Property insurance including, but not limited to, fire, extended coverage, vandalism and malicious mischief; and

(b) Insurance covering the legal liability of the association of unit owners, the unit owners individually and the manager including, but not limited to, the board of directors, the public and the unit owners and their invitees or tenants, incident to ownership, supervision, control or use of the property. There may be excluded from the policy required under this paragraph, coverage of a unit owner, other than coverage as a member of the association of unit owners or board of directors, for liability arising out of acts or omissions of that unit owner and liability incident to the ownership or use of the part of the property as to which that unit owner has the exclusive use or occupancy. Liability insurance required under this paragraph shall be issued on a comprehensive liability basis and shall provide a cross liability indorsement providing that the rights of a named insured under the policy shall not prejudice any action against another named insured.

(2) If the bylaws require the individual unit owners to obtain insurance for their units, the bylaws also shall contain a provision requiring the board of directors to obtain the following insurance covering the common elements:

(a) Property insurance including, but not limited to, fire, extended coverage, vandalism and malicious mischief; and

94.180 [Repealed by 1971 c.478 §1]

94.185 Liens against property; removal from lien; effect of part payment.

(1) Subsequent to recording a declaration and while the property remains subject to ORS 94.004 to 94.480 and 94.991, no lien shall arise or be effective against the property. During such period liens or encumbrances shall arise or be created only against each unit and the undivided interest in the common elements appertaining thereto, in

the same manner and under the same conditions as liens or encumbrances may arise or be created upon or against any other separate parcel of real property subject to individual ownership.

(2) No labor performed or materials furnished with the consent or at the request of a unit owner, the agent, contractor or subcontractor of the unit owner, shall be the basis for the filing of a mechanic's or materialman's lien against the unit of any other unit owner not consenting to or requesting the labor to be performed or the materials to be furnished, except that consent shall be considered given by the owner of any unit in the case of emergency repairs thereto performed or furnished with the consent or at the request of the manager.

(3) If a lien becomes effective against two or more units, the owner of each unit subject to such a lien shall have the right to have the unit of the owner released from the lien by payment of the amount of the lien attributable to the unit. The amount of the lien attributable to a unit and the payment required to satisfy such a lien, in the absence of agreement, shall be determined by application of the allocation established in the declaration. Such partial payment, satisfaction or discharge shall not prevent the lienor from proceeding to enforce the rights of the lienor against any unit and the undivided interest in the common elements appertaining thereto not so released by payment, satisfaction or discharge. [Formerly 91 539]

94.190 Individual defaulting required under leasehold condominium. Where a leasehold interest is submitted to the provisions of ORS 94.004 to 94.480 and 94.991, the master lease shall contain independent default clauses, the effect of which shall be that a unit owner cannot be evicted because the board of directors of the association of unit owners has defaulted so long as the unit owner has paid the pro rata share of the unit owner of the funds necessary to correct the default or because another unit owner has defaulted. [Formerly 91.542]

94.195 Lien of association against unit; filing of claim; foreclosure. (1) Whenever an association of unit owners levies any assessment for common expenses against a unit, the association of unit owners, upon complying with subsection (2) of this section, shall have a lien upon the individual unit and the undivided interest in the common elements appertaining to such unit for the reasonable value of such common expenses, and for any unpaid assessments and interest as provided in paragraph (b) of subsection (2) of this section. The lien shall be prior to all other liens or encumbrances upon the unit except:

- (a) Tax and assessment liens; and
- (b) A first mortgage or trust deed of record.

(2)(a) An association of unit owners claiming the benefits of subsection (1) of this section shall record in the county in which the unit or some part thereof is located a claim containing a true statement of the account due for such common expenses after deducting all just credits and offsets; the name of the owner of the unit, or reputed owner, if known; a description of the property where the common expenses were furnished and the designation of the unit, sufficient for identification.

(b) Where a claim has been filed and recorded pursuant to this section and the owner of the unit or undivided interest subject to the claim thereafter fails to pay any assessment chargeable to such unit or undivided interest, then so long as the original or any subsequent unpaid assessment remains unpaid such claim shall automatically accumulate the subsequent unpaid assessments and interest thereon without the necessity of further filings under this section.

(3) The claim shall be verified by the oath of some person having knowledge of the facts and shall be filed with and recorded by the recording officer in the book kept for the purpose of recording liens filed under ORS 87.035. The record shall be indexed as deeds and other conveyances are required by law to be indexed.

(4) The proceedings to foreclose liens created by this section shall conform as nearly as possible to the proceedings to foreclose liens created by ORS 87.010, except that notwithstanding ORS 87.055, a lien may be continued in force for a period of time not to exceed six years from the date the claim is filed under subsection (3) of this section. For the purpose of determining the date the claim is filed in those cases where subsequent unpaid assessments have accumulated under the claim as provided in paragraph (b) of subsection (2) of this section, the claim regarding each unpaid assessment shall be deemed to have been filed at the time such unpaid assessment became due. The lien may be enforced by the manager acting on behalf of the association of unit owners. An action to recover a money judgment for unpaid common expenses may be maintained without foreclosing or waiving the lien securing the claim for common expenses.

(5) Unless the declaration or bylaws provides otherwise, fees, late charges, fines and interest imposed pursuant to ORS 94.146 (4)(i), (j) and (k) are enforceable as assessments under this section.

(6) With respect to condominium units also constituting timeshare property as defined by

ORS 94.803, liens created by this section shall be assessed to the timeshare owners in the timeshare property according to the method for determining each owner's liability for common expenses under the timeshare instrument and shall be enforced individually against each timeshare owner in the condominium unit. [Formerly 91.546, 1983 c.530 §51]

94.202 Foreclosure against unit; receiver for unit; power of property manager to bid at foreclosure sale. In any foreclosure suit against a unit, the unit owner shall be required to pay a reasonable rental for the unit, if so provided in the bylaws, and the plaintiff in such foreclosure shall be entitled to the appointment of a receiver to collect the rent. The manager, acting on behalf of the unit owners, shall have power, unless prohibited by the declaration, to bid in the unit at the foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. [Formerly 91.548]

94.205 [Repealed by 1971 c.478 §1]

94.208 Liability for unpaid share of common expenses. (1) Where the purchaser of a unit obtains title to the unit as a result of foreclosure of the first mortgage or trust deed, such purchaser, the successors and assigns of the purchaser, shall not be liable for any of the common expenses chargeable to such unit which became due prior to the acquisition of title to such unit by such purchaser. Such unpaid share of common expenses shall be a common expense of all the unit owners including such purchaser, the successors and assigns of the purchaser.

(2) In a voluntary conveyance of a unit, the grantee shall be jointly and severally liable with the grantor for all unpaid charges against the latter for the proportionate share of the grantor of the common expenses up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor. However, upon request of a prospective purchaser the manager shall make and deliver a statement of the unpaid charges against the prospective grantor, and the grantee in that case shall not be liable for, nor shall the unit when conveyed be subject to, a lien filed thereafter for any unpaid charges against the grantor in excess of the amount therein set forth. [Formerly 91.551]

94.210 [Repealed by 1971 c.478 §1]

records delivered to the association under ORS 94.091.

(2) The association of unit owners shall keep financial records sufficient for proper accounting purposes.

(3) Within 90 days after the end of the fiscal year, the board of directors shall distribute to each unit owner a copy of the annual financial statement consisting of a balance sheet and income and expense statement for the preceding fiscal year.

(4) The documents, information and records described in subsections (1) to (3) of this section and all other records of the association of unit owners shall be reasonably available for examination by a unit owner and any mortgagee of a unit. Upon the written request of an owner or mortgagee of a unit, the association shall make the documents, information and records described in subsections (1) to (3) of this section and other records available for duplication during reasonable hours. The association of unit owners shall maintain a copy, suitable for the purpose of duplication, of the following:

(a) The declaration, bylaws, association rules and regulations and any amendments or supplements thereto;

(b) The most recent annual financial statement prepared in accordance with subsection (3) of this section; and

(c) The current operating budget of the association.

