GENERAL PROVISIONS

(Sessions)

171.010 Time and place of holding regular legislative sessions. The sessions of the Legislative Assembly shall be held at the capital of the state and shall commence on the second Monday in January of each odd-numbered year.

171.015 Emergency legislative sessions; procedure for determining legislators' request for or refusal of emergency sessions; time and manner of convening sessions. (1) When a majority of the members of each house of the Legislative Assembly has cause to believe that an emergency exists and so notifies the presiding officers of each house in the manner described in this section, the presiding officers shall invoke section 10a, Article IV of the Oregon Constitution.

(2) Members of the Legislative Assembly may give notice of intent to invoke the provisions of subsection (1) of this section by filing written notice thereof with the Legislative Administrator. The notice shall be accompanied by a written statement giving justification of the need for a special session. The filing may be signed by more than one member of each house but must be signed by at least one member of each house.

(3) Upon receipt of a properly signed notice and statement described in subsection (2) of this section, the Legislative Administrator shall send to each member of the Legislative Assembly a form to be signed and returned by the member indicating whether the member requests a special session or does not so request. The form shall be as prescribed by the Legislative Administration Committee and shall contain the text of this section, the names of the members who filed the notice, and the text of the accompanying statement. The form shall be dated and shall bear the date 14 days later, computed as provided in subsection (7) of this section, by 5 p.m. on which date the form must be returned to the Secretary of the Senate or the Chief Clerk of the House of Representatives, respectively, or the person designated to serve in that capacity in order to be counted in determining whether the minimum requisite number of signatures requesting a special session has been obtained. The form sent to the members shall be sent by certified mail, addressee only, return receipt requested.

(4) The return of the signed form by a member to the Secretary of the Senate or the Chief Clerk of the House of Representatives or person designated to serve in that capacity constitutes

an irrevocable request for or refusal of the special session requested by the members filing under subsection (2) of this section and described in the form.

(5) The Secretary of the Senate and the Chief Clerk of the House of Representatives, respectively, or the person designated to serve in that capacity shall verify the signatures in the return form and tally the requests and refusals, note the date and time of the receipt of each returned form. When each receives the requisite minimum number of signed forms agreeing to the special session from members of the house of which the person is an officer, each immediately shall notify the presiding officer of each house.

(6) Upon receiving notice from the Secretary of the Senate and the Chief Clerk of the House of Representatives or the person designated to serve in that capacity that the minimum requisite number of signed requests for a special session has been received and verified for both houses, the presiding officers jointly shall convene the Legislative Assembly into emergency session by joint proclamation, fixing the date thereof. The date must be within five days after receipt by the presiding officers of the notice from the Secretary of the Senate and Chief Clerk of the House of Representatives. The original of the proclamations shall be filed with the Secretary of State.

(7) The period of time for purposes of subsection (3) of this section shall be computed by excluding the first day and including the last day unless the last day falls on any legal holiday or on Saturday, in which case the last day is also excluded. The period of time for purposes of subsection (6) of this section shall be computed by beginning on the day after which the presiding officers receive the notice described in subsection (6) of this section and ending five days later, regardless of legal holidays or Saturdays. (1) When any vacancy occurs in the Legislative Assembly due to death or recall or by reason of resignation filed in writing with the Secretary of State or a person is declared disqualified by the house to which the person was elected, the vacancy shall be filled by the electors of the affected legislative district at the next general election unless:

(a) The vacancy occurs during any session of the Legislative Assembly;

(b) A general election will not be held within 90 days after the date the vacancy occurs; or

(c) A general election will be so held, but a special session of the Legislative Assembly will be convened before a person is elected at the general election to fill the vacancy and assumes the duties of the office.

