"Youth care center" or "center" does not include detention facilities established under ORS 419.602 to 419.616 except that when a county operates a combined facility to provide both care and rehabilitation services under ORS 420.855 to 420.885, and detention facilities, the combined facility may be considered a "youth care center" to the extent that it is used to provide the care and rehabilitation services for children not in

420.860 Policy and intent. It is declared to be the policy and intent of the Legislative Assembly that the State of Oregon shall encourage, aid and financially assist its county governments and public and private agencies in the establishment and development of youth care centers for children found to be in need of care and rehabilitation pursuant to ORS 419.507 (1) to (3) [1967 c 444 §10]

(2) Placement of a child by the Children's Services Division in a youth care center does not terminate the juvenile court's wardship over the child or the custody of the Children's Services Division. The center may retain such children in full or part-time residential care or, with the consent of the Children's Services Division, may place them on a full or part-time basis in foster homes [1967 c 444 §§2, 4, 1971 c 401 §63, 1971 c 698 §5]

(2) Upon receiving the application, the division shall cause an investigation of the affairs and methods of the youth care center and, if it finds that the center meets the requirements of ORS 420.870, shall grant its application for state support.

(3) At such times as the Children's Services Division may require, all youth care centers receiving state support under the provisions of ORS 420.855 to 420.885, shall file with the division a financial and statistical report, and a report on the content and conduct of the program, in such form as may be prescribed by the division. If any youth care center fails to file the prescribed reports within 30 calendar days after requested by the division, no further state support shall be paid until it has complied with the provisions of this subsection. [1967 c 444 §5, 1969 c 196 §1, 1971 c 401 §65]

420.885 Audit and payment of claims.

(1) The youth care center shall present to the Children's Services Division an itemized statement showing the names of the children being cared for during the period for which the statement is submitted and the amount which the center claims for the period. The division shall investigate the claim and approve only that portion which is in accordance with the provisions of ORS 420.855 to 420.885 and the rules of the division.

(2) When certified by the Children's Services Division, claim for state reimbursements shall be presented to the Executive Department and paid in the same manner as the claims against the state are paid.

(3) If the center is operated jointly by more than one public or private agency, each agency participating in the operation shall be entitled to a pro rata share of the amount due, to be determined by the contribution of each to the operating cost of the center.