(5) Upon the written request of a prospective purchaser, the association of unit owners shall make available for examination and duplication during reasonable hours the documents and information specified in subsection (4) of this section.

(6) The association of unit owners may charge a reasonable fee for furnishing copies of any documents, information or records described in this section.

(7) Subsection (3) of this section first applies to property submitted to the provisions of ORS 94.004 to 94.480 and 94.991 before January 1, 1982, when the board of directors of the association of unit owners receives a written request from at least one unit owner that a copy of the annual financial statement be distributed in accordance with subsection (3) of this section. (3) The provisions of the "Condominium and Cooperative Abuse Relief Act of 1980" (15 U.S.C. 3601), except for 15 U.S.C. 3609 and 3610, shall not apply in the State of Oregon. [Formerly 91.557]

94.240 [Repealed by 1971 c.478 §1]

94.243 Interest of units in common elements. (1) Each unit shall be entitled to an undivided interest in the common elements in the allocation expressed in the declaration. Such allocation shall be expressed as a fraction or percentage of undivided interest in the common elements. Except as otherwise provided in ORS 94.004 to 94.480 and 94.991, the allocation of undivided interest of each unit in the common elements as expressed in a declaration shall not be altered unless all unit owners having an interest in the particular common element agree thereto and record an amendment to the declaration setting forth the altered allocation of each unit having an interest.

(2) The sums of the undivided interest in the common elements shall equal one if stated as fractions or 100 percent if stated as percentages.

(3) The undivided interest in the common elements shall not be separated from the unit to which it appertains and shall be conveyed or encumbered with the unit even though such interest is not expressly mentioned or described in the conveyance or other instrument.

(4) The common elements shall remain undivided and no unit owner shall bring any action for partition or division of any part thereof, except as provided in ORS 94.004 to 94.480 and 94.991. Any covenant to the contrary is void.

(5) Notwithstanding subsections (1) and (3) of this section, except where expressly prohibited by the declaration or bylaws, the right of use of any unit in a limited common element may be transferred to any other unit. Such transfer shall occur only if the existing unit owner and all mortgagees of the unit for which the right of use of the limited common element is presently reserved and the unit owner to whom the right of use is being transferred agree to and record an amendment to the declaration setting forth the transfer.

(6) Notwithstanding subsections (1) and (3) of this section, in the case where a single unit is originally designed and constructed to be two or more separate hotel, motel or other similar living accommodations with separate bathrooms and separate entrances from a hallway, balcony, staircase or other common element, the owner, or

Such persons may divide between such separate units the allocation of the common elements assigned to the original unit on substantially the basis that the square footage of such separated units bears to the total square footage of the original unit by recording an amendment to the declaration signed by such owner, or owners, of original unit together with an amendment to any plat and floor plan of such original unit recorded pursuant to ORS 94.042 showing the division thereof into such two or more units. The amendment shall comply with ORS 94.042. Such separated parts of the original unit shall not be used for any purpose other than the purpose for which such separable parts were originally designed and constructed and thereafter have generally been used. There shall be valid easements for the maintenance of the encroaching units and common elements so long as the encroachments shall exist, and except as otherwise provided in subsection (2) of this section, the rights and obligations of owners shall not be altered in any way by the encroachment.

(2) The easement described under subsection (1) of this section does not relieve a unit owner of liability in case of wilful misconduct of a unit owner or relieve a declarant or any contractor, subcontractor or materialman of liability for failure to adhere to the plat and any floor plans recorded pursuant to ORS 94.042.

(3) The encroachments described in subsection (1) of this section shall not be construed to be encumbrances affecting the marketability of title to any unit. [1981 c.647 §31; 1983 c.309 §8d]

(1) Unless otherwise provided in the declaration, the common profits of the property shall be distributed among, and the common expenses shall be charged to, the unit owners according to the allocation of undivided interest of each unit in the common elements.

(2) No unit owner by the owner's own action may claim exemption from liability for contribution towards the common expenses by waiver by the owner of the use or enjoyment of any of the common elements or by abandonment by the owner of the owner's unit.

(3) Subject to subsection (4) of this section, from the date that the declaration is recorded, the declarant shall:

A unit based upon a declaration filed by the owner of a leasehold estate shall be assessed in the name of the unit owner and not in the name of the owner of the fee or of the leasehold estate upon which the declaration is based. Neither the building, the property nor any of the common elements shall be considered a separate parcel for purposes of taxation.

(2) In determining the true cash value of a unit with its undivided interest in the common elements, the county assessor may use the allocation of undivided interest in the common elements appertaining to a unit as expressed in the declaration. Determination of true cash value of a unit based upon a leasehold estate shall be the same as a unit in fee simple. There shall be no diminution of value by reason of the term of said lease.

(3) Exemptions from executions and real property taxes apply to the owner of each unit or to the individual units, as the case may be.

The fair market value of each unit and common element interest appertaining to such unit shall be determined by:

(a) Agreement of all of the unit owners; or

(b) An independent appraiser selected by the board of directors of the association. The decision

of the appraiser shall be distributed to the unit owners and shall become final unless within 15 days after the distribution, the board of directors receives written objection from at least 25 percent of the unit owners. In such event, a new appraiser shall be selected by the presiding judge of the circuit court for the county in which the property is located. Such appraiser's decision shall be final.

(2) All costs and expenses incurred under subsection (1) of this section shall be common expenses.

(1) Before the unit sales agreement is fully executed by all parties, the developer shall deliver to the purchaser a copy of the declaration and bylaws of the condominium and any supplements and amendments thereto affecting the unit.

(2) When the unit sales agreement is fully executed by all parties, the developer shall deliver to the purchaser a copy of the fully executed agreement which contains the "Notice to Purchaser" required by ORS 94.424.

(3) The developer shall deliver to the purchaser prior to the conveyance of the unit by deed, lease or contract any ground leases, leases with the association for recreation or parking facilities and escrow instructions applying to the transaction.

(4) The developer shall take a receipt from the purchaser upon the delivery of the documents referred to in subsection (1) of this section, and such receipts shall be kept on file within this state by the developer or the agent of the developer

subject to inspection by the commissioner for a period of three years from the date the receipt is taken. [Formerly 91.634]

94.410 [Repealed by 1971 c 478 §1]

94.412 Cancellation of sale of unit; notice to seller; return of payments and reconveyance; extinguishment of encumbrances; waiver prohibited; disclaimer of notice; applicability. (1) A purchaser of a condominium unit may cancel for any reason the sale of a condominium unit or any contract, agreement or evidence of indebtedness associated with the sale of the condominium unit, within five business days (excluding Saturdays and holidays) after the date on which the latest of the following events occurs:

(a) The signing by the purchaser of the unit sales agreement;

(b) The signing by the purchaser of the receipt required under ORS 94.384 (2) upon the delivery of the public report, if any; or

(c) The signing by the purchaser of the receipt required under ORS 94.406 (4) upon delivery of a copy of the documents specified in ORS 94.406 (1).

(2) Cancellation, under subsection (1) of this section, occurs when the purchaser of an interest gives written notice to the developer at the developer's address stated in the notice to purchaser required under ORS 94.424 (1).

(3) A notice of cancellation given by a purchaser of a condominium unit need not take a particular form and is sufficient if it indicates by any form of written expression the intention of the purchaser not to be bound by the contract or evidence of indebtedness.

(4) Notice of cancellation, if given by mail, shall be given by certified mail, return receipt requested, and is effective on the date that such notice is deposited with the United States Postal Service, properly addressed and postage prepaid.

(5) Upon receipt of a timely notice of cancellation, the developer shall immediately return to the purchaser all payments received from the purchaser. In case of payments made by check, the developer shall not be required to return the payment to a purchaser until the check is finally paid as provided in ORS 74.2130. Upon return of all such payments the purchaser shall immediately transfer rights in the interest to the developer, not subject to any encumbrance created or suffered by the purchaser. In the case of cancellation by a purchaser of any evidence of indebtedness, the purchaser shall return the purchaser's copy of the executed evidence of indebtedness to

the developer, and the developer shall cancel the evidence of indebtedness. Any encumbrances against the purchaser's interest in the unit arising by operation of law from an obligation of the purchaser existing prior to transfer of the interest to the purchaser shall be extinguished by the reconveyance.