(2) If the vacancy occurs at a time described in subsection (1) of this section, the vacancy shall be filled by appointment of a person qualified to hold the office who is an elector of the legislative district by the county courts or boards of county commissioners of the affected counties pursuant to ORS 171.060 to 171.064. The appointment shall be made from a list of not fewer than three nor more than five nominees furnished by the Secretary of State pursuant to ORS 171.060 (1). If fewer than three names of nominees are furnished, a list shall not be considered to have been submitted and the county courts or boards of county commissioners shall fill the vacancy. The person so appointed must have been a member of the same major political party at least 180 days before the date the vacancy to be filled occurred. The vacancy must be filled by appointment within 30 days after its occurrence or not later

than the time set for the convening of the special session described in paragraph (c) of subsection (1) of this section when that is the basis for filling the vacancy.

(3) If the appointing authority required by this section to fill the vacancy does not do so within the time allowed, the Governor shall fill the vacancy by appointment. [1981 c 517 §3 (enacted in lieu of 171.050), 1985 c 771 §1]

(1) When any vacancy as is mentioned in ORS 171.051 exists in the office of Senator or Representative affiliated with a major political party and that vacancy is to be filled by an appointing authority as provided in ORS 171.051, the Secretary of State forthwith shall notify the person designated by the party to receive such notice. The precinct committee persons of the party representing the precincts within the district who were precinct committee persons of the precinct when the vacancy occurred shall nominate not fewer than three nor more than five qualified persons to fill the vacancy. As soon as the nominees have been appointed, but no later than 20 days after the vacancy occurs, the party shall notify the Secretary of State of the persons nominated. The Secretary of State shall set a time for a meeting of the county courts or boards of

county commissioners. If the district is composed of more than one county, the Secretary of State shall name a temporary chairman and designate a meeting place within the district where the county courts or boards of county commissioners shall convene for the purpose of appointing a person to fill the vacancy.

(3) A written statement signed by a majority of those qualified to vote upon the filling of any vacancy naming the person selected to fill the vacancy and directed to the Secretary of State is conclusive evidence of the filling of the vacancy by the appointing authority named therein. [Amended by 1955 c.211 §6, 1973 c 773 §2; 1975 c 779 §2; 1977 c.302 §1; 1985 c.771 §2]

However, any county having electors in the district shall be entitled to at least one vote.

(2) A major fraction of electors shall be a number greater than 500 but less than 1,000. [Formerly 248.175]

171.064 Apportioning votes for filling vacancies in multicounty legislative districts. The number of votes apportioned to each county commissioner in filling a legislative vacancy shall be equal to the total number allotted to the respective county of the county commissioner in the manner set forth in ORS 171.062 divided by the total number of county commissioners of the respective county. [Formerly 248.180]

171.068 Procedure when vacancy filled after reapportionment. (1) For the purpose of nominating persons under ORS 171.060 to fill any vacancy in the Legislative Assembly occurring as described in ORS 171.051 (1)(a) to (c), the precinct committeepersons of a district created by reapportionment shall be those holding office when the vacancy occurs.

(2) For purposes of ORS 171.060, 171.062 and 171.064, the county court or the board of county commissioners which shall fill the vacancy in the Legislative Assembly shall be the county court or board of county commissioners of each county any part of which is in the district that is created by the reapportionment and includes the residence from which the former Senator or Representative was elected.

(3) Each person nominated by the precinct committeepersons under subsection (1) of this

section must be registered to vote in the district from which the former Senator or Representative was elected and must have been a member of the same major political party at least 180 days before the date the vacancy to be filled occurred.

(b) Seventeen percent of the salary of a District Court Judge.

(2) The President of the Senate and the Speaker of the House of Representatives each shall receive for services, as additional salary, an amount equal to the sum allowed each of them as a member under subsection (1) of this section.

The additional allowance shall reflect travel expenses necessary to communicate in districts of varying sizes.