(6) Except as otherwise provided in ORS 94.418, no act of a purchaser shall be effective to waive the right of cancellation granted by subsection (1) of this section. A developer may require that a purchaser of a condominium unit execute and deliver to the developer, after the expiration of the cancellation period, a signed statement disclaiming any notice of cancellation that may have been made by the purchaser prior to expiration of the cancellation period granted under subsection (1) of this section and that may have been timely and properly done under this section whether or not the statement has been received by the developer. In case of execution of any such statement by the purchaser, the statement shall be sufficient to rescind the notice of cancellation.

(7) A purchaser's right to cancel under subsection (1) of this section terminates at the time of the closing of the unit purchase transaction.

(8) This section shall not apply to the sale of a unit in a condominium used or intended to be used solely for commercial or industrial purposes or to the sale of a condominium unit conducted by public auction. [Formerly 91 637]

The waiver shall be in writing and dated and shall include a notice that by signing such statement the purchaser waives only the right of cancellation granted under ORS 94.412 (1) and no other right.

(2) No provision which obligates a purchaser to waive or limit the right of cancellation granted under ORS 94.412 (1) shall be included in the unit sales agreement or any other agreement associated with the sale. [1981 c.647 §24]

It shall be unlawful for any developer or agent of a developer, who with intent, directly or indirectly, to sell a condominium unit, to authorize, use, direct or aid in the publication, distribution or circularization of any advertisement, radio broadcast or telecast concerning the condominium, which contains any statement, pictorial representation or sketch which is false or misleading. (9) "Planned community" means any subdivision under ORS 92.010 to 92.190 which results in a pattern of ownership of real property and all the buildings, improvements and rights located on or belonging to the real property, in which:

(a) There is a homeowners association responsible for the maintenance, operation, insurance and property taxes relating to any common property of the planned community or for the exterior maintenance of any property that is individually owned; and

(b) Owners of individual lots, by virtue of their ownership, automatically are members of the homeowners association and assume liability for membership fees.

(10) "Purchaser" means any person other than a declarant who, by means of a voluntary transfer, acquires a legal or equitable interest in a lot, other than as security for an obligation.

(11) "Purchaser for resale" means any person who purchases from the declarant more than two lots for the purpose of resale whether or not the purchaser for resale makes improvements to the lots before reselling them.

(12) "Special declarant rights" means any rights, in addition to the rights of the declarant as a lot owner, reserved for the benefit of the declarant under the declaration or ORS 94.550 to 94.783, including but not limited to:

(b) Expanding the planned community or withdrawing property from the planned community under ORS 94.580 (3) and (4);

(15) "Votes" means the votes allocated to lots in the declaration under ORS 94.580 (2)(g). [1981 c.782 §3]

94.560 Legislative findings. The Legislative Assembly finds that:

(1) In the State of Oregon there are hundreds of homeowners associations to which the Oregon Condominium Law (ORS 94.004 to 94.480 and 94.991) does not apply.

(2) These homeowners associations have established a pattern of ownership in which ownership of a single unit makes the owner automatically a member of a homeowners association with responsibilities for management and maintenance.

(3) Many of these homeowners associations as associations and their members as individuals have experienced problems from the lack of statutory provisions. These problems which have arisen are usually the result of inexperience with this kind of ownership. This inexperience often leads to difficulties for the association when it assumes responsibility for the administration of the planned development because usually neither

the developer who drafted the documents nor the local jurisdiction which may have reviewed them has realized the long term management implications of the restrictions imposed by the documents. The most serious and frequent error is imposing excessive voting requirements for any changes in the documents, a basic error that makes it and other errors unnecessarily difficult, if not impossible, to correct. Of almost equal importance is the lack of disclosure of significant differences this pattern of ownership imposes on the homeowner and the restrictions on choice that must be accepted.

(4) Oregon land conservation policies and the increasing cost of land will result in rapid growth of this kind of home ownership pattern.

(5) It is a matter of state-wide concern that the Legislative Assembly address problems associated with homeowners associations in order to make this kind of home ownership pattern an acceptable choice and in order to assure proper maintenance of the projects so that the investment of the owners and the appearance of Oregon communities are protected.

(6) It is essential that the Legislative Assembly establish basic statutory requirements for disclosure to first and subsequent buyers, for the organization of the homeowners association, and for a process by which administrative responsibility for the planned community is transferred from the developer to the association of individual owners.

(7) ORS 94.550 to 94.783 are intended to make developers, their legal counsel and homeowners in Oregon homeowners associations the beneficiaries of experience accumulated under Oregon's condominium law and gathered from members of existing Oregon homeowners associations and associations in parts of the country where the record of experience is longer than that in Oregon. [1981 c 782 §3a]

(Creation of Planned Community)

94.565 Planned community to be created under ORS 94.550 to 94.783; exception; sale of lot or unit prohibited until declaration filed. (1) Except as provided in ORS 94.570, no person shall create a planned community in this state except as provided in ORS 94.550 to 94.783.

(2) No person shall sell any lot or unit in a planned community until the declaration for the planned community is recorded with the county recording officer of each county in which the planned community is located. [1981 c.782 §5]

94.570 Applicability of ORS 94.550 to 94.783. (1) ORS 94.550 to 94.783 do not apply to any person establishing:

(a) A planned community that contains 20 or fewer lots, if the declarant has reserved no right to increase the total number of lots in the planned community beyond 20;

(b) A condominium under ORS 94.004 to 94.480 and 94.991;

(c) A planned community that is exclusively commercial or industrial, or commercial and industrial;

(d) A de minimus planned community described in subsection (2) of this section; or

(e) A timeshare plan under ORS 94.803 and 94.807 to 94.945.

(2) A de minimus planned community is one:

(a) That is defined or accepted as such by any of the agencies listed in ORS 94.585; or

(b) For which the estimated total annual assessment against all lots in the planned community for maintenance and for the reserves required under ORS 94.595 does not exceed the greater of two percent of the estimated value of all lots against which the assessment will be levied or the product of \$360 multiplied by the total number of lots in the planned community. For purposes of this paragraph, the estimated value includes the sewers, water systems and streets but not any structures. The assessment estimate under this paragraph:

(A) Shall include current costs for any services which the declarant will be providing at less than cost during the period the declarant is marketing the lots and which the association will have to provide at cost after the declarant no longer performs these services. Current costs shall be based on competitive current rates for alternative professional services for such items as landscape and pool maintenance.

(B) Shall include maintenance and reserve account estimates based on figures obtained from the department of the city, county or district which would normally perform or contract for services which instead are provided by the planned community.

(C) Shall be conclusively presumed to have been made in good faith if one year after the declarant no longer provides any services at less than cost, the total assessment for maintenance and reserves does not exceed three percent of the current assessed value of these lots not including structures on the lots.

(3) Notwithstanding paragraph (a) of subsection (1) of this section, ORS 94.550 to 94.783 apply to a planned community with 20 or fewer units if the declarant so provides in the declaration of the planned community.

(4) Nothing in this section prohibits the establishment of a condominium subject to ORS 94.004 to 94.480 and 94.991 within a planned community. [1981 c 782 §6, 1983 c.530 §52; 1985 c.76 §3]

94.575 Applicability of subdivision law. ORS 92.010 to 92.170 apply to a planned community established under ORS 94.550 to 94.783. [1981 c 782 §4]

(p) A statement of the circumstances under which the individual owners will assume control of the homeowners association as provided under ORS 94.609. These circumstances may be established by a percentage of votes, a stated number of years or the occurrence of a stipulated event;

(D) The requirement of review of any plans of any structure to be placed on the common property or a lot.

must be approved by the association. [1981 c.782 §19]

94.590 Amendment by association of declaration and plat. (1) Except as provided in ORS 94.580, the homeowners association may amend the declaration and the plat only by vote or agreement of the owners representing 75 percent of the total votes in the planned community or any larger percentage specified in the declaration. In no event shall an amendment under this section create, limit or diminish any special declarant rights, increase the number of lots or units or change the boundaries of any lot or any uses to which any lot or unit is restricted unless the owners of the affected lots unanimously consent to the amendment. The declaration may provide that a percentage less than 75 percent of the votes of the planned community is required to amend the declaration for amendments relating to age restrictions, pet restrictions, limitations on the number of persons who may occupy units or limitations on the rental or leasing of units.

(2) When the association adopts an amendment to the declaration, the association shall record the amendment in the same place as the declaration. An amendment of the declaration is effective only upon recordation.

(3) Amendments to a declaration under this section shall be executed, recorded and certified on behalf of the association by any officer of the homeowners association designated for that purpose or, in the absence of designation, by the president of the board of directors of the association.

(4) A person may not bring an action to challenge the validity of an amendment adopted pursuant to this section and ORS 94.580 later than one year after the date on which the amendment is recorded. However, nothing in this subsection prevents the association from further amending an amended declaration or plat. [1981 c.782 §21]

94.595 Reserve account for replacing common property. (1) The declarant shall establish a reserve account for replacement of all items of common property which will normally require replacement, in whole or in part, in more than three and less than 30 years. The items may be identified in the reserve account as those which are insurable by a common carrier of all purpose risk insurance.

(2) A reserve account established under this section shall be funded by assessments against the individual lots for maintenance of items for which the reserves are established. The assessments under this subsection begin accruing from

the date the first lot assessed is conveyed. These assessments may be shown as a separate item in the sales contract. The declarant may defer payment of the accrued assessment for a lot under this subsection until the date the lot is conveyed.

(3) The amounts assessed shall take into account the estimated remaining life of the items for which the reserve is created and the current replacement cost of those items.

(4) The reserve account shall be established in the name of the homeowners association. The association is responsible for administering the account and for making periodic payments into it. The association shall adjust the amount of the payments at regular intervals to reflect changes in current replacement costs over time.

(5) The account may be used only for replacement of common property and is to be kept separate from assessments for maintenance. However, after the individual lot owners have assumed responsibility for administration of the planned community, the board of directors may borrow funds from the reserve account to meet high seasonal demands on the regular operating funds or to meet other temporary expenses. Funds borrowed to meet temporary expenses under this subsection must be repaid later from special assessments or maintenance fees.

(6) Nothing in this section prohibits prudent investment of reserve account funds subject to any constraints imposed by the declaration, bylaws or rules of the association.

(7) Following the second year after the association has assumed administrative responsibility for the planned community under ORS 94.616, if owners of lots representing 75 percent of the votes of the planned community agree to the action, they may vote to increase, reduce or eliminate future assessments for the account.

(8) Assessments paid into the reserve account are the property of the association and are not refundable to sellers or owners of lots. The sellers or owners of lots may treat their outstanding share of the reserve account as a separate item in the sales contract. [1981 c.782 §15]

(Declarant Control; Turnover of Administrative Control)

94.600 Declarant control of association. Subject to ORS 94.604 to 94.621, a declaration of a planned community may provide for a period of control of the association by the declarant. Such control may include, but need not be limited to, allowing the declarant to allocate a greater number of votes to lots owned by the

declarant, to appoint or remove members of the board of directors of the association or to approve an amendment to the declaration or bylaws after turnover. [1981 c.782 §11]

94.604 Transitional advisory committee. (1) As provided in this section, the declarant or the owners of a planned community shall form a transitional advisory committee to provide for the transition from administrative responsibility by the declarant of the planned community under ORS 94.600 to administrative responsibility by the association. Not later than the 60th day after the declarant has conveyed the lots representing 50 percent of the votes in a planned community, the declarant shall call a meeting of owners for the purpose of selecting a transitional advisory committee. The committee shall consist of three or more members. The owners, other than the declarant, shall select two or more members. The declarant may select no more than one member. The committee shall have reasonable access to all information and documents which the declarant is required to turn over to the association under ORS 94.616.

(2) An owner may call a meeting of owners to select the transitional advisory committee if the declarant fails to do so under subsection (1) of this section.

(3) Notwithstanding subsection (1) of this section, if the owners do not select members for the committee under subsection (1) of this section, the declarant shall have no further obligation to form the committee.

(4) The requirement for a transitional advisory committee shall not apply once the turnover meeting called under ORS 94.609 has been held. [1981 c.782 §64]

94.605 [Amended by 1965 c 619 §31; repealed by 1971 c 478 §1]

94.609 Notice of meeting to turn over administrative responsibility. (1) At the time specified in the declaration, but not later than 120 days after lots representing 75 percent of the votes have been conveyed, the declarant shall call a meeting for the purpose of turning over administrative responsibility for the planned community to the homeowners association.

(2) The declarant shall give notice of the meeting to each owner as provided in the bylaws.

(3) If the declarant does not call a meeting under this section within the required time, the transitional advisory committee formed under ORS 94.604 or any owner may call a meeting and give notice as required in this section. [1981 c.782 §65]

(4) In order to facilitate an orderly transition, during the three-month period following the turnover meeting, the declarant or an informed representative shall be available to meet with the board of directors on at least three mutually acceptable dates to review the documents delivered under subsection (3) of this section. [1981 c.782 §67; 1983 c.206 §3]

94.620 [Repealed by 1971 c.478 §1]

94.621 Rights of declarant following turnover meeting. If a declarant has not completed development of lots or common property in a planned community at the time of the meeting called under ORS 94.609, the declarant may continue to hold the special declarant rights reserved under the declaration. A declarant may not amend the declaration to increase the scope of the rights of the declarant as originally reserved in the declaration filed before the conveyance of the first lot unless all owners consent to the amendment. [1981 c.782 §68]

(Homeowners Association; Management of Planned Community)

94.625 Formation of homeowners association; adoption of initial bylaws. Not later than the date on which the first lot in the planned community is conveyed, the declarant shall form a corporation or unincorporated association and shall adopt the initial bylaws under ORS 94.635. The bylaws may be recorded in the office of the recording officer in each county in which the planned community is located. Failure to comply with this section shall not invalidate a conveyance from the declarant to an owner. [1981 c.782 §35]

(2) Notwithstanding subsection (1) of this section, a declaration may not impose any limitation on the ability of the association to deal with a declarant that is more restrictive than the limitations imposed on the ability of the association to deal with any other person, except during the period of declarant control under ORS 94.600. [1981 c.782 §36]

94.635 Association bylaws. The bylaws of an association adopted under ORS 94.625, or amended or adopted under ORS 94.630, shall provide for the following:

(1) The organization of the association of owners in accordance with ORS 94.625 and 94.630, including when the initial meeting shall be held and the method of calling that meeting.

(2) The formation of a transitional advisory committee in accordance with ORS 94.604.

(17) Any other details regarding the planned community that the declarant or the association consider desirable. However, if a provision required to be in the declaration under ORS 94.580 is included in the bylaws, the voting requirements for amending the declaration shall govern the amendment of that provision of the bylaws. [1981 c 782 §37]

94.640 Association board of directors; powers and duties; removal of member; meetings. (1) The board of directors of an association may act on behalf of the association except as limited by the declaration, the bylaws

and subsection (2) of this section. In the performance of their duties, officers and members of the board of directors shall exercise the care required of fiduciaries.

(2) The board of directors may not act on behalf of the association to amend the declaration, terminate the planned community, elect members of the board of directors or determine the qualifications, powers, duties or terms of office of members of the board of directors. However, the board of directors may fill vacancies in its membership for the unexpired portion of any term.

(3) At least once every two years, the board of directors of an association shall review the insurance coverage of the association.

(4) The board of directors of the association annually shall cause to be filed the necessary income tax returns for the association.