(9) The per diem allowance referred to in subsections (3) and (4) of this section shall be the amount fixed for per diem allowance that is authorized by the United States Internal Revenue Service to be excluded from gross income without itemization. (Employment Rights)

171.120 Purpose of enactment of ORS 171.120 to 171.125. It is the purpose and intent of the Legislative Assembly in enacting this section, ORS 171.122 and 171.125 that, subject to the conditions set forth in such sections, any member of the Legislative Assembly whose employment is interrupted by reason of attendance upon regular or special sessions of the Legislative Assembly or the performance of official duties as a member of the Legislative Assembly, shall be restored to such employment in such a manner as to give the member the status in such employment that the member would have enjoyed if the member had continued in such employment continuously during any such attendance or performance of duties. [1957 c.549 §1]

171.122 Rights and benefits of legislators in relation to their regular employment. (1) Any member of the Legislative Assembly who leaves regular employment in order to attend upon any regular or special session of the Legislative Assembly or to perform official duties as a member of the Legislative Assembly, shall be deemed to be on leave of absence from such regular employment position for such period of time as is reasonably necessary to permit such attendance or performance of duties.

(2) The regular employment position of a member on leave of absence under this section shall only be deemed vacant for the period of such leave of absence, and the member shall not be subject to removal or discharge from such position as a consequence of such leave of absence.

(3) Upon the termination of the leave of absence of the member under this section, a member shall be restored to the regular employment position the member held immediately prior to the first day of the leave of absence if such position still exists, or, if such position does not still exist, to as similar a position as possible, without loss of seniority, the right to participate in insurance or any other employment benefits, other than wages for services rendered, as a consequence of the leave of absence of the mem-

ber. Such seniority, right to participate in insurance or other employment benefits shall continue to accumulate during the leave of absence as though the member had continued in employment continuously in the regular employment position the member held immediately prior to the first day of the leave of absence of the member.

(4) This section is not applicable if:

(a) The member was employed by the employer for a period of less than 90 days immediately prior to the first day of the leave of absence.

(b) The circumstances of the employer have so changed during the leave of absence of the member as to make restoration of the member to employment impossible or unreasonable.

(c) The member fails to apply for restoration to employment within 15 days after the termination of the leave of absence of the member.

(d) The regular employment position of the member immediately prior to the first day of the leave of absence or the character, terms, conditions or activities of such position are incompatible under the Constitution and laws of this state with the office of member of the Legislative Assembly.

(e) Employment is on a temporary basis.

(f) The employer employs less than 10 persons immediately prior to the first day of the leave of absence. [1957 c.549 §2]

171.125 Proceeding to require compliance with ORS 171.122. If any employer fails to comply with the provisions of ORS 171.122, the circuit court for any county in which such employer maintains a place of business has jurisdiction, upon the filing of a petition by the person entitled to the benefits of ORS 171.122 and who has been denied such benefits by reason of the noncompliance of the employer, specifically to require the employer to comply with the provisions of ORS 171.122 and to compensate such person for any loss of such benefits suffered by reason of such noncompliance by the employer. Such compensation shall be in addition to and shall not be deemed to diminish any of the benefits to which the member is entitled under ORS 171.122. [1957 c.549 §3]

(Measure Filing)

171.127 When proposed measure to bear name of person other than member requesting introduction; statement of chief sponsor. (1) Each proposed legislative measure

As used in this subsection, "formal request" means the presentation, submission or providing of a drafted measure to a member or committee of the Legislative Assembly.

171.130 Pre-session filing of proposed measures; printing and distribution. (b) Interim and statutory committees of the Legislative Assembly.

(c) The Executive Department, to implement the fiscal recommendations of the Governor contained in the budget report of the Governor.

(d) The person who will serve as Governor during the session.

(e) State agencies.

(2) The Legislative Counsel shall order each measure filed pursuant to subsection (1) of this section prepared for printing and may order the measure printed. If the person filing a measure specifically requests in writing that the measure be made available for distribution, the Legislative Counsel shall order the measure printed and shall make copies of the printed measure available for distribution before the beginning of the session to members and members-elect and to others upon request.

(3) Copies of all measures filed and prepared for printing or printed pursuant to this section shall be forwarded by the Legislative Counsel to the chief clerk of the house designated by the person filing the measure for introduction.