(5) Notwithstanding any contrary provision of the declaration or bylaws the owners may remove any member of the board of directors, other than members appointed by the declarant or persons who are ex officio directors, with or without cause, by a majority vote of all owners present and entitled to vote at any meeting of the owners at which a quorum is present. No removal of a director is effective unless the matter of removal is an item on the agenda and stated in the notice for the meeting required under ORS 94.650.

(6) All meetings of the board of directors of the association shall be open to owners.

(7) In a planned community in which the majority of the lots are the principal residences of the occupants, meetings shall be called as follows:

(a) For other than emergency meetings, notice of board of directors' meetings shall be posted at a place or places on the property at least three days prior to the meeting or notice shall be provided by a method otherwise reasonably calculated to inform lot owners of such meetings;

(b) Emergency meetings may be held without notice, if the reason for the emergency is stated in the minutes of the meeting; and

(c) Only emergency meetings of the board of directors may be conducted by telephonic communication.

(8) The board of directors, in the name of the association, shall maintain a current mailing address of the association. [1981 c.782 §38; 1983 c.206 §4]

94.645 Adoption of annual budget. Unless otherwise provided in the bylaws, the

board of directors annually shall adopt a budget for the planned community as provided in this section. Within 30 days after adopting a proposed annual budget for the planned community, the board of directors shall provide a summary of the budget to all owners. If the board of directors is petitioned by owners representing 20 percent of the votes of the planned community, the board shall call a meeting of the owners to consider rejection of the budget. The date of the meeting shall be not less than 14 or more than 30 days after the summary is provided to the owners. At the meeting, whether or not a quorum is present, the budget shall be adopted unless a majority of the votes of the planned community or any larger vote specified in the bylaws rejects the budget. If the proposed annual budget is rejected, the last annual budget shall continue in effect until the owners approve a subsequent budget. [1981 c.782 §39]

94.650 Annual meeting of lot owners; notice. (1) The homeowners association shall hold at least one meeting of the owners each calendar year. Special meetings of the association may be called by the president of the board of directors, a majority of the board of directors or a percentage of owners specified in the bylaws of the association. However, the bylaws may not require a percentage greater than 50 percent or less than 10 percent of the votes of the planned community for the purpose of calling a meeting.

(2) Not less than 10 or more than 50 days before any meeting called under this section, the secretary or other officer specified in the bylaws shall cause notice to be hand delivered or mailed to the mailing address of each lot or to the mailing address designated in writing by the owner, and to all mortgagees that have requested such notice. Mortgagees may designate a representative to attend a meeting called under this section. An owner may not revoke a proxy given pursuant to this section except by actual notice of revocation to the person presiding over a meeting of the association. A proxy shall not be valid if it is undated or purports to be revocable without notice. A proxy shall terminate one year after its date unless the proxy specifies a shorter term. [1981 c.782 §42]

94.665 Authority of association to sell or transfer common property. (1) Except as otherwise provided in the declaration, a homeowners association may sell, convey or subject to a security interest any portion of the common property if 80 percent or more of the votes in the homeowners association, including 80 percent of the votes of lots not owned by a declarant at the time of the vote, are cast in favor of that action. The association shall treat proceeds of any sale under this section as an asset of the association. This section does not apply to the granting of easements for public utilities or for other public purposes consistent with the intended use of such common property by the planned community.

(2) A sale, transfer or encumbrance of the common property or any portion of the common property made pursuant to a right reserved in the declaration under this section may provide that the common property be released from any restriction imposed on the common property by the declaration. However, a sale, transfer or encumbrance may not deprive any lot of its right of access or support without the consent of the owner of the lot. [1981 c.782 §47]

94.670 Association duty to keep documents and records; examination by owner.

(1) A homeowners association shall retain the documents, information and records delivered to the association under ORS 94.616.

(2) The association shall keep financial records sufficiently detailed for proper accounting purposes. Within 90 days after the end of the fiscal year, the board of directors shall distribute to each owner and, upon written request, any mortgagee of a lot, a copy of the annual financial statement consisting of a balance sheet and income and expenses statement for the preceding fiscal year.

(3) The association shall make the documents, information and records described in subsections (1) and (2) of this section and all other records of the association reasonably available for examination by an owner and any mortgagee of a lot. Upon the written request of an owner or mortgagee of a lot, the association shall make available during reasonable hours all such records

for duplication. The association shall maintain a copy, suitable for the purpose of duplication, of the following:

(a) The declaration, bylaws, association rules and regulations and any amendments or supplements to them.

(b) The most recent financial statement prepared pursuant to subsection (1) of this section.

(c) The current operating budget of the association.

(4) The association, within 14 days after receiving a written request from an owner, the declarant or a prospective purchaser, shall furnish a copy of the Statement of Planned Community Information prepared in accordance with ORS 94.750.

(5) Upon written request of a prospective purchaser, the association shall make available for examination and duplication during reasonable hours the documents and information specified in paragraphs (a), (b) and (c) of subsection (3) of this section.

(6) The association may charge a reasonable fee for furnishing copies of any documents, information or records described in this section. [1981 c.782 §48]

94.673 When compliance with ORS 94.640 and 94.670 required. (1) The homeowners association of a subdivision that received preliminary plat approval before July 1, 1982, shall comply with the provisions of ORS 94.640 (1), (3), (4), (6), (7), (8) and 94.670 if:

(a) An owner submits a written request to the homeowners association to comply with the provisions;

(b) The subdivision otherwise conforms to the description of a planned community under ORS 94.550; and

(c) The subdivision is not otherwise exempted under ORS 94.570.

(2) A homeowners association board of directors is not subject to ORS 94.780 unless the association fails to comply with subsection (1) of this section after receiving a written request from an owner. [1983 c.206 §6]

94.675 Insurance for common property. (1) The board of directors of an association shall obtain:

(a) Insurance for all insurable improvements in the common property against loss or damage by fire or other hazards, including extended coverage, vandalism and malicious mischief. The insurance shall cover the full replacement costs of any repair or reconstruction in the event of

damage or destruction from any such hazard if the insurance is available at reasonable cost; and

(b) A public liability policy covering all common property and all damage or injury caused by the negligence of the association.

(2) Premiums for insurance obtained under this section shall be a common expense of the association. The policy may contain a reasonable deductible and the amount thereof shall be added to the face amount of the policy in determining whether the insurance equals at least the full replacement cost. [1981 c.782 §51]

94.677 Election to have ORS 94.645, 94.655 and 94.675 apply. Unless contrary to the covenants, conditions or restrictions of a recorded declaration or other similar instrument, or the bylaws of the association adopted in accordance with documents governing the association, the homeowners association board of directors of a subdivision described in ORS 94.673 (1) may elect to be governed by ORS 94.645, 94.655 and 94.675, without further action by the association. [1983 c.206 §7]

94.680 Blanket all-risk insurance. (1) If a declaration provides that the homeowners association has the sole authority to decide whether to repair or reconstruct a unit that has suffered damage or whether a unit must be repaired or reconstructed, the board of directors may obtain blanket all-risk insurance for the full replacement cost of all structures in the planned community. Cost of the coverage shall be a common expense to the association.

(2) If the declaration contains a provision described in subsection (1) of this section, the declaration also shall provide:

(a) Requirements of or limitations on repairing or reconstructing damaged or destroyed property;

(b) The time within which the repair or reconstruction must begin; and

(c) The actions the board of directors must take if:

(A) Damage or destruction is not repaired or replaced; or

(B) Insurance proceeds exceed or fall short of the costs of repair or reconstruction. [1981 c.782 §52]

94.685 Specification of insurance for individual lots. Unless provided in the declaration, the bylaws shall specify:

(1) The insurance an owner must obtain;

(2) The insurance an individual owner is precluded from obtaining; and

(3) Whether or not the insurance coverage obtained and maintained by the board of directors may be brought into contribution with insurance bought by owners or their mortgagees. [1981 c.782 §54]

94.690 Terms of insurance under ORS 94.680. The board of directors of a homeowners association shall obtain, if reasonably available, terms in insurance policies under ORS 94.680 which provide:

(1) A waiver of subrogation by the insurer as to any claims against the board of directors of the association, any owner or any guest of an owner;

(2) A waiver by the insurer of its right to repair and reconstruct instead of paying cash;

(3) That no policy may be canceled, invalidated or suspended because of any action of an owner;

(4) That no policy may be canceled, invalidated or suspended because of the conduct of any director, officer or employe of the association unless the insurer gives the association a prior written demand that the association correct the defect and allows the association a reasonable time to make the correction; and

(5) That any "other insurance" clause in any policy shall exclude from its coverage all owners' policies. [1981 c.782 §56]

94.695 Authority to delegate association powers to master association. A declaration for a planned community may delegate any of the powers of the homeowners association under ORS 94.630 to a master association or provide that the master association may exercise any such power. [1981 c.782 §62]

94.700 Duration and termination of initial management agreements and service and employment contracts. (1) If entered into prior to the meeting called under ORS 94.609, no management agreement, service contract or employment contract which is directly made by or on behalf of the association, the board of directors or the owners as a group shall be in excess of three years.

(2) Any contract or agreement subject to subsection (1) of this section and entered into after July 1, 1982, may terminate without penalty to the declarant, the association or the board of directors elected under ORS 94.616 if the board of directors gives not less than 30 days written notice of termination to the other party not later than 60 days after the meeting called under ORS 94.609. [1981 c.782 §69]

(Assessments and Liens Against Lots; Easements)

94.704 Assessment and payment of common expenses. (1) The declarant of a

planned community shall pay all common expenses of the planned community until the individual lots are assessed for common expenses.

(2) Except for assessments under subsections (3), (4) and (5) of this section, the board of directors shall assess all common expenses against all the lots according to the allocations stated in the declaration. Any common expense assessment or any instalment of the assessment past due shall bear interest at the rate established by resolution of the board of directors. Nothing in this section prohibits the board from making compromises on overdue assessments if the compromise benefits the association.

(3) Any common expense or any part of a common expense benefiting fewer than all of the lots may be assessed exclusively against the units benefited.

(4) Assessments to pay a judgment against the association may be made only against the lots existing in the planned community at the time the judgment was entered and only in proportion to their common expense liabilities.

(5) If any common expense is clearly the fault of any owner, the homeowners association may assess the expense exclusively against the lot of the owner.

(6) If the homeowners association reallocates common expense liabilities, any common expense assessment and any instalment of the assessment not yet due shall be recalculated according to the reallocated common expense liabilities. [1981 c.782 §43]

94.705 [Repealed by 1971 c.478 §1]

94.709 Liens against lots; priority; duration; statement of unpaid assessments; action in lieu of lien foreclosure. (1) As provided in this section, the homeowners association of a planned community has a lien on a lot for any assessment levied against the lot or any fines imposed under the declaration or bylaws against the owner of the lot from the date on which the assessment or fine is due. The provisions regarding the attachment, notice, recordation and duration of liens established on real property under ORS 87.352 to 87.382 and provisions regarding the foreclosure of liens under ORS chapter 88 apply to a lien created under this section. Unless the declaration otherwise provides, the homeowners association may enforce as assessments under this section any fees, charges, late charges or interest charged under ORS 94.630 (1)(j), (k) and (L). If an assessment is

payable in instalments, the full amount of the assessment is a lien from the date the first instalment of the assessment becomes due.

(2) A lien created under subsection (1) of this section is prior to a homestead exemption and all other liens and encumbrances on a lot, except:

(a) A first mortgage or trust deed of record;

(b) A lien for real estate taxes and other governmental assessments or charges; and

(c) Liens and encumbrances recorded before the recordation of the declaration.

(3) Unless the declaration provides otherwise, if two or more associations have liens for assessments created at any time on the same real estate, the liens have equal priority.

(4) A lien created under subsection (1) of this section is extinguished unless proceedings to enforce the lien are instituted within three years after the full amount of the assessments becomes due.

(5) This section does not prohibit an association from pursuing an action to recover sums for which subsection (1) of this section creates a lien or from taking a deed in lieu of foreclosure in satisfaction of the lien.

(6) The homeowners association shall furnish to an owner upon the owner's written request, a recordable statement of the amount of unpaid assessments against the lot. The association shall furnish the statement within 10 business days after receiving the request. The statement is binding on the association, the board of directors and every owner as to the amounts of the unpaid assessments.

[1983 c.530 §28]

94.843 Limits on developer right to transfer. (1) A developer may not transfer the developer's interest in accommodations or facilities of a timeshare plan unless the transferee, as to each owner whose interest is involved in the transfer, agrees to:

(c) The developer for the total assessment if the developer agrees to pay all common expenses of the timeshare plan under the provisions of the timeshare instrument.

(3) Unless otherwise specified in the timeshare instrument, past due assessments shall bear interest at the legal rate. [1983 c.530 §11]

94.855 [Repealed by 1971 c.478 §1]

94.856 Assessment of common expenses as lien; recording; foreclosure; fees; remedies; exception.

(1) Whenever a managing entity levies an assessment for common expenses against a timeshare estate, the managing entity, upon complying with subsection (2) of this section, shall have a lien upon the timeshare estate for the reasonable value of the expenses, for any unpaid assessment and interest as provided in paragraph (b) of subsection (2) of this section and for any late charges, fines and costs of collection, including but not limited to attorney fees and court costs. The lien shall be prior to any other lien or encumbrance upon the timeshare estate except:

(a) Blanket encumbrances of record;

(b) Tax and assessment liens; and

(c) A purchase money mortgage of record, a purchase money trust deed of record or a purchase agreement of record.

(2)(a) A managing entity claiming a lien under subsection (1) of this section shall record in the county in which the timeshare estate or some part thereof is located a claim containing:

(A) A true statement of the account due for common expenses after deducting all just credits and offsets;

(B) The name of the owner of the timeshare estate, or reputed owner, if known; and

(C) The designation of the timeshare estate, sufficient for identification.

(b) If a claim is filed and recorded under this section and the owner of the timeshare estate subject to the claim thereafter fails to pay any assessment chargeable to the timeshare estate, then so long as the original or any subsequent unpaid assessment remains unpaid the claim shall automatically accumulate the subsequent unpaid assessment and interest thereon without the necessity of further filings under this section.

(3) The claim shall be verified by the oath of a person having knowledge of the facts and shall be filed with and recorded by the recording officer in the book kept for the purpose of recording liens filed under ORS 87.035. The record shall be indexed in the same manner that a deed or other conveyance is required by ORS 93.630 to be indexed.

(4) The proceeding to foreclose a lien created by this section shall conform as nearly as possible to the proceeding to foreclose a lien created by ORS 87.010, except that notwithstanding ORS 87.055, a lien may be continued in force for a period of time not to exceed six years from the date the claim is filed under subsection (3) of this section. For the purpose of determining the date the claim is filed in those cases where subsequent unpaid assessments have accumulated under the claim as provided in paragraph (b) of subsection (2) of this section, the claim regarding each unpaid assessment shall be considered to have been filed at the time the unpaid assessment became due. The lien may be enforced by the managing entity. An action to recover a money judgment for unpaid common expenses may be maintained without foreclosing or waiving the lien securing the claim for common expenses.

(5) Unless the timeshare instrument provides otherwise, a fee, late charge, fine and interest imposed under ORS 94.858 (4)(i) is enforceable as an assessment under this section.

(6) In addition to seeking a money judgment for the unpaid assessment if the timeshare plan conveys only a timeshare license, the managing entity may bring an action for breach of contract.

(7) A construction lien under ORS 87.001 to 87.093 for labor performed or materials furnished to timeshare property, if properly incurred by the association or managing entity for the benefit of all timeshare owners with interests in the timeshare property shall, if effective, attach to each timeshare with interests in the timeshare prop-

erty. The owner of a timeshare subject to the lien shall have the right to have the timeshare released from the lien by payment of the amount of the lien attributable to the timeshare. The amount of the lien attributable to the timeshare and the payment required to satisfy the lien, in the absence of agreement, shall be determined by application of the allocation of common expenses established in the timeshare instrument.