(2) A state agency headed by a state-wide elected official who initially assumes office in January of an odd-numbered year is not required to comply with subsection (1) of this section. The agency may submit bills and measures for introduction by members or committees of the Legislative Assembly until the calendar day designated by rules of either house of the Legislative Assembly.

(3) The exemption granted by subsection (2) of this section to a newly elected Governor does not apply to state agencies in the executive branch. [1975 c.783 §3, 1979 c.237 §2]

171.133 Approval of Governor required for measure introduction. (1) A state agency shall not file a legislative bill or measure under ORS 171.132 or cause a bill or measure to be introduced before the Legislative Assembly if the bill or measure has not been approved by the Governor.

(2) "State agency" means every state agency whose costs are paid wholly or in part from funds held in the State Treasury, except the Legislative Assembly, the courts and their officers and committees, and except the Secretary of State, the State Treasurer, the Attorney General, the Commissioner of the Bureau of Labor and Industries and the Superintendent of Public Instruction. 171.136 Supplies and equipment. (1) The Legislative Administrator, subject to the policies of the Legislative Administration Committee and the rules of each house, shall furnish necessary office supplies, equipment and stationery for the use of all members, officers and employes of the Legislative Assembly, taking their receipt therefor. It is the duty of such members, officers and employes to return to the Legislative Administrator any unused stationery or supplies and all equipment at the close of each session of the Legislative Assembly unless otherwise directed by the Legislative Administrator. ELECTION DATES

171.180 State policy governing election dates. The Legislative Assembly finds that to limit the number of days on which elections are held in this state would consolidate separate single purpose elections, reduce the cost of elections and local government, and increase participation in the electoral process. It, therefore, finds that the number of election days in this

state is a matter of state-wide concern. [1979 c.316 §1]

171.185 Dates for legislatively prescribed elections; emergency election. (1) Except as provided in subsection (2) of this section, an election called by the Legislative Assembly shall be held only on:

In determining charges, the committee shall take into account the cost of publishing and distributing copies other than those it distributes under subsections (2) and (3) of this section.

(5) All money received under subsection (4) of this section shall be deposited in the General Fund and be available for payment of the general expenses of the state, except that so much thereof is appropriated as is necessary to reimburse the Legislative Administration Committee for its actual costs incurred in publishing and distributing the copies for which it charges a fee.

STUDIES OF MANDATED HEALTH COVERAGE

171.870 Legislative findings. (1) The Legislative Assembly takes notice of the increasing number of legislative proposals for mandating certain health coverages, whether such proposals mandate payments for certain providers of health care or mandate the offering of health coverages by insurance carriers and health care service contractors as a component of individual or group policies. Improved access to these health care services to segments of the population who desire them may provide social and health consequences that are beneficial and in the public interest.

(2) The Legislative Assembly also takes notice of the fact that the cost ramifications of expanding health coverages is resulting in a growing public concern. The way that the coverages are structured and the steps taken to create incentives to provide cost-effective services or to take advantage of features of services that offset costs can significantly affect the cost of mandating particular coverages.

(3) The Legislative Assembly hereby finds and declares the following:

(a) The merits of a particular coverage mandate must be balanced against a variety of consequences that may go far beyond the immediate effect upon the cost of insurance coverage.

(b) A systematic review of legislation proposing mandated or mandatorily offered health coverage that explores all ramifications of the proposed legislation will assist the Legislative Assembly determining whether mandating a particular coverage or offering is in the public interest. [1985 c.747 §55]

171.875 Report required to accompany measures proposing mandated coverage. Every proposed legislative measure that mandates a health insurance coverage, whether by requiring payment for certain providers or by requiring an offering of a health insurance coverage by an insurer or health care service contractor as a component of individual or group health insurance policies, shall be accompanied by a report that assesses both the social and financial effects of the coverage in the manner provided in ORS 171.880, including the efficacy of the treatment or service proposed. The report may be prepared either by the chief sponsor or by any other proponent of the proposed measure. The report shall be submitted with the proposed measure when the proposed measure is submitted for filing, and shall be in writing and be a public record. [1985 c.747 §56]