(8) Except as provided in subsection (7) of this section, a construction lien under ORS 87.001 to 87.093 for labor performed or materials furnished to a unit shall not be filed against the timeshare of any timeshare owner who did not expressly consent to or request the labor or materials. Consent shall be considered given under this subsection by the owner of a timeshare in the case of emergency repairs to the timeshare property done with the consent or at the request of the managing entity. [1983 c.530 §12]

94.858 Owners' association; powers and duties. (2) Membership in the association shall be limited to timeshare owners.

(3) The affairs of the association shall be governed by a board of directors or other governing body as provided for in the bylaws adopted under the applicable incorporation requirements.

(4) Subject to the provisions of the timeshare instrument and bylaws, the association may:

- (j) Provide for the indemnification of the association's officers and governing board and maintain adequate liability insurance for the association's officers and governing board;
- (k) Exercise any other power conferred by a timeshare instrument or bylaws; and
- (L) Exercise any other power determined by the association to be necessary and proper for the governance and operation of the association.

(5) If an association of timeshare owners is formed under this section, the public report issued for the timeshare plan under ORS 94.828 (1), (2) and (4) shall include a disclosure of the powers of the association and the manner in which the association will be governed. [1983 c.530 §13]

- (b) The rights of the timeshare owners under the timeshare instrument will be substantially impaired if a trustee is not appointed; and

(1) All funds, negotiable instruments, purchase money agreements and credit card authorizations and proceeds thereof received in this state by a developer from or on behalf of a purchaser or prospective purchaser in connection with the purchase or reservation of a timeshare must be placed in an escrow account with an

escrow agent authorized under ORS 94.881 or the trustee of a lien payment trust established under ORS 94.890.

(7) As used in this section "reservation agreement" means an agreement relating to the future sale of a timeshare that is not binding on the purchaser which grants the purchaser the right to cancel the agreement for any reason without penalty and to obtain a refund of any funds deposited at any time until the purchaser executes a timeshare sales agreement. (d) All requirements of an alternative arrangement approved by the commissioner under ORS 94.900 are satisfied.

in that state and the out-of-state escrow agent is approved by the commissioner. [1983 c.530 §37]

(Lien Payment)

94.885 Rights of lienholder. (1) When a nondisturbance agreement has been executed by the lienholder and recorded, the lienholder, its successors and anyone who acquires the property through foreclosure, by deed, assignment or transfer in lieu of foreclosure, shall take the property subject to the rights of the owners under the timeshare plan.

(2) When a notice of timeshare plan is recorded, any claim by the developer's creditors and any claim upon or by a successor to the interest of the titleholder who executed the notice shall be subordinate to the interest of the timeshare owners if the sale is closed after the notice is recorded. The recording of notice shall not affect:

(a) The rights or lien of a lienholder whose lien was recorded before the notice of timeshare plan;

(b) The rights of a person holding an option in the timeshare property if the option was recorded before the notice of timeshare plan; and

(c) The rights or lien of a lienholder having a recorded purchase money mortgage, recorded purchase money trust deed or recorded purchase agreement on the timeshare.

(3) As used in ORS 94.873, 94.876 and 94.885 to 94.905:

(a) "Nondisturbance agreement" means an instrument by which the holder of a blanket encumbrance agrees that the holder's rights in the timeshare property shall be subordinate to the rights of any timeshare owner. Every nondisturbance agreement shall contain a covenant by the lienholder that the lienholder, its successors, and anyone who acquires the timeshare property through the blanket lien shall not use, or cause or permit the property to be used in a manner that prevents a timeshare owner from using the timeshare property in the manner contemplated by the timeshare plan. The lienholder's agreement not to disturb an owner may require as a continuing condition that the owner perform all obligations and make all payments due under any purchase money agreement for the owner's timeshare and, if the timeshare is held as a leasehold, under the lease for the owner's timeshare.

(b) "Notice of timeshare plan" means an instrument executed by the holder of the legal and equitable title to the fee or long-term leasehold interest in a timeshare property which pro-

vides notice of the existence of the timeshare plan and of the rights of timeshare owners. The notice of timeshare plan must identify the timeshare period for each timeshare. For a timeshare property located wholly within this state, recording of the timeshare instrument for the property under ORS 94.818 shall be considered the recording of a notice of timeshare plan for the property. If the timeshare property is located outside the state, the notice may be contained in a declaration of covenants, conditions and restrictions that provides that as a matter of covenant, the notice shall have the effects described in subsection (2) of this section. The notice must be prepared to constitute a covenant running with an equitable servitude upon the timeshare property for the duration of the timeshare plan and to have the effects described in subsection (2) of this section.

(4) If the developer proposes use of a non-disturbance agreement, the public report issued for the timeshare plan under ORS 94.828 (1), (2) and (4) shall include disclosure of the nature and limitations of nondisturbance agreements, the nature and amount of outstanding blanket encumbrances and the potential impact upon timeshare purchasers of failure to pay off the outstanding blanket encumbrances. [1983 c 530 §31]

94.890 Lien payment trust; payments; delinquencies. (1) A lien payment trust may be established with a trust company as defined in ORS 706.005 that is authorized to engage in the business of acting as a fiduciary in this state, for the conveyance of timeshare property to the trustee under ORS 94.876 if the trust instrument provides for at least the following:

(a) Title to the timeshare property must be transferred to the trustee before the purchaser's funds, negotiable instruments, purchase money agreements or credit card authorizations or proceeds are disbursed by the escrow agent.

(b) The trustee shall not convey or transfer all or any portion of the timeshare property except for an accommodation in which no owner has any further right of occupancy or as permitted at termination of the trust.

(c) The trustee shall not encumber the timeshare property without the consent of the commissioner.

(d) The association, if any, and all timeshare owners are made third party beneficiaries of the trust.

(e) Notice of the trustee's intention to resign must be given to the commissioner at least 90 days before the resignation takes effect.

(f) The trust instrument may not be amended to adversely affect the interests or rights of a

timeshare owner without the written approval of the association or, if no association, a majority of the timeshare owners.

(g) Require the deposit into trust of a lien payment deposit, as required by subsection (3) of this section, before the closing of the first timeshare sale.

(h) Require the deposit into trust before closing the first timeshare sale, and the intention to maintain for the duration of the trust, an instalment payment reserve consisting of funds in an amount sufficient at all times:

(A) To pay the total of three successive monthly instalments of debt service on each blanket encumbrance or, if instalments of debt services are not payable monthly or in equal instalments, such funds as the commissioner determines reasonably necessary to assure that the trustee will have sufficient cash to make any payment under the blanket encumbrances when due; and

(B) To create a sinking fund to extinguish the debt at its maturity if the blanket encumbrance against the trust property is an interest only loan, contains a balloon payment provision or is otherwise not fully amortized under the terms for repayment.

(i) Authorize the trustee to sell, transfer, hypothecate, encumber, or otherwise dispose of the purchase money agreement or any other asset composing the lien payment deposit or any portion thereof if, in the trustee's judgment, such action is necessary to enable the trustee to make all payments required under the blanket encumbrances to prevent foreclosure of the blanket encumbrance.

(j) Require the developer to replenish the funds and assets in the trust whenever the lien payment deposit or the funds in the instalment payment reserve fail to meet the requirements set forth in this subsection.

(k) Provide that the trustee periodically shall disburse funds in the trust as follows: First, to pay real property taxes, governmental assessments, and lease rent, if any; second, to pay current payments due on the blanket encumbrances, in their order of priority; third, to any sinking fund established for the payment of blanket encumbrances, including any prepayment penalties and release prices; fourth, to pay any service charge and cost payable to the trustee and its collection agent, if any, under the trust instrument; and fifth, to the developer or as directed by the developer.

(L) Contain any other provisions required by the commissioner under rules adopted under ORS 94.915 (2) and (3).

(2) Every purchase money agreement delivered to the trustee of a lien payment trust must contain a notice to the holder that the trustee may make demand of the holder to deliver to the trustee all payments made by the owner after the trustee mails notice that the funds and other assets in the trust are inadequate to meet the lien payment deposit requirements. Following such demand, the holder must immediately deliver all subsequent payments of the owner to the trustee and continue to deliver the payments until the lien payment deposit is replenished.

(3)(a) The lien payment deposit shall consist of either nondelinquent purchase money agreements from timeshare owners in the timeshare plan or other assets deposited into the trust by the developer and approved by the commissioner. The purchase money agreements must have an aggregate remaining principal balance of not less than, and any other assets deposited must have a liquidated value of not less than, 110 percent of the difference between the aggregate remaining balance owing under blanket encumbrances against the timeshare property, including any prepayment penalties, release prices or similar charges, and the amount of money or its equivalent in the trust and available at any time to be applied to the reduction of the principal balance of the blanket encumbrance. The developer shall have the burden of establishing the liquidated value of assets other than purchase money agreements from timeshare owners in the timeshare plan.

(b) If the blanket encumbrance payment deposit consists of purchase money agreements, the payments required to be made by owners under the agreements shall:

(A) Be due on or before the date payments become due on the blanket encumbrances;

(B) If paid when due as provided in subsection (4) of this section, be equal to at least 110 percent of the amount required to be paid on the blanket encumbrances on such date; and

(C) Be sufficient to pay, in full, during the term of the purchase money agreements all amounts secured by the blanket encumbrances, including prepayment penalties and release prices, if any, and all service charges payable to the trustee, any collection agent, and any other servicing agent under the trust agreement.

(c) If the developer proposes to deposit into trust assets other than purchase money agreements, the assets must be sufficient to pay debt service instalments on the blanket encumbrance as they become due and to create a sinking fund or other arrangement adequate to extinguish the

debt secured by the blanket encumbrance at its maturity.

(4) For the purposes of this section, "purchase money agreement" means and includes a purchase money mortgage, a purchase money trust deed and a purchase contract.

(5) For the purpose of this section, a purchase money agreement is considered delinquent when an instalment payment is more than 59 days past due. [1983 c.530 §32]

94.895 Trust irrevocable without alternative arrangement. (1) Except as provided in subsection (2) of this section:

(a) If a trust is established for timeshare property subject to timeshare licenses, the trust for the timeshare property shall be irrevocable during the time that any purchaser of a timeshare license has a right to the use of the timeshare property.

(b) If a trust is established for timeshare property subject to timeshare estates, the trust for the timeshare property shall be irrevocable until all blanket encumbrances are extinguished.

(2) The commissioner may approve an alternative arrangement that permits termination of the trust. [1983 c.530 §33]

94.900 Alternative to lien payment trust. (1) If it is impossible or impractical for a developer to satisfy any of the requirements of ORS 94.890 because of factors over which the developer has little or no control, the commissioner may accept arrangements other than those prescribed by ORS 94.890 which in the commissioner's judgment will give rights and remedies affording equivalent benefits and protection to timeshare owners and which are at least comparable in scope though not necessarily in nature to those afforded by ORS 94.890.

(2) If the commissioner is asked to accept alternative arrangements under this section, the commissioner may contract with an attorney and with any other private consultant the commissioner considers necessary or advisable, in connection with the review of the proposed arrangements for protecting purchasers. The attorney shall thoroughly review the timeshare plan for the purpose of examining the purchaser protections, including the documentation used in the timeshare plan and the disclosure thereof in the developer's public report. After completing the review the attorney shall provide a written analysis of the nature and extent of the protection that the proposal affords a purchaser against blanket encumbrances. The cost of retaining the attorneys and other consultants shall be paid by the developer. [1983 c.530 §34]

94.905 Surety bond. Any surety bond furnished to the commissioner under ORS 94.890 must be in an amount which is not less than 110 percent of the remaining principal balance of every indebtedness secured by a blanket encumbrance affecting the timeshare property. The surety bond must be issued by a surety authorized to do business in Oregon and having sufficient net worth to be acceptable to the commissioner. The bond shall provide for payment, up to the limit of the bond, of all amounts secured by the blanket encumbrance, including costs, expenses and legal fees of the lienholder, if for any reason the blanket encumbrance is enforced. The obligee of the surety bond shall be the commissioner on behalf of the timeshare owners. The bond may be reduced periodically in proportion to the reduction of the remaining principal balance of the indebtedness secured by the blanket encumbrances. Upon being furnished with a surety bond satisfying the foregoing requirements, the developer shall prepare and the commissioner shall execute and acknowledge a document in recordable form accepting the surety bond and identifying the timeshare property to which it applies. [1983 c.530 §35]

(a) The name of the developer.
 (b) The address to which documents served upon the commissioner are to be forwarded.

(c) If the developer is a corporation or unincorporated association, that the officer exercising the consent was authorized by resolution duly adopted by the board of directors.

(3) The address for forwarding documents served under this section may be changed by filing a new consent in the form prescribed in subsection (2) of this section.

(4) Service of process on the commissioner under this section shall be made by delivering to the commissioner or a clerk on duty in any office of the commissioner, duplicate copies of the process, with duplicate copies of any papers required by law to be delivered in connection with the service.

(5) When the commissioner is served with process under the provisions of this section, the commissioner shall immediately forward by registered mail one of the copies with any accompanying papers, to the developer at the address set forth in the consent.

(6) The commissioner shall keep a record of each process, notice and demand served under this section, and shall record the time of each service and the action taken by the commissioner on each service. [1983 c.530 §43]

94.925 Civil penalty. (1) In addition to any other penalty provided by law, the commissioner may impose a civil penalty for violation of the provisions of ORS 94.803 and 94.807 to 94.945. No civil penalty shall exceed \$1,000 per violation.

(2) A civil penalty may be imposed by the commissioner after notice and hearing.

(3) All hearings shall be conducted under the applicable provisions of ORS 183.310 to 183.550.

(4) Unless the amount of the penalty is paid within 10 days after the order becomes final, the order shall constitute a judgment and may be filed according to the provisions of ORS 18.320 to 18.370. Execution may be issued upon the order in the same manner as execution upon a judgment of a court of record. [1983 c 530 §44]

(1) If the commissioner finds that an owner, developer or other person is violating any of the provisions of ORS 94.803 and 94.807 to 94.945, the commissioner may order the person to desist and refrain from violating the provisions or requirements, or from the further sale of interests in the timeshare plan.

(2) If the commissioner finds that a developer or other person is violating, has violated or is about to violate, any of the provisions of ORS 94.803 and 94.807 to 94.945, the commissioner may bring an action in the circuit court of the county where the violation or threatened violation has occurred or is about to occur, or in the county where the person resides or carries on business, in the name of and on behalf of the people of the State of Oregon against the person participating in the violation, to enjoin the person from continuing or engaging in the violation or doing any act in furtherance of the violation, and to apply for the appointment of a receiver or conservator of the assets of the defendant if appropriate. (2) If a financial institution, acting as hypothecation lender and providing the major hypothecation loan to the membership camping operator, has a lien on, or security interest in, the membership camping operator's interest in the campground, the financial institution shall execute and deliver to the commissioner a nondisturbance agreement and record such agreement in the real estate records of the county in which the campground is located. In addition, each person holding an interest in any blanket encumbrance superior to the interest held by the financial institution shall execute, deliver and record an instrument stating that such person shall give the financial institution notice of, and at least 30 days to cure, any default under the blanket encumbrance before such person commences any foreclosure action affecting the campground. For the purposes of this provision, a major hypothecation loan to a membership camping operator is a loan or line of credit secured by substantially all of the contracts receivable arising from the membership camping operator's sale of membership camping contracts.

(3) There shall have been delivered to and accepted by the commissioner a surety bond or letter of credit with the commissioner as obligee for the benefit of purchasers.
